The slalom is over and it is back to work and school and out comes the sun. Thanks to all who took part in the slalom and making it the success it was. Also thanks for your co - operation with regards camping and parking we know it wasn't easy especially as the weather wasn't very good. Congratulations to all prize winners and promotees, keep up the good work. The rest of you keep trying you will make it eventually. Finally a big thankyou to the many helpers, without your support slaloms wouldn't be possible.
