Thanks to:

B. Telfer for supplying and manning the Powered Safety Boat

D. Bean, J. McMillan, and T. McLean for additional Safety Boat coverage on the course.

Mrs. Turcan for recording results and presenting prizes.

Mr. J. Thomson for the use of the Jetty at the Finish.

A Disgrace to the Canoeing Fraternity

The Jetty at the finish is private property, used for Loch Cruises and boat hiring. Over the past few years, Mr. Thomson has kindly allowed me the use of it as a finishing point. I am extremely angry to report that one of the Paddlers refused to remove his canoe from the Jetty, when asked to do so by Mr. Thomson's son, to make way for one of the hiring boats. Not content with that, when asked a second time, it is alleged that this paddler threatened the youngster with violence. Unfortunately, I was not advised of this until I went to thank Mr. Thomson after the event was over. Because of this incident, I have been told that I will not be granted finishing facilities by Mr. Thomson in future. If anyone can help identify this person, I would be delighted to hear from them.
