PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

The BCU is committed to ensuring that all children and vulnerable adults enjoy Paddlesport in a safe environment in which they are protected from any form of poor practice or abuse. We continue to work towards and maintain the standards set for sport and to implement the requirements set within government guidelines and legislation.

Everyone in Paddlesport has a responsibility to help to safeguard and protect children and vulnerable adults – whether it is an administrator, club official, coach, parent, friend or children themselves. This can be a daunting prospect – and to support everyone involved in our sport to apply these principals the BCU has developed a range of child protection policies and procedures. These child protection procedures stem from the following principles:

- The child's welfare is paramount
- Anyone under the age of 18 is classed as a child
- All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse.
- Coaches, clubs and centres need to be provided with advice to raise awareness of best practice, guidance and support should they become involved in an abuse situation.

All our policies and documents to support those working with young people can be easily found on each home nation website. Alternatively, contact your Home Nation if you would like further information or are unable to access the internet. We know that if the procedures are to help to protect children, everyone involved in Paddlesport needs to see and discuss them. We are, therefore, asking club Secretaries/Welfare Officers to make sure that they are widely distributed and discussed at club executive and general meetings.

Child Protection Support Officer - While the welfare of young people is the BCU's first consideration, we recognise that coaches, volunteers and helpers may also require support if an allegation is made against them. In these cases individuals should contact the BCU Child Protection Support Officer whose role is to listen, support, help and provide advice. (Contact details below) They will not be involved in the case and will be completely independent of the investigation.

Event Management - Event organisers should take note that there is a requirement to provide a Welfare Officer at all events where children are participating. For further details refer to the guidance sheets on the website – Paddlesafe Events.

Good Practice Guidelines

By following these guidelines you will help to protect both the children/vulnerable adults in our sport and our coaches/helpers from wrongful allegations.

- Avoid situations where you are alone with one child/vulnerable adult. The BCU acknowledges that occasionally there may be no alternative, for example, where a child/vulnerable adult falls ill and has to be taken home. We would stress, however, that one to one contact must not be allowed to occur on a regular basis.
- If any form of physical support is required ask the paddler's permission, explain what you are doing and why to both the child/vulnerable adult and their parents/carers.
- Where possible ask parents/carers to be responsible for children/vulnerable adults in changing rooms. Always ensure that whoever supervises young people work in pairs.
- Where there are mixed teams/groups away from home, they should always be accompanied by an adult male and female coach/helper.

PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

- Don't allow physically rough or sexually provocative games, or inappropriate talking or touching.
- If it's necessary to do things of a personal nature for children/vulnerable adult, make sure you have another adult accompanying you. Get the consent of the parent/carer and if possible the child/vulnerable adult. Let them know what you are doing and why.
- Ensure that any claims of abuse by a child/vulnerable adult are taken seriously and that it is dealt with by people who know what to do.
- Ensure that the nature and intensity of training does not exceed the capacity of a child's/vulnerable adult's immature growing body and ability.
- Follow the BCU guidelines for photography and video use (see reference sheet 'Guidelines for use of Photographic and Filming Equipment')

Ensure your club adheres to the BCU best practice guidelines and requirements with particular reference to:

- The BCU Code of Ethics.
- The BCU Child Protection Policy and Vulnerable Groups Policy.
- Safe recruitment and vetting practices including appropriate Disclosure checks, where eligible, in accordance with home nation and government guidelines.
- Individuals undertake safeguarding training when working with children and vulnerable Groups.
- Club Welfare Officers attend specific training to support their role (eg Time to Listen workshop).
- Publicise your club Welfare/Child Protection Officer contact details.
- Publicise the NSPCC Child Protection Helpline.

BCU EQUITY STATEMENT

All competitions and representative selection will be held in accordance with the BCU Equality Policy ensuring that everyone, including all protected characteristics under the Equality Act 2010, have a genuine and equal opportunity to participate in Paddlesport at all levels. Unlawful discrimination is unacceptable and will not be tolerated whether intentional or unintentional. Transsexual participation is permitted in domestic competitions subject to the criteria detailed within the BCU Transgender and Transsexual Policy. International competition and selection for transsexual people is subject to eligibility defined by the IOC and is detailed in the BCU policy.

PADDLE-ABILITY

Paddle-Ability is the term used by Canoe England to describe all disabled Paddlesport activity. The term focuses on a person's ability to take part in Paddlesport rather than their disability. Canoe England encourages and supports anyone with a disability to participate in competition in specific **Paddle-Ability** events and mainstream competition.

Specific **Paddle-Ability** events are held at National Regattas in Nottingham from April to September. Racing is based on ability (in time bands). Entries should be submitted with other club entries via the Club Team Leaders. If competitors are unable to attend their team leader must notify Viv Kendrick no later than 9 a.m. on the Saturday morning of the regatta. Race fees will be £6.00 per event for individual events and £12.00 per boat for K2 Events.

Entrants may have an escort boat to provide support to the starting posts; limited support is also permitted during races. Escort paddlers will be expected to wear yellow escort bibs, these can be obtained from the **Paddle-Ability** cabin. If you would like to become an escort paddler or require further information contact **Paddle-Ability@canoe-england.org.uk**.

The current **Paddle-Ability** events available are:

- **K1: 200m, 500m**
- **K2: 200m, 500m**
- **V1: 200m, 500m**

SPRINT RACING

Foreword Chairman Sprint Racing Committee

The oft-quoted "Road to Rio" is gathering pace at all levels within sprint racing. Our National Regattas seem to be running from dawn to dusk, with a race just about every 3 minutes which I believe is a fantastic achievement and you all should be applauded.

I re-issue my invitation to our elite and aspiring elite athletes: please do attend and compete at our National Regattas, we would like to see more of you, rather than just for selection races. We are proud of you and your achievements inspire our newer, younger paddlers to be like you and succeed.

Communication is always required. Please do let us/me know your thoughts and suggestions. We may not be able to take up all requests but it might help for future development. So please stop me as I am walking around or email me: sprintpete@yahoo.co.uk

Volunteers are always needed, back at the club and at our National Regattas, so if you feel that you could step up and help run our events then come and see us and/or talk to your Team Leader.

Regional & Club Regattas are always great fun and are an excellent introduction for all ages into Sprint racing, so please seriously consider running such an event. If you need guidance again call us and we will arrange for someone to talk you through it.

See you by the water

Peter

- 25.2 Competitors shall be at the starting area in time to allow satisfactory preparation for the start.
- 25.5.1 The start shall be given without reference to absentees.
- 25.5.2 If the competitor does not start, and has no valid reason approved by the Competition Committee, (International event) he shall be disqualified for the whole regatta, (National regatta) penalty points will be issued. A competitor, who arrives too late at the start, shall be considered to have voluntarily withdrawn and shall be disqualified under this rule.
- 25.6 When signalled by the Starter, the competitor will take the start position designated so that the bow of the boat is on the start line. In case of an automatic starting system the competitor will place himself/herself so that the bow of the boat is on the start line and thus in the start machine. When all boats are properly aligned, the aligner will then raise a white flag.

BCU SPRINT RACING COMPETITION RULES

- 25.7 If the Starter is not satisfied with the line-up he/she will call "STOP", and hand over to the Aligner for repositioning.
- 25.8 The starting command will be "Ready – Set – Go" ("Go" can be a shot or strong signal). At the "Ready" command the competitors begin their preparation to paddle. At the "Set" command the competitors place their paddle in the catch position. The competitor must not paddle forward or this action will be deemed to be a false Start. The boat must not move forward at this point in the starting procedure. The Starter when satisfied with the competitors positioning and attention will say "Go" (or shot or powerful sound). The competitors must only react to the start command/signal "Go" and are not permitted to anticipate it. The competitors can paddle only upon hearing the starting signal/command "Go".
- 25.9 In the event of a false start, the Starter must immediately give a powerful sound signal. On hearing this signal all competitors must stop paddling and follow the Starter's instructions for a new start. Before the new start, the Starter must identify the offending crew/s making the false start and give them a warning. In the event of a second false start by the same crew the boat will be disqualified from the race and must leave the starting area and the course immediately.
- 25.10 The Starter may also recall competitors for a new start in the event of any unforeseen circumstance – a malfunction of the starting equipment for example. In such a case the same powerful sound signal must be given. If a malfunction of the starting equipment was caused through a boat making a false start, as in 25.9 the crew must be given a warning, as in 25.10, even though that boat may not have crossed the start line. If the malfunction was not the cause of any competitor making a false start, no penalty shall be imposed.
- 25.11 The Starter will start the race when he/she is satisfied that everything meets with his/her approval. He/she will make a written report on any disqualification and forward it to the Chief Official.
- 25.12 In the long distance races the starter shall declare "START WITHIN ONE MINUTE" when he is satisfied he will give the starting signal by a shot or a short powerful sound. The Starter will start the race when he/she is satisfied that everything meets with his/her approval. He/she will make a written report on any disqualification and forward it to the Chief Official.
- 26. Paddling on the Course**
- 26.1 In races up to 1000 metres, competitors must keep the whole of their boat within the four-metre wide central area of their lane from the start to the finish of the course. Upon any deviation, the boat must go back immediately to this central area of the lane. No boat must come nearer than five metres in any direction to the boat of another competitor – that is, gunwale to gunwale or bow to stern.
- 26.2 If a boat leaves the centre of the lane and does not return to it, the boat may be disqualified from the event.
- 26.3 A boat which leaves its allocated lane must be disqualified from the event.
- 26.4 If a race is declared null and void, no change of the composition of a crew is permitted at the new start.
- 26.5 If there is a capsized competitor or crew is eliminated from the race.
- 26.6 The Umpire has the right to interrupt a correctly started race if unforeseen hindrances arise. The course Umpires with a red flag and sound signal may effect such an interruption. Competitors must immediately stop paddling and await further instructions.
- 26.7 If a paddle is broken a competitor may not be provided with a new one by a supporter.
- 27. Pacing**
- 27.1 Taking pace or receiving assistance from boats not in the race or by any other means is not permitted.
- 27.2 When a race is in progress crews not taking part in the race are strictly forbidden to proceed over whole or part of the course, even outside the marking buoys.
- 28. Competitions for Long Distance and Relay**
- 28.1 Races of more than 1,000 metres, competitors may deviate from their lane providing they do not impede other competitors.
- 28.2 When a race is run on a course with turning points these shall be passed to port (i.e. in an anti-clockwise direction).
- 28.3 A competitor will not be disqualified for touching a turning buoy, unless, in the opinion of the Turning Point Umpires, an advantage has been gained there from. In making a turn, the boat shall follow as closely as possible the course as marked by the buoys at the turning points.
- 28.4 If there is a capsized competitor or crew is eliminated from the race if he/she or they are not able to get in the boat without outside help.

BCU SPRINT RACING COMPETITION RULES

- 28.5 Any competitor who is responsible for a collision or who damages the canoe or kayak or paddle of another can be disqualified and can be required to pay damages.
- 28.6 Group Racing and Overtaking
- When a boat is overtaking another boat, it is the duty of the overtaking craft to keep clear of other competitors at all times.
 - When a boat is racing in a group of competitors it is the duty of all competitors in the group to keep clear of other competitors at all times. This rule applies to any manoeuvring within the group.
- 28.7 Collision or damage
- Any competitor who is considered by the course umpire or race official, to have been responsible for a collision, or who damages the boat or paddle of another competitor or unnecessarily deviates from their course may be disqualified.
- 28.8 Lapped boats
- Lapped boats are disqualified and they should leave the course immediately (International events)
- 28.9 Relay
- Relay distance is 200m. Relay will be raced with single boats only and no mixed crews. Events will be K1 Men, Women and C1 Men x 4 lengths. No protests are allowed during heats. Start and finish are located at the finish line. A starting system must be used (International) at both start lines. Recommendation is to use 7 lanes.
- There will be heats and finals only. Advancement system will be:
- | | |
|-----------|--|
| 2 heats - | 1 st 3 plus next best fastest time |
| 3 heats - | 1 st 2 plus next best fastest time |
| 4 heats - | 1 st 1 plus next 3 best fastest times |
29. **Finish**
- 29.1 The boat has finished the race when its bow crosses the finish line with all crew members in it. The Finish Line Judges will determine the result of the competition based on the order of the boats arriving according to the rules.
- 29.2 If two or more boats reach the finishing line at the same time they are awarded the same classification in the final. In the case of a dead heat finish for any position, which determines the advance to the next level of the competition the following rules will apply:
- Wherever there are sufficient number of lanes available in the next level of the competitions, drawing of lots will determine to which race each boat will advance. If possible it may use also lane number 10.
 - Wherever there are not enough lanes available there will be a re-race between the boats involved 30 minutes after the race (and for International Competitions after the last race of the day, or half day programme)
 - In the case of a dead heat in the re-race, drawing of lots will determine the outcome.
30. **Tasks of Competitors after the Race**
- 30.1 The competitor must leave the course after the finish of the race and cannot disturb the next race.
- 30.2 The crews selected by the Competition Committee for boat control must immediately contact the place allocated for the post race boat control.
- 30.3 If selected for doping control, the competitor must comply with the obligations stipulated by the BCU Anti-Doping policy.
- 30.4 Before the award ceremony the top three crews of the final must be present at the location and time indicated.
- 30.5 At National Championships, competitors must wear club, team/squad Racing Colours or Tracksuit at the award ceremony.

- 31.2 Should a competitor have completed a race in a kayak or canoe which is shown upon inspection not to conform with the classifications (see Rules 9 to12), he/she shall be disqualified from the race in question.
- 31.3 It is prohibited to receive external assistance during a race.
- 31.4 No crew may be accompanied along and adjacent to the racecourse by other boats while the race is in progress.

BCU SPRINT RACING COMPETITION RULES

- 31.5 No crew may receive assistance by using objects thrown into the course.
Any of the above infractions will result in the disqualification of the competitor(s) concerned.
- 31.6 All disqualifications by the Competition Committee have to be confirmed in writing immediately with the reasons. The Team Leader has to acknowledge the receipt on a copy with the exact time, which is the start of the protest time.
Failure to deliver the copy confirmation of the disqualification to the team leader does not invalidate the disqualification.
- 31.7 The Competition Committee may discipline any competitor or Official whose behaviour is detrimental to the good order and conduct of the competition. The Competition Committee may after repeated action by the offender disqualify him/her for that competition.

32 Protests

- 32.1 A protest against a crew to compete in a race shall be advised to a member of the Competition Committee not later than one hour before the start of the race. A protest made later - within 30 days from the date when the race in question was held is only permitted if the officials of the club of the competitor making the protest can prove that the facts on which the protest is based came to their knowledge later than one hour before the start of the race.

- 32.4 All protests must be made in writing and be accompanied by a fee of £5.00 (international Competitions £20.00 or 25 Euros). The fee will be refunded if the protest is upheld. *If the protest is not upheld the fee may not be refunded, at the discretion of the Competition Committee or SRC hearing the protest.*

BCU SPRINT RACING COMPETITION RULES

Notes to the BCU Sprint Racing Competition Rules

Races Exceeding 1,000 Metres at the National Water Sports Centre Nottingham, Rules 21.4 and 21.5

Because of limitations at the National Water Sports Centre - mainly the start pontoon being fixed for the Start of two 5000 metre and one 2500 metre events - it is not possible to comply with the Rule and provide the three courses required. The 2nd leg under the Rule is 47.75 metres too long. The requirements given in the Rule are those of the ICF, which the BCU must shadow in its own Rules.

Long Distance Courses at the National Water Sports Centre, approved by the SRC

To provide flexibility there are four turning points with the start and finish of the turns as follows:

1. 10 metres beyond the finish line
2. 450 metres from the finish line
3. 1123 metres from the finish line
4. 1796 metres from the finish line.

International Rules Course - 1 long lap + 1 short lap

(Avoiding pontoons at 500 metres which would need to be parked as far back as possible)

a) Between the start line and first flag of the first turning point =	1902.25 metres
b) Between the last flag of first turn and first flag of second turn =	1806.00
c) Between last flag of second turn and first flag of third turn =	460.00
d) Between last flag of third turn and the finish =	450.00
e) Three turns of 127.25 metres each =	381.75
	<u>5000.00</u>

Domestic Course - 2 medium laps

a) Between the start line and first flag of the first turning point =	1229.25 metres
b) Between the last flag of first turn and first flag of second turn =	1133.00
c) Between last flag of second turn and first flag of third turn =	1133.00
d) Between last flag of third turn and the finish =	1123.00
e) Three turns of 127.25 metres each =	381.75
metres	<u>5000.00</u>

Short Course for Juniors - 1 lap of Domestic Course - 2500 metres

a) Between the start line and first flag of the turning point =	1229.25 metres
b) Between the last flag of the turn and the finish =	1123.00
c) One turn of =	127.25
	<u>2479.50 metres</u>

NB With a fixed start position and by using the same turning buoys for the 5000 metre course an exact 2500 metre course cannot be obtained. It is 20.5 metres short.

