### **Division 2 South**

#### **Payments:**

The first three tournaments played will cost £120 per team, the fourth is pre-paid as part of the entry fee.

To avoid chasing players at every event I am happy for teams to pay for all events in advance, this works out at £360 per team, or £45 per player if you have a squad of eight.

#### **Kayaks and personal equipment:**

One of the main barriers to quality refereeing is identifying players on the water during the game.

Current rules state that all players must have the same colour helmet, the same colour buoyancy aid, the same colour rash vest and the kayak deck is also the same colour.

If everyone can comply with the above then I am sure less mistakes will be made by referees.

From a personal perspective it does seem odd that players regularly spend £1000 - £1500 on kayaks but forget the £10 roll of fabric to get it the right colour.

Dear Team Captains,

13<sup>th</sup> February 2011

Thank you all for competing this season in the National League structure, the 2010-2011 season has now concluded and this pack contains a full record of every game played.

Congratulations to Bedford Raiders, who are undefeated Division 2 South champions. Second was Avon 'A', who will be joining Bedford at the promotion play-off's taking place in May.

Commiserations to Clapham, who after winning promotion to Division 2 find themselves dropping straight back down - good luck for next season and we may see you again in 2012. Viking 'C', finishing seventh, are also to attend the play-off's in May but they are fighting for survival as a Division 2 team.

To all the referee's and players who erected the goals, many thanks as your hard work helped keep everything running to time. On behalf of all teams I would like to extend thanks to those parents and supporters who ran the table all season, they were a great help and without them the league would not be running as it is.

So to next season! - I am not sure when I will be here anything, but based upon previous years it will probably be late in the day. If you have any questions about either this season or the next then feel free to make contact with me.

Regards,

**Mal**

### Red card report – Bere Forest v Avon

Early in the first half of the game, Avon were on the attack with Bere Forest set up in the zone. Player 'No1' from Avon was jostling for position side by side in the zone with the 'No1' from Bere Forest which resulted in both players getting their blades jammed between kayaks.

As a result, the 'No1' from Bere Forest felt he was being fouled and when he managed to release his blades, he forced his blade under the face guard of the opponent and jabbed the player quite forcefully making contact with the players jaw. I felt the foul was severe enough to warrant an immediate red card. The player left the water.

*Any challenge to red cards should be taken up directly with the BCU Canoe Polo Committee*
