PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

The BCU is committed to ensuring that all children and vulnerable adults enjoy paddlesport in a safe environment in which they are protected from any form of poor practice or abuse. We continue to work towards and maintain the standards set for sport and to implement the requirements set within government guidelines and legislation.

Everyone in Paddlesport has a responsibility to help to safeguard and protect children and vulnerable adults – whether it is an administrator, club official, coach, parent, friend or children themselves. This can be a daunting prospect – and to support everyone involved in our sport to apply these principals the BCU has developed a range of child protection policies and procedures. These child protection procedures stem from the following principles:

- the child's welfare is paramount
- anyone under the age of 18 is classed as a child
- All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse.
- Coaches, clubs and centres need to be provided with advice to raise awareness of best practice and guidance and support should they become involved in an abuse situation.

All our policies and documents to support those working with young people can be easily found on each home nation website. Alternatively, contact your Home Nation if you would like further information or are unable to access the internet. We know that if the procedures are to help to protect children, everyone involved in Paddlesport needs to see and discuss them. We are, therefore, asking club Secretaries/Welfare Officer to make sure that they are widely distributed and discussed at club executive and general meetings.

Child Protection Support Officer - While the welfare of young people is the BCU's first consideration, we recognize that coaches, volunteers and helpers may also require support if an allegation is made against them. In these cases individuals should contact the BCU Child Protection Support Officer whose role is to listen, support, help and provide advice. (Contact details below) They will not be involved in the case and will be completely independent of the investigation.

Event Management - Event organisers should take note that there is a requirement to provide a Welfare Officer at all events where children are participating. For further details refer to the guidance sheets on the website – Paddlesafe Events.

Good Practice Guidelines

By following these guidelines you will help to protect both the children/vulnerable adult in our sport and our coaches/helpers from wrongful allegations.

- Avoid situations where you are alone with one child/vulnerable adult. The BCU acknowledges that occasionally there may be no alternative, for example, where a child/vulnerable adult falls ill and has to be taken home. We would stress, however, that one to one contact must not be allowed to occur on a regular basis.
- If any form of physical support is required ask the paddler's permission, explain what you are doing and why to both the child/vulnerable adult and their parents/carers.
- Where possible ask parents/carers to be responsible for children/vulnerable adults in changing rooms. Always ensure that whoever supervises young people work in pairs.
- Where there are mixed teams/groups away from home, they should always be accompanied by an adult male and female coach/helper.

PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

- Don't allow physically rough or sexually provocative games, or inappropriate talking or touching.
- If it's necessary to do things of a personal nature for children/vulnerable adult, make sure you have another adult accompanying you. Get the consent of the parent/carer and if possible the child/vulnerable adult. Let them know what you are doing and why.
- Ensure that any claims of abuse by a child/vulnerable adult are taken seriously and that it is dealt with by people who know what to do.
- Ensure that the nature and intensity of training does not exceed the capacity of a child's/vulnerable adult immature growing body and ability.
- Follow the BCU guidelines for photography and video use (see reference sheet 'Guidelines for use of Photographic and Filming Equipment')

Ensure your club adheres to the BCU best practice guidelines and requirements with particular reference to:

- The BCU Code of Ethics.
- The BCU Child Protection Policy and Vulnerable Groups Policy
- Safe recruitment practices and the requirements for coaches /helpers to have undergone an enhanced disclosure as required by your home nation.
- Individuals undertake safeguarding training when working with children and vulnerable Groups
- Club Welfare Officers attend specific training to support their role (eg Time to Listen workshop)
- Publicise your club Welfare/Child Protection Officer contact details
- Publicise the NSPCC Child Protection Helpline

SPRINT RACING

Phew! Where did 2012 disappear to?

We had that long, slow-burn fuse up to the Olympics, where 'BOOM' it happened and boy did it happen. Such wonderful performances by all our athletes, all backed up by a vast array of support varying from coaches to support staff, to regatta and club volunteers, to friends and family.

But we all felt we were and are part of a huge big Sprint Racing family; in truth, immediately post the games I and many others felt there was a bit of an anti-climax. 'Where do we go from here?' was the question on many a person's lips. Well I can tell you - 'Rio': Rio in 2016 where, as you know, Para canoeing will be in the competition for the first time and GB are already competing at elite World Class levels in the Para canoe disciplines.

But they cannot carry it alone, so may I again ask you all to provide any support you can, particularly in volunteering to help run the regattas - many hands will make for light work. For those of you involved in Clubs please keep up the good work, coaches & team leaders are sometimes overlooked, the hours you provide in starting these athletes off puts the "Great" into Great Britain and, who knows, the next Olympian may be part of your present team.

INVITATION

To our elite and aspiring elite athletes I have been advised to invite you to attend our National Regattas, so here it is, "Please attend and compete at our National Regattas we would love to have you with us, to see you, to compete against you, encourages the young and not so young aspirant paddlers and gives your supporters a lift".

2013 will bring with it many challenges, some new and some old, but together we can overcome them all and build a firm foundation for the next Olympic cycle.

I look forward to seeing you all in the not too distant future

Kind regards
Peter Moule
Chairman SRC

However, it also contains some additional regulations or changes to those rules as determined from time to time by the BCU Sprint Racing Committee.

The following words, acronyms and abbreviations are referred to in this document:

RC **Regatta Committee** (a sub-committee of the SRC responsible for organising and conducting National Championships and other competitions on behalf of the BCU)

Part IV - RACING REGULATIONS

24. **Means of Propulsion**

- 24.1 Kayaks shall be propelled solely by means of double-bladed paddles.
- 24.2 Canadian Canoes shall be propelled solely by means of single-bladed paddles.
- 24.3 The paddles may not be fixed on the boat in any way.

25. **Start**

- 25.1 Competitors shall be on the water at the starting area, not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line.
Two minutes before the defined starting time the competing boats have to take the lane determined in the programme.
- 25.2 Competitors shall be at the starting area in time to allow satisfactory preparation for the start.
 - 25.5.1 The start shall be given without reference to absentees.
 - 25.5.2 If the competitor does not start, and has no valid reason approved by the Competition Committee, (International event) he shall be disqualified for the whole regatta, (National regatta) penalty points will be issued. A competitor, who arrives too late at the start, shall be considered to have voluntarily withdrawn and shall be disqualified under this rule.
- 25.6 When signalled by the Starter, the competitor will take the start position designated so that the bow of the boat is on the start line. In case of an automatic starting system the competitor will place himself/herself so that the bow of the boat is on the start line and thus in the start machine. When all boats are properly aligned, the aligner will then raise a white flag.
- 25.7 If the Starter is not satisfied with the line-up he/she will call "STOP", and hand over to the Aligner for repositioning.
- 25.8 The starting command will be "Ready – Set – Go" ("Go" can be a shot or strong signal). At the "Ready" command the competitors begin their preparation to paddle. At the "Set" command the competitors

BCU SPRINT RACING COMPETITION RULES

place their paddle in the catch position. The competitor must not paddle forward or this action will be deemed to be a false Start. The boat must not move forward at this point in the starting procedure. The Starter when satisfied with the competitors positioning and attention will say "Go" (or shot or powerful sound). The competitors must only react to the start command/signal "Go" and are not permitted to anticipate it. The competitors can paddle only upon hearing the starting signal/command "Go".

- 25.9 In the event of a false start, the Starter must immediately give a powerful sound signal. On hearing this signal all competitors must stop paddling and follow the Starter's instructions for a new start. Before the new start, the Starter must identify the offending crew/s making the false start and give them a warning. In the event of a second false start by the same crew the boat will be disqualified from the race and must leave the starting area and the course immediately.
- 25.10 The Starter may also recall competitors for a new start in the event of any unforeseen circumstance – a malfunction of the starting equipment for example. In such a case the same powerful sound signal must be given. If a malfunction of the starting equipment was caused through a boat making a false start, as in 25.9 the crew must be given a warning, as in 25.10, even though that boat may not have crossed the start line. If the malfunction was not the cause of any competitor making a false start, no penalty shall be imposed.
- 25.11 The Starter will start the race when he/she is satisfied that everything meets with his/her approval. He/she will make a written report on any disqualification and forward it to the Chief Official.
- 25.12 In the long distance races the starter shall declare "START WITHIN ONE MINUTE" when he is satisfied he will give the starting signal by a shot or a short powerful sound. The Starter will start the race when he/she is satisfied that everything meets with his/her approval. He/she will make a written report on any disqualification and forward it to the Chief Official.

26. Paddling on the Course

- 26.1 In races up to 1000 metres, competitors must keep the whole of their boat within the four-metre wide central area of their lane from the start to the finish of the course. Upon any deviation, the boat must go back immediately to this central area of the lane. No boat must come nearer than five metres in any direction to the boat of another competitor – that is, gunwale to gunwale or bow to stern.
- 26.2 If a boat leaves the centre of the lane and does not return to it, the boat may be disqualified from the event.
- 26.3 A boat which leaves its allocated lane must be disqualified from the event.
- 26.4 If a race is declared null and void, no change of the composition of a crew is permitted at the new start.
- 26.5 If there is a capsized competitor or crew is eliminated from the race.
- 26.6 The Umpire has the right to interrupt a correctly started race if unforeseen hindrances arise. The course Umpires with a red flag and sound signal may effect such an interruption. Competitors must immediately stop paddling and await further instructions.

- 28.2 When a race is run on a course with turning points these shall be passed to port (i.e. in an anti-clockwise direction).
- 28.3 A competitor will not be disqualified for touching a turning buoy, unless, in the opinion of the Turning Point Umpires, an advantage has been gained there from. In making a turn, the boat shall follow as closely as possible the course as marked by the buoys at the turning points.
- 28.4 If there is a capsized competitor or crew is eliminated from the race if he/she or they are not able to get in the boat without outside help.
- 28.5 Any competitor who is responsible for a collision or who damages the canoe or kayak or paddle of another can be disqualified and can be required to pay damages.

| 4 heats - | 1 st 1 plus next 3 best fastest times |
29. **Finish**
- 29.1 The boat has finished the race when its bow crosses the finish line with all crew members in it. The Finish Line Judges will determine the result of the competition based on the order of the boats arriving according to the rules.
- 29.2 If two or more boats reach the finishing line at the same time they are awarded the same classification in the final. In the case of a dead heat finish for any position, which determines the advance to the next level of the competition the following rules will apply:
- a) Wherever there are sufficient number of lanes available in the next level of the competitions, drawing of lots will determine to which race each boat will advance. If possible it may use also lane number 10.
- b) Wherever there are not enough lanes available there will be a re-race between the boats involved 30 minutes after the race (and for International Competitions after the last race of the day, or half day programme)
- c) In the case of a dead heat in the re-race, drawing of lots will determine the outcome.
30. **Tasks of Competitors after the Race**

- 31.4 No crew may be accompanied along and adjacent to the racecourse by other boats while the race is in progress.

- Any of the above infractions will result in the disqualification of the competitor(s) concerned.

BCU SPRINT RACING COMPETITION RULES

- 31.6 All disqualifications by the Competition Committee have to be confirmed in writing immediately with the reasons. The Team Leader has to acknowledge the receipt on a copy with the exact time, which is the start of the protest time.
Failure to deliver the copy confirmation of the disqualification to the team leader does not invalidate the disqualification.

