Well, there we are then, the first Division 4 / 5 of the season to be held at Bala. First of all let me apologise for the lack of water, but it was totally out of our control. At the same time I would like to thank all those members who spent most of Friday in the river moving rocks. Thanks also to everyone who helped out judging and in control. The entry list started of quite small but we ended up with 140 paddlers, probably the best attended div. 4/5 this season. All those who were promoted, well done.

It was nice to see so many stay for the Fun Day on the Monday. Well we did say it was fun day. The air beds have just recovered. Thanks to Kingston Poly for their demonstration of a K4 slalom boat.

A gold necklace was found on site. If the owner would like to phone me and describe it I will gladly post to him/her.

Don't forget the Bala Div. 5 Challenge. We are running 4 div. 5 events this year and the best Div 5 paddler who enters 3 out of the 4 will be awarded a prize at the last event. All you have to do is enter, we will do the rest.

We must thank the St. John who attend all our events, we relay do appreciate their help.
