1st Prizes were awarded to Winners in Divisions with 3 or more entrants, and 2nd prizes in Divisions with 5 or more paddlers. Other Divisions were then combined.

The Handicap.

Prizes Winners (*) were awarded to the highest placed paddlers, (found by the handicap), who had not received a prize in their Division.

The handicap attempted to equalise Divisional Times then add the relevant penalties. This would benefit those paddlers with fewer penalties, thus awarding skill rather than just speed.

Thank you all for attending our Slalom, we hope you enjoyed yourselves.

Our next Ranking Slalom is Marple 4/5 on April 4/5.

Competitors and Judges will be welcome.

Best of luck with your future paddling.