32 Protests

Notes to the BCU Sprint Racing Competition Rules

Races Exceeding 1,000 Metres at the National Water Sports Centre Nottingham, Rules 21.4 and 21.5

Because of limitations at the National Water Sports Centre - mainly the start pontoon being fixed for the Start of two 5000 metre and one 2500 metre events - it is not possible to comply with the Rule and provide the three courses required. The 2nd leg under the Rule is 47.75 metres too long. The requirements given in the Rule are those of the ICF, which the BCU must shadow in its own Rules.

Long Distance Courses at the National Water Sports Centre, approved by the SRC

To provide flexibility there are four turning points with the start and finish of the turns as follows:

1. 10 metres beyond the finish line
2. 450 metres from the finish line
3. 1123 metres from the finish line
4. 1796 metres from the finish line.

International Rules Course - 1 long lap + 1 short lap

(Avoiding pontoons at 500 metres which would need to be parked as far back as possible)

a) Between the start line and first flag of the first turning point =	1902.25 metres
b) Between the last flag of first turn and first flag of second turn =	1806.00
c) Between last flag of second turn and first flag of third turn =	460.00
d) Between last flag of third turn and the finish =	450.00
e) Three turns of 127.25 metres each =	<u>381.75</u>
	<u>5000.00</u>

Domestic Course - 2 medium laps

a) Between the start line and first flag of the first turning point =	1229.25 metres
b) Between the last flag of first turn and first flag of second turn =	1133.00
c) Between last flag of second turn and first flag of third turn =	1133.00
d) Between last flag of third turn and the finish =	1123.00
e) Three turns of 127.25 metres each =	<u>381.75</u>
metres	<u>5000.00</u>

Short Course for Juniors - 1 lap of Domestic Course - 2500 metres

b) Between the last flag of the turn and the finish =	1123.00
c) One turn of =	<u>127.25</u>
	<u>2479.50</u> metres

NB With a fixed start position and by using the same turning buoys for the 5000 metre course an exact 2500 metre course cannot be obtained. It is 20.5 metres short.

Guidelines for entry into Sprint Racing

The Racing Standards chart on page D1 shows the suggested entry levels for National Canoe Sprint Regattas

All paddlers must have basic competency equivalent to the current BCU 2 Star or Paddlepower Discovery

All competitors must be current members of the British Canoe Union, i.e..Canoe England, WCA SCA or CANI. The exceptions are Paddle-Ability and juniors ranked in division D or Lightning competitors who are members of clubs with registered junior sections. The number used for these juniors will be the club's affiliation number followed by their own individual club number.

When juniors are promoted, to 'C' or above, they must become a full member of the B.C.U. in their own right. **Team Leaders** must inform the Registration Officer of this change of status and the new BCU number for the promoted junior.

All competitors must be registered with the Regatta Committee as canoe sprint competitor

NATIONAL CANOE SPRINT REGATTAS 2013

The Racing Registration Scheme

The Registration Number is the unique numerical identification for each paddler and is used when programming a regatta. Only Registered Paddlers will be allowed to compete in B.C.U. events at National Regattas. Entries submitted without a Registration Number will not be accepted.

Initial Registration: Registration can take place at any National Regatta, (at the Secretary's desk), or by contacting the Registration Officer by email or post (with a S.A.E. please).

Your coach or Team Leader will be required to complete a form (either electronic or hard copy) and return to **Registration & Club Colours Registration Officer, 17 Springfield Road, Guildford, Surrey GU1 4DW, or peter.c.morley@btinternet.com**

In all cases, the following information is required:

1. Full Name
2. Date of Birth.
3. Club.
4. Ranking (if known).
5. A Coaching Scheme Certificate of Standard for 500m which states the actual time taken for a time trial.
6. Proof of current B.C.U. Membership (a photocopy of a card is acceptable).

The correct Club Colours must be worn and be visible by all competitors in all races.

- Clubs racing for the **first time at a National Regatta** may request exemption from this rule by application to the Club Colours Registration Officer. For an agreed limited period when competitors will be allowed to wear a plain white shirt with no markings. The club must register its colours within this agreed limited period.
- In K4 crews where more than one club is represented, paddlers must wear the colours for the club in whose name they are registered.

All kayaks and canoes must have **adequate buoyancy**, be fitted with a number slot on the centre line of the aft and comply with current regulations as to weight.

Boats will be checked by Boat Control during all national regattas.

Paddlers must supply their own lane numbers (1-9).

Current Ranking List – The published list of Registered Paddlers is intended as a 'working' list and only includes registered paddlers who are members of their National Federation and have competed in National Regattas during the last two years or those who are fairly certain to race in the current season. Anyone who has registered but does not appear on the list is retained in the main registration database; any current member of the B.C.U can apply to race at any time.

6. Check your Programme

- a) Prior to the Team Leaders' Meeting, it is essential for each Team Leader to check carefully all their entries. It is best to keep a copy of your entry for this purpose. If there are any omissions or if you wish to make substitutions, mark your programme: the Team Leaders' Meeting goes very quickly, and leaves no time for hesitation.
- b) It is not uncommon for the Regatta Organisers to make a few mistakes with the entries, but it is your responsibility to check the programme. Once a race has been passed during a meeting it is not normal to go back.
- c) The Regatta Organisers will do their best to arrange the programme so that all races in each class are well spaced out, giving a minimum rest period of 40 minutes between races. Any competitor racing outside of their designated class in crew boats cannot expect the programme to accommodate this situation.

7. Team Leaders' Meeting

It is intended to hold one meeting per regatta, at 0800 am Saturday morning (unless otherwise stated) at the regatta course. If the meeting cannot be completed in a reasonable time it will be adjourned and the time of the reconvened meeting announced. Each club must nominate one representative to deal with alterations and late entries at the meeting. This nominated representative will be responsible for all the money owed for the entries he submits. This money must be paid by 4.00 p.m. on Saturday. Failure to pay on time will incur a £20.00 surcharge that must be paid by the end of racing on Saturday. Failure to meet this deadline will result in all paddlers from that club being disqualified from Sunday's racing.

Procedure for Team Leaders Meeting

- a) Team Leader signs in on arrival.
- b) Meeting commences promptly at 8.00 a.m.
- c) Technical announcements.
- d) If there are any objections to the programmed order of events they must be raised at this stage.
- e) Late entry provision:-
 - i. Events will be dealt with in order.
 - ii. The Regatta Organiser will call out in order each set of heats (or finals, if there are no heats). Team Leaders should scratch any competitors who do not intend to race, or make suitable substitutions. They should call out the lane number first then the competitors name(s).
 - iii. If there are any vacant lanes the Regatta Organiser will then ask Team Leaders to raise one hand for each late entry they wish to make. If there are more late entries required than there are vacant lanes available, a draw will take place.
 - iv. It is not permitted to return to an event that has been concluded.

BCU Regatta "Liability" Statement

Canoeing and Kayaking are assumed-risk water-contact sports. Participation in these sports carries an inherent risk of injury to competitors and damage to property. Participants should be aware of the risks involved in these sports and are responsible for their own actions and their involvement in these sports.

In all cases competitors compete entirely at their own risk.

The Regatta Organisation, the Sprint Racing Executive, the British Canoe Union exclude liability for any loss or damage that may occur to competitors or property during participation in canoeing and kayaking to the fullest extent permitted by law.

All competitors must be current comprehensive members of the British Canoe Union except for juniors ranked in 'Girls D' or 'Boys D' and 'Mini Sprint A' or 'Mini Sprint B' who are members of BCU affiliated clubs with a registered juniors sections.

Regatta Entries are accepted on the basis that each competitor and Parent / Guardian of a junior is aware of and has accepted the above conditions. Team Leaders are requested to ensure that all of their club competitors are aware of and accept the above statements.

Inter-Club National Competition

The MacGregor Paddle Challenge

John MacGregor M.A., Trinity College, Cambridge; (1825-1892) Barrister-at-Law, Captain of the Royal Canoe Club, through his extremely popular books and magazine articles from 1865 to 1892, practically invented the sport of canoeing (or kayaking).

The beginning of recreational canoeing can be traced directly to an Englishman, called John MacGregor, in the middle of the nineteenth century. He was a man with a penchant for boat design and exploration, who developed his craft based on the Eskimo Kayak, which he named *Rob Roy*. He took the boat on long journeys along the rivers and across the lakes of Europe, lecturing and writing about his travels as he went. His tales attracted quite a following and soon there were many kayaks in Great Britain based on his kayak design that is still referred to as a *Rob Roy*.

Canoes are the larger category under which kayaks fall: while all kayaks are canoes, not all canoes are kayaks. Paddlers in kayaks sit with their legs stretched out in front of them and canoeists generally paddle from a kneeling position. Most canoes are open hulled; while kayaks have covered decks. Canoe paddles are typically single bladed, while kayak paddles are double ended.

Some might say these differences occur because of the type of water available, but a look at the evolution of British canoeing culture during the past one hundred and twenty years would suggest that the major changes are due to those who have written and taught, coupled with the availability of canoes or kayaks.

The first period from 1865 evolved from the founder of British canoeing, John MacGregor. His book, *A Thousand Miles in the Rob Roy Canoe*, fired the imagination of the Victorians. The '*Rob Roy*' was a stable kayak, went in a straight line and had a large cockpit. Made of wood, it was easy to handle and a boat in which any beginner would have felt safe. In this period, wooden canoes were imported and were used for family outings and touring, the limitation to the growth was the cost of the wooden craft.

The second period from the 1930s to the 1950s is identified with the wooden frame and canvas kayaks and the start of the BCU Coaching Scheme. Percy Blandford wrote books and produced a host of designs for the Scout movement, which brought canoeing to a much wider number of people. The low cost, make-it-yourself PBK (Percy Blandford Kayak) designs, were, like the '*Rob Roy*', stable, went in a straight line, and had large cockpits. The BCU Coaching Scheme was started in the 1950s by John Dudderidge. The original proficiency tests were designed around the use of the open cockpit straight-line kayak.

The third period, which had a massive impact on both the expansion and the change in direction of British canoeing culture started around the early 1960s, when in 1962, the BCU appointed its first Director of Coaching, Oliver Cock, giving added drive to what was to become a very powerful teaching scheme. For various reasons, the Coaching Scheme became more and more interested in rough water canoeing. At the same time, glass reinforced plastic became available. Moulds were produced for the home builder and the designs reflected the interest in rough water. Thousands of kayaks were produced with rockered hulls and small cockpits. By 1980, the Coaching Scheme had 3,000 members almost all teaching in the close fitting cockpit kayak. So powerful had that culture become that, if the word 'canoeing' is mentioned to almost anyone in Britain, their immediate image would be that of a young man or woman strapped into a kayak, wearing a crash helmet and wetsuit, performing turns and rolls on rapidly moving rivers. This was a great image for the adventurous teenager but daunting for many others who might wish to paddle. Indeed, a far, far cry from the canoeing of MacGregor.

MacGregor spent part of his youth in Halifax, Nova Scotia, where his father was stationed in the 1830s in a fort. He may have picked up some canoeing experience there.

