Vanessa Humphrey	J	2	C1W	193	8	19.3	181.7	193.3	2	19.3	176.0	176.0	5

Thank you to all those who turned up to compete, train, help on the water and in the coffee bar.

The river flow was very low this time with no main sluices open, quite a hard slog!

The handicapping is calculated according to Division, gender and class.

The points will be carried forward, best of three events will determine the eventual winner.