The Executive Committee and the Panel shall deal with such matters in accordance with the procedure set out below.
- 2.2 The Panel shall ensure that as soon as practicable and within 14 days of receiving the complaint from either the Investigations Officer or a Protest Committee, a copy of the complaint has been handed personally or by recorded delivery post to the Member. Notification of the date when the Panel will meet (via e-mail, personal or conference call communications, if deemed appropriate) to consider the complaint will be set as soon as practicable and within 30 days and an invitation to provide in writing, within 14 days (or such shorter time period as the Panel thinks fit) of the notice, any rebutting facts, mitigation, explanation or submission must be sent to the Member with the copy of the complaint. In such circumstances, the Panel shall, in its sole discretion, replace that member with another member of the Executive Committee and if no such member can hear the matter then that member shall be replaced with another elected member of the Union for the only purpose of considering the complaint.
- 2.3 At the same time the Member shall be asked whether he wishes to be present at the meeting when the complaint is being considered, in which case that Member shall be informed that they may attend to make representations and that he may be asked questions. The Panel may invite the person making the complaint to comment on any reply provided by the Member, and shall supply a copy of any such comments to the Member before the meeting. The Panel may in its sole discretion invite the person making the complaint to attend the meeting.
- 2.4 At the meeting the Panel shall consider the complaint and any statement made in writing or orally by the Member. Once the Panel has completed its consideration of the complaint, it shall provide the Member with its written decision as soon as practicable and in any event within 14 days of the date of the original meeting or any adjourned meeting.
- 2.5 On completing its considerations of the complaint, the Panel shall draw up its findings of fact and may decide:

 - (d) to recommend to the Board that the Member should be suspended from participating in Sprint Racing events or training facilities for a longer period or that the Member should be suspended or expelled from the Union, or that some other specified penalty (such as suspension of funding) should be imposed by the Board.
- 2.6 Where the Panel has found against the member, it shall as soon as practicable and in any event within the 14 days of the date of its original meeting or any adjourned meeting notify that Member by recorded delivery post of its findings of fact and of its decision and the grounds for that decision or recommendation, and shall inform him of his right of appeal under Regulations 2.8 and 2.9 below, and shall send a copy of the notification to the Board.
- 2.7 Where the Panel has made recommendations to the Board under 2.5(d) above, the Board shall decide whether or not to adopt such recommendations a Board Meeting shall be convened (via e-mail, personal or conference call communications) as soon as practicable to decide on the sanction to be imposed.
- 2.8 If the Member or the person who made the original complaint disagrees with the decision of the Panel, he shall be entitled to make a new complaint pursuant to Rule 3.1 (b) of Part A of the Union's Dispute Resolution and Disciplinary Procedures for matters other than Doping and Child Protection Matters by way of a Notice. The Notice must set out in detail why the Member or the person who made the original complaint disagrees with the decision of the Panel. The Notice must be accompanied by a cheque for £100 made payable to the Union ("the Deposit"). This Deposit shall be held by the Union and re-paid to the Member or the person who made the original complaint in the event that his complaint against the Decision is upheld by an Arbitral Panel or Disciplinary Committee. Where the Member's or the person who made the original complaint is rejected by an Arbitral Panel or Disciplinary Committee or if the matter is resolved by mediation, the Deposit shall be retained by the Union.
- 2.9 The Investigations Officer shall consider the matter and decide if the Notice shows that there is on the face of it sufficient evidence for the case to be determined in accordance with Rule 6.1 of Part A of the Union's Dispute Resolution and Disciplinary Procedures for matters other than Doping and Child Protection Matters. If he does so decide, he shall refer the Dispute to be decided by the Disciplinary Committee or to resolve by arbitration or by mediation in accordance with Rule 6.2 of Part A of the Union's Dispute Resolution and Disciplinary Procedures for matters other than Doping and Child Protection Matters. A different person shall be appointed as the Investigation Officer to make this decision to the person who was appointed as the Investigations Officer to review the initial Complaint against the Member.

Clause 8.2 of the Terms of Reference of the Sprint Racing Committee

In addition to the Section's Disciplinary Regulations the BCU Sprint Racing Committee adopted regulations on 1 January 2001 as follows:

This applies at anytime, in or out of competition. It is incumbent on each Official to report all such acts.
- 4.3 The report should be in writing and sent without delay to the Sprint Racing Committee (through the Section Secretary) who will consider the matter in accordance with the Section's Disciplinary Regulations.

Guidelines for entry into Sprint Racing

The Racing Standards chart on page D1 of the Racing Handbook shows the suggested entry levels for National Canoe Sprint Regattas.

2014: Minimum Standards for single boats will be monitored; Penalty Points may be awarded to paddlers not achieving the minimum 500m standard times for national regattas (allowance will be made for the prevailing weather conditions).

All paddlers must have basic competency equivalent to the current BCU 2 Star or Paddlepower Discovery

All competitors **must be current members of the British Canoe Union**, i.e. Canoe England, WCA, SCA or CANI. The exceptions are Paddle-Ability and juniors ranked in division D or Mini Sprint competitors who are members of clubs with registered junior sections. The number used for these juniors will be the club's affiliation number followed by their own individual club number.

When juniors are promoted to 'C' or above, they must become a full member of the B.C.U. in their own right. **Team Leaders** must inform the Registration Officer of this change of status and the new BCU number for the promoted junior.

All competitors must be registered with the Regatta Committee as canoe sprint competitor

2014: All Canoe races will be in combined classes, (i.e. include male, female, senior & junior). Athletes will be seeded from regatta to regatta and placed in the appropriate Final.

NATIONAL CANOE SPRINT REGATTAS 2014

The Racing Registration Scheme

Initial Registration: Registration can take place at any National Regatta, (at the Secretary's desk), or by contacting the Registration Officer by email or post (with a S.A.E. please).

Your coach or Team leader will be required to complete a form (either electronic or hard copy) and return to **Registration & Club Colours Registration Officer, 17 Springfield Road, Guildford, Surrey GU1 4DW, or peter.c.morley@btinternet.com**

In all cases, the **following information** is required:

4. Ranking (if known).

The correct Club Colours must be worn and be visible by all competitors in all races.

- Clubs racing for the **first time at a National Regatta** may request exemption from this rule by application to the Club Colours Registration Officer. For an agreed limited period competitors will be allowed to wear a plain white shirt with no markings. The club must register its colours within this agreed limited period.
- In K4 crews where more than one club is represented, paddlers must wear the colours for the club in whose name they are registered.

All boats must have **adequate buoyancy to keep the boat afloat when filled with water**, be fitted with a Number slot on the centre line of the aft and comply with current regulations as to weight. Boats will be checked by Boat Control during all national regattas.

Paddlers must supply their own lane numbers (1-9).

Ranking List: The published Ranking list in the Handbook of Registered Paddlers is intended as a 'working' list and only includes registered paddlers who are members of their National Federation and have competed in National Regattas during the last two years or those who are fairly certain to race in the current season. Anyone who has registered but does not appear on the list is retained in the main registration database; any current member of the B.C.U can apply to race at any time. (See Section D)

NATIONAL CANOE SPRINT REGATTAS

Terms/Conditions of Participation

1. Team Leader Appointment

- * Club Secretaries are to inform the Regatta Organiser the name of the Club's Team Leader (and if you wish, a nominated reserve), before January 1st each year. If a club is to be represented by another person at the National Regatta the Regatta Organiser should be informed by the registered Team Leader, preferably when the entries are submitted.

2. Communication

- * The Regatta Organisation will only communicate with the Club Team Leader (or their nominated reserve).

3. Safety

- The Team Leaders are responsible for the safety of their club members and should ensure that:-
- Paddlers are suitably dressed for the weather, water and race conditions.
 - Paddlers are able to perform basic capsizing drills and are briefed on what to do when approached by an umpire boat.
 - Paddlers are able to swim at least 50 metres in clothing without a personal floatation device.
 - All boats are fitted with buoyancy sufficient to ensure that the boat will remain afloat and support the crew in the event of a capsizing.
 - All competitors are in possession of a lifejacket or buoyancy aid that conforms to the standard of the I.C.F or EN 393 & 395.
 - Paddlers are aware that the Competition Committee may at their discretion cancel or postpone racing, or insist on the wearing of buoyancy aids and that in the event of an electrical storm paddlers will be required to leave the course immediately. A tannoy announcement will be made and umpire boats will ring a bell. Racing will not recommence until deemed safe by the Competition Committee.

4. Entries

All entries must be made on the Official Electronic Entry Form. Please ensure that you use the correct form. If you require assistance please contact the Regatta Organiser or an experienced Team Leader.

- An electronic copy of the entry form will be sent to Team Leaders and should be completed and emailed to the Regatta Organiser. Hard copy to be printed off and posted with payment.
- Telephone entries are not accepted
- The closing date for entries is normally the Wednesday 2½ weeks before the event. Any entries arriving after the closing date must be made by the Team Leader at the Team Leaders' Meeting.
- Entries made without the correct fee(s) will be charged as Late Entries.
- No refund of race fees will be made in the event of cancellation of part of or the whole of the competition for whatever reason.

5. Notes on Classes

- Kayak competitors are divided into Men & Women; these two subdivisions are then further divided into three age groups Junior, Senior & Masters. They are then divided into ability groups.
- Masters; the first year a paddler can compete as a Master is in the year of their thirty fifth birthday, unless ranked in Men's or Women's 'A.'
- Canoe paddlers are divided into Men & Women. These two subdivisions being further divided into two age groups Junior & Senior. They are then divided into ability groups. **N.B:** in 2014 canoe races will be combined classes (mixed). Finals will be seeded according to ability.
- Promotions/Demotions within classes will be made on the basis of improvement/decline in standard of performance. Once ratified by the SRC nominee, these take affect at the next regatta.
- When applying for registration the time certificate submitted should show the time recorded on the 500m test, in order that new paddlers can be classified correctly. Beginners do **not** automatically start in the "D" group.
- The chart 'Standards for Racing' on page D1 demonstrates the way in which the subdivisions are made according to speed.
- Combined Events - In order to facilitate programming we reserve the right to combine classes in any distance at any regatta, with the exception of National Championship events, which all start as the programme provided there are sufficient entries.
- Paddlers must race ONLY in their designated class for singles events (K1 and C1) at**

6. Check your Programme

- a) Prior to the Team Leaders' Meeting, it is essential for each Team Leader to check carefully all their entries. It is best to keep a copy of your entry for this purpose. If there are any omissions or if you wish to make substitutions, mark your programme: the Team Leaders' Meeting goes very quickly, and leaves no time for hesitation.
- b) It is not uncommon for the Regatta Organisers to make a few mistakes with the entries, but it is your responsibility to check the programme. Once a race has been passed during a meeting it is not normal to go back.
- c) The Regatta Organisers will do their best to arrange the programme so that all races in each class are well spaced out, giving a minimum rest period of 40 minutes between races. Any competitor racing outside their designated class in crew boats cannot expect the programme to accommodate this situation.

7. Team Leaders' Meeting

It is intended to hold one meeting per regatta, at 0800 a.m. Saturday morning (unless otherwise stated) at the regatta course. If the meeting cannot be completed in a reasonable time it will be adjourned and the time of the reconvened meeting announced. Each club must nominate one representative to deal with alterations and late entries at the meeting. This nominated representative will be responsible for all the money owed for the entries he submits. This money must be paid by 4.00 p.m. on Saturday. Failure to pay on time will incur a £20.00 surcharge that must be paid by the end of racing on Saturday. Failure to meet this deadline will result in all paddlers from that club being disqualified from Sunday's racing.

Procedure for Team Leaders' Meeting

- a) Team Leader signs in on arrival.
- b) Meeting commences promptly at 8.00 a.m.
- c) Technical announcements.
- d) If there are any objections to the programmed order of events they must be raised at this stage.
- e) Late entry provision:-
 - i. Events will be dealt with in order.
 - ii. The Regatta Organiser will call out in order each set of heats (or finals, if there are no heats). Team Leaders scratch any competitors who do not intend to race, or make suitable substitutions. They should call out the lane number first then the competitors name(s).
 - iii. If there are any vacant lanes the Regatta Organiser will then ask Team Leaders to raise one hand for each late entry they wish to make. If there are more late entries required than there are vacant lanes available, a draw will take place.
 - iv. It is not permitted to return to an event that has been concluded.

b) K4s must not be put down on the ground & crews must not sit in the K4s except when they are on the water.

c) Young paddlers must be supervised by a responsible adult when handling the K4s onto and off the water. The K4 Official reserves the right to refuse the boat to any youth crew that is not accompanied by an adult.

d) Check your K4 before you use it. If it is not in order please report the fact to the Official. The crew that previously used the boat will be held responsible.

e) K4s can be booked for any race during the course of the day as soon as the boathouse is open and the K4 Official is present.

f) Crews must supply their own wing-nuts and toggles when they report to collect the boat they have booked.

g) Crews must use the boat allocated or risk disqualification from the race.

h) The Plastex K4s will only be allocated to Senior or Junior A, or combined A/B, class races.

12. Protests & Disqualifications

a) Notification of disqualification will be made to the Team Leader or his nominated reserve only.

b) A protest can only be made by the paddler's Team Leader.

c) Team Leaders should realise that it is impossible to adequately umpire all races in every regatta. Where infringements are observed by an umpire these will be reported to the Chief Official who will, if necessary, inform the offending paddler's Team Leader.

d) However, infringements may not be observed by the Umpires and Team Leaders should realise that they have a responsibility to explain the situation to young paddlers who could easily become frustrated by what might seem to be an arbitrary system of justice.

13. Results

If a copy of the results is required, please send an S.A.E. marked RESULTS with your entry, or leave an addressed envelope and the appropriate postage at the Regatta Secretary's desk. A fee of £3.50 is payable for each copy. Alternatively, results and other national regatta information can be downloaded from the BCU Sprint Racing website page <http://www.bcu.org.uk/our-sport/sprint-racing/2014-national-regatta-information/>

14. Car Parking

Team Leaders **MUST** take an active part to see that club members observe the car parking lines. Parked cars must not obstruct the launching access for K4s to the concrete pontoons in front of the boathouses. Particular attention should be paid to the access road in the vicinity of the Centre Buildings. Access for emergency vehicles must **NOT** be impeded.

Waterside of the access road and pontoon on the seating side of the tower is a No Parking Area.

16. 'Tiddly Winks' and Boards

Coloured counters (known affectionately as Tiddly Winks) are awarded for the first three places in all Final 1s in junior classes. These can be collected from the Secretary's desk. Also available, at a cost of approximately £4.50, is a small wooden board on which the self-adhesive counters can be mounted for posterity!

- 17 All National Regattas are held in accordance with BCU Sprint Racing Competition Rules and these terms/conditions of participation.

BCU Regatta "Liability" Statement

Canoeing and Kayaking are assumed-risk water-contact sports. Participation in these sports carries an inherent risk of injury to competitors and damage to property. Participants should be aware of the risks involved in these sports and are responsible for their own actions and their involvement in these sports.

In all cases competitors compete entirely at their own risk.

The Regatta Organisation, the Sprint Racing Executive, the British Canoe Union exclude liability for any loss or damage that may occur to competitors or property during participation in canoeing and kayaking to the fullest extent permitted by law.

All competitors must be current comprehensive members of the British Canoe Union except for juniors ranked in 'Girls D' or 'Boys D' and 'Lightning A' or 'Lightning B' who are members of BCU affiliated clubs with a registered juniors sections.

Regatta Entries are accepted on the basis that each competitor and Parent / Guardian of a junior is aware of and has accepted the above conditions. Team Leaders are requested to ensure that all of their club competitors are aware of and accept the above statements.

In the event of cold and / or windy conditions the organisers may at their discretion cancel or postpone a race, or insist on the wearing of buoyancy aids.

INTER-CLUB NATIONAL COMPETITION

The MacGregor Paddle Challenge

John MacGregor M.A., Trinity College, Cambridge; (1825-1892) Barrister-at-Law, Captain of the Royal Canoe Club, through his extremely popular books and magazine articles from 1865 to 1892, practically invented the sport of canoeing (or kayaking).

The beginning of recreational canoeing can be traced directly to an Englishman, called John MacGregor, in the middle of the nineteenth century. He was a man with a penchant for boat design and exploration, who developed his craft based on the Eskimo Kayak, which he named *Rob Roy*. He took the boat on long journeys along the rivers and across the lakes of Europe, lecturing and writing about his travels as he went. His tales attracted quite a following and soon there were many kayaks in Great Britain based on his kayak design that is still referred to as a *Rob Roy*.

Canoes are the larger category under which kayaks fall: while all kayaks are canoes, not all canoes are kayaks. Paddlers in kayaks sit with their legs stretched out in front of them and canoeists generally paddle from a kneeling position. Most canoes are open hulled; while kayaks have covered decks. Canoe paddles are typically single bladed, while kayak paddles are double ended.