Reading his books one notices he carried in his canoe a number of religious tracts (in a movement called "Muscular Christianity") written in the local language and was always ready to hand them out. He did not travel on Sundays, but did lecture on his travels and gave much of the profits to charities, especially to boys in the inner cities.

Inter-Club National Competition

He published accounts of several other canoe cruises, including one to Scandinavia and another to Jordan and Egypt. The appendix to that book gives some construction details for his canoe designs.

His wooden split paddles were presented to Royal Canoe Club in 1959. Subsequently these were used as the trophy at the BCU National Inter-Club Sprint Racing Regatta, being first presented in 1977 to the winning club Fladbury and still fought over annually. A full list of winners can be found on page C9.

Scoring for the MacGregor Paddle Challenge Competition

Under the following system most clubs should have an equal opportunity to achieve a winning score:

1. Each BCU affiliated Club will automatically score 1 point for every Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddler competing in the Inter Club Regatta.
2. Each Club will score 1 point for each promotion accredited to their Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddlers during the previous three Regattas, i.e. September (previous year), April & May, of the same year.
3. The scoring at the Inter Club Regatta will be on the following basis:

Each Club will score its best	12	K1/C1 results in all finals
	6	K2/C2 results in all finals
	3	K4 results in all finals

Scores will be awarded, provided there are at least three crews participating, on the following basis: First 20 points, second 19 points, third 18 points and so on.

Penalty points accrued by every Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddler during the four scoring regattas will be deducted from their team's score, i.e. September (previous year), April, May & June (current regatta).

4. Notes:
 - a) Composite crews, with members from more than one Club, do not score.
 - b) At least 50% of the crew must be registered in the class in which they are racing. i.e. 2 paddlers in a K4 or 1 paddler in a K2. Crews may be made up with paddlers from a lower ability group with the following exceptions:
 - i) Men may not paddle in Women's races.
 - ii) Boys may not paddle in Girls' races.
 - iii) Seniors may not paddle in Junior races.
 - d) No one may enter any singles class other than their designated class as shown on the Registration File. Exceptions may be made when national coaches wish to enter squad paddlers in a different class.

NATIONAL CANOE SPRINT REGATTAS

Disciplinary Procedures

Offences Incurring Penalty Points

The Chief Official will be solely responsible for all disciplinary matters of a minor nature, under the operation of a penalty points system. At his / her discretion, he / she may issue penalty points to each paddler involved in each of the following offences. These offences are considered to be detrimental to the efficient operation of regattas and / or potentially hazardous.

Code	Infringement
• C	Racing in incorrect colours
• N	Racing with incorrect or missing number
• Z	Failure to observe water zoning procedures
• S	Unauthorised substitution for another paddler
• F	Failure to report, having qualified, for a finals
• D	Conduct during racing likely to cause injury or damage to equipment
• L	Use of offensive language
• U	Underweight boat (see note 1)
• R	Failure to report for boat weighing immediately (see note 2)
• B	Insufficient buoyancy (see note 3)

Notes

1. Weights must be properly fixed to the boat or seat. Stones in bags or any other temporary system will not be accepted.
2. Boats required for weighing will be notified shortly after the finish of the race.
3. Buoyancy will be checked. If insufficient, the boat must not be used on the course. Penalty points will be applied or the competitor(s) may be disqualified.

Accumulation of Penalty Points and Penalty Fines

1. When a paddler accumulates a total of 4 or more penalty points, he / she is liable for a fine of £10 per point in excess of 3 points.
2. Fines are to be paid at the Regatta Office.
3. **A paddler liable for a fine cannot race until the fine has been paid.**
4. Penalty points are accumulated over 4 consecutive regattas and are not restricted to a single year. Thus, for example, penalty points incurred in the last regatta of the year will remain active until the start of the 4th regatta of the following year.

Notification

Team leaders may be notified when a penalty point has been issued to a paddler from his / her team. A record of all the active penalty points is listed at the end of the results for each regatta.

Disciplinary Matters of a More Serious Nature.

In respect to all other disciplinary matters the Chief Official, Competition Committee and the Competition Jury must act as described in the Sprint Racing Rules which include penalties in accordance with B.C.U. Rules or the Sprint Racing Section Disciplinary Regulations.

- N.B.** A reported incidence of dissent / abuse towards a Regatta Official, another competitor or their equipment, or a spectator must be treated as conduct prejudicial to the interests of the sport and dealt with under the Section Disciplinary Regulations.

REGATTA OFFICIALS

The training of officials is a highly important area of our activities. Anyone interested in assisting at BCU National Regattas is encouraged to come to sit alongside more experienced officials to learn what is involved. Through officiating at our National Regattas any official can progress to a standard where they become eligible to take the International Canoe Federation examination, thus becoming qualified to officiate at International Championships

NATIONAL CANOE SPRINT REGATTAS

THE MINI SPRINT SERIES

The Mini Sprint Series are run alongside the National Canoe Sprint Regattas held at Holme Pierrepont in Nottingham during April, May, June and September.

The Mini Sprint series has been specifically developed to suit the needs of young people who have chosen this discipline at this time. It is part of the Paddlesport foundation which helps them progress into whichever discipline they may eventually choose. The programme has taken into account that full sized K1's, K2's and K4's are too large for young people. Together, the Canoe England's Paddlesport Participation Programme and the BCU Sprint Racing Committee have formed the Mini Sprint Series which has evolved from the Lightning series which was originally only a K1 event.

The aim of the series is:

- To introduce young paddlers to the venue.
- To develop experience of sprint competition at a national event.
- To develop teamwork.
- To have the opportunity to develop competitive paddling skills.
- To become motivated to progress through the main classes.
- To meet and make friends with paddlers from other clubs.
- **To enjoy, have fun and become confident sprint paddlers.**

The series has been developed over the years as a weekend event initially involving coaching activities. Now the event is purely giving racing experience on the National course with the idea that the paddlers have a smooth transition into the Class D events when they make the times.

The paddlers will compete over 500 metres in Lightning K1, Hody K2 and Rocket K4 with heats and finals being entered by your club's team leader, run and timed on the main regatta course. Any changes to your entry must be made at the main Team Leaders' meeting. The cost is per seat, exactly as other junior paddling categories.

Please ensure you enter your paddlers in the correct category, which is based on time, not age.

Only Lightning Kayaks are to be paddled in the K1 events.

Only Hody K2s are to be paddled in the K2 events.

Rocket K4s are available at the National Regattas course for use in the Mini Sprints.

Paddlers from clubs that cannot make up their own K4 should still be entered for the event and they will be put into crew boats during programming to ensure a seat. Changes for entered crews may be made at the Secretary's desk providing all paddlers and team leaders know of the changes.

PADDLE-ABILITY

Paddle-Ability is the term used by Canoe England to describe all disabled Paddlesport activity. The term focuses on a person's ability to take part in Paddlesport rather than their disability. Canoe England encourages and supports anyone with a disability to participate in competition in specific **Paddle-Ability** events and mainstream competition.

Specific **Paddle-Ability** events are held at National Regattas in Nottingham from April to September. Racing is based on ability (in time bands). Entries should be submitted with other club entries via the Club Team Leaders. If competitors are unable to attend their team leader must notify Viv Kendrick no later than 9 a.m. on the Saturday morning of the regatta. Race fees will be £5.25 per event for individual events and £10.50 per boat for K2 Events.

Entrants may have an escort boat to provide support to the starting posts, limited support is also permitted during races. Escort paddlers will be expected to wear yellow escort bibs, these can be obtained from the **Paddle-Ability** cabin. If you would like to become an escort paddler or require further information contact **Paddle-Ability@canoe-england.org.uk**.

GB CANOEING

Introduction

London 2012 was the most successful Olympic Games ever for the sport of canoeing in the UK. Our athletes won four Olympic Medals, two Gold, one Silver and one Bronze. In London, we were the 3rd ranked Olympic Canoeing nation behind Germany and Hungary.

Many congratulations must go to our Olympic medallists, Edward McKeever, the Olympic Champion in K1 200m and to Jon Schofield and Liam Heath Olympic Bronze medallists in the K2 200m. These were outstanding performances that will be forever remembered in the history of our sport.

Our Olympic Team of 10 Sprint athletes gave their best at the Games and we can feel immensely proud of their achievements. The Olympic Team coaches and support staff should also be congratulated for their hard work and dedication over the 4 year period to London 2012 for a job well done.

Thanks should also be given to the club coaches that supported our athletes throughout their careers, the regatta officials that organise our events, the volunteers without who our sport could not operate and the parents that support our paddlers. All these people played their part in making our Home Games the most memorable sporting occasion that our country has ever seen. Well done to you all and thank you.

London 2012 provided those moments of inspiration that will live in the hearts and minds of people for years to come. Our athletes have put our sport of canoeing in the spotlight and inspired people far and wide. In canoeing, we want this momentum to continue and for London to be a springboard for the future development of our sport in the UK.

We have now secured our funding for our Podium and Development Programme through to the Rio Olympic Games in 2016 and our talent funding to support the growth and development of our Talent Pathway. In this area, there is much work to be done and we will all need to pull together to make the most of these opportunities for our talented young athletes and for our sport. Working in partnership will be a real key for success going forward. We have identified "Challenging Best" as our strap line going forward and we aim to share our philosophy behind this with you as we enter the new season.

Thank you all for your support for GB Canoeing and our athletes; we can now look forward with much optimism and anticipation to the new season ahead.

Good paddling

International Panel

1. General Notes on Selection

Sprint Racing is an outdoor sport that can be affected by weather conditions and lane draws. The selection policy must recognise that a first past the post system will not always be fair or appropriate when selecting teams for international competitions. The SRC will be responsible for making recommendations to the BCU Board for the appointment of suitably qualified members to work on the International Panel. They will be selected on the basis of experience and competency and will have firsthand experience of the sport at national and international level. The final authority for appointing international panels rests with the BCU Board

- Proposing the selection policy on an annual basis,
- Selecting GBR Teams for Major internationals.

2. International Panel (Selection Committee)

There will be 4 core members of the international Panel and for the 2013 season they are as follows:

- | | | |
|------------------|---------------------------|------------|
| • Alan Williams: | BCU Performance Manager | (Chairman) |
| • John Anderson: | BCU Performance Director. | |
| • Roland Lawler: | SRC Committee Appointee | |
| • T.B.C: | BCU National Head Coach | |

The panel will call on section coaches to assist with the selection of teams. Coaches can nominate Athletes from singles or crew boat performance at designated events. A draft list of events will be published in the Racing Yearbook. Additional events and crew boat trial information will be published on the BCU website.

Coaches will nominate athletes for consideration by the International Panel but will have no voting rights.

The Chairman of SRC may join any panel meeting but does not have a formal vote.

3. Competition Programme

National coaches will prepare the competition programmes for the coming season. These programmes will primarily focus on preparing athletes for Olympic events. The SRC will support a wider range of events for the development of younger athletes. This programme may include non Olympic events.

4. Eligibility for Selection:

Any athlete wishing to be considered for selection must be a full member of the BCU.

- They must sign the BCU athlete agreement.
- They must comply with BCU and ICF rules on Nationality.

