As a direct result of a much regretted inadequate briefing, which caused confusion as to the correct turning buoy in the Senior course, it has been thought that no points be awarded for any placings.

Also after consultation with the prize winners in the Senior K 1 Class, we have agreed that the fairest decision is to repossess the overall winner's trophy as well as place prizes and hold them for some future event.

Finally, the oversight which resulted in Miss McLure not being included in the Junior Men's Class for which she was eligible, will be redressed at the first convenient occasion, by the awarding of the prize she should have received in the event.

Thanks are due to: 'Lendal Products' for the Winner's trophy.
The Sailing and Cruising Club for the provision of safety Boats.
The Ardrossan Coast Guard for their watchful Attention.