Some might say these differences occur because of the type of water available, but a look at the evolution of British canoeing culture during the past one hundred and twenty years would suggest that the major changes are due to those who have written and taught, coupled with the availability of canoes or kayaks.

The first period from 1865 evolved from the founder of British canoeing, John MacGregor. His book, *A Thousand Miles in the Rob Roy Canoe*, fired the imagination of the Victorians. The '*Rob Roy*' was a stable kayak, went in a straight line and had a large cockpit. Made of wood, it was easy to handle and a boat in which any beginner would have felt safe. In this period, wooden canoes were imported and were used for family outings and touring, the limitation to the growth was the cost of the wooden craft.

The second period from the 1930s to the 1950s is identified with the wooden frame and canvas kayaks and the start of the BCU Coaching Scheme. Percy Blandford wrote books and produced a host of designs for the Scout movement, which brought canoeing to a much wider number of people. The low cost, make-it-yourself PBK (Percy Blandford Kayak) designs, were, like the '*Rob Roy*', stable, went in a straight line, and had large cockpits. The BCU Coaching Scheme was started in the 1950s by John Dudderidge. The original proficiency tests were designed around the use of the open cockpit straight-line kayak.

The third period, which had a massive impact on both the expansion and the change in direction of British canoeing culture started around the early 1960s, when in 1962, the BCU appointed its first Director of Coaching, Oliver Cock, giving added drive to what was to become a very powerful teaching scheme. For various reasons, the Coaching Scheme became more and more interested in rough water canoeing. At the same time, glass reinforced plastic became available. Moulds were produced for the home builder and the designs reflected the interest in rough water. Thousands of kayaks were produced with rockered hulls and small cockpits. By 1980, the Coaching Scheme had 3,000 members almost all teaching in the close fitting cockpit kayak. So powerful had that culture become that, if the word 'canoeing' is mentioned to almost anyone in Britain, their immediate image would be that of a young man or woman strapped into a kayak, wearing a crash helmet and wetsuit, performing turns and rolls on rapidly moving rivers. This was a great image for the adventurous teenager but daunting for many others who might wish to paddle. Indeed, a far, far cry from the canoeing of MacGregor.

MacGregor spent part of his youth in Halifax, Nova Scotia, where his father was stationed in the 1830s in a fort. He may have picked up some canoeing experience there.

Reading his books one notices he carried in his canoe a number of religious tracts (in a movement called "Muscular Christianity") written in the local language and was always ready to hand them out. He did not travel on Sundays, but did lecture on his travels and gave much of the profits to charities, especially to boys in the inner cities.

INTER-CLUB NATIONAL COMPETITION

He published accounts of several other canoe cruises, including one to Scandinavia and another to Jordan and Egypt. The appendix to that book gives some construction details for his canoe designs.

His wooden split paddles were presented to Royal Canoe Club in 1959. Subsequently these were used as the trophy at the BCU National Inter-Club Sprint Racing Regatta, being first presented in 1977 to the winning club Fladbury and still fought over annually. A full list of winners can be found on page C9.

Scoring for the MacGregor Paddle Challenge Competition

Under the following system most clubs should have an equal opportunity to achieve a winning score:

1. Each BCU affiliated Club will automatically score 1 point for every Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddler entered by the closing date for the Inter Club Regatta.
2. Each Club will score 1 point for each promotion accredited to their Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddlers during the previous four Regattas, i.e. September (previous year), April, May & June (of the same year).
3. The scoring at the Inter Club Regatta will be on the following basis:

Each Club will score its best	12	K1/C1 results in all finals
	6	K2/C2 results in all finals
	3	K4 results in all finals

Scores will be awarded, provided there are at least three crews participating, on the following basis: First 20 points, second 19 points, third 18 points and so on.

Penalty points accrued by every Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddler during the four scoring regattas will be deducted from their team's score, i.e. September (previous year), April, May & June (of the same year).

4. Notes:
 - a) Composite crews, with members from more than one Club, do not score.
 - b) At least 50% of the crew must be registered in the class in which they are racing. i.e. 2 paddlers in a K4 or 1 paddler in a K2. Crews may be made up with paddlers from a lower ability group with the following exceptions:
 - i) Men may not paddle in Women's races.
 - ii) Boys may not paddle in Girls' races.
 - iii) Seniors may not paddle in Junior races.
 - d) No one may enter any singles class other than their designated class as shown on the Registration File. Exceptions may be made when national coaches wish to enter squad paddlers in a different class.

DISCIPLINARY PROCEDURES

Offences Incurring Penalty Points

The Chief Official will be solely responsible for all disciplinary matters of a minor nature, under the operation of a penalty points system. At his / her discretion, he / she may issue penalty points to each paddler involved in each of the following offences. These offences are considered to be detrimental to the efficient operation of regattas and / or potentially hazardous.

Code	Infringement
• C	Racing in incorrect colours
• N	Racing with incorrect or missing number
• Z	Failure to observe water zoning procedures
• S	Unauthorised substitution for another paddler
• F	Failure to report, having qualified, for a finals
• D	Conduct during racing likely to cause injury or damage to equipment
• L	Use of offensive language
• U	Underweight boat (see note 1)
• R	Failure to report for boat weighing immediately (see note 2)
• B	Insufficient buoyancy (see note 3)
• T	Race times (single boats) below minimum Standard of Racing for National Regattas (see note 4)

Notes

1. Weights must be properly fixed to the boat or seat. Stones in bags or any other temporary system will not be accepted.
2. Boats required for weighing will be notified shortly after the finish of the race.
3. Buoyancy will be checked. If insufficient, the boat must not be used on the on the course. Penalty points will be applied or the competitor(s) may be disqualified.
4. Applicable only to the slowest classes for each group, i.e. when paddlers can't be demoted, (Men's D, Masters D, Women's D, Women Masters B, Boys D & Girls D)

Accumulation of Penalty Points and Penalty Fines

1. When a paddler accumulates a total of 4 or more penalty points, he / she is liable for a fine of £10 per point in excess of 3 points.
2. Fines are to be paid at the Regatta Office.
3. **A paddler liable for a fine cannot race until the fine has been paid.**
4. Penalty points are accumulated over 4 consecutive regattas and are not restricted to a single year. Thus, for example, penalty points incurred in the last regatta of the year will remain active until the start of the 4th regatta of the following year.

Notification

Team leaders may be notified when a penalty point has been issued to a paddler from his / her team. A record of all the active penalty points is listed at the end of the results for each regatta.

Disciplinary Matters of a More Serious Nature.

In respect to all other disciplinary matters the Chief Official, Competition Committee and the Competition Jury must act as described in the Sprint Racing Rules which include penalties in accordance with B.C.U. Rules or the Sprint Racing Section Disciplinary Regulations.

N.B. A reported incidence of dissent / abuse towards a Regatta Official, another competitor or their equipment, or a spectator must be treated as conduct prejudicial to the interests of the sport and dealt with under the Section Disciplinary Regulations.

REGATTA OFFICIALS

Anyone interested in finding out more about assisting at BCU National Regattas is encouraged to come and sit alongside more experienced Officials, Boat Drivers or First Aiders, depending on your area of interest, to find out for yourselves what is involved. The training of officials is a highly important area of our activities, with training during national regattas and at 'out of season' training days. A few experienced Officials do go on to take the International Canoe Federation Technical Official's examination, thereby becoming eligible to officiate at ICF or ECA international regattas. If you would like to know more about helping at a BCU regatta or becoming an ICF official contact either the BCU Regatta Chairman John Hoile or the BCU SRC Chairman, Peter Moule

MINI SPRINT SERIES 2014

The Mini Sprint Series is run alongside the National Sprint Regattas held at Holme Pierrepont in Nottingham during May, June, July and September.

The Mini Sprint series has been specifically developed to suit the needs of young people who have chosen this discipline at this time. It is part of the Paddlesport foundation which helps them progress into whichever discipline they may eventually choose. The programme has taken into account that full sized K1s, K2s and K4s are too large for young people. Together, Canoe England's Paddlesport Participation Programme and the BCU Sprint Racing Committee have formed the Mini Sprint Series that has evolved from the Lightning series that was originally only a K1 event. Now as a weekend event it is giving racing experience on the National course so that paddlers have a smooth transition into Class D events when they are fast enough.

The aim of the series is:

- To introduce young paddlers to the venue.
- To develop experience of sprint competition at a national event.
- To develop teamwork.
- To have the opportunity to develop competitive paddling skills.
- To become motivated to progress through the main classes.
- To meet and make friends with paddlers from other clubs.
- **To enjoy, have fun and become confident sprint paddlers.**

Team Leaders' notes on entries and kayaks.

The paddlers will compete over 500 metres in Lightning K1, Hody Style K2s and Rocket K4 with heats and finals run and timed on the main regatta course.

The cost is now per seat, exactly as other junior paddling categories.

Please ensure you enter your paddlers in the correct category which is based on time, not age.

Only Lightning Kayaks are to be paddled in the K1 events.

Clubs should bring their own Hody Style K2. If using a make other than a Hody please inform the Chief Official before the event.

Rocket K4s only will be used and supplied by the SRC. Clubs may bring and use their own Rockets.

When booking a K4 Team Leaders pay only for the seats required. Not a whole K4. Your paddler will be placed randomly with other paddlers to make up crews. These crews will be published in the programme. No crew notification will be sent to clubs before the event. Requests to paddle with specific paddlers must be arranged by club team leaders prior to the entry date. They will need to be entered together and it is the responsibility of the clubs involved to arrange who pays. It is not the organisers' or the volunteer officials' remit to sort out payments. **You will only be charged for a complete K4 if you book a whole K4.**

Any changes to your entry must be made at the main Team Leaders' meeting.

Further changes for entered crews may be made at the secretary's desk providing all paddlers and team leaders know of the changes.

MINI SPRINT CUP SERIES

This series is a whole season event and the **Marsport Trophy** will be awarded in September to the club with the most points. Individual paddler points will be awarded for each event during May, June, July and September with double points being awarded at The MacGregor Inter Club Regatta.

Points are accumulated at each nominated event leading to a final at the September Regatta.

Mini Sprint points do not count towards The MacGregor Inter Club points.

At The MacGregor Regatta the Mini Sprints receive double points for their paddling and these go towards the Mini Sprint Cup competition which runs separately from the main Inter Club Competition.

The Mini Sprint Cup includes overall prizes for both males and females in each category and an overall club prize.

MINI SPRINT SERIES 2014

Details are as follows:

Entry Conditions

To enter the Mini Sprint Series young people must be over 9 and under 12 on 1 January 2014 (Year of birth 2004 – 2002), have achieved at least Paddle Power Discover standard and must be able to paddle a K1 Lightning over 500m in less than 4 minutes.

Entries

All entry fees are per seat and will be entered with your club's main regatta entries

Please read the above notes on entering Rocket K4.

Events

May, June and July with the Finals at the September Regatta 2014

Points scoring

All National Mini Sprint winners (individual) are awarded on the same system. Their 2 best regatta scores are added to their Mini Sprint Inter Clubs score.

All points scored will count only towards The Mini Sprint Team and individual events.

National Regattas (May, June, July and September): in K1, K2 and K4.

1st place scores 10 points, 2nd place scores 9 points etc. down to 10th place where everyone after that scores 1 point, the total number of points scored across K1, K2 and K4 will be added together to determine the results at each regatta. For the K2/K4 races the same points scoring system will be used i.e. the winning crew will receive 10 points each.

Inter Clubs Regatta in July in K1, K2 and K4

1st place scores 20 points, 2nd place scores 19 points etc. down to 20th place where everyone after that scores 1 point, the total number of points scored across K1, K2 and K4 will be added together to determine the results. For the K2/K4 races the same points scoring system will be used i.e. the winning crew will receive 20 points each.

Team event:

The points scoring system is based on each club's best 2 regatta results scores added to their Mini Sprint Inter Clubs points score.

Promotions:

Promotion from Mini Sprint Category B to A will be based on K1 500m times.

Promotions from group B to A will automatically be done in the May and June regattas. The best set of existing regatta points will be carried through and added to the paddler's July and September points.

Promotion into Boys D and Girls D is based on normal regatta entry guidelines. See Standards chart on page D1. No mini sprint paddler is promoted to the D Class without discussion with the team leader.

When a paddler is too old to participate in Lightnings they do not automatically move to D classes, they must reach the required standard for that class see Page D1. They would be allowed to paddle in crew boats.

Prizes:

Tiddly Winks will be awarded for 1st, 2nd & 3rd places **in the K1 final-1 only** of each category and for the three fastest K2/4 crew in each category within the Mini Sprint series.

Medals will be awarded to the overall series winners 1st, 2nd, 3rd and the Mini Sprint Cup will be awarded to the overall series Club/Team.

All participants will be awarded a Certificate each month they enter

Home Nation Talent Programmes

Each Home Nation runs a talent programme which provides a step by step pathway to support athletes to progress from club level to the UK World Class Programme. The majority of talent programme athletes will be based in clubs so the focus of these programmes is to support and enhance club provision, providing a range of training, competition and educational opportunities to develop the skills and attributes required for senior success.

For more information please refer to the GB Canoeing website and the performance sections of the Home Nation websites.

GB Canoeing Sprint Performance Pathway

2014 Selection Policy

Please note that this section does not contain the entire 2014 Selection Policy Document. To see the full document please visit www.gbcanoeing.org.uk.

SECTION 1 - OVERVIEW

The purpose of this document is to outline the 2014 policy for selection onto British Canoe Union (B.C.U.) Sprint National Teams. By enabling athletes to challenge for selection at appropriate intervals under the guidance of this policy we intend to make sure that highly competitive teams are selected for major International competitions through an open and fair process which does not unduly affect the preparation of athletes for these competitions.

1. 2014 International Panel (Selection Committee)

Since January 2005, The B.C.U. Board has been responsible for Great Britain (G.B.) Team Selection through the formation of an International Panel (I.P.) in the two Olympic disciplines of Canoe Sprint and Canoe Slalom. The I.P. is appointed by and reports to the B.C.U. Board.

The I.P. is responsible for:

- Proposing and agreeing the selection policy on an annual basis including the Olympic Selection policy for 2016.
 - Selecting Great Britain teams for major International competitions.
 - Appointing small groups to consider team selection for minor International competitions.
- Under such circumstances any selected teams must still be ratified by a full member of the I.P.

In order to select suitably qualified members to the I.P. the Sprint Racing Committee (S.R.C.) make recommendations to the B.C.U. Board. The recommendations are made with regard to competency and first-hand experience of sprint racing at national and International level.

The core members of the I.P. for the 2014 season are:

- Alan Williams: B.C.U. International Team Manager (Chairman)
- John Anderson: B.C.U. Performance Director
- Roland Lawler: SRC Committee Appointee
- Scott Gardner : B.C.U. Head Coach, Sprint
- Eric Farrell: Senior & U/23 Team Selection I.P member. TBC
- Ian Wynne: Junior Team Selection I.P member. TBC
- The Chairman of S.R.C. may join any panel meeting but does not have a formal vote.

Additional members: Relevant discipline and class specific section coaches and performance staff from G.B. Canoeing are invited to attend I.P. meetings in order to advise and provide relevant evidence on team selection with reference to the published policy. These invited members will have no voting rights.

Provisionally scheduled I.P. meetings for 2014 are:

Date	Agenda
April 13th - 14th	Confirmation of World Cup Competition Squads
April 25th	Confirmation of World Cup Competition Crews
May 11th - 12th	Confirmation of Piestany Team
May 28th & June 15th	Confirmation of Senior European Championships Team (Appendix D)

July 14th	Confirmation of Senior World Championships Teams and Olympic Hopes Team

2. Introduction to the Selection Process

Sprint racing is an outdoor sport where the result of a race can be affected by weather conditions and lane draws. This selection policy recognises that a first past the post system will not always be fair or appropriate when selecting teams for International competitions.

The premise of this policy is that performances will be assessed against estimated gold medal times (G.M.T.) for major International competitions in Olympic events and performance times will be corrected for environmental conditions (*Appendix E*). A standard graphical representation of G.M.T. termed the Performance Pathway Tool (P.P.T; *Appendix A*.) will then be presented to the I.P. following relevant time lined competitions. Nominations for selection will be put forward via the identified G.B. Canoeing section coach responsible for the specific section/class. Those with a suitable performance profile will be eligible for single or crew boat selection. The I.P. will then select teams based upon the criteria detailed in this policy.

When selecting teams the I.P. accept its responsibility to;

- a) Select the Team giving careful consideration to developing athletes and opportunities for them to gain exposure to International competition (particularly for non-Olympic events).
- b) Take into account an athlete's improvement throughout the season. Recent winning performances alone will not guarantee automatic selection.
- c) Restrict the number of events that eligible individuals or crews may compete in if it is considered to be in the best interest of the overall Team's Olympic aspiration.

