Seaton Park Slalom Results

I would like to thank all who took part as competitors and officials for making the weekend such a success. The AKC Open Handicap race had a field that covered the entire range of divisions, and with some competitors competing in several boat types exciting racing was assured. The Topo-Duo again proved popular as paddlers learn new techniques with it.

Well done to the paddlers who won promotion to division 3 and hopefully the points will have aided some on their way into division 2, once again hearty congratulations to the home team for bringing the AKC Challenge Shield back to Aberdeen. It has been prized away before and it may only be a matter of time before the growing contingents from Selkirk and Fife abscond with it to southern climes for a year.

I am very grateful to the crew who worked on Friday making the course ready and to everyone who helped during the event, especially to the safety crew, the bankside organizers and the Control Team. I know competitors will join me in thanking all those who manned the famous food tent for their unstinting contributions to catering before and during the competition, and those generous club members who donated the excellent cakes and soup.

Congratulations to all of you who won prizes, promotion or personal esteem from having proved yourself on the river.

Craig Dohlas