Athletes who are not GBR passport holders must have been released from their own National Governing body. An Athlete is not allowed to race for two Nations in the same year. Athletes hoping to be considered for Olympic Qualifying competitions and the Olympic Games must hold a GB Passport and comply with current I.C.F and N.O.C rules. N.O.C bye-laws include a clause on Eligibility of Members of the Team GB who have been found guilty of a Doping offence.

5. Teams for International Competitions.

Teams for all major international events, World Cups, World and European Championships must comply with the rules of the I.C.F and E.C.A.

The International Panel will use the following to evaluate selection for teams.

World Cups.

- Assessment and selection for senior national squads will be based on individual or crew performance at the April Regatta.

SPRINT RACING SELECTION POLICY 2013

- Athletes from selected squads will be identified as either K1/C1 or crew boats athletes.
- These athletes will then work with National coaches to prepare crew boats for World Cup Teams.
- Following crew boat trials entries for the first World Cup will be confirmed on the 23rd April.

European Championships

Athletes will be selected for the SEC based on their performance at World Cups 1 and 2. There will be two categories of selections,

- Automatic selection: Boats that medal at both World Cups will gain automatic selection for the SEC. If more than one boat medals the highest placed boat will be selected.
- Consideration for Selection: Athletes or crews that achieve A or B final results will be considered for selection to the SEC.

World Championships

Athletes will primarily be selected to the Senior World Championships based on their performance at the SEC. However results from World cup competitions will also be considered. There will be two categories of selections,

- Automatic selection: Boats that medal at the SEC will gain automatic selection for the Senior World Championships
- Consideration for Selection: Athletes or crews that achieve A or B final results at SEC will be considered for selection to the SWC.

The primary selection focus for major team will be Olympic events. Athletes can also be considered for non-Olympic events. All selections will be performance based.

6. Teams for Minor Internationals

The international Panel may nominate a panel to select teams for minor internationals and development events. These teams will be selected by the nominated Panel and will be ratified by a member of the International Panel.

7. World Student Games/Championships

Student competitions come under the auspices of the British Universities & College Sport. Athletes wishing to be considered for these teams must seek approval from their National Governing body. In the first instance they should notify the Hon Secretary Sprint, that they would like to be considered. (secretarysrc@yahoo.co.uk) Final entries will be at the discretion of the British University & College Sports. Athletes may make representation to their own College or University for funding.

8. Entries to all international competitions are subject to National Governing body approval. Clubs or individuals wishing to enter international competitions of 5k or less must first gain permission from the SRC via the Honorary Secretary before any entries are placed.

9. Funding

All GBR team selections are subject to available finance. This means that available funding will influence the size and the number of athletes selected for each international. Athletes may be asked to contribute an amount determined by World Class programmes for performance events or the Sprint Racing Committee for development events.

10. Selection and deselection:

- The BCU reserves the right to deselect an athlete who has lost form or is suffering from illness or injury.
- In these circumstances the International Panel may call on the BCU medical officer or another appointee to conduct a fitness trial or test to determine fitness to participate.

SPRINT RACING SELECTION POLICY 2013

- In the case of possible loss of form the head coach will arrange a water-based test over race distance. The test will be appropriate for the conditions and the Class.
- Following the fitness test the Head Coach will supply the International Panel with the results of the test. The International Panel will then determine whether the athlete will remain in the GBR Team. If the athlete is not fit to compete the Panel may ask the coaches to nominate another athlete as a replacement.
- The BCU also has the right to deselect any athlete who has been found guilty of any disciplinary offence under the BCU Rules.

11. **Mitigating circumstances**

Should an athlete or crew of a given standard miss an assessment due to illness or injury or any other mitigating circumstances, the International Panel reserves the right to provide an opportunity for such an athlete (or crew) to compete.

Mitigating Circumstances: Could cover (but are not limited to) issues such as short-term illness or injury, broken equipment or unfair racing conditions.

- In the event of illness or injury a medical note should be sent to the Chairman of Selectors. Mitigating circumstance should not be used as an excuse not to race and will only be taken into consideration in exceptional circumstances.

12. **The aims of the Selection Policy are:**

1. To select appropriate teams for international competitions.
2. To also give careful consideration to develop GBR athletes. This policy may restrict the number of events that individuals or crews can compete in if this is considered to be in the best interest of the overall GB Team
3. To employ an open and fair selection process that allows athletes to challenge for selection.
4. To ensure that the selection process does not unduly affect the preparation of established athletes preparing for major competitions.
5. To select developing athletes to represent GB and gain exposure to international events.
6. When forming crew boats the coaches will amongst other things give consideration to: compatibility, availability, commitment and individual performance.
7. The international Panel will take account of improvement through the season. But this does not mean that the winner of the last competition is automatically selected

13. **Appeals:**

An athlete may appeal against non-selection if the international panel does not adhere to the agreed format and timetable for selecting teams or do not advise an athlete of changes to the competition programme.

Appeals against non-selection must be made within 24 hours of notification and should be sent to the BCU Chief Executive who will determine whether there are reasonable grounds to appeal. If there are reasonable grounds to appeal the Chairman will convene an appeals panel to consider the appeal within 7 days.

The B.C.U Appeals Policy was approved by the B.C.U Board in 2007. Copies of this policy can be obtained from the B.C.U Performance Office.

There is no appeal process for athletes deselected under rule 10.

SPRINT RACING SELECTION POLICY 2013

GB Paracanoe World and European Championship Selection

Selection to represent GB at International Paracanoe events will be based on the ICF disability classifications and classes.

The current classes raced internationally are 200m K1 Men, V1 Men (LTA, TA, A) K1 Women, V1 Women (LTA, TA, A)

Paralympic Classifications

Eligible athletes may typically have a disability equivalent to at least one of the following:

Cerebral Palsy Class 4 (CPISTRA), Neurological Impairment with a complete lesion at T12 level, or an incomplete lesion at T10

GB Canoeing Paracanoe selection policy

Athletes who wish to be considered for selection to the 2013 World Championships must in addition to points 4 & 5 above meet the GB Canoeing eligibility criteria.

- Have a National classification
- Attend the Paracanoe assessment and squad selection day ***
- Race at National selection events
- Must have reached a performance standard (*see Fig 1- Paracanoe performance standards*)

*** The Paracanoe Assessment day will take place on 6th March 2013 at HPP. The day will consist of two 200m on water Time Trials (TT), the best time of which will be used. The best 3 athletes in each category who reach the squad standard (*see Fig 1- Paracanoe Performance Standards*) will be entered into finals at the April and May National Regattas. In the event of unfilled places within a final, a 4th Placed athlete making squad time may be considered. Only athletes in these finals will be eligible for selection to the GB Team.

STANDARDS FOR RACING

1. Introduction

The Racing Standards were set up to develop marathon racing, sprint racing and fast touring.

2. The Progression

Outlined below are the current **skill, racing and coaching awards** designed to support a progressive coaching & paddling scheme for clubs based on placid water using open cockpit canoes and kayaks.

2.1 Skill Development Awards for paddlers

The Star tests provide progressive levels of award for canoe and kayak. They can be used either as a basis to encourage skill development for paddlers or as an indicator of the appropriate level of skill for aspirant coaches in the instructional coaching awards.

Details of the syllabus are contained in free leaflets available from BCU Office.

2.2 Racing Awards for paddlers

The Racing Tests are designed to encourage paddlers to improve performance and recognise their progress in racing kayak and canoe. The Sprint Awards also provide a useful guide to indicate the class or division to which paddlers should enter into sprint and marathon racing.

The awards can be examined by any BCU Coach (Level 1-5) or Club Official and can be taken in any canoe or kayak.

There are three types of Racing Award:

- **The Sprint (500m) Awards**

In each case the paddler must equal or beat the times below to achieve the standard.

Award	Kayak Men	Kayak Women	Canoe
Green	4.00	4.20	5.00
Blue	3.30	3.45	4.00
Bronze	3.05	3.20	3.20
Silver	2.45	3.00	3.05
Gold	2.30	2.45	2.45

Note: Time in minutes and seconds – in single canoe or kayak

Guidelines for entry into Sprint & Marathon Racing

To promote fair racing and as a guide for coaches, team leaders and paddlers, the following standards, based on the "Sprint (500m) Awards", are suggested as the entry levels into Divisional Marathons and regional, club or local Sprint Regattas.

Entry levels for National Sprint Racing Regattas held at the National Watersports Centre, Holme Pierrepont Nottingham, see the Racing Standards chart on Page D1.

Award	Marathon			Sprint
	Kayak men	Kayak Women	Canoe	
Green	Fun/Mini Sprint	Fun/Mini Sprint	Fun	Mini Sprint
Blue	Div 9	Div 9	Div 9	Mini Sprint
Bronze	Div 8	Div 9	Div 9	Junior M & F & Veterans
Silver	Div 7	Div 8	Div 8	Senior Women & Canoes
Gold	Div 6	Div 7	Div 7	Senior Men

Note: To qualify for National Regattas, the standards must be achieved in a modern racing single canoe (in high kneeling position) or single kayak (with seat). See Team Leaders' Section for more details.

COACHING THE COMPETITION DISCIPLINES

Gaining qualifications and knowledge to Coach:

The Coaching Scheme has various pathways enabling both paddlers (boat based) and non-paddlers (bank based) to become Competition Coaches.

The entry level to the Coaching Scheme is at Level 1. This can be accessed by anyone with a minimum number of pre-requisites.

Level 1

A Level 1 Coach is classed as an 'Assistant Coach' whose role is to assist a higher level coach, or work a little more autonomously with some extra criteria in place. They are trained to deliver single sessions to individuals or groups in sheltered water conditions.

If you wish to enter the Coaching Scheme as a 'Boat Based Coach', then you will need the BCU 2 Star Paddlesport Award or the BCU Paddlepower Discover Award, together with completion of a BCU 'Boat-based' Foundation Safety and Rescue Training Course. The 2 Star is an award that has to be taken in Canoe and Kayak, however the choice of boat that is used for each of these is entirely the candidates. If you want to use your C1 or K1 for the canoe or kayak aspects of the course, you are entitled to do so.

If you wish to enter as a 'Bank-Based Coach' then you only need to complete a 'Bank-based' Foundation Safety and Rescue Training Course.

The Foundation Safety and Rescue Course may be included in a Level 1 training course by adding an extra day, or it could be attended prior to the Level 1 Training Course.

The Level 1 Course is conducted over 4 days. It may be spread over weekends, or evenings during the week over a longer period of time. This flexibility suits the Clubs where volunteer time is at a premium and they do not wish to give up their time with their paddlers.

Assessment is during the course, with a number of tasks being performed and continual feedback given by the course tutors. The course is generic in nature with opportunity to explore different methods of coaching in and to a variety of craft; canoes and kayaks; singles and crew boats. Again, you can use the craft you regularly paddle and coach from for the majority of the course.