A draft list of events will be published in the Racing Handbook. Additional events and crew boat trial information will also be published on the GB Canoeing website. www.gbcanoeing.org.uk

3. Great Britain Team Competition Programme Objectives

3.1 Senior Team - 2016 Olympic Focus

The aim of the senior squad competition programme is to focus primarily on preparing athletes for the Olympic Games events focussed on peaking performance in the Olympic years. Qualification for the Senior Team must be attained through Olympic events (see below). However, where appropriate, athletes will be entered in non-Olympic events in order to develop identified tactical, technical, physiological or psychological skills relevant to Olympic medal winning performances.

The National Head Coach (in conjunction with the section coaches) is responsible for setting the senior squad competition programme for the racing season.

3.2 Under 18 and Under 23 Team – 2020/2024 Olympic Focus

The aim of the Junior and U23 International competition programme is to provide valuable opportunities for athletes to gain International competition experience as part of their journey towards the senior International podium and to develop the racing skills and experiences required to be a successful senior athlete. The emphasis will be on gaining a range of skills and experience for competition at Olympic Games but may not always be concerned with Olympic events.

The Head Coach and the Lead Coach for the B.C.U. Olympic Development Program (O.D.P.) will agree the development (Under 23 and Junior (Under 18)) competition programme for the season.

SECTION 2 - CANOE AND KAYAK SPRINT SENIOR, UNDER 23 AND JUNIOR TEAM SELECTION PROCEDURE

4. Eligibility for Selection

Any athlete wishing to be considered for selection must be a full member of the B.C.U. In addition, upon selection they must sign the B.C.U. Athlete Agreement and must comply with B.C.U. and International Canoe Federation (I.C.F) rules on nationality.

NOTE: An athlete is not allowed to race for two Nations in the same year. Athletes who are not British passport holders must have been released from their own National Governing Body. Athletes hoping to be considered for Olympic Qualifying competitions and the Olympic Games must hold a British Passport and comply with current I.C.F. and National Olympic Committee (N.O.C.) rules before they can be considered for selection.

5. Nomination for Selection

Performance times and tabled results for Olympic discipline K1 and C1 events (Table.1) from relevant competitions (*Appendix D & E*) will be used as evidence to support nomination for G.B. Team selection. The I.P. will accept athlete nominations from the G.B. Canoeing section coach responsible for the discipline they are nominated in along with any other relevant supporting evidence (see 6. below).

Table 1 Summary of eligible Olympic singles events

	200m	500m	1000m
Olympic K1 Events	Women and Men	Women Only	Men Only
Olympic C1 Events	Women* and Men	N/A	Men Only

* Note: with the high probability that Women's C1 200m will become an Olympic event in 2020 the I.P. will also support nominations in WC1 200m.

6. Performance Pathway Tool and Other Supporting Evidence

The selection standards and criteria required for inclusion in under 18 (Junior), under 23 (U23) and senior G.B. teams are presented in their relevant section below. The G.B. section coaches will assess the overall performance for each nominated athlete using a graphical representation (P.P.T.; *Appendix A*). This tool shows details of the athlete's performance progression corrected for environmental conditions throughout their racing career. It allows for clear assessment of each athlete's eligibility with reference to a minimum performance standard as a percentage of gold medal time (G.M.T.) per year of age. Please note that the G.M.T. refers to a Worlds Best International time and not the winning time of the selection race. For reference to environmental correction please see *Appendix F*.

Athletes who achieve a result which meets the minimum performance standard as shown on the P.P.T. will be considered for G.B. Team crew boat, K1 and C1 inclusion in Olympic and non-Olympic events. It is important to note that even though the P.P.T. presents data for every year of the athlete's racing career the time required for selection is based on 18 year old G.M.T times for junior, 23 year old G.M.T times for U23 and 26+ year old G.M.T. time for senior (*Appendix A*).

6.1 Other Supporting Evidence

Any additional supporting evidence for an athlete's selection must be submitted to the Chairman of the I.P. 12 hours in advance of the scheduled meeting. In order for accurate record storage all supporting evidence must be sent in electronic format (e.g. Microsoft Word/Excel/PowerPoint).

Please note that teams for all major International events, World Cup Competitions, European and World Championships must comply with the rules of the I.C.F. and European Canoe Association (E.C.A.)

6.2 Consideration for Selection (discretion)

In the circumstances that an athlete's selection is under discretionary consideration the I.P. must take into account at least the following factors;

Quantitative factors

- Latest and past performances corrected in relation to G.M.T. using the P.P.T.
- Performance analysis reports (where available for all athletes under consideration) which may include results from formal squad trials
- Past performance / race history

Qualitative (subjective) factors

- Potential to improve performance based on experience, commitment, leadership and teamwork qualities
- Phase of training in relation to peak fitness/performance and its impact on freshness and fatigue profile

Please see policies below (*Appendix B & C*) for assessable crew boat qualities.

7. Notification of Selection

Following selection meetings the following steps will be followed.

1. **CONFIDENTIAL** - The chairman of the I.P will assign members of the panel to inform the relevant section coaches of athletes who have been selected stating relevant criteria. In the case where several athletes were in close contention for selection this will extend to the non-selected athletes too.
2. **CONFIDENTIAL** - The relevant section coaches should inform selected and non-selected (where relevant) athletes with relevant criteria as soon as they are notified. All informed athletes and coaches are requested not to publicise the selection decisions in the press or via social media at this point.
3. **CONFIDENTIAL** - An email from GB Canoeing will be sent to athletes confirming their selection on the first working day following the I.P meeting. All informed athletes and coaches are requested not to publicise athlete selections in the press or via social media at this point.
4. The Team will be published on the GB Canoeing web site, via press release and social media on the second working day following the I.P meeting.

SECTION 3 - CANOE AND KAYAK SPRINT SENIOR, UNDER 23 AND JUNIOR TEAM SELECTION CRITERIA

8. World Cup Competitions (W.C.C.)

Following the Nottingham Regatta (April 12-13) athletes who achieve the required minimum standard will be formally identified as eligible for crew boat, K1 or C1 selection at W.C.C. Primary assessment will be made based on corrected performance times in Olympic discipline K1 and C1 events (Table 1.).

Any athlete whose performance time is within 7% of the senior G.M.T. will be considered for discretionary selection to the W.C.C. squad. Athletes whose performance time is within 4% of the G.M.T. will be selected without further trials (*Appendix A*).

In the event that racing is completed but the conditions were deemed unfair to be environmentally correct by the I.P., the coach may ask the I.P. to hold trials for the top 6 ranked K1 and/or C1 boats to race off or trial at Dorney Lake between the 16th-17th and/or 23rd – 24th April. Furthermore, in the event that racing is called off due to unsafe conditions a modified regatta will be run at Dorney Lake 16th-17th April and/or 23rd – 24th April (details to be confirmed).

*Note that 2013 Senior World Championship (S.W.C.) medallists may apply to the I.P. for pre-selection to the 2014 W.C.C. Team in the boat in which they medalled until the 1st February 2014.

8.1 Crew Boat Selection

Following the senior crew boat selection and development process (*Appendix B*) entries for the first W.C.C. will be confirmed by 5 p.m. April 25th (*See Appendix D* for method). In brief, when forming crew boats the section coaches give consideration to compatibility, availability, commitment and individual performance. Selected athletes will then work with nominated section coaches to prepare crew boats for W.C.C. Crew boats should be developed through the winter months and boats can be formed within the existing squads and other invited athletes.

8.2 Single Boat Selection

Where more than two athletes are within 4% G.M.T. the highest finishing two athletes will be given first right of refusal for single boat selection. Decisions on entry should be made in consultation with the responsible section coach in relation to the athlete's single and crew boat performance goals for the year.

Although the criteria for inclusion in the G.B. Team is based upon achieving a minimum 7% G.M.T. standard in Olympic disciplines, any athlete that meets the criteria for consideration can be selected to race in non-Olympic events too.

9. Senior European Championships (S.E.C.)

Athletes will be selected for the S.E.C. based on their performance during World Cup competitions and/or Nottingham Regattas (May 10-11th and June 14-15th). There will be two categories for selection:

9.1 Automatic Selection

Athletes or crews that medal at two W.C.C. will gain automatic S.E.C. team selection. Please note that if more than one boat medals at two W.C.C. the average lowest percentage to G.M.T. will be used to discriminate between the performances for selection.

9.2 Consideration for Selection

Athletes or crews that achieve an A or B final result at a W.C.C. will be considered for S.E.C. team selection. Furthermore, any athlete whose performance time is within 7% of the senior G.M.T. at Nottingham Regattas May 10-11th and June 14-15th will also be considered for S.E.C. team selection.

*Note: In order to make sure that the best Crew boats represent G.B., crew boat assessment will be an ongoing process (*Appendix B*).

10. Senior World Championships (S.W.C.)

Athletes will be selected to the S.W.C. primarily based on their performance at the S.E.C. However, results from W.C.C. and National Regattas will also be considered. There will be two categories for selection:

10.1 Automatic selection

Athletes or crews that medal at the S.E.C. will gain automatic S.W.C. selection.

10.2 Consideration for Selection

Athletes or crews that achieve A or B finals results at the S.E.C. will be considered for S.W.C. team selection.

Athletes who were not selected for the S.E.C. may still be considered for S.W.C. selection if their K1/C1 performance time is within 7% of the senior G.M.T. in Olympic events at the National Regattas April (12-13th), May (10-11th) or June (14-15th). The Section coach will present this information at the I.P. meeting.

In the event that selection for S.E.C. (following the W.C.C.) was marginal a trial, race off or test (format T.B.C.) may be requested by the section coach to the I.P. This will likely be made if:

- i) The S.E.C. selected athlete or crew does not make the A final;
- ii) The S.E.C. selected athlete or crew does not show performance improvement.

If an athlete does not meet the selection criteria they can still be considered for selection if there are relevant mitigating circumstances (section 17).

*Note: In order to make sure that the best Crew boats represent G.B., crew boat assessment will be an ongoing process (*Appendix B*).

11. U23 Competitions

11.1 U23 European Championships (U23 E.C.)

Selection for the U23 E.C. will be made from single and crew boat performances at the 2014 B.C.U. Nottingham National Regatta (June 14-15th) and 2014 W.C.C. (*May 16-18th, May 23-25th; Appendix D*). If there are no conclusive results the I.P. may also consider the results from the National Regattas April 12-13th) or May (10-11th). The Section coach will present this information at the I.P. meeting.

The minimum performance standard for selection consideration in a singles event is 7% of the U23 G.M.T. in Olympic events (see *Appendix A*).

Please refer to the U23 Crew boat policy for details about how crew boats will be assembled (*Appendix B*). The minimum performance standard for consideration of a crew boat selection is a performance at the events outlined above which demonstrates an ability to finish within the top 6 boats in K4 and top 9 in K2/C2. As a guide performances need to be in the region of those displayed in the Table 2.

Table 2. A guide table to minimum performance standards for U23 crew boats

Event	G.M.T.	Minimum time
K2M 200m	31.50	32.80
K2M 1000m	3:12.90	3:20.60
K4M 1000m	2:52.50	2:59.50
K4W 500m	1:32.50	1:36.00
K2W 500m	1:41.50	1:45.50
C2M 1000m	3:36.50	3:45.00

11.2 U23 World Championships (U23 W.C.)

Boats that achieve a top 9 place in singles or doubles or a top 6th place in K4 of an Olympic event at the U23 E.C. will be automatically selected for the U23 W.C. in that event.

If there are places available in Olympic events after the automatic selections further trials may be held on July 4-6th in Nottingham.

The I.P. will consider the performances of boats who achieve a top 15 place at the U23 E.C. and any performances put forward from the trials referred to above.

As a guide boats need to demonstrate the potential to finish in the top 9 in the A final at the U23 W.C.

Please refer to the U23 Crew boat policy for details about how crew boats will be assembled (*Appendix B*).

11.3 Other U23 Development Competitions

Other development International competitions may be added to the programme.

12. Junior Competitions

12.1 Piestany International Regatta

A squad of up to 20 athletes will be selected from K1/C1 performances at the B.C.U. Nottingham National Regatta (May 10-11th) using the P.P.T.

The minimum standard to be considered for selection is + 7% U18 G.M.T. in an Olympic singles event.

U17 and younger athletes who are within 4% of the U17 G.M.T. pathway time may be considered in preference to older faster athletes.

Crew boats will be formed based on an assessment of athletes' crew boat skills and ability demonstrated at the B.C.U. May Regatta or the junior crew boat assessment trials (see separate document on junior crew boat guidelines (*Appendix C*).

In the event that exceptional adverse weather conditions or other unexpected circumstances significantly affect the results in any race the I.P. may also consider performances from the Nottingham National Regatta (April 12-13th).

12.2 Junior European Championships (J.E.C.)

Selection for the J.E.C. will be made from single and crew boat performances at the Piestany International Regatta 2014 and the Nottingham National Regatta (June 14-15th).

The minimum performance standard for consideration of a K1/C1 event selection is 7% of the U18 G.M.T. in Olympic singles events (see *Appendix A*). Athletes with this minimum standard profile can also be selected for non-Olympic events.

The minimum performance standard for consideration in selection of a crew boat is a performance which demonstrates an ability to finish in the top 6 boats in K4 and top 9 in K2/C2. As a guide performances need to be in the region of those in Table 3.

Table 3. A guide table to minimum performance standards for Junior crew boats

Event	G.M.T.	Min Time
K2M 200m	0:32.60	0:33.90
K2M 1000m	3:19.50	3:27.50
K4M 1000m	3:58.50	3:05.60
K2W 500m	1:45.00	1:49.20
K4W 500m	1:35.50	1:39.50
C2M 1000m	3:43.50	3:52.50

Please refer to the Junior Crew boat policy for details about how crew boats will be assembled (*Appendix C*).

If there are places available, athletes with a Performance profile in Olympic singles events may be selected for non-Olympic events even if they have not met the criteria above.

12.3 Junior World Championships (J.W.C.)

C1/K1 boats which achieve a top 9 place and crew boats which achieve a top 6 place in an Olympic event at the J.E.C. will automatically be selected for the J.W.C. in that event.

If there are places available in Olympic events after the automatic selections further assessments may be held on July 4-6th in Nottingham.

The I.P. will consider the performance of boats who achieve a top 15 placing at the J.E.C. and any performances put forward from the assessments referred to above.

As a guide, boats need to demonstrate the potential to finish in the top 9 at the J.W.C.

Please refer to the Junior Crew boat policy for details about how crew boats will be assembled (*Appendix C*).

X 12.4 Olympic Hopes Regatta (Development Regatta) X

A squad of up to 20 athletes will be selected from K1/C1 performances at the National Regatta (July 5-6th) using the P.P.T. The minimum standard for consideration in selection is 7% of the relevant U15/U16/U17 G.M.T. (see *Appendix A*).

Any U17, U16, U15 athletes who compete at the J.E.C. will gain automatic selection to the Olympic Hopes Competition unless they are subsequently selected for the J.W.C.

Crew boats will be formed based on an assessment of athletes' crew boat skills and ability demonstrated at the Olympic Hopes Preparation camp in August 2014.

In the event that exceptional adverse weather conditions or other unexpected circumstances significantly affect the results in any race the I.P. may consider performances from the Nottingham National Regatta (June 14-15th).

All athletes selected for the Olympic Hopes Regatta must attend the pre-competition training camp (w/c August 4th 2014 T.B.C.). Any athlete not wishing to attend must present highly exceptional circumstances.

13. World Student Games/Championships

Student competitions come under the auspices of the British Universities & College's Sport. Athletes wishing to be considered for these teams must seek approval from their National Governing Body. In the first instance they should notify the G.B. Canoeing National Talent Manager. Final entries will be at the discretion of the British University & College Sports Association. Athletes may approach their College or University for representation or funding.

Please refer to the separate policy for the 2014 World University Championships.

14. Youth Olympic Games (Y.O.G.)

The 2nd Summer Y.O.G. takes place in Nanjing, China from August 16th-28th. Great Britain has qualified one quota place for K1 boys and one quota place for K1 girls born in 1997 or 1998.

The competition format of Canoeing for the Y.O.G. is completely different from the I.C.F Junior World Championships. Selected athletes compete in both the Slalom and the Sprint events for their class in a knockout format competition. In the canoe sprint events the athletes paddle on a circuit, and compete head to head against each other. For canoe slalom athletes must demonstrate the skills of a slalom paddler by manoeuvring around gates on a calm water surface and not on a natural river or artificial slalom course whilst also beating the other paddler on the course.

Any interested athletes should register their interest in the first instance with the G.B. National Talent Manager by January 31st 2014.

Please refer to G.B. Canoeing website for more details about the event including the selection policy.

SECTION 4 2015 ADVANCED INFORMATION

15. Pre selection into 2015 Senior World Cup Competitions

2014 S.W.C. medallists may apply to the I.P. for pre-selection to the 2015 W.C.C. in the boat in which they medalled until the December 1st 2014.

SECTION 5 GENERAL INFORMATION – APPLICABLE TO ALL G.B. TEAMS

16. Funding

All G.B. Team selections are subject to available finance. Funding will influence the size and the number of athletes selected for each International event. Athletes may be required to contribute financially towards an event, an amount which will be determined by G.B. Canoeing.

