Welcome to the new season ! Some of you will have found the conditions a little daunting, but all of you who did turn up had a go in the true spirit of Slalom and, hopefully, being none the worse for the experience will go on to enjoy more competitions where possibly the conditions will not be quite so challenging.

We all owe a tremendous debt of gratitude to those willing (?) volunteers who gave up a days holiday on Friday to put the course up for the first race, and to all those bodies mostly, but not all, Viking members who kept the courses adjusted and made the changes for the second race. I cannot list them all here because I do not have enough paper but to them all, and to all the Paddling and non-Paddling Judges, THANK YOU. I would particularly like to thank Ann and Hannah Tattersall, and Delia and Jeff. Ellard for their sterling work, and Alison and Ian Pendleton who turned up on a social visit, and found themselves working all Saturday afternoon!

Thanks are also due to Jane and Sue and their teams for keeping us all fed and watered throughout the weekend, to Mike Stott and to Jim Croft for the loan of the van, and various equipment, and to Brian Stanbridge (Saturday), and various other rescue boats for their conscientious attention. I hope you all felt re-assured by their presence. Thanks also to John Bennett and to Colin Woodgate for acting as Chairs of the Jury for the events.

Congratulations to those of you who earned promotion on taking a step up the ladder of British Canoe Slalom ( a certain Richard Fox took part in his first formal Canoe Slalom here in the '70's) and to the rest of you, I hope you will persevere in Canoe Slalom and gain some of the sense of achievement at mastering the elements that so many of us have gained over the years, and that ALL of you will strive to make British Slalom Great again.

#### ACKNOWLEDGEMENTS :

Thanks to Bedford Borough Council for their permission to hold the event , and for the (non !) use of the Camping area, and to the N. R. A. for their co-operation so far as they were able in taming the flooding river.