Racing Module

Following a Level 1 Course, the Coach can then attend a one-day Racing Module course. This focuses on the basic aspects involved in coaching racing, particularly forward paddling technique in canoe and kayak. It is designed to give the level 1 or 2 coach an initial understanding of Sprint and Marathon Coaching. Dates for the Modules can be found on the Canoe England Coaching Pages and will also be published on the Marathon Website

APL

The BCU recognises that in some instances aspirant coaches have prior experience that may enable them to enter the Coaching Awards programme at a higher level. If you feel you have experience that can be accredited as prior experience, then refer to the BCU Accredited Prior Learning (APL) Policy: <http://www.canoe-england.org.uk/coaching/apl/>

Supporting Modules

To help the coach with their personal development and to start the process of moving on to

COACHING THE COMPETITION DISCIPLINES

qualify for level 2, there are a number of Foundation Modules available as supporting units. Details of these can be found at <http://www.canoe-england.org.uk/tests-i-awards/coaching-support-modules/foundation-modules>

Level 2

The Level 2 Coach can work autonomously. They are trained to deliver a series of linked sessions to individuals or groups on sheltered water.

This level is also designed for both boat based and bank based coaches. The pre-requisites are a 3 Star Award along with the Foundation Safety and Rescue Training. The training and assessment days are separate at Level 2. Training is held over a 4-day period or an equivalent number of hours. Assessment is conducted after a number of coaching hours are logged and supporting module sessions attended. Assessment will be coaching both canoe and kayak disciplines.

Together with the Racing Module, this is the ideal award for a coach working at club level under direction of a more senior Club Coach.

A strength and conditioning module has now been developed and is available for clubs or groups of clubs to access. This course is aimed at the coach who wishes to commence Strength and Conditioning work at the club without having to rely on expensive equipment or hiring sports halls or gyms.

For those within the ranking system in Racing or Marathon can claim an 'equivalency' rather than have to complete a 3 Star course and/or assessment. The equivalents are as follows.

Racing

- 5 Star** Senior National Team; Adult 'A' Ranking
- 4 Star** Junior National Team; Adult 'B' Ranking
- 3 Star** Adult 'C' Ranking or Junior 'A' or 'B' Ranking

Marathon

- 5 Star** Senior National Team, Division 1 (Men); Division 3 (Women and C1); sub 18 hours DW Time (Men) Sub 20 hours DW Time (Women)
- 4 Star** Junior National Team; Divisions 2,3 (Men); Divisions 4 (Women and C1); sub 19 hours DW Time (Men); Sub 21 Hours DW Time (women)
- 3 Star** Divisions 4,5,6 (Men); Divisions 5,6 (Women)

Fuller details of these are on the Canoe England web site at:

<http://www.canoe-england.org.uk/media/pdf/Equivalents%20to%20Star%20Awards%20for%20Competition%20based%20Paddlers%20V1-0.pdf>

A Strength and Conditioning Programme for Coaches is currently being finalised and this will be available for coaches at all levels to access in 2013 to assist them plan and deliver programmes to their paddlers.

Level 3

Level 3 Coaches are discipline specific. Level 3 Coaches are trained to oversee an annual programme for paddlers and coaches under their direction. It is the ideal qualification for those coaches who have a lead coaching role within a club.

COACHING THE COMPETITION DISCIPLINES

Again, the Level 3 Coach can be boat based or bank based. They would need appropriate qualifications or experience required to fulfil the conditions to become a boat based coach. The Level 3 Course consists of a 3-day (or equivalent) generic core; this is followed by 2 days of applied coaching within the discipline environment. 3 Intermediate Supporting Modules also have to be attended and then various assessment tasks have to be fulfilled over a 12 month period. Two formal assessments round off the process, one in the training environment and one at a competition environment with the coach's own long term athletes. The Level 3 programme is managed by Plas Y Brenin National Mountaineering Centre. Details of the Courses can be found at: <http://www.pyb.co.uk/courses-bcu-level-three-register.php>.

At all levels there is support available. Reduced fee courses are currently being offered to volunteer coaches from competition clubs along with bursaries in some circumstances.

Details of support for Coaches and of courses at subsidised rates are available from the SDOs

CPD (Continuous Professional Development) for coaches is available to club coaches to further their existing knowledge, ideas and understanding. Evening and day sessions take place at clubs. One or two staff coaches from the coaching team of Canoe England, and/or GB Canoeing conduct these. A wide range of topics can be delivered either indoors during the winter or outdoors on the water if the conditions are right

Information on Coaching opportunities and supporting modules can be found on coaching pages of the Canoe England website <http://www.canoe-england.org.uk/coaching>

First Aid Requirements

The requirements relating to First Aid qualifications and the different coaching levels held can be found at: <http://www.canoe-england.org.uk/media/pdf/BCU%20First%20Aid%20Policy%20V1-0.pdf>

Basically Levels 1 and 2 Coaches are required to have 1day qualification and Level 3 Coaches have a 2-day qualification. The time to renew is at the natural expiry date of the award already held, so any Level 3 Coach who took their First Aid Award prior to 1st January 2012 does not have to take a 2-day course until it is due for renewal.

MARATHON RACING

Chairman's Foreword - 2013

The committee continues to work hard to ensure that our sport thrives. I continued to encourage both clubs and paddlers to contribute to the work of the committee during the last year by bringing to our attention any issues or ideas that the we should be considering to help us improve Marathon Racing for this coming year and beyond. The committee wants to hear from you and will consider any issues you may have. We continue to operate in an open and fair way and minutes of previous meetings are now published.

I encourage the use of the MRC website (www.marathon-racing.org.uk) as the *official place* for the release of information relating to marathon racing. This site and the comprehensive Racing Handbook provides the backbone of our sport and outlines the rules under which we operate. Updates during the year will appear on the website also. Please make sure that you refer to it and that all of your members are aware of these resources.

We started last year with a tight budget. Finances being the single biggest limitation as to what we can ever hope to achieve. Our main income was once again the BCU central funding grant of £22,000 (sadly reducing for 2013) and the race levies, collected on our behalf by event organisers. These formed the majority of the balance of our limited income. Without these levies we simply could not survive and that would lead to the collapse of the central organisation of our sport.

The Olympic summer did however help this year's financial position with additional income being generated from mini bus hire. We go into 2013 in a healthy financial state with the objective to build upon the programme of development trips and to encourage and expand the pool of talented paddlers. We will continue in many ways to support domestic racing and send representation to the major international events planned for 2013.

Last year saw us send teams to two major international events, competing in Copenhagen at the only World Cup race and the World Championships in Rome. We have published full reports on the website which I hope have been of interest and encouragement. Our paddlers have demonstrated their strength at international level with many medal credits and some excellent positions. We must maintain and improve further our performances at home and abroad and encourage all those who participate in our sport, whatever their current ability or racing division, to aspire to these levels.

It is important that we do not forget that most people initially get involved in their chosen sport because they enjoy it. It is from those people that our future National, World and Olympic Champions come. I firmly believe that we must retain the enjoyment in our domestic racing calendar events so that we see a constant number of people joining us in what we do.

Race organisers must recognise this and ensure that our courses are both challenging and interesting for competitors. I am aware from comments received that the gradual, apparent, move within our domestic racing calendar to lapped courses is not something that is well received by all - especially when there are exciting and challenging alternatives at the venue that could be used.

We have had many comments about K2 racing and the past rule changes that have not found favour with paddlers. As a result a new set of K2 racing rules is operative from 1st January for a trial period. The hope is that they will encourage entries and we will once again see more experienced paddlers passing on their racing experience to our up and coming club paddlers.

The ACM gives everyone an opportunity to air issues and I was encouraged by a respectable attendance at last year's meeting held during the Nationals weekend. It gives clubs opportunity to air issues in the open. Please do ensure that you attend or send a representative.

We have spent considerable time on trying to strengthen the roles of the regional racing officers and now have in place an election process. These individuals know their regional clubs and the regional issues and are there to help and assist you also.

If you have issues, raise them, we all want to improve and encourage Marathon racing and your views will be listened to.

1) DEFINITION

A marathon race can be raced over any distance: usually between 3km and 200km.

2) BEHAVIOUR

- a) Canoeing is a non contact sport and competitors shall race in a fair manner.
- b) When a canoe or kayak is overtaking another canoe or kayak it is the duty of the overtaking craft to keep clear of other competitors at all times.
- c) When a canoe or kayak is racing in a group of competitors it is the duty of all the competitors in the group to keep clear of other competitors at all times. This rule applies to any manoeuvring within the group.
- d) All paddlers will wear appropriate clothing when racing. This is a minimum of singlet and shorts. These should preferably be in club racing colours.

3) THE RACING STRUCTURE

- a) The marathon racing system has been designed to encourage all levels of competitor from the raw beginner to top class internationals. There are five categories of race: -
- b) **GROUP A** - These races will appear in the Racing Handbook calendar and/or the calendar published on the MRC website. For these races the race levy must be paid and competitors must be BCU, Canoe England, WCA, SCA or CANI comprehensive members (see Rule 13).
 - i) Divisional races approved by the Marathon Committee. Promotions between divisions will take place based on the results of these races.
 - ii) Races and time trials approved by the Marathon Committee but not in the divisional system such as stage marathons, descents, Royal K1, Richmond K2, Thameside etc.
 - iii) The National Championships.
- c) **GROUP B**
 - i) Those races in the regions and at clubs that do not appear in the calendar. These will include handicap and fun marathons. No promotions will take place at these races. Clubs are encouraged to hold handicap races throughout the year as an introduction to competing in the divisional system. These should be over a 3-10km course with handicaps based on age, experience and type of boat.
- d) **GROUP C**
 - i) All Lightning and Junior K2 races forming part of the Geoff Sanders Trophy or held at Regional Hasler events, the National Marathon Championships or the Hasler Final approved by the Marathon Racing Committee – see rules 49-58. For these races:
 - (1) All competitors must be BCU, Canoe England, WCA, SCA or CANI comprehensive members.
 - (2) No race levy will be payable.

4) CLUB MEMBERSHIP

The racing year shall be from 1st September of any year to 31st August of the following year. When a competitor is a member of more than one club, he shall declare before 1st September to the Race Records Officer of the Marathon Committee the name of the club for whom he will race the following racing year. When a competitor changes his club in mid season, he is permitted to compete for his new club, instead of his old, provided that prior consent of the old club is obtained. This consent shall not be withheld unreasonably, particularly in the case of a change of residence from one area to another. The agreed change must be advised to the Race Records Officer in writing before points can be allocated to the new club in club competitions.

5) SAFETY

a) Competitor responsibility

- i) Competitors must render their boats sufficiently buoyant to remain afloat and to support the crew in rough water in the event of capsizing. No boat will be deemed to be sufficiently buoyant purely as a result of its construction (e.g. vac bagged/ sandwich or other construction) to fulfill this requirement, additional buoyancy will be required in the form of foam, air bags and/or sealed bulkheads.
- ii) Competitors must be able to swim adequately in the waters on which the race is being held.
- iii) On open water adequate spray covers must be worn.
- iv) All paddlers are required to render assistance to other competitors in distress.
- v) The wearing of life jackets or buoyancy aids is compulsory for all paddlers ranked in divisions 7, 8 and 9 irrespective of the race they are entered in. This applies to singles and doubles races.