17. Selection and de-selection

The B.C.U. reserves the right to deselect an athlete who has lost form, is suffering from illness or injury. In these circumstances the section coach will contact the Head Coach who will determine if a fitness trial is required. The Head Coach may request that the B.C.U. medical officer or another appointee should conduct a fitness trial or test to determine ability to participate.

17.1 Loss of Form or Illness

In the case of possible loss of form the Head Coach will arrange a water based test. The test will be appropriate for the conditions, periodization of training and the class. Following the fitness test the Head Coach will supply the I.P. with the results using the P.P.T. and any other supporting evidence to assess the level of performance. The I.P. will then determine whether the athlete will remain on the team. If the athlete is not fit enough to compete the I.P. may ask the section coach to nominate another athlete as a suitable replacement.

17.2 Negative influence on the crew

An athlete can also be replaced if their performance or behaviour has a negative influence on the crew. This might include behaviour such as late for training, erratic performance in training sessions etc.

17.3 Disciplinary offence under the B.C.U. Rules

The B.C.U. also has the right to deselect any athlete who has been found guilty of any disciplinary offence under the B.C.U. rules.

18.Mitigating Circumstances

If an athlete or crew miss an appointed assessment due to illness, injury or any other mitigating circumstances the I.P. reserve the right to provide an opportunity for the athlete (or crew) to compete.

NOTE: Mitigating circumstances could cover (but are not limited to) issues such as short term illness or injury, broken equipment or unfair or inconsistent racing conditions.

In the event of illness or injury prior to an assessment which prevents an athlete from competing, a medical note should be sent to the Chairman of the I.P. before the event takes place. For all other mitigating circumstance the athlete should make the Chairman of the I.P aware of any mitigating circumstances within an hour of the assessment race. Mitigating circumstance should not be used as an excuse not to race and will only be taken into consideration in exceptional circumstances.

19.Appeals

An athlete may appeal against non-selection if the I.P.

- a) do not adhere to the agreed format and timetable for selecting teams or
- b) do not advise an athlete of changes to the competition programme.

Appeals against non-selection must be made within 24hrs of notification and should be sent to the B.C.U. Chief Executive paul.owen@bcu.org.uk who will determine whether there are reasonable grounds for appeal. If there are reasonable grounds to appeal the Chairman will convene an appeals panel to consider within 7 days.

The B.C.U Appeals Policy was approved by the B.C.U Board in 2007. A copy of this policy is available on the B.C.U./ G.B. Canoeing website <http://www.gbcanoeing.org.uk/>.

There is no appeal process for athletes deselected under rule 20 below.

20.Anti-doping

Athletes must be compliant with B.C.U. anti-doping policy at all times.

The B.C.U. anti-doping Policy can be viewed at:

www.G.B.canoeing.org.uk/G.B.c/index.cfm/aboutanti.doping

GB Paracanoe World and European Championship Selection

Selection to represent GB at International Paracanoe events will be based on the ICF disability classifications and classes.

The current classes raced internationally are 200m K1 Men, V1 Men (LTA, TA, A) K1 Women, V1 Women (LTA, TA, A)

Paralympic Classifications

LTA – Legs, Trunk, Arms: Athletes who have use of their legs, trunk and arms.

Eligible athletes may typically be: amputee, neurological impairment equivalent to lesion at S1, cerebral palsy class 8 (CPISRA)

TA – Trunk, Arms: Athletes who have some trunk movement but are not able to propel the boat through hip rotation due to significant weakened function of the lower limbs.

Eligible athletes may typically have a minimum disability equivalent to at least one of the following:

Bilateral around knee amputation, or significantly impaired quadriceps, or neurological impairment equivalent to a complete lesion at L3, or an incomplete lesion at L1, or combination of the above such as one leg with the around knee amputation and one leg with significant quadriceps impairment; or classification by CPISRA as eligible to be in class 5.

A – Arms: Athletes who have no trunk function, or those who have shoulder function only. Eligible athletes will be able to apply force predominantly using the arms and/or shoulders and are likely to have poor sitting balance.

Eligible athletes may typically have a disability equivalent to at least one of the following:

Cerebral Palsy Class 4 (CPISRA), Neurological Impairment with a complete lesion at T12 level, or an incomplete lesion at T10

GB Canoeing Paracanoe selection policy

Athletes who wish to be considered for selection to the 2014 World Championships must in addition to points 4 & 5 above meet the GB Canoeing eligibility criteria.

- Have a National classification
- Attend the Paracanoe assessment day ***
- Race at National selection events
- Must have reached a performance standard (*see Fig 1- Paracanoe performance standards*)

*** The Paracanoe Assessment day will take place on 22nd March 2014 at HPP. The day will consist of two 200m on water Time Trials (TT), the best time of which will be used. The best 3 athletes in each category who reach the squad standard (*see Fig 1- Paracanoe Performance Standards*) will be entered into finals at the 2014 National Regattas. In the event of unfilled places within a final, other athletes making squad time may be considered. Only athletes in these finals will be eligible for selection to the GB Team.

Athletes should be aware that in the process of ongoing assessment the International Panel would review results from April, May and June Regattas for Paralympic events. For non-Paralympic events July Regatta will also be taken into account.

In the exceptional circumstance where there are 2 or more athletes who are matched in terms of their selection profile, a race off may be organized in order to inform the final selection decision.

A	GOLD	World Championships	Paralympic Events Only
B	Medallist	World Championships	Paralympic Events Only
C	Top 8 Placing	World Championships	Paralympic Events Only
	Top 6 Placing	European Championships	Paralympic Events Only

1. This Matrix will be used to identify athletes who may be considered for inclusion on the UK Sport Podium Programme.
2. To be considered for inclusion on the PPP athletes must as a minimum achieve the above performance criteria, however although these criteria should be seen as a pre-requisite for inclusion in the PPP, it does not necessarily guarantee inclusion.
3. Special circumstances may be considered in terms of athletes who had been included in the previous year, based on results, but were unable to compete (i.e. injury)
4. The reason for inclusion of any athlete on the PPP is that the athlete is deemed to have a strong and realistic chance of winning medals at Paralympic Games & World Championships over the next 4 years.
5. Athletes considered for inclusion on the PPP, using these criteria, will then be profiled using the GB Canoeing Performance ranking system and a final decision will be taken on their inclusion, at the discretion of the Performance director, up to a quota agreed by UK Sport.
6. It is expected that athletes included on the PPP would have achieved the performance criteria to move up from Band C to band B within 3 years.
7. Athletes awarded A banding can be considered for a two year at that level if appropriate
8. Consideration should be given to the depth & performance level of the field in each event

1. This 'Matrix' will be used to identify athletes who 'may be considered for inclusion' on the UK Sport Podium Programme.
2. To be considered for inclusion on the OPP athletes must as a minimum achieve the above performance criteria. However, although these criteria should be seen as a pre-requisite for inclusion in the OPP, it does not necessarily guarantee inclusion. Places on the Podium programme are limited across Slalom and Sprint Racing
3. Special circumstances may be considered in terms of athletes who had been included the previous year, based on results, but were unable to compete (e.g. injury).
4. The reason for inclusion of any athlete in the OPP is that the athlete is deemed to have a strong and realistic chance of winning medals at Olympic and/or World Championships over the next four years.
5. Athletes considered for inclusion on the OPP, using these criteria, will then be profiled using the BCU Performance ranking system and a final decision will be taken on their inclusion, at the discretion of the Performance Director, up to a quota agreed by UK Sport.
7. It is expected that Athletes included on the Podium Programme will have achieved the Performance criteria to move up from Band C to band B within a 4 year period.
8. Athletes exiting the UK Sport Podium Programme will receive funding and an Athlete Personal Award through until 31st December 2014.

BCU PLACID WATER RACING AWARDS

The awards are intended to recognise and encourage improvement in canoe and kayak racing performance. They can be attempted in any canoe or kayak, although the aim is to encourage the use of straight running craft in an individual's progression to modern racing boats.

The 500m Award is particularly useful to determine the appropriate level of entry for paddlers into Marathon and Sprint Racing.

Canoeing and the Environment:

Canoeing is an exciting, adventurous, competitive and recreational activity from which much of the enjoyment and adventure comes from the natural environment. Every canoeist must remember to respect all wildlife, and take care not to damage or destroy the environment, by observing the Canoeist's Code of Conduct.

Assessing:

Any Level of BCU Coach (in current membership) or BCU Affiliated Club Official may test candidates for the Placid Water Racing Awards. The awards are administered by the Home Nation Associations on submission of individual Placid Water Racing Award Pass Slips (available from the Home Nation Associations).

1) Time Trial Awards:

Type of boat: Any canoe or kayak

Aim: To introduce and encourage new paddlers to club based competition

The Time Trial Award can be tested over any distance from 2,000 to 10,000 metres. It is awarded on the basis of speed (minutes per 1,000 metres) and can be attempted in any type of canoe or kayak. The award is designed to be flexible; to suit whatever placid water is available. Testing can be organised as part of a fun race, a club handicap race or specially organised time trial.

Award	K1	K2	C1	C2
Blue	10	9	12	10
Bronze	9	8	11	9
Silver	8	7	10	8
Gold	7	6	9	7

(Maximum time in minutes per 1,000 metres)

2) 500m Sprint Awards:

Type of boat: Any canoe or kayak

Aim: To recognise and encourage improvement in racing performance and to determine the level of entry into BCU Sprint and Marathon competition.

BCU PLACID WATER RACING AWARDS

Award	Kayak Men	Kayak Women	Canoe
Green	4.00	4.20	5.00
Blue	3.30	3.45	4.00
Bronze	3.05	3.20	3.20
Silver	2.45	3.00	3.00
Gold	2.30	2.45	2.45

(Time in minutes - single canoe / kayak)

As a guide for coaches, team leaders and paddlers wishing to place an entry for the first time in a Divisional Marathon Race and/or a Sprint Regatta, the following levels, using the 500m award, are suggested to ensure new paddlers race with paddlers of similar ability:

Award	Discipline	Kayak Men	Kayak Women	Canoe
Blue	Marathon	Div 9	Div 9	Div 9
Bronze	Marathon Sprint	Div 8 Junior Men	Div 9 Junior Women Veteran Men	Div 9
Silver	Marathon Sprint	Div 7	Div 8 Senior Women	Div 8 Junior Men Senior Men
Gold	Marathon Sprint	Div 6 Senior Men	Div 7	Div 7

NB: Potential entrants for Sprint regattas should normally achieve their award in either a racing canoe in high kneeling position or racing kayak with a seat.

3) Marathon and Half Marathon Awards:

Type of boat: Any canoe or kayak

Aim: To recognise and encourage improvement in Marathon racing performance

There are a number of races in the national calendar that provide a suitable venue for testing these awards. The standards may be adjusted to take account of courses slightly longer than the award distance, flow and portages (allow three minutes per portage).

COACHING THE COMPETITION DISCIPLINES

Gaining qualifications and knowledge to Coach:

The Coaching Scheme has various pathways enabling both paddlers (boat based) and non-paddlers (bank based) to become Competition Coaches.

The entry level to the Coaching Scheme is at Level 1. This can be accessed by anyone with a minimum number of pre-requisites.

Level 1

A Level 1 Coach is classed as an 'Assistant Coach' whose role is to assist a higher level coach, or work a little more autonomously with some extra criteria in place. They are trained to deliver single sessions to individuals or groups in sheltered water conditions.

If you wish to enter the Coaching Scheme as a 'Boat Based Coach', then you will need the BCU 2 Star Paddlesport Award or the BCU Paddle Power Discover Award or higher, together with completion of a BCU 'Boat-based' Foundation Safety and Rescue Training Course. The 2 Star is an award that has to be taken in Canoe and Kayak; however the choice of boat that is used for each of these is entirely the candidates. If you want to use your C1 or K1 for the canoe or kayak aspects of the course, you are entitled to do so.

If you wish to enter as a 'Bank-Based Coach' then you only need to complete a 'Bank-based' Foundation Safety and Rescue Training Course.

The Foundation Safety and Rescue Course may be included in a Level 1 training course by adding an extra day, or it could be attended prior to the Level 1 Training Course.

The Level 1 Course is conducted over 4 days. The course may be modulated over weekends, evenings or during the week over a longer period of time. This flexibility suits the Clubs where volunteer time is at a premium and they do not wish to give up their time with their paddlers.

Assessment is during the course, with a number of tasks being performed and continual feedback given by the course tutors. The course is generic in nature with opportunity to explore different methods of coaching in and to a variety of craft; canoes and kayaks; singles and crew boats. Again, you can use the craft you regularly paddle and coach from for the majority of the course.

Discipline Support Module - Racing

Following a Level 1 Course, the Coach can then attend a one-day Racing Module course. This focuses on the basic aspects involved in coaching racing, particularly forward paddling technique in canoe and kayak. It is designed to give the level 1 or 2 Coach an initial understanding of Sprint and Marathon Coaching. Dates for the Modules can be found on the Canoe England Coaching Pages here <http://www.canoe-england.org.uk/tests-i-awards/coaching-support-modules/discipline-support-modules/>

APL

The BCU recognises that in some instances aspirant coaches have prior experience that may enable them to enter the Coaching Awards programme at a higher level.

If you feel you have experience that can be accredited as prior experience, then refer to the BCU Accredited Prior Learning (APL) Policy: <http://www.canoe-england.org.uk/coaching/apl/>

COACHING THE COMPETITION DISCIPLINES

Supporting Modules

To help the coach with their personal development and to start the process of moving on to qualify for level 2, there are a number of Foundation Modules and Intermediate Modules available as supporting units. Details of these can be found at <http://www.canoe-england.org.uk/tests-i-awards/coaching-support-modules/foundation-modules/> and <http://www.canoe-england.org.uk/tests-i-awards/coaching-support-modules/intermediate-modules/>

Level 2

The Level 2 Coach can work autonomously. They are trained to deliver a series of linked sessions to individuals or groups on sheltered water.

This level is also designed for both boat based and bank based coaches. The pre-requisites are a 3 Star Award (or equivalency, see below) along with the Foundation Safety and Rescue Training. The training and assessment days are separate at Level 2. Training is held over a 4-day period or an equivalent number of hours. Assessment is conducted after a number of coaching hours are logged and supporting module sessions attended. Assessment will be coaching in both canoe and kayak disciplines.

Together with the Racing Module, this is the ideal award for a coach working at club level under direction of a more senior Club Coach.

The Strength and Conditioning Foundation Module has now been developed and is available for clubs or groups of clubs to access. This course is aimed at the coach who wishes to commence Strength and Conditioning work at the club without having to rely on expensive equipment or hiring sports halls or gyms.

For those within or have been in the ranking system in Racing or Marathon can claim an 'equivalency' rather than have to complete a 3 Star course and/or assessment. The equivalents are as follows.

Racing

- 5 Star** Senior National Team; Adult 'A' Ranking
- 4 Star** Junior National Team; Adult 'B' Ranking
- 3 Star** Adult 'C' Ranking or Junior 'A' or 'B' Ranking

Marathon

- 5 Star** Senior National Team, Division 1 (Men); Division 3 (Women and C1); sub 18 hours DW Time (Men) Sub 20 hours DW Time (Women)
- 4 Star** Junior National Team; Divisions 2,3 (Men); Divisions 4 (Women and C1); sub 19 hours DW Time (Men); Sub 21 Hours DW Time (women)
- 3 Star** Divisions 4,5,6 (Men); Divisions 5,6 (Women)

Fuller details of these are on the Canoe England web site at:

<http://www.canoe-england.org.uk/media/pdf/Equivalents%20to%20Star%20Awards%20for%20Competition%20based%20Paddlers%20V1-0.pdf>

COACHING THE COMPETITION DISCIPLINES

Level 3

Level 3 Coaches are discipline specific. Level 3 Coaches are trained to oversee an annual programme for paddlers and coaches under their direction. It is the ideal qualification for those coaches who have a lead coaching role within a club.

Again, the Level 3 Coach can be boat based or bank based. They would need appropriate qualifications or experience required to fulfil the conditions to become a boat based coach. The Level 3 Course consists of a 3-day (or equivalent) generic core; this is followed by 2 days of applied coaching within the discipline environment. 3 Intermediate Supporting Modules also have to be attended and then various assessment tasks have to be fulfilled over a 12 month period. Two formal assessments round off the process, one in the training environment and one at a competition environment with the coach's own long term athletes.

For information on the Level 3 programme please contact:
russell.smith@canoe-england.org.uk

CPD (Continuous Professional Development) for coaches is available to club coaches to further their existing knowledge, ideas and understanding.

