The slalom's over for another year, all that remains to be done is say thank you.

Many thanks must be given to the Judges and ladies in the control tent, without who's help it would be impossible to run, to Wilderness Ways for the sponsorship of the event, the riparian owners who allow us the use of their land and the competitors make it all worthwhile.

To those competitors who were promoted, good luck in the higher divisions, to those who missed, keep trying you'll make it one day.

Last but not least a big thanks to my wife, who was in control in more ways than one.

  
Dave
