

WASHBURN COMMITTEE

DIVISION ONE

MAY 7/8 1988

Sunday evening, 8.48 p.m. freshly showered; shattered and bleary-eyed.

Well, believe it or not, I don't feel like saying "never again". My large selection of very silly hats has allowed me to remain relatively 'cool'.

I must pay tribute to the magnificent efforts of the member clubs of the committee who all turned up in the numbers they had promised and set about their allotted tasks with a notable degree of professionalism.

I cannot for the life in me see why so many of our top paddlers can't get sufficiently organised enough to get their entries in on time. It really upsets me to have to return late entries as our job is no more difficult with an extra dozen competitors. Last year someone spent over two pounds recorded delivery in an attempt to catch a deadline which had already gone !! This year several were posted to me a few days after the start lists were actually in your hands. Words fail me!!

Words didn't fail the wee Scots laddie who had lost his favourite yellow 'Dinkey' type car which was later handed in. "YES, it IS mine" he replied to my question.

"Where did you lose it?". Asked 'Sherlock' Doyle

"WHERE DID YOU FIND IT?" came the immediate canny reply

"Can I have both my runs now?. My wife has just gone into labour"

"Yes, If you call him Washburn, if it's a boy." Was the reply. There was an expectant father in one Hell of a rush. He won the C1 CONGRATULATIONS.

J.R. Doyle