Information on Coaching opportunities and supporting modules can be found on coaching pages of the Canoe England website <http://www.canoe-england.org.uk/coaching>

First Aid Requirements

The requirements relating to First Aid qualifications and the different coaching levels held can be found at: <http://www.canoe-england.org.uk/media/pdf/BCU%20First%20Aid%20Policy%20V1-0.pdf>

Basically Levels 1 and 2 Coaches are required to have 1day qualification and Level 3 Coaches have a 2-day qualification. The time to renew is at the natural expiry date of the award already held, so any Level 3 Coach who took their First Aid Award prior to 1st January 2012 does not have to take a 2-day course until it is due for renewal.

MARATHON RACING

Chairman's Foreword - 2014

Reflecting back on 2013 I believe that it was a successful year for Marathon racing here in the UK and for our teams abroad. We saw increasing numbers of paddlers and record entries in some regions and at a number of individual races. The National Championships proved to be a massive success and the Hasler club Finals were, one again, hotly contested.

But what for 2014? There is good news in that there has been a welcome increase in our central grant funding from Canoe England to £25K. We still struggle with running our domestic racing programme and trying to fully support international representation on our limited income but we have managed to do this and strengthen our Development squad activities by fully utilising the important individual contribution we all make in the form of the race levy. This is something that we will continue to try to do this coming year. It is important we have a broad base of up and coming young paddlers from which National and International champions will be born if supported and encouraged.

It is important also to find new venues for our national events, as was shown by Pangbourne hosting the highly successful 2013 National Championships. The southern region is by far the strongest and has the largest numbers competing but we must try to encourage other regions to show that they too are capable of considering hosting these prestigious events.

This year we will see Worcester, a familiar host for the National Championships, repeat previous years' organisation and I am sure that they will deliver a true 'marathon' course that tests us and makes for competitive racing at the same time.

The Hasler finals will run at Richmond, another welcome new venue. I encourage other regions and clubs, perhaps working together, to consider what they might offer for the 2015 and 2016 seasons.

Perhaps the most important thing is that we all make sure that our particular discipline of the sport remains fair, competitive and fun. That is what makes people want to paddle and compete. We must however make sure that the unique challenges of the marathon courses are not diluted, as it is perhaps those aspects that have helped build the depth and interest that has resulted in our domestic racing scene being so unique and diverse in what it offers.

Good luck for this coming season.

MARATHON RACING

PART A: RULES FOR COMPETITION

General Rules Applying to All Races

1) DEFINITION

A marathon race can be raced over any distance: usually between 3km and 200km. All competitors must race the correct course as determined by the race organiser, must go round all turn buoys and must exit and enter the water at a portage within the designated areas.

2) BEHAVIOUR

- a) Canoeing is a non contact sport and competitors shall race in a fair manner.
- b) When a canoe or kayak is overtaking another canoe or kayak it is the duty of the overtaking craft to keep clear of other competitors at all times.
- c) When a canoe or kayak is racing in a group of competitors it is the duty of all the competitors in the group to keep clear of other competitors at all times. This rule applies to any manoeuvring within the group.
- d) All paddlers will wear appropriate clothing when racing. This is a minimum of singlet and shorts. These should preferably be in club racing colours.

3) THE RACING STRUCTURE

- a) The marathon racing system has been designed to encourage all levels of competitor from the raw beginner to top class internationals. There are five categories of race: -
- b) **GROUP A** - These races will appear in the Racing Handbook calendar and/or the calendar published on the MRC website. For these races the race levy must be paid and competitors must be BCU, Canoe England, WCA, SCA or CANI comprehensive members (see Rule 13).
 - i) Divisional races approved by the Marathon Committee. Promotions between divisions will take place based on the results of these races.
 - ii) Races and time trials approved by the Marathon Committee but not in the divisional system such as stage marathons, descents, Royal K1, Richmond K2, Thameside etc.
 - iii) The National Championships.
- c) **GROUP B**
 - i) Those races in the regions and at clubs that do not appear in the calendar. These will include handicap and fun marathons. No promotions will take place at these races. Clubs are encouraged to hold handicap races throughout the year as an introduction to competing in the divisional system. These should be over a 3-10km course with handicaps based on age, experience and type of boat.
- d) **GROUP C**
 - i) All Lightning and Junior K2 races forming part of the Geoff Sanders Trophy or held at Regional Hasler events, the National Marathon Championships or the Hasler Final approved by the Marathon Racing Committee – see rules 49-58. For these races:
 - (1) All competitors must be BCU, Canoe England, WCA, SCA or CANI comprehensive members.
 - (2) No race levy will be payable.

4) CLUB MEMBERSHIP

The racing year shall be from 1st September of any year to 31st August of the following year. When a competitor is a member of more than one club, he shall declare before 1st September to the Race Records Officer of the Marathon Committee the name of the club for whom he will race the following racing year. When a competitor changes his club in mid season, he is permitted to compete for his new club, instead of his old, provided that prior consent of the old club is obtained. This consent shall not be withheld unreasonably, particularly in the case of a change of residence from one area to another. The agreed change must be advised to the Race Records Officer in writing before points can be allocated to the new club in club competitions.

5) SAFETY

- a) **Competitor responsibility**
 - i) Competitors must render their boats sufficiently buoyant to remain afloat and to support the crew in the event of capsizing. Buoyancy must be fixed in the boat reasonably sufficiently to satisfy rule 27 of the ICF Marathon Rules which states that: 'Each boat must carry sufficient buoyancy, either in the construction of the boat or fixed subsequently, to keep the boat floating level when filled with water.' The BCU Marathon Committee rules interpretation of this is that inherent buoyancy provided by 'vac-bag' or 'sandwich' construction is not alone sufficient and must be supplemented by adequate fixed additional flotation material or by the provision of sealed bulkheads.

MARATHON RACING

- ii) Competitors must be able to swim adequately in the waters on which the race is being held.
- iii) On open water adequate spray covers must be worn.
- iv) All paddlers are required to render assistance to other competitors in distress.
- v) The wearing of life jackets or buoyancy aids is compulsory for all paddlers ranked in divisions 7, 8 and 9 irrespective of the race they are entered in. This applies to singles and doubles races.
- vi) Life jackets must comply with either the European Standard 'EN393 or 395 or the International Standard 'ISO 12402'.

b) Team Leader responsibility

- i) Team Leaders should decide if paddlers in the higher divisions should wear life jackets or buoyancy aids.

c) Race Organiser responsibility

- i) Race organisers may require life jackets or buoyancy aids and spray covers to be worn and will have the FINAL say as to who should wear them (except where this is covered by rule 5a(v)) depending on weather and water conditions. Such equipment must be provided by the competitors.
- ii) The penalty for infringing any safety rule is disqualification from the race.

Canoeing and Kayaking in all its forms is an 'Assumed Risk – Water Contact' sport.

6) DISCIPLINE

Marathon racing is subject to the BCU Marathon Racing Committee Disciplinary Regulations and to the BCU Disciplinary Code. See <http://canoeracing.org.uk/marathon/index.php/disciplinary-matters/> and "Dispute Resolution Policy" <http://www.bcu.org.uk/resources-and-policies/policies/>. These apply to all BCU Marathon races.

For the avoidance of doubt, any complaint that an individual member of the Union (competitor or non-competitor) has behaved in a manner described in clause 1.1 of the Disciplinary Regulations shall in the first instance, where possible, be lodged with the Race Protest Committee in the manner described in Marathon Racing Rule 18(g) (i) and (ii). The Protest Committee shall determine what action, if any, shall be taken. If the Protest Committee decides that the complaint should be referred to the Marathon Committee, the race organiser shall report the matter to the Secretary within three working days. The Marathon Committee will consider the matter in accordance with the Disciplinary Regulations.

Race Organisers should note the powers in clause 2.1 of the Procedures to apply immediate discipline where members or competitors have displayed violent or unreasonable behaviour.

7) ANTI-DOPING

Marathon racing is subject to the ICF and UK Anti-Doping Rules See <http://www.gbcanoeing.org.uk/gbc/index.cfm/about/anti-doping/>

8) BROKEN PADDLES / BOAT

A competitor must not change boats during a race, but may change paddles in the case of breakage.

9) WASH HANGING

Competitors must not hang on the washes of powered craft.

10) ASSISTANCE TO COMPETITORS

A competitor may receive food and drink during a race. Competitors with a disability may receive assistance at portages, but no other assistance unless permitted before the race by the organiser.

11) BOAT DESIGNS

Any type of canoe or kayak can be used.

Kayaks shall be propelled solely by means of double bladed paddles.

Canoes shall be propelled solely by means of single bladed paddles.

The paddles must not be attached to the boat in any way, being supported only by the hands.

For GROUP A races boats must comply with the ICF regulations as detailed below:-

single kayak	max length520cm (unless it is a recognised surf ski design)
double kayak	max length650cm
single canoe	max length520cm
double canoe	max length650cm
double touring canoe	max length550cm

MARATHON RACING

Boats over 460cm in length must not have concave sections unless classified as Wild Water Racing boats and falling within the ICF regulations for such boats.

12) BCU MEMBERSHIP

- a) All competitors in GROUP A and Group C races must be COMPREHENSIVE BCU, Canoe England, WCA, SCA or CANI members. Membership numbers must be quoted on entries and results and a valid membership card or photocopy **must** be produced at race check in. Juniors ranked in divisions 7, 8 & 9 and Lightning competitors who are members of clubs with registered junior sections, should produce their registered junior section card instead.
- b) At all Regional Hasler events, the Hasler Final and the National Championships:
 - i) all competitors in divisions 1 to 6 must produce a valid membership card or photocopy at race check in. Any competitor unable to do so shall not be permitted to race.
 - ii) all competitors in divisions 7, 8 and 9 must produce a valid membership card or photocopy at race check in or, if junior, produce their registered junior section card. Any competitor unable to do so will be required to buy an Event Ticket but only one Event Ticket purchase is allowed per season.
 - iii) race results may be checked for valid membership. Club points will be deducted and the race shall not be counted as a Hasler qualifying race where:
 - a) any competitor is found subsequently to have competed without a valid up-to-date membership, or
 - b) a competitor in divisions 7, 8 and 9 is found to have bought more than one Event Ticket per season.
- c) Upon promotion to Division 6 there is a period of grace of 4 weeks during which a junior, racing with a registered junior section card, must become an individual comprehensive member of the BCU/Canoe England/WCA/SCA/CANI.

13) RACE LEVY SCHEME

At all GROUP A races, published in the Racing Handbook and/or the calendar published on the MRC website, there will be a race levy of £2.00 for each senior and veteran paddler by age, as recognized by their BCU, Canoe England, WCA, SCA or CANI membership, and £1.00 for each junior paddler by age, as recognized by their membership. The levy to be charged on all paddlers booked in irrespective of whether they start or finish the race. The race levy for all categories of races is to be remitted by the Race Organiser to the Treasurer **within 7 days of the race**. Cheques should be made payable to "BCU Marathon Racing Committee" and sent to David Enoch, 102 Bingham Road, Radcliffe-on-Trent, Nottingham NG12 2GT.

Those clubs wishing to pay the levy by electronic transfer should remit to
Barclays Bank Sort Code:20-63-25 Account No: 73066665
Account name BCU Marathon Racing Committee.

When making electronic transfers please also email David Enoch with the race name and amount of levy to david.enoch2@btopenworld.com

14) RACE REGISTRATION

The organiser of a GROUP A race must apply to the Calendar Organiser for that race to be registered. This must be done by the autumn of the year preceding the event. The event must be organised and run under the Marathon Racing Rules. Registered races may advertise through the Union and may appeal through the Marathon Committee in cases of dispute or difficulty. Refer to BCU Disciplinary Code at <http://canoeracing.org.uk/marathon/index.php/disciplinary-matters/>
The registration fee will be the race levy described in rule 13 and the organiser must comply with the requirements of rule 18.

15) BOAT NUMBERING

At all GROUP A races competitors shall number their boat for a race in the following manner. Paddlers racing in divisions 1-8 must display vertical number plates. The number plate must be yellow or white and displayed vertically in a slot placed on the middle of the back deck about 15cm behind the cockpit in the case of kayaks and on the front deck in the case of canoes. The slot will be fitted with a locking pin. The dimensions of the plate will be 200mm long x 150mm high with the top corners rounded to a 10mm radius. The characters on the vertical number plate will be the same standard as a car number plate and **MUST** be CLEARLY LEGIBLE from 25 metres. This applies to both sides of vertical number plates.

Paddlers ranked in Division 9, Lightning, club and fun race paddlers may alternatively use 225mm diameter white discs which should be displayed on fore and aft decks or as directed by the organiser.
Any paddler not displaying a number plate at the start of any race, or whose number is not clearly legible will not score club points.

MARATHON RACING

16) FINISHES

A competitor is deemed to have finished a race when the bow of the canoe or kayak has crossed the finishing line on the water with the competitor(s) in it.

17) ASSESSMENT RACES

The Marathon Committee will co-ordinate with race organisers to determine assessment race venues and the dates will be shown in the Racing Handbook. At these races, assessment classes may be separated from other race classes and may be run over the same or different courses.

18) ORGANISATION OF GROUP A RACES

- a) Clubs hosting races **must** be affiliated to the British Canoe Union.
- b) The race shall be open to canoeists who are members of an ICF affiliated federation.
- c) The race shall be properly advertised and the organisers shall issue adequate instructions on request, up to one month before the event, to prospective competitors or interested group leaders.
- d) In the event of circumstances which render it impossible or unsafe to run the race as planned, the Race Organiser shall take all reasonable steps to inform the competitors and supporters at the earliest possible moment.
- e) Race Organisers shall charge an entry fee for each competitor to include the levy cost. This fee may be reduced for juniors and augmented for late entries.
- f) Changes of class/division and late entries shall be permitted if the organiser so wishes. Information regarding late entries and class/division changes should be available to competitors at least 30 minutes before the start time of the class/division concerned.
- g) The Race Organiser shall provide a Protest Committee consisting of three officials or members of the organising body to hear and settle all protests by any competitor in that event. The following rules will be observed:-
 - i) The protests must be received within 30 minutes of completion of the relevant race and before the announcement of the final results. Failure to observe this will invalidate the protest.
 - ii) The protest must be in writing to the Race Organiser and must give full details of the alleged infringement of the rules.
 - iii) The Protest Committee must meet immediately to hear all the evidence and to consider the protest's validity in accordance with the BCU and Marathon Racing Rules.
- h) A protest against an organising body may only be dealt with by the Marathon Committee. Any such protest must be made within 3 working days in writing to the Secretary of the Marathon Committee and give full details of the alleged infringement of the rules. The person making the protest must also inform the secretary of the club or body concerned within 3 working days. Failure to comply with these conditions will invalidate the protest.
- i) Appeals against the decision of the Protest Committee are permitted and these will be heard by the Marathon Committee.
- j) Within 2 working days of the race the results are to be emailed to the Rankings Officer, the Race Records Officer, the Regional Marathon Advisor and to results@marathon-canoeing.org.uk, so that promotions can be ratified and the results uploaded onto the marathon website. See Useful Addresses page F3.
- k) **Within 7 days of the race** the Race Organiser must remit the race levy together with the race results in accordance with rule 13.

19) ORGANISATION OF GROUP B RACES

- a) For these races competitors do not have to be BCU, Canoe England, WCA, SCA or CANI members, there is no levy and no requirement to submit results to the race records officer. Race advertising, entry fees and classes are at the discretion of the organiser. The formal requirements to register club membership and for protest procedures are not necessary.
- b) Rules 1, 2, 5, 6, 7, 8, 9, 10, and 11 shall apply to all GROUP B races.

Rules Applying to Regional Divisional Hasler Races

20) Regional divisional Hasler races are GROUP A races and all of rules 1 -18 above shall apply.

21) REGIONS

The regions are determined by the Marathon Racing Committee for England plus Scotland East, Scotland West, and Wales. Each region will run its own league championships throughout the year and will decide how many results are to be counted by clubs. It is hoped that eventually there will be enough races in each region for clubs to count their best 8 or 9 results from the total number of races.

MARATHON RACING

22) THE DIVISIONAL SYSTEM

- a) Entry into the divisional system should be based on the standards detailed in the "Standards for Racing" (page D1).
- b) Club coaches are responsible for ensuring the ranking status of their paddlers and where necessary to ensure they are re-ranked appropriately.
- c) The divisional system is arranged into nine separate singles divisions 1-9 and seven separate doubles divisions numbered 1/2, 3/4, 5, 6, 7, 8 and 9. Race Organisers must offer the following races at all events except where varied as agreed with the Regional Hasler Adviser.
 - i) Either singles races or doubles race for divisions 1 and 2
 - ii) A combined division 3 and 4 doubles race over 20 km.
 - iii) Singles races for each of divisions 3 to 9.
 - iv) Doubles races for each of divisions 5 to 9
- d) Each year a divisional list will be published in the Racing Handbook for singles divisions 1-8. These lists are checked and any paddler not having competed for two successive seasons is removed from the lists. Each autumn clubs are asked to submit a list of the paddlers who will not be active for the coming season and where appropriate, to amend a draft of the proposed divisional lists.