MARATHON RACING

vi) Life jackets must comply with either the European Standard 'EN393 or 395 or the International Standard 'ISO 12402'.

b) Team Leader responsibility

i) Team Leaders should decide if paddlers in the higher divisions should wear life jackets or buoyancy aids.

c) Race Organiser responsibility

i) Race organisers may require life jackets or buoyancy aids and spray covers to be worn and will have the FINAL say as to who should wear them (except where this is covered by rule 5a(v)) depending on weather and water conditions. Such equipment must be provided by the competitors.

ii) The penalty for infringing any safety rule is disqualification from the race.

Canoeing and Kayaking in all its forms is an 'Assumed Risk – Water Contact' sport.

The Protest Committee shall determine what action, if any, shall be taken. If the Protest Committee decides that the complaint should be referred to the Marathon Committee, the race organiser shall report the matter to the Secretary within three working days. The Marathon Committee will consider the matter in accordance with the Disciplinary Regulations.

Race Organisers should note the powers in clause 2.1 of the Procedures to apply immediate discipline where members or competitors have displayed violent or unreasonable behaviour.

- e) Race Organisers shall charge an entry fee for each competitor to include the levy cost. This fee may be reduced for juniors and augmented for late entries.
- f) Changes of class/division and late entries shall be permitted if the organiser so wishes. Information regarding late entries and class/division changes should be available to competitors at least 30 minutes before the start time of the class/division concerned.
- g) The Race Organiser shall provide a Protest Committee consisting of three officials or members of the organising body to hear and settle all protests by any competitor in that event. The following rules will be observed:-
 - i) The protests must be received within 30 minutes of completion of the relevant race and before the announcement of the final results. Failure to observe this will invalidate the protest.
 - ii) The protest must be in writing to the Race Organiser and must give full details of the alleged infringement of the rules.
 - iii) The Protest Committee must meet immediately to hear all the evidence and to consider the protest's validity in accordance with the BCU and Marathon Racing Rules.
- h) A protest against an organising body may only be dealt with by the Marathon Committee. Any such protest must be made within 3 working days in writing to the Secretary of the Marathon Committee and give full details of the alleged infringement of the rules. The person making the protest must also inform the secretary of the club or body concerned within 3 working days. Failure to comply with these conditions will invalidate the protest.
- i) Appeals against the decision of the Protest Committee are permitted and these will be heard by the Marathon Committee.
- j) Within 2 working days of the race the results are to be emailed to the Rankings Officer, the Race Records Officer, the Regional Marathon Advisor and to results@marathon-canoeing.org.uk, so that promotions can be ratified and the results uploaded onto the marathon website. See Useful Addresses page F3.
- k) **Within 7 days of the race** the Race Organiser must remit the race levy together with the race results in accordance with rule 13.

19) ORGANISATION OF GROUP B RACES

- a) For these races competitors do not have to be BCU, Canoe England, WCA, SCA or CANI members, there is no levy and no requirement to submit results to the race records officer. Race advertising, entry fees and classes are at the discretion of the organiser. The formal requirements to register club membership and for protest procedures are not necessary.
- b) Rules 1, 2, 5, 6, 7, 8, 9, 10, and 11 shall apply to all GROUP B races.

Rules Applying to Regional Divisional Hasler Races

20) Regional divisional Hasler races are GROUP A races and all of rules 1 -18 above shall apply.

21) REGIONS

The regions are determined by the Marathon Racing Committee for England plus Scotland East, Scotland West, and Wales. Each region will run its own league championships throughout the year and will decide how many results are to be counted by clubs. It is hoped that eventually there will be enough races in each region for clubs to count their best 8 or 9 results from the total number of races.

MARATHON RACING

22) THE DIVISIONAL SYSTEM

- a) Entry into the divisional system should be based on the standards detailed in the "Standards for Racing" (page D1).
- b) Club coaches are responsible for ensuring the ranking status of their paddlers and where necessary to ensure they are re-ranked appropriately.
- c) The divisional system is arranged into nine separate singles divisions 1-9 and seven separate doubles divisions numbered 1/2, 3/4, 5, 6, 7, 8 and 9.. Race Organisers must offer the following races at all events except where varied as agreed with the Regional Hasler Adviser.
 - i) Either singles or doubles races for divisions 1 and 2
 - ii) A combined division 3 and 4 doubles race over 20 km.
 - iii) Singles races for each of divisions 3 to 9.
 - iv) Doubles races for each of divisions 5 to 9
- d) Each year a divisional list will be published in the Racing Handbook for singles divisions 1-8. These lists are checked and any paddler not having competed for two successive seasons is removed from the lists. Each autumn clubs are asked to submit a list of the paddlers who will not be active for the coming season and where appropriate, to amend a draft of the proposed divisional lists.

23) THE HASLER TROPHY

The Hasler Trophy is the National Team League Championships and is competed for throughout the season on a regional basis. The Hasler season is defined by the races designated 'H' in the Racing Calendar of this Handbook. Races relating to the following season are designated 'H2014'.

24) TYPES OF COURSE

Whilst there will be some variations due to local conditions and types of course available, the normal distances will be:-

Div.1, 2 & 3 Singles and 1/2 and 3/4 Doubles

Full senior course of about 20km with any degree of severity.

Div.4, 5 & 6 Singles and 5 and 6 Doubles

Course of about 13km which may include portages and/or weir shoots.

Div.7, 8 & 9 Singles and Doubles

Course of about 6.5km with the minimum practical hazards.

25) COMPETITORS

- a) Each club will be allowed as many competitors as it wishes.
- b) A paddler can only compete in one race in a qualifying event.

26) SEPARATE STARTS

Each quorate race of six or more starters must be started separately. Two or more quorate races of less than six starters (i.e. with 3 or 4 or 5 starters) may be started together but for all other purposes are treated as separate races.

27) SYSTEM FOR AMALGAMATION DUE TO LOW ENTRIES

If there are less than three entries in a division then the organiser must transfer those entries to another division to make a quorate race of three or more paddlers. Where possible they should be transferred to a race of the same distance so that paddlers race their normal course. Where there is a choice, transfer to a lower division is preferable to transfer to a higher division.

There is no handicap or allowance on transfer to another division.

28) COMPETING IN A CREW BOAT

When competing in doubles events the competition ranking shall normally be an average of the individual paddlers' rankings (all halves rounded down). For example: division 3 paddler and division 4 paddler average 3 (ignoring the half), race in 3/4.

Paddlers ranked in division 1, 2 or 3 must race over the 20km course.

All paddlers competing in crew boats must show their singles ranking on the entry form and these rankings must be shown on the results.

29) SPECIAL PRIZES

Race organisers are encouraged to give prizes for special groups of paddlers e.g. first under 16, first C1. In particular they are strongly recommended to give a prize for the first woman in each division and for the highest placed TC2. This kind of encouragement is particularly important in the divisional system.

MARATHON RACING

30) POINTS

- a) In regional races only those clubs within the region will score points. Paddlers from other regions will not be taken into account when calculating points except that their time will be used for the 110% calculations if they are the fastest boats not promoted.
- b) To be included for points, clubs must be affiliated to the British Canoe Union.
- c) All competitors in both singles and doubles **must** show their singles ranking at race check-in. Competitors not doing so will not score points in the regional competition and may not count the race as eligible to compete in the final.
- d) Only competitors racing in their club colours will score points.
- e) The points system will be as follows.
 - i) Divisions 1-9 in singles and doubles will count for points.
 - ii) Points will be awarded to each paddler in both singles and doubles - 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points to all paddlers who finish within 110% of the time of the fastest boat not promoted in a singles race and within 110% of the winners' time in a doubles race. One point only will be awarded for paddlers who finish outside the 110% limit irrespective of their position. This to apply to all races except division 9 singles and doubles which will receive 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points for all paddlers who finish.
 - iii) Transferred paddlers racing in a different division under the provisions of rule 27 will count for Hasler points but their times will not be used for the 110% calculations.
 - iv) Paddlers in a separate assessment race at a Regional Hasler event will not score Hasler points.
 - v) Each club will count its twelve best scoring paddlers from any divisions in any combination of K1/C1/K2 or C2. Doubles boats can be counted even if some of these boats contain just one paddler who is eligible for Hasler points for a particular club.
 - vi) At each event the club with the highest score will get 10 regional points in the regional competition, 9 for 2nd and so on.

31) RACE RESULTS

Race Organisers must report their results using the HRM computer programme. Race Organisers are encouraged to use the HRM programme at the race to complete entries and calculate results at the meeting. If this is not practicable, results must be recorded later onto the HRM for reporting to the MRC in compliance with rules 18 j) and k).

32) PROMOTIONS

- a) Promotions between the divisions throughout the season will be based on the table "Standards for Racing" ("the Table") [See page D1 of 2013 Racing Handbook]. Column HC of the Table assumes a World Champion takes 60 seconds to paddle a given course and ranks paddlers in singles divisions from 1 to 9 based on the number of additional seconds it would take for competitors to cover that same course. P/D Factor expresses these same times as factors. For example, a top ranking paddler in division 7 would be expected to take 90 seconds giving a P/D Factor of 1.5.
- b) Promotions will be calculated on the following principles on the basis of singles results subject to the other provisions of this rule 32;

Divs.1, 2

There are no automatic promotions to divisions 1 and 2. Promotions will be made by the Rankings Officer in consultation with the Regional Marathon Adviser.

Divs 3, 4 and 5

Promotions to divisions 3, 4 and 5 will be calculated by taking the times at each race of the mid-placed paddler in divisions 4, 5 and 6 divided by the Mean Factor for each of these three divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 3, 4, and 5 to give the times for promotion to divisions 5 and above.

Divs 6, 7 and 8

Promotions to divisions 6, 7, and 8 will be calculated by taking the times of the mid-placed paddler in divisions 7 and 8 divided by the Mean Factor for each of these two divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 6, 7 and 8 to give the times for promotion to divisions 8 and above.

[The above is an outline description of the promotion process. The detailed bases for calculations are available by post or email from the Secretary, Marathon Racing Committee]

- c) Promotions may take place on either singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and promotions made under Rule 32(j) where considered appropriate.
- d) Status in canoe will not affect status in kayak and vice versa.

