Dear Paddlers,

I am sure you all appreciate that there was no alternative but to cancel Sundays scheduled event. The water level was such that it was not only highly dangerous to paddle, but also impossible to redesign and erect the course on it.

I hope the half price food and chocolate went some way towards making up for the expenses you all incurred in supporting our event.

Unfortunatley because our slalom costs have still to be met, and the sheer legistics of writing out cheques to every paddler I am afraid we cannot send refunds.

Some lost property was handed in on Sunday, if you have lost anything please give me a ring after 1st. April.

Yours Sincerely,

Pat Green