23) THE HASLER TROPHY

The Hasler Trophy is the National Team League Championships and is competed for throughout the season on a regional basis. The Hasler season is defined by the races designated 'H' in the Racing Calendar of this Handbook. Races relating to the following season are designated 'H2015'.

24) TYPES OF COURSE

Whilst there will be some variations due to local conditions and types of course available, the normal distances will be:-

Div.1, 2 & 3 Singles and 1/2 and 3/4 Doubles

Full senior course of about 20km with any degree of severity.

Div.4, 5 & 6 Singles and 5 and 6 Doubles

Course of about 13km which may include portages and/or weir shoots.

Div.7, 8 & 9 Singles and Doubles

Course of about 6.5km with the minimum practical hazards.

25) COMPETITORS

- a) Each club will be allowed as many competitors as it wishes.
- b) A paddler can only compete in one race in a qualifying event.

26) SEPARATE STARTS

Each quorate race of six or more starters must be started separately. Two or more quorate races of less than six starters (i.e. with 3 or 4 or 5 starters) may be started together but for all other purposes are treated as separate races.

27) SYSTEM FOR AMALGAMATION DUE TO LOW ENTRIES

If there are less than three entries in a division then the organiser must transfer those entries to another division to make a quorate race of three or more paddlers. Where possible they should be transferred to a race of the same distance so that paddlers race their normal course. Where there is a choice, transfer to a lower division is preferable to transfer to a higher division.

There is no handicap or allowance on transfer to another division.

28) COMPETING IN A CREW BOAT

When competing in doubles events the competition ranking shall normally be an average of the individual paddlers' rankings (all halves rounded down). For example: division 3 paddler and division 4 paddler average 3 (ignoring the half), race in 3/4.

Paddlers ranked in division 1, 2 or 3 must race over the 20km course.

All paddlers competing in crew boats must show their singles ranking on the entry form and these rankings must be shown on the results.

29) SPECIAL PRIZES

Race organisers are encouraged to give prizes for special groups of paddlers e.g. first under 16, first C1. In particular they are strongly recommended to give a prize for the first woman in each division and for the highest placed TC2. This kind of encouragement is particularly important in the divisional system.

MARATHON RACING

30) POINTS

- a) In regional races only those clubs within the region will score points. Paddlers from other regions will not be taken into account when calculating points except that their time will be used for the 110% calculations if they are the fastest boats not promoted.
- b) To be included for points, clubs must be affiliated to the British Canoe Union.
- c) All competitors in both singles and doubles **must** show their singles ranking at race check-in. Competitors not doing so will not score points in the regional competition and may not count the race as eligibility to compete in the final.
- d) Only competitors racing in their club colours will score points.
- e) The points system will be as follows.
 - i) Divisions 1-9 in singles and doubles will count for points.
 - ii) Points will be awarded to each paddler in both singles and doubles - 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points to all paddlers who finish within 110% of the time of the fastest boat not promoted in a singles race and within 110% of the winners' time in a doubles race. One point only will be awarded for paddlers who finish outside the 110% limit irrespective of their position. This to apply to all races except division 9 singles and doubles which will receive 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points for all paddlers who finish.
 - iii) Transferred paddlers racing in a different division under the provisions of rule 27 will count for Hasler points but their times will not be used for the 110% calculations.
 - iv) Paddlers in a separate assessment race at a Regional Hasler event will not score Hasler points.
 - v) Each club will count its twelve best scoring paddlers from any divisions in any combination of K1/C1/K2 or C2. Doubles boats can be counted even if some of these boats contain just one paddler who is eligible for Hasler points for a particular club.
 - vi) At each event the club with the highest score will get 10 regional points in the regional competition, 9 for 2nd and so on.

31) RACE RESULTS

Race Organisers must report their results using the HRM computer programme. Race Organisers are encouraged to use the HRM programme at the race to complete entries and calculate results at the meeting. If this is not practicable, results must be recorded later onto the HRM for reporting to the MRC in compliance with rules 18 j) and k).

32) PROMOTIONS

- a) Promotions between the divisions throughout the season will be based on the table "Standards for Racing" ("the Table") [See page D1 of 2014 Racing Handbook]. Column HC of the Table assumes a World Champion takes 60 seconds to paddle a given course and ranks paddlers in singles divisions from 1 to 9 based on the number of additional seconds it would take for competitors to cover that same course. P/D Factor expresses these same times as factors. For example, a top ranking paddler in division 7 would be expected to take 90 seconds giving a P/D Factor of 1.5.
- b) Promotions will be calculated on the following principles on the basis of singles results subject to the other provisions of this rule 32:

<u>Divs.1, 2</u>	There are no automatic promotions to divisions 1 and 2. Promotions will be made by the Rankings Officer in consultation with the Regional Marathon Adviser.
<u>Divs 3, 4 and 5</u>	Promotions to divisions 3, 4 and 5 will be calculated by taking the times at each race of the mid-placed paddler in divisions 4, 5 and 6 divided by the Mean Factor for each of these three divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 3, 4, and 5 to give the times for promotion to divisions 5 and above.
<u>Divs 6, 7 and 8</u>	Promotions to divisions 6, 7, and 8 will be calculated by taking the times of the mid-placed paddler in divisions 7 and 8 divided by the Mean Factor for each of these two divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 6, 7 and 8 to give the times for promotion to divisions 8 and above. <i>[The above is an outline description of the promotion process. The detailed bases for calculations are available by post or email from the Secretary, Marathon Racing Committee]</i>
- c) Promotions may take place on either singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and promotions made under Rule 32(j) where considered appropriate.
- d) Status in canoe will not affect status in kayak and vice versa.
- e) No automatic promotions will be made under Rule 32 (b) where there are fewer than 5 starters in any race. However, the Ranking Officer in consultation with the Regional Marathon Adviser may amend or

MARATHON RACING

dispense with this limit if persistently low numbers in a division are clearly preventing the promotion system from operating as intended.

- f) Promotions are not limited to one division. For example, a division 9 paddler with a time faster than that required for promotion to division 7, would be promoted straight to division 7.
- g) Where the HRM computer results system is used at a race, automatic promotions will be shown on the race results and take immediate effect. All promotions (automatic and others) will be confirmed on the race results posted on the marathon website. It is the responsibility of paddlers and coaches to check these and ensure they are implemented with immediate effect.
- h) Once promoted, paddlers **must** race in their correct division, or higher division, except under the provisions of rules 27 and 28. Any competitor found racing in a lower division, singles or doubles, except under the provisions of rules 27 and 28, may be disqualified from the event and be banned from the next three Hasler races in the competitor's region. The exception is for promotions awarded at races held at the beginning of a new racing season and before the Hasler Final held in that year. These promotions will not apply at the Hasler Final of the current season but will apply to all other races. (E.g. A div. 6 paddler promoted to div. 5 in September 2014 at a race designated as H2015 can still race in div. 6 at the 2014 Hasler Final but must race in div. 5 at all other races.)
- i) All paddlers, both from within the region and from other regions are eligible for promotions. The only exceptions are paddlers transferred from another division under rule 27 (system for amalgamation due to low entries).
- j) The Marathon Committee has discretion to promote or to withhold promotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

33) DEMOTIONS

- a) Divs. 1, 2 and 3 Demotions from Divisions 1, 2 and 3 will be made by the Rankings Officer in consultation with the Regional Marathon Adviser.
- b) Divs. 4 to 9 Application for demotion from Divisions 4 to 8 may be made to the Regional Marathon Adviser by the club coach. The Regional Marathon Adviser shall confirm his decision in writing to the club coach and to the Race Records Officer after agreeing this with the Rankings Officer.
- c) Demotions will be limited to one division.
- d) Demotions may be based on singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and demotions made under Rule 33h) where considered appropriate.
- e) Status in canoe will not affect status in kayak and vice versa.
- f) Once demoted paddlers may nonetheless choose to race in any higher division, except under the provisions of rules 27 or 28. Paddlers competing in the Hasler Final shall race in the division according to their ranking status at the close of the prior season (normally 31 August). Thus demotions awarded in the new racing season immediately prior to the Hasler Final will not apply at that Hasler Final.
- g) All paddlers, both from within the region and from other regions are eligible for demotions. The only exceptions are paddlers transferred from another division under rule 27 (system for amalgamation due to low entries).
- h) The Marathon Committee has discretion to demote or to withhold demotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

Rules Applying to the Hasler Final

- 34) The Hasler Final is a GROUP A Divisional race and all of rules 1-16 and rules 18, 24, 26, 31, 32 and 33 above shall apply.

35) CLUB ELIGIBILITY

The top scoring clubs from each region as determined by the regional Hasler competitions, plus a team from the Combined Services, may compete in the Hasler Final at the end of the season. The number of clubs from each region will, from 2013, be based on the number of clubs who have actively participated in the previous season, as indicated by Hasler Race results, recorded on the MRC Website. Each region will automatically have 2 qualifying places, irrespective of the number of active clubs. Each region will receive an extra qualifying place for each 3 clubs in excess of 4.

Active Clubs	Qualifying places	Active Clubs	Qualifying places	Active Clubs	Qualifying places	Active Clubs	Qualifying places
1-6	2	7-9	3	10-12	4	13-15	5
16-18	6	19-21	7	22-24	8	25-27	9

MARATHON RACING

- a) Additionally a team from the host club (or from each host club if there are two organising clubs) may compete if they have **not** qualified from the regional competition.
- b) Each eligible club will be allowed as many competitors in the final as it wishes.

36) PADDLER ELIGIBILITY

- a) A paddler **must complete 3 qualifying events at his or her current ranking**, during the season to be eligible for the final. There are exceptions for Div.1 senior men's kayak, Div.2 and above junior men's kayak, Div.3 and above women kayak, Div.4 and above junior women kayak and Div.3 and above canoe, and for paddlers in the Combined Services, who must complete 2 qualifying events.
- b) Qualifying events are **regional Hasler races and all assessment races for that season**. This does not include races designated for the following Hasler season. **Also a paddler may count completing a National Championships race on one or both days as one qualifying race**. The previous Hasler Final does **not** count as a qualifying race.
- c) The qualification must be in the same type of boat (i.e. canoe or kayak).
- d) Paddlers are only eligible to paddle in a singles race at the Hasler Final if they have completed 3 qualifying events in singles. The exceptions in rule 36(a) apply equally in this rule.
- e) A paddler can only compete in one race at the final.
- f) The Regional Marathon Adviser will check the eligibility of paddlers from his region for the final. The Race Records Officer will be able to produce listings on request to help clubs and Marathon Advisers carry out this task.

37) CLASSES

There will be races for each singles division 1 to 9 and each doubles division 1 to 9.

53) POINTS

- a) Points shall be awarded in each class at each event with 20 points for the winner, 19 points for second and so on, down to 1 point for each paddler who completes the course.
- b) Points shall be awarded in each class at the Hasler Final event, with 40 points to the winner, 38 points for second and so on down to 2 points for each paddler who completes the course.
- c) Points are awarded in crew boats on a per seat basis.
- d) Points shall be awarded to all paddlers in the Series irrespective of whether the paddler is out of region.
- e) At August 31st each paddler's three best scores from the season will be counted towards their team's total. This will be added to the points won in the Lightning class held at the Hasler Final.
- f) The winner of the Geoff Sanders Memorial Trophy will be the team with the highest score as determined in e) above.

54) PRIZES

- a) Race organisers are encouraged to award prizes for the first three places in each class when holding a race. Marathon Committee certificates are available from Regional Marathon Advisors to give to all entrants, to encourage participation.
- b) The Marathon Racing Committee will provide medals for the first three places in each class at the Hasler Final event.

55) RESULTS

- a) Results of all races in the Series should be forwarded to Peter Jones, the Geoff Sanders Coordinator. Email: petercjones@blueyonder.co.uk.

56) SAFETY

- a) The wearing of life jackets or buoyancy aids is compulsory for all paddlers.
- b) The requirements of Rule 5 must be observed in all respects.
- c) Race organisers must conduct a specific risk assessment for Lightning and Mini K2 races and, taking into account their age and experience, provide adequate safety cover (e.g. rescue boats and signage) over the whole course where considered necessary.

57) RACING IN THE HASLER COMPETITION

- a) The Geoff Sanders Series aims to introduce young paddlers into marathon racing but it is important that they do not remain too long in the class. Coaches and parents are best placed to decide when a junior is ready to race in the Hasler Series and the decision is for them to take.
- b) As part of their long term development paddlers under 12 are encouraged to compete in Division 9 K1 or K2. However, should the paddler be promoted to division 8 or higher from either a K1 or a K2 race in the Hasler Series or at the National Championships he/she will no longer be eligible to compete in the Geoff Sanders Series.

MARATHON RACING

- c) Paddlers who are promoted to Division 8 or higher from any race in the Under 12 categories at the National Championships are allowed to race in the Geoff Sanders competition at that year's Hasler Final. They will not be eligible to compete in the following season's Geoff Sanders Series.

58) RACE LEVY / EVENT TICKET

- a) Lightning races are classed as Group C races: no race levy will be charged.
- b) Paddlers who are not BCU members or not members of a BCU affiliated club with a registered youth section shall be issued with an Event Ticket to provide insurance cover. The BCU has agreed not to make a charge for the Event Ticket for Lightning paddlers.
- c) To promote racing at this introductory level, the MRC recommends a standard entry fee of £2.50.

Rules applying to the 5K Series

59) THE SERIES

The Series was introduced in 2010 and the main objectives are:

- a) Mass starts to teach paddlers to get off the line quickly and get into an appropriate group as soon as possible, in a bumpy water environment.
- b) Larger groups to teach paddlers to race effectively in groups.
- c) Minimum administration.
- d) Minimum number of classes.

60) RACES

The Committee aims to have at least two races in each region and to hold a national Final in the summer. Details of races will be publicised in the marathon calendar and on the website.

61) RULES

- a) 5K racing will be governed by the rules of the BCU Marathon Committee as set out in the Flatwater Racing Handbook.
- b) These races fall under rule 3)b)ii) 'Races and time trials approved by the Marathon Committee but not in the divisional system'.

62) RACE LEVY/BCU MEMBERSHIP

- a) The race levy must be paid. The levy will apply to the event, not the number of races a paddler competes in on that day.
- b) Entrants must be comprehensive members of the BCU or junior members of a club with a registered youth section.
- c) Membership must be confirmed with entry or at time of booking in.

63) THE COURSE

- a) The course will be as close as possible to 5 kilometres. A GPS should be used to measure the length of the course, to enable time comparisons to be made throughout the country.
- b) There will be a minimum of one and a maximum of two turning points that will be in an anti-clockwise direction. There should be three buoys marking the turn in an even arc. It is acceptable for one of the turning points to be used twice.
- c) The course can be on any kind of water, but bear in mind the basic objective of teaching paddlers to race in large groups. Therefore, wherever possible, there should be as large an expanse of water as possible.
- d) The recommended race day is Saturday, although this is not compulsory.

64) CATEGORIES

- a) There will be the following categories: senior men, senior women, junior men, junior women, veteran men and veteran women.
- b) All categories will be able to compete in the following craft: K1, K2, C1 and C2.
- c) There will be two sets of starts for singles and doubles, to allow all paddlers to enter both races should they so wish.
- d) To achieve mass starts four starts are recommended:
 - In the first set of starts -
 1. Junior, senior and veteran men K1;
 2. Junior, senior and veteran women K1 plus C1;
 - In the second set of starts -
 3. Junior, senior and veteran men K2;
 4. Junior, senior and veteran women K2 plus C2.

MARATHON RACING

The Race Organiser has discretion either to split starts into smaller groups or to combine starts where it is considered the numbers of competitors or the nature of the course make this appropriate.

65) RANKINGS

- a) Results including times will be sent to Sue Hawthorn to enable her to compile a rankings list on a time-elapsed basis, initially for K1.
- b) The ranking list will be updated and published on the marathon website as soon as possible after an event.
- c) The top ranking paddler in each category will receive a trophy provided by the MRC at the end of each season. The season will be the same as the Hasler season.

PART B: THE STARTING OF ASSESSMENT RACES, NATIONAL CHAMPIONSHIPS RACES AND HASLER FINALS RACES

There is a necessity to maintain the standard of starting at assessment races and major championships. The following will apply to all assessment races, to all races at the National Championships and to all races at the Hasler Finals.

1) REQUIREMENTS

- a) The start line should be clearly defined on both banks.
- b) A clearly defined marshalling line must be established behind the start line.
- c) The race must be started by a person drawn from the approved starters list, who will have an experienced assistant.
- d) The marshalling line should be controlled by at least two experienced officials.
- e) The above should all be equipped with PA equipment or loud hailers that it is the responsibility of the race organiser to provide.