MARATHON RACING

- e) No automatic promotions will be made under Rule 32 (b) where there are fewer than 5 starters in any race. However, the Ranking Officer in consultation with the Regional Hasler Adviser may amend or dispense with this limit if persistently low numbers in a division are clearly preventing the promotion system from operating as intended.
- f) Promotions are not limited to one division. For example, a division 9 paddler with a time faster than that required for promotion to division 7, would be promoted straight to division 7.
- g) Where the HRM computer results system is used at a race, automatic promotions will be shown on the race results and take immediate effect. All promotions (automatic and others) will be confirmed on the race results posted on the marathon website. It is the responsibility of paddlers and coaches to check these and ensure they are implemented with immediate effect.
- h) Once promoted, paddlers **must** race in their correct division, or higher division, except under the provisions of rules 27 and 28. Any competitor found racing in a lower division, singles or doubles, except under the provisions of rules 27 and 28, may be disqualified from the event and be banned from the next three Hasler races in the competitor's region. The exception is for promotions awarded at races held at the beginning of a new racing season and before the Hasler Final held in that year. These promotions will not apply at the Hasler Final of the current season but will apply to all other races. (E.g. A div. 6 paddler promoted to div. 5 in September 2013 at a race designated as H2014 can still race in div. 6 at the 2013 Hasler Final but must race in div. 5 at all other races.)
- i) All paddlers, both from within the region and from other regions are eligible for promotions. The only exceptions are paddlers transferred from another division under rule 27 (system for amalgamation due to low entries).
- j) The Marathon Committee has discretion to promote or to withhold promotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

33) DEMOTIONS

- a) Divs. 1, 2 and 3 Demotions from Divisions 1, 2 and 3 will be made by the Rankings Officer in consultation with the Regional Hasler Adviser.
- b) Divs. 4 to 9 Application for demotion from Divisions 4 to 8 may be made to the Regional Marathon Adviser by the club coach. The Regional Marathon Adviser shall confirm his decision in writing to the club coach and to the Race Records Officer after agreeing this with the Rankings Officer.
- c) Demotions will be limited to one division.
- d) Demotions may be based on singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and demotions made under Rule 33h) where considered appropriate.
- e) Status in canoe will not affect status in kayak and vice versa.
- f) Once demoted paddlers may nonetheless choose to race in any higher division, except under the provisions of rules 27 or 28. Paddlers competing in the Hasler Final shall race in the division according to their ranking status at the close of the prior season (normally 31 August). Thus demotions awarded in the new racing season immediately prior to the Hasler Final will not apply at that Hasler Final.
- g) All paddlers, both from within the region and from other regions are eligible for demotions. The only exceptions are paddlers transferred from another division under rule 27 (system for amalgamation due to low entries).
- h) The Marathon Committee has discretion to demote or to withhold demotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

Rules Applying to the Hasler Final

- a) The top 4 scoring clubs from each region (8 clubs from the combined Midlands region) as determined by the regional Hasler competitions, plus a team from the Combined Services, may compete in the Hasler Final at the end of the season. Additionally a team from the host club (or from each host club if there are two organising clubs) may compete if they have not qualified from the regional competition.

MARATHON RACING

There are exceptions for Div.1 senior men's kayak, Div.2 and above junior men's kayak, Div.3 and above women kayak, Div.4 and above junior women kayak and Div.3 and above canoe, who must compete in 2 qualifying events.
- b) Qualifying events are regional Hasler races and all assessment races for that season. This does not include races designated for the following Hasler season. Also a paddler may count competing in the National Championships on one or both days as one qualifying race. The previous Hasler Final does **not** count as a qualifying race.
- c) The qualification must be in the same type of boat (i.e. canoe or kayak).
- d) Paddlers are only eligible to paddle in a singles race at the Hasler Final if they have competed in 3 qualifying events in singles. The exceptions in rule 36(a) apply equally in this rule.
- e) A paddler can only compete in one race at the final.
- f) The Regional Marathon Adviser will check the eligibility of paddlers from his region for the final. The Race Records Officer will be able to produce listings on request to help clubs and Marathon Advisers carry out this task.

There will be races for each singles division 1 to 9 and each doubles division 1 to 9.

- b) Larger groups to teach paddlers to race effectively in groups.
- c) Minimum administration.
- d) Minimum number of classes.

61) RULES

- a) 5K racing will be governed by the rules of the BCU Marathon Committee as set out in the Flatwater Racing Handbook.
- b) These races fall under rule 3)b)ii) 'Races and time trials approved by the Marathon Committee but not in the divisional system'.

- a) The race levy must be paid. The levy will apply to the event, not the number of races a paddler competes in on that day.
- b) Entrants must be comprehensive members of the BCU or junior members of a club with a registered youth section.
- c) Membership must be confirmed with entry or at time of booking in.

63) THE COURSE

 - In the first set of starts -
 1. Junior, senior and veteran men K1;
 2. Junior, senior and veteran women K1 plus C1;
 - In the second set of starts -
 3. Junior, senior and veteran men K2;

MARATHON RACING

4. Junior, senior and veteran women K2 plus C2.

The Race Organiser has discretion either to split starts into smaller groups or to combine starts where it is considered the numbers of competitors or the nature of the course make this appropriate.

65) RANKINGS

- a) Results including times will be sent to Sue Hawthorn to enable her to compile a rankings list on a time-elapsd basis, initially for K1.
- b) The ranking list will be updated and published on the marathon website as soon as possible after an event.
- c) The top ranking paddler in each category will receive a trophy provided by the MRC at the end of each season. The season will be the same as the Hasler season.

PART B: THE STARTING OF ASSESSMENT RACES, NATIONAL CHAMPIONSHIPS RACES AND HASLER FINALS RACES

There is a necessity to maintain the standard of starting at assessment races and major championships. The following will apply to all assessment races, to all races at the National Championships and to all races at the Hasler Finals.

- b) A clearly defined marshalling line must be established behind the start line.
- c) The race must be started by a person drawn from the approved starters list, who will have an experienced assistant.
- d) The marshalling line should be controlled by at least two experienced officials.
- e) The above should all be equipped with PA equipment or loud hailers that it is the responsibility of the race organiser to provide.

2) STARTING PROCEDURE

- a) The starter shall ensure all craft are lined up on the starting line as stationary as possible for the water conditions. When the starter is satisfied the line(s) is correctly positioned he/she shall give the signal to start by a shot, starting horn or the word 'go'.
- b) If a competitor commences paddling or attempts to start before any instruction to do so, he/she has made a false start.
- c) A competitor who crosses the line before the starter's start signal shall also be deemed to have made a false start.
- d) Refusing to obey the starter's instructions will also constitute an unfair start.
- e) A competitor who attempts a false or unfair start will be warned a maximum of two times. A third offence will result in the imposition of a two-minute penalty. A further offence by the same competitor will result in disqualification from the event. The disqualified paddler must leave the water immediately.

PART C: RECOMMENDATIONS

These recommendations are to help clubs run well-organised races. You should not attempt to run a race without having attended others first.

1) ADVANCE INFORMATION

Advance information should at least contain the following details.

- a) Name, date and status of the race.
- b) Name of the organising body.
- c) Closing date for entries and whether or not late entries will be accepted.
- d) Person to whom entries and enquiries should be sent, with address, phone number and email.
- e) Entry fees and to whom these should be payable.
- f) An entry form asking for full details of competitors, though entries using the HRM system should be encouraged.
- g) Locations of start and finish, and directions for getting to these places.

MARATHON RACING

- h) Check-in, briefing and start times.
- i) Brief description of the course.
- j) Any special regulations that competitors should be aware of before they arrive.
- k) Any major changes since last year.

2) SAFETY

Safety measures are largely at the discretion of the organiser, since courses and conditions vary considerably. All paddlers ranked in Divisions 7, 8 and 9 or competing in Lightning and fun races must wear a buoyancy aid [Rules 5 (a)(v) and 56 (a)]. Make sure you have adequate safety cover for all Lightning races. On the open sea it is wise to insist on buoyancy aids for all. On open water, rescue boats are very important. Ensure that no one is stranded or lost halfway round the course; it is important to account for all competitors. On calm water it is usually sufficient to have a back marker paddling the course. **All Race organisers should prepare a Risk Assessment well ahead of their event and put in hand appropriate safety measures.**

3) BRIEFING AND CONTROL

- a) Deliver a briefing shortly before the race. Explain the starting procedure; starting order; describe any special features and hazards of the race course and emphasise any special regulations.
- b) Check that all boats are numbered clearly. It is the competitor's responsibility to number his boat, but it does make the finishers' job easier if number plates are legible. Provide large permanent marker pens at check-in.
- c) Use the starting order listed in Section 4.
- d) Make sure the course is clearly marked at all points where there could be doubt. Position marshals at turning points to check against a start list. Have clearly identifiable marshals at portages and shoos. The marshals should keep the passage clear for competitors, keep spectators and competitors off forbidden land and report any misdemeanours to race control. A marshal's directions should override any prior instructions.

4) STARTING ORDER

- a) The start order of the various classes or divisions can have a significant effect on the race results. The general principle is to start the fastest classes first and the slowest classes last. This minimises the chance of fast boats paddling through slower classes, picking up stragglers on the wash and dragging them back to the class leaders.
- b) The following is the recommended start order. Not all these classes will necessarily run at any one race.

Division 1 K2	Division 3 K1	Division 6 K1
Division 2 K2	Division 5 K2	Division 8 K2
Division 1 K1	Division 4 K1	Division 7 K1
Division 3/4 K2	Division 6 K2	Division 9 K2
Division 2 K1	Division 5 K1	Division 8 K1
Division 4 K2	Division 7 K2	Division 9 K1

5) STARTING

- a) Ensure that the paddlers can hear your instructions clearly.
- b) Ensure you start position is such that you can see the boat numbers and if necessary have a helper as a spotter.
- c) You or your helper should have a pen/paper to write down any number warnings and penalties.
- d) If the paddlers do not obey instructions then the rule must be followed with appropriate penalties.
- e) In the event of a false start use a whistle to recall the paddlers. The use of the whistle should be included in pre-race briefing.
- f) Try to ensure the paddlers approach the line very slowly.
- g) An upstream start is preferable if possible.
- h) If you make a requirement or statement as to what you are going to do, do not back down or change it under paddler or time pressure.

6) TURNS

- a) Clearly mark all turns. Use a buoy or buoys at each turn. Make sure these are clearly distinguishable. A clear description and location of the turn buoys must be given at the briefing
- b) All turns should be properly marshalled. Each turn marshal should have a list of the race numbers which started and is responsible for checking that each boat properly completes the turn. A list of boats which did not complete the turn and a written report of the incidents at the turn must be provided promptly to the race control.

MARATHON RACING

7) FINISHING & RESULTS

- a) Have a clearly marked finishing line. Signify a crossing of the line audibly by bell, whistle or hooter.
- b) Have a reliable, readable clock and a back-up in case of malfunction.
- c) Have a shelter in case it rains.
- d) **Recording the finishing times and positions is the most important job you will do.**
- e) **Prepare in advance with numbered sheets. Have spare pens/pencils.**
- f) Record the number and order of every boat as it passes the finishing line. Two tried and tested methods are:
 - (i) Have lined sheets, marked into two columns with one person writing the boat numbers and another the finish time. If possible have a third person calling out the finishing times. Number all finish pages to avoid confusion, OR
 - (ii) Have a team of three. Two work together, one calling boat numbers whilst the other records the number and time. The third person works independently recording the numbers in finishing order.**We do not recommend having the times written on one set of sheets and the numbers separately written on another set and then trying to match these together.**
- g) A further fail-safe is to have a tape recorder at the finish line. Give the recorder to one of the finish team and tell them to 'talk' every boat over the line, giving number and time.
- h) At all Hasler events you must use the Hasler Race Management computer programme (HRM) to produce your results. If possible use the HRM at the race. This will automatically calculate the elapsed time and finishing order of all boats, all singles promotions and the Hasler points. The results will be produced in the format required by the Race Records Officer. The HRM is designed for Hasler races and can be downloaded from the Marathon Canoeing website. If you want any help with the HRM please contact your Regional Adviser.
- i) Whether using the HRM or a manual system, have someone indoors to produce the results. Arrange a system for displaying the results as soon as you know them. Errors can be queried before prize giving. Hold the prize giving as soon as possible.

8) AFTER THE EVENT

- a) After the event is over the final result sheet needs to be produced. Keep all manual start and finish sheets as back-up.
- b) If you have run a Hasler event you must return your results using the HRM. This automatically produces the results in the correct format.
- c) Send results by email to the Rankings Officer, the Regional Marathon Advisor, the Race Records Officer and to results@marathon-canoeing.org.uk within 2 working days so that promotions can be ratified and the results can be uploaded onto the marathon website. For all addresses, see page F3.
- d) The race levy should be sent to the Marathon Racing Committee treasurer. See rule 13. Levy to be remitted within 7 days.
- e) Send Event Ticket money to the BCU HQ, Bingham together with the name, post code etc. of those who have paid for an event ticket, on the form provided by the BCU.

PART D: VENUE AND ORGANISATIONAL CRITERIA FOR THE NATIONAL CHAMPIONSHIPS AND THE HASLER FINALS

The Marathon Committee will look to the following ideal criteria when considering applications for the hosting of the National Championships and the Hasler Finals. Any club wishing to host the National Championships or the Hasler Finals will be expected to make a short presentation to the Annual Consultative Meeting or to the Marathon Committee outlining their proposals for the course and organisation to meet these criteria.

1) THE COURSE

- a) The course should be wide enough at the start to provide a fair start for all paddlers. It should also be wide enough throughout its length for competitors to overtake and pass each other in opposite directions.
- b) The course should be capable of being paddled in an understern rudder boat.
- c) Portages should allow a minimum of 12 metres at the 'get out' and 'get in' points. Portages should not be of excessive number or length.
- d) Access to portage areas for spectators should be good with adequate parking, or pool transport should be provided.
- e) The course should be reasonably accessible for spectator viewing.
- f) There should not be too many other conflicting water users.

MARATHON RACING

2) ORGANISATION

- a) The organising club(s) should have a proven track record in organising normal Divisional marathons.
- b) The venue should have good access by road and not be too far for the majority of paddlers to travel.
- c) There should be adequate camping facilities nearby, particularly for the two day National Championships.
- d) There should be adequate parking at the start and finish.
- e) There should be adequate covered checking-in and refreshment areas at the start and finish and a results display area.
- f) There should be adequate toilet facilities at the start and finish areas.
- g) There should be an adequate PA system at the start, briefing and prize giving areas.
- h) There should be adequate First Aid cover in appropriate areas.
- i) The starting of all races is to be as the procedure set out in PART C.
- j) There should be a computerised results facility capable of showing class results and team scores immediately after the races.
- k) Prizes at the National Championships will be the official BCU National Marathon Championship medals and Divisional medals.
- l) Prizes at the Hasler Finals will be the official BCU Hasler Finals medals.

PART E: BCU MEMBERSHIP AND EVENT TICKETS

All seniors and veterans must be full members of the BCU if they wish to race in a Marathon event that has been advertised in the Calendar. Juniors who are ranked in division 6 or above must also hold individual comprehensive BCU youth membership.

A junior club member need not be a full member of the BCU in order to race in the lower divisions (7,8 & 9) of the Marathon racing system or in the other 2 categories of marathon races. He / she must, however, be a member of a club with a registered junior section and the number used for his or her identification will be the club's affiliation number followed by the paddler's own individual club number. However, the club abbreviation followed by the paddler's club number is easier and preferred by the Records Officer, both for identification and ease of recording. i.e. LIN/005, CHE/017. Note that event tickets are also required for Lightning paddlers who are neither BCU members nor a member of a club with a registered junior section but the Event Ticket is issued to Lightning paddlers without charge.

Any junior promoted into a higher division (6 & upwards) must then become a full member of the BCU.

Race Organisers **MUST** still check that a competitor's membership is current either by photocopy of the membership card with the entry or by seeing the card on the day of the race.

If the card is unavailable or forgotten the paddler must purchase an "Event Ticket" as a "stop gap" but only once per season. The records officer carries out a check on event ticket issue for all race results and those paddlers abusing this system will be penalised.

The system is as follows:

1. The tickets are for use by non-members at the entry level only of National Competitions requiring membership e.g. Divisional Racing.
2. For use at a BCU event when the organiser believes a participant may be a member but the member cannot provide proof by way of a membership card.
3. Event organisers charge the current rate set by the BCU, which will be sent to the BCU HQ, Nottingham within 7 working days of the event.
4. Event Ticket fees are not refundable.
5. The overall consideration is to encourage, in the best possible way, membership of the Country's Governing Body for Canoesport.

MARATHON RACING – THE HASLER TROPHY

The story behind the Hasler Trophy

One of the most daring raids of World War Two took place on the night of 11th December 1942 in the enemy-occupied port of Bordeaux in France. Operation Frankton involved 12 men in six canoes being taken by submarine to a position 10 miles south of the Gironde estuary on 7th December. One of the canoes was ripped passing through the hatch of the submarine, but the other five then had an 85 mile paddle ahead of them. Two boats were lost in the tidal race and the remaining three carried on for three days, paddling in darkness and lying up during the day. One more boat hit a submerged rock and sank and the final two boats went on to Bordeaux harbour, where they attached their limpet mines and, assisted by the ebb tide, paddled silently back down the river. The mines detonated and severely damaged four vessels and sunk one. The four remaining men beached before reaching the sea, scuttled their canoes and travelled overland to try to reach safety. Two were captured, but Major 'Blondie' Hasler and Marine Bill Sparks made their way to Spain – the only two of the original ten who survived. Hasler was awarded the DSO and Sparks the DSM.

After the war, Hasler went on to found the Single Handed Transatlantic Yacht race after a bet with his friend Francis Chichester. The Hasler Trophy was presented by Lloyds Underwriters to commemorate the raid of the so-called 'Cockleshell Heroes' and has been competed for since 1957. Major Hasler died in 1987 and Bill Sparks died on 30th November 2002, only ten days short of the sixtieth anniversary of the raid. In 2003 the Marathon Committee decided to inaugurate a new trophy named in honour of Bill Sparks, which goes to the highest placed veteran K2 in the highest division at the Hasler Final.

INTERNATIONAL MARATHON MEDALS

Prior to 1982 major international competition comprised the Grand Prix series of two or three races per year. In 1982 World Cups were introduced every year as the premier international event in addition to one or two Grand Prix.

From 1988 World Championships were introduced in alternate (even) years with World Cups remaining in alternate (odd) years. One or two Grand Prix races continued every year.

From 1995 European Championships were introduced in alternate (odd) years.

From 1998 World Championships were held every year, the old World Cups (in alternate odd years) ceased and the Grand Prix races were renamed as World Cups.

In 2001 Junior World Championships were introduced every year.

INTERNATIONAL MARATHONS

SELECTION POLICY FOR GREAT BRITAIN REPRESENTATIVE TEAMS

Objectives

- 1 To win medals at World, European Championships and World Cup events.
- 2 To maintain a position as a top nation in international competition.
- 3 To ensure the long-term athlete development required for international success.

This policy may be amended or supplemented by the BCU Marathon Racing Committee at its discretion in order to achieve the above objectives to cover exceptional circumstances. Every effort will be made to ensure as much notice as possible is given to all persons affected by any change.

Process of Selection

- 1) Each year, the ICF publish an International Calendar from which a programme of International Events to be attended is selected. Due regard is given to the Objectives and to budgets. Some events may be designated "Development". The programme is specified in the Racing Handbook.
- 2) The basic team composition for each event will be detailed in the Racing Handbook. Changes may be necessary to suit all the factors affecting team size and budgets.
- 3) The selection of Great Britain teams for **all** main internationals will be made on a **continuous assessment, open-to-all basis**. The composition of the team for each event will depend entirely on paddlers being and proving that they are of sufficiently high standard.

(The system of **continuous assessment** as opposed to one of 'first past the post' at a nominated selection event has been in operation for several years and has operated very well. It allows the selectors to consider an athlete who has under performed in any one race. This could be due to illness or equipment failure. It also means that consideration can be given to improving athletes who may not be winning but show potential for the future.)

Teams will be selected from the results of assessment races and current season internationals, as detailed in the Racing Handbook, on the basis of their ability to fulfil the Objectives above.

In exceptional circumstances, the Selection Committee may consider international results from previous seasons even where the athlete has no assessment race or international results from the current season.

- 4) All athletes seeking selection should race in the Assessment class corresponding to the category for which they are seeking international selection unless otherwise instructed by the Selection Committee. The Selection Committee reserve the right to disregard results gained by athletes racing in the wrong class.
- 5) Athletes wishing to be considered for International Events must comply with the following conditions.

INTERNATIONAL MARATHONS

- a) They must be Comprehensive BCU members throughout the year.
 - b) Having due regard to their availability for selection and their preferred programme, they should apply by completing the Availability Form and returning it by the dates specified in the Racing Handbook.
 - c) They should be prepared to meet all assembly costs and pay a contribution towards food, as detailed in the Racing Handbook.
 - d) They should be prepared to travel and be accommodated in the best interest of the team.
 - e) They must be prepared to accept the Team Coach's direction with regard to training and racing while abroad.
 - f) They must be prepared to dress and conduct themselves in a manner befitting a British Team representative, and promote the good name of British canoeing both at home and abroad.
 - g) They should be prepared to give support to Sport UK, Sport England and the Lottery in promotional aspects, in return for the Grant Aid received.
 - h) They should wear the GB tracksuit and team clothing provided, on all suitable occasions.
 - i) They should compete in the appropriate Assessment events.
- 6) The principles guiding the Selection Committee will be as follows. The best team available to represent Great Britain will be selected having regard to the following.
- a) Winning medals at World & European Championships and World Cup events.
 - b) Gaining National Team points.
 - c) Experience enhancement and development potential commensurate with the level of the Competition.
 - d) Available budget for an event that supports the overall Marathon programme.
- 7) The BCU Marathon Racing Selection Committee shall consist of the following:
- a) The Chairman of Selectors, appointed by the BCU Marathon Racing Committee, who will Chair all selection meetings.
 - b) Up to 4 members nominated by the BCU MRC.
 - c) The Marathon Team Manager(s) for the event(s) are invited to attend the selection meetings.

Selectors are required to make every effort to attend all Domestic Assessment events, to ensure that a true and accurate assessment of current abilities can be made.

2013 INTERNATIONAL PROGRAMME

The Committee will provide as full a programme as possible in 2013, but this is subject to the funding we receive. The intended programme for the year is set out below, but it must be understood that the events supported and the sizes of the teams may change depending upon funding.

The main events for the year, for both Seniors and Juniors, are therefore: -

European Championships	Vila Verde, Portugal	June 7/9
World Championships	Copenhagen, Denmark	Sept. 20/22
World Cup	Oklahoma City, USA	Oct. 6/7

Each country can enter 3 crews (2 at World and European Championships) in each class, with only the first finisher to count towards the World Cup Trophy.

INTERNATIONAL MARATHONS

In addition to the 3 main events, we plan to send a small team to the Sanabria K4 Series depending on the assistance we receive from the Organisers, and Junior Development teams to the Gent Marathon and to a late season event in Europe.

We will also support other events, where the Organisers provide total finance.

Marathon Committee Support

The Marathon Committee will assist all potential team members in seeking personal sponsorship.