2) STARTING PROCEDURE

- a) The starter shall ensure all craft are lined up on the starting line as stationary as possible for the water conditions. When the starter is satisfied the line(s) is correctly positioned he/she shall give the signal to start by a shot, starting horn or the word 'go'.
- b) If a competitor commences paddling or attempts to start before any instruction to do so, he/she has made a false start.
- c) A competitor who crosses the line before the starter's start signal shall also be deemed to have made a false start.
- d) Refusing to obey the starter's instructions will also constitute an unfair start.
- e) A competitor who attempts a false or unfair start will be warned a maximum of two times. A third offence will result in the imposition of a two-minute penalty. A further offence by the same competitor will result in disqualification from the event. The disqualified paddler must leave the water immediately.

3) APPROVED STARTERS LIST

Brian Chapman	Roland Lawler	Andy Rawson	Sarah Swallow
Margaret Chapman	Alan Laws	Jim Rossiter	Stuart West
David Enoch	Dyson Pendle	Melvin Swallow	Alan Williams
Ollie Harding	Paul Ralph		

PART C: RECOMMENDATIONS

These recommendations are to help clubs run well-organised races. You should not attempt to run a race without having attended others first.

1) ADVANCE INFORMATION

Advance information should at least contain the following details.

- a) Name, date and status of the race.
- b) Name of the organising body.
- c) Closing date for entries and whether or not late entries will be accepted.
- d) Person to whom entries and enquiries should be sent, with address, phone number and email.
- e) Entry fees and to whom these should be payable.
- f) An entry form asking for full details of competitors, though entries using the HRM system should be encouraged.
- g) Locations of start and finish, and directions for getting to these places.
- h) Check-in, briefing and start times.

MARATHON RACING

- i) Brief description of the course.
- j) Any special regulations that competitors should be aware of before they arrive.
- k) Any major changes since last year.

2) SAFETY

Safety measures are largely at the discretion of the organiser, since courses and conditions vary considerably. All paddlers ranked in Divisions 7, 8 and 9 or competing in Lightning and fun races must wear a buoyancy aid [Rules 5 (a)(v) and 56 (a)]. Make sure you have adequate safety cover for all Lightning races. On the open sea it is wise to insist on buoyancy aids for all. On open water, rescue boats are very important. Ensure that no one is stranded or lost halfway round the course; it is important to account for all competitors. On calm water it is usually sufficient to have a back marker paddling the course. **All Race organisers should prepare a Risk Assessment well ahead of their event and put in hand appropriate safety measures.**

3) BRIEFING AND CONTROL

- a) Deliver a briefing shortly before the race. Explain the starting procedure; starting order; describe any special features and hazards of the race course and emphasise any special regulations.
- b) Check that all boats are numbered clearly. It is the competitor's responsibility to number his boat, but it does make the finishers' job easier if number plates are legible. Provide large permanent marker pens at check-in.
- c) Use the starting order listed in Section 4.
- d) Make sure the course is clearly marked at all points where there could be doubt. Position marshals at turning points to check against a start list. Have clearly identifiable marshals at portages and shoots. The marshals should keep the passage clear for competitors, keep spectators and competitors off forbidden land and report any misdemeanours to race control. A marshal's directions should override any prior instructions.

4) STARTING ORDER

- a) The start order of the various classes or divisions can have a significant effect on the race results. The general principle is to start the fastest classes first and the slowest classes last. This minimises the chance of fast boats paddling through slower classes, picking up stragglers on the wash and dragging them back to the class leaders.
- b) The following is the recommended start order. Not all these classes will necessarily run at any one race.

Division 1 K2	Division 3 K1	Division 6 K1
Division 2 K2	Division 5 K2	Division 8 K2
Division 1 K1	Division 4 K1	Division 7 K1
Division 3/4 K2	Division 6 K2	Division 9 K2
Division 2 K1	Division 5 K1	Division 8 K1
Division 4 K2	Division 7 K2	Division 9 K1

5) STARTING

- a) Ensure that the paddlers can hear your instructions clearly.
- b) Ensure your start position is such that you can see the boat numbers and if necessary have a helper as a spotter.
- c) You or your helper should have a pen/paper to write down any number warnings and penalties.
- d) If the paddlers do not obey instructions then the rule must be followed with appropriate penalties.
- e) In the event of a false start use a whistle to recall the paddlers. The use of the whistle should be included in pre-race briefing.
- f) Try to ensure the paddlers approach the line very slowly.
- g) An upstream start is preferable if possible.
- h) If you make a requirement or statement as to what you are going to do, do not back down or change it under paddler or time pressure.

6) TURNS

- a) Clearly mark all turns. Use a buoy or buoys at each turn. Make sure these are clearly distinguishable. A clear description and location of the turn buoys must be given at the briefing
- b) All turns should be properly marshalled. Each turn marshal should have a list of the race numbers which started and is responsible for checking that each boat properly completes the turn. A list of boats which did not complete the turn and a written report of the incidents at the turn must be provided promptly to the race control.

MARATHON RACING

7) FINISHING & RESULTS

- a) Have a clearly marked finishing line. Signify a crossing of the line audibly by bell, whistle or hooter.
- b) Have a reliable, readable clock and a back-up in case of malfunction.
- c) Have a shelter in case it rains.
- d) **Recording the finishing times and positions is the most important job you will do.**
- e) **Prepare in advance with numbered sheets. Have spare pens/pencils.**
- f) Record the number and order of every boat as it passes the finishing line. Two tried and tested methods are:
 - (i) Have lined sheets, marked into two columns with one person writing the boat numbers and another the finish time. If possible have a third person calling out the finishing times. Number all finish pages to avoid confusion, OR
 - (ii) Have a team of three. Two work together, one calling boat numbers whilst the other records the number and time. The third person works independently recording the numbers in finishing order.**We do not recommend having the times written on one set of sheets and the numbers separately written on another set and then trying to match these together.**
- g) A further fail-safe is to have a tape recorder at the finish line. Give the recorder to one of the finish team and tell them to 'talk' every boat over the line, giving number and time.
- h) At all Hasler events you must use the Hasler Race Management computer programme (HRM) to produce your results. If possible use the HRM at the race. This will automatically calculate the elapsed time and finishing order of all boats, all singles promotions and the Hasler points. The results will be produced in the format required by the Race Records Officer. The HRM is designed for Hasler races and can be downloaded from the Marathon Canoeing website. If you want any help with the HRM please contact your Regional Adviser.
- i) Whether using the HRM or a manual system, have someone indoors to produce the results. Arrange a system for displaying the results as soon as you know them. Errors can be queried before prize giving. Hold the prize giving as soon as possible.

8) AFTER THE EVENT

- a) After the event is over the final result sheet needs to be produced. Keep all manual start and finish sheets as back-up.
- b) If you have run a Hasler event you must return your results using the HRM. This automatically produces the results in the correct format.
- c) Send results by email to the Rankings Officer, the Regional Marathon Advisor, the Race Records Officer and to marathonresults@canoeracing.org.uk within 2 working days so that promotions can be ratified and the results can be uploaded onto the marathon website. For all addresses, see page F3.
- d) The race levy should be sent to the Marathon Racing Committee treasurer. See rule 13. Levy to be remitted within 7 days.
- e) Send Event Ticket money to the BCU HQ, Nottingham together with the name, post code etc. of those who have paid for an event ticket, on the form provided by the BCU.

PART D: VENUE AND ORGANISATIONAL CRITERIA FOR THE NATIONAL CHAMPIONSHIPS AND THE HASLER FINALS

The Marathon Committee will look to the following ideal criteria when considering applications for the hosting of the National Championships and the Hasler Finals. Any club wishing to host the National Championships or the Hasler Finals will be expected to make a short presentation to the Annual Consultative Meeting or to the Marathon Committee outlining their proposals for the course and organisation to meet these criteria.

1) THE COURSE

- a) The course should be wide enough at the start to provide a fair start for all paddlers. It should also be wide enough throughout its length for competitors to overtake and pass each other in opposite directions.
- b) The course should be capable of being paddled in an understern rudder boat.
- c) Portages should allow a minimum of 12 metres at the 'get out' and 'get in' points. Portages should not be of excessive number or length.
- d) Access to portage areas for spectators should be good with adequate parking, or pool transport should be provided.
- e) The course should be reasonably accessible for spectator viewing.
- f) There should not be too many other conflicting water users.

MARATHON RACING

2) ORGANISATION

- a) The organising club(s) should have a proven track record in organising normal Divisional marathons.
- b) The venue should have good access by road and not be too far for the majority of paddlers to travel.
- c) There should be adequate camping facilities nearby, particularly for the two day National Championships.
- d) There should be adequate parking at the start and finish.
- e) There should be adequate covered checking-in and refreshment areas at the start and finish and a results display area.
- f) There should be adequate toilet facilities at the start and finish areas.
- g) There should be an adequate PA system at the start, briefing and prize giving areas.
- h) There should be adequate First Aid cover in appropriate areas.
- i) The starting of all races is to be as the procedure set out in PART C.
- j) There should be a computerised results facility capable of showing class results and team scores immediately after the races.
- k) Prizes at the National Championships will be the official BCU National Marathon Championship medals and Divisional medals.
- l) Prizes at the Hasler Finals will be the official BCU Hasler Finals medals.

PART E: BCU MEMBERSHIP AND EVENT TICKETS

All seniors and veterans must be full members of the BCU if they wish to race in a Marathon event that has been advertised in the Calendar. Juniors who are ranked in division 6 or above must also hold individual comprehensive BCU youth membership.

A junior club member need not be a full member of the BCU in order to race in the lower divisions (7,8 & 9) of the Marathon racing system or in the other 2 categories of marathon races. He / she must, however, be a member of a club with a registered junior section and the number used for his or her identification will be the club's affiliation number followed by the paddler's own individual club number. However, the club abbreviation followed by the paddler's club number is easier and preferred by the Records Officer, both for identification and ease of recording. i.e. LIN/005, CHE/017. Note that event tickets are also required for Lightning paddlers who are neither BCU members nor a member of a club with a registered junior section but the Event Ticket is issued to Lightning paddlers without charge.

Any junior promoted into a higher division (6 & upwards) must then become a full member of the BCU.

Race Organisers MUST still check that a competitor's membership is current either by photocopy of the membership card with the entry or by seeing the card on the day of the race.

If the card is unavailable or forgotten the paddler must purchase an "Event Ticket" as a "stop gap" but only once per season. The records officer carries out a check on event ticket issue for all race results and those paddlers abusing this system will be penalised.

The system is as follows:

1. The tickets are for use by non-members at the entry level only of National Competitions requiring membership e.g. Divisional Racing.
2. For use at a BCU event when the organiser believes a participant may be a member but the member cannot provide proof by way of a membership card.
3. Event organisers charge the current rate set by the BCU, which will be sent to the BCU HQ, Nottingham within 7 working days of the event.
4. Event Ticket fees are not refundable.
5. The overall consideration is to encourage, in the best possible way, membership of the Country's Governing Body for Canoesport.

MARATHON RACING – THE HASLER TROPHY

The story behind the Hasler Trophy

One of the most daring raids of World War Two took place on the night of 11th December 1942 in the enemy-occupied port of Bordeaux in France. Operation Frankton involved 12 men in six canoes being taken by submarine to a position 10 miles south of the Gironde estuary on 7th December. One of the canoes was ripped passing through the hatch of the submarine, but the other five then had an 85 mile paddle ahead of them. Two boats were lost in the tidal race and the remaining three carried on for three days, paddling in darkness and lying up during the day. One more boat hit a submerged rock and sank and the final two boats went on to Bordeaux harbour, where they attached their limpet mines and, assisted by the ebb tide, paddled silently back down the river. The mines detonated and severely damaged four vessels and sunk one. The four remaining men beached before reaching the sea, scuttled their canoes and travelled overland to try to reach safety. Two were captured, but Major 'Blondie' Hasler and Marine Bill Sparks made their way to Spain – the only two of the original ten who survived. Hasler was awarded the DSO and Sparks the DSM.

After the war, Hasler went on to found the Single Handed Transatlantic Yacht race after a bet with his friend Francis Chichester. The Hasler Trophy was presented by Lloyds Underwriters to commemorate the raid of the so-called 'Cockleshell Heroes' and has been competed for since 1957. Major Hasler died in 1987 and Bill Sparks died on 30th November 2002, only ten days short of the sixtieth anniversary of the raid. In 2003 the Marathon Committee decided to inaugurate a new trophy named in honour of Bill Sparks, which goes to the highest placed veteran K2 in the highest division at the Hasler Final.

INTERNATIONAL MARATHON MEDALS

Prior to 1982 major international competition comprised the Grand Prix series of two or three races per year. In 1982 World Cups were introduced every year as the premier international event in addition to one or two Grand Prix.

From 1988 World Championships were introduced in alternate (even) years with World Cups remaining in alternate (odd) years. One or two Grand Prix races continued every year.

From 1995 European Championships were introduced in alternate (odd) years.

From 1998 World Championships were held every year, the old World Cups (in alternate odd years) ceased and the Grand Prix races were renamed as World Cups.

In 2001 Junior World Championships were introduced every year.

INTERNATIONAL MARATHONS

SELECTION POLICY FOR GREAT BRITAIN REPRESENTATIVE TEAMS

Objectives

- 1 To win medals at World, European Championships and World Cup events.
- 2 To maintain a position as a top nation in international competition.
- 3 To ensure the long-term athlete development required for international success.

This policy may be amended or supplemented by the BCU Marathon Racing Committee at its discretion in order to achieve the above objectives to cover exceptional circumstances. Every effort will be made to ensure as much notice as possible is given to all persons affected by any change.

Process of Selection

- 1) Each year, the ICF publish an International Calendar from which a programme of International Events to be attended is selected. Due regard is given to the Objectives and to budgets. Some events may be designated "Development". The programme is specified in the Racing Handbook.
- 2) The basic team composition for each event will be detailed in the Racing Handbook. Changes may be necessary to suit all the factors affecting team size and budgets.
- 3) The selection of Great Britain teams for **all** main internationals will be made on a **continuous assessment, open-to-all basis**. The composition of the team for each event will depend entirely on paddlers being and proving that they are of sufficiently high standard.

(The system of **continuous assessment** as opposed to one of 'first past the post' at a nominated selection event has been in operation for several years and has operated very well. It allows the selectors to consider an athlete who has under performed in any one race. This could be due to illness or equipment failure. It also means that consideration can be given to improving athletes who may not be winning but show potential for the future.)

Teams will be selected from the results of assessment races and current season internationals, as detailed in the Racing Handbook, on the basis of their ability to fulfil the Objectives above.

In exceptional circumstances, the Selection Committee may consider international results from previous seasons even where the athlete has no assessment race or international results from the current season.

- 4) All athletes seeking selection should race in the Assessment class corresponding to the category for which they are seeking international selection unless otherwise instructed by the Selection Committee. The Selection Committee reserve the right to disregard results gained by athletes racing in the wrong class.
- 5) Athletes wishing to be considered for International Events must comply with the following conditions.

INTERNATIONAL MARATHONS

- a) They must be Comprehensive BCU members throughout the year.
 - b) Having due regard to their availability for selection and their preferred programme, they should apply by completing the Availability Form and returning it by the dates specified in the Racing Handbook.
 - c) They should be prepared to meet all assembly costs and pay a contribution towards food, as detailed in the Racing Handbook.
 - d) They should be prepared to travel and be accommodated in the best interest of the team.
 - e) They must be prepared to accept the Team Coach's direction with regard to training and racing while abroad.
 - f) They must be prepared to dress and conduct themselves in a manner befitting a British Team representative, and promote the good name of British canoeing both at home and abroad.
 - g) They should be prepared to give support to Sport UK, Sport England and the Lottery in promotional aspects, in return for the Grant Aid received.
 - h) They should wear the GB tracksuit and team clothing provided, on all suitable occasions.
 - i) They should compete in the appropriate Assessment events.
- 6) The principles guiding the Selection Committee will be as follows. The best team available to represent Great Britain will be selected having regard to the following.
- a) Winning medals at World & European Championships and World Cup events.
 - b) Gaining National Team points.
 - c) Experience enhancement and development potential commensurate with the level of the Competition.
 - d) Available budget for an event that supports the overall Marathon programme.
- 7) The BCU Marathon Racing Selection Committee shall consist of the following:
- a) The Chairman of Selectors, appointed by the BCU Marathon Racing Committee, who will Chair all selection meetings.
 - b) Up to 5 members nominated by the BCU MRC.
 - c) The Marathon Team Manager(s) for the event(s) are invited to attend the selection meetings.

Selectors are required to make every effort to attend all Domestic Assessment events, to ensure that a true and accurate assessment of current abilities can be made.

2014 INTERNATIONAL PROGRAMME

The Committee will provide as full a programme as possible in 2014, but this is subject to the funding we receive. The intended programme for the year is set out below, but it must be understood that the events supported and the sizes of the teams may change depending upon funding.

For practical purposes these applications must reach the MRC four weeks before the event. They should be sent to David Enoch, except entries for the Sella Descent, which should be sent to Andy Goodsell at the BCU Offices at the National Watersports Centre, Nottingham by 1 July latest.

The applicant will be liable for any costs incurred, e.g. entry fees (even if he / she does not subsequently compete).
