FOREWORD

We had an excellent year at international level. The outstanding result was when Paul Darby-Dowman and Tim Brabants became Junior World Champions in the K2. In the Senior World Championships, Stephen and Andrew Train finished fifth in the 1,000m C2, and so qualified for the Olympics. Our congratulations go to all four for their inspiring performances. They give us great hope for this year's Olympics in Atlanta.

The regattas at Nottingham continued to be well attended, even if at times the weather was not too favourable.

The Placid Water Coaching Scheme has continued to move forward during the year, and we hope many more people will now take the opportunity to become instructors and coaches.

We thank all organisers, coaches, parents, and supporters for their continuing and essential support, and wish our paddlers every success during this Olympic year.

Good paddling.

THE RACING REGISTRATION SCHEME

Introduction

The Racing Registration Scheme was introduced in 1977 by the Racing Committee who were concerned over the lack of an efficient communication system between the Committee, competitors, officials and Regatta Organisers, and its inability to ensure that only B.C.U. members competed at regattas.

The Scheme also enables the committee to establish how many active racing canoeists there are in the country at any one time, and provides a means of communicating with them.

The Registration Number is the unique numerical identification for each paddler, and is used in computer programmes when programming a regatta. **Only Registered Paddlers will be allowed to compete in B.C.U. Events at N.W.S.C., Entries submitted without a Registration Number will not be accepted.**

Initial Registration

This may be done in one of three ways:-

1. At the Canoe Exhibition (Racing Stand).
2. At any N.W.S.C. Regatta, at the Secretary's desk.
3. By post with the Registration Officer (Send S.A.E. please).

In all cases the following are required:

1. Full Name and Address.
2. Date of Birth.
3. Club.
4. Your ranking (if known).
5. A Coaching Scheme Certificate of Standard for 500m which states the actual time taken for your trial.
6. Proof of current B.C.U. Membership (a photocopy of your card is acceptable).

Renewal of Registration

Competitors will remain on the register and retain their racing number until such times as they have not competed for two years, or their B.C.U. membership has lapsed. on production of a current B.C.U. card, anyone deleted from the register may re-register if they so wish.

Current Lists of Registered Paddlers are intended as 'working' lists and only include paddlers who have raced during the last two years and those who are fairly certain to race in the current season. Anyone who does not appear on the lists will have been transferred to the storage file and can be brought back to the 'live' file at any time they return to racing. If we can keep these lists as up to date as possible, it speeds up the process of compiling the programmes.

Youth paddlers who initially registered as Cadet members will remain on the register but should join the B.C.U. as full Youth members at the end of the first year. They should inform the Registration Officer of any change of number.

The Registration Officer, 42 School Road, Molesey, Surrey KT8 0DN

When registering by post please send S.A.E. for the return of your B.C.U. card and the Registration Number.

5. Notes on Classes

- a) Kayak competitors are divided into three age groups, Youth, Senior and Veteran. These three kayak classes are then divided into Men and Women. These three subdivisions then being further divided into ability groups. Canadian paddlers are divided into three ability groups regardless of age.
- b) Youth Paddlers will paddle in the four youth divisions according to their individual ability. Promotions within these classes will be done on the basis of improvement in standard of performance. When applying for registration the time certificate submitted should show the time recorded on the 500m test in order that new paddlers can be classified correctly. Beginners do NOT automatically start in the "D" group.
- c) The chart "Standards for Sprint Racing", demonstrates the way in which the subdivisions are made according to speed.
- d) The status of a paddler in a kayak class has no bearing on their status in a Canoe.
- e) Mixed Events, in which male and female competitors race together in the mens classes, are permitted, provided the races are of parallel standard to that of their designated classes.

TEAM LEADERS HANDBOOK

- f) Open Events - In order to facilitate programming we reserve the right to combine classes in any distance at any regatta, with the exception of National Championship events, which will all start separately provided there are sufficient entries.
- g) Paddlers must race ONLY in their designated class for singles events (K1 and C1) at N.W.S.C. Regattas. Competitors may race above their designated class in crew boats only. Exceptions may be made when O.R.S. coaches wish to enter squad paddlers in higher classes.
- h) A Youth paddler may race in crew boats in a senior class equivalent or above the standard of his own youth standard. eg. BAK= MBK (see chart).
- i) All paddlers will be graded into classes according to the standards set out on the facing page. Coaches should use the Coaching Scheme 500m Racing Tests as preparation for paddlers entry into racing. See chart opposite.
- j) Youth National Championships
Youth Paddlers will race in the following Age Groups
 UNDER 18(BORN 1978) A
 UNDER 17(BORN 1979) B
 UNDER 16(BORN 1980 or 1981) C
 UNDER 14(BORN 1982 or later) D

A youth paddler, who has been promoted to Senior Status on ability, may for National Championship Events only race in his/her youth age group.

4) Promotions/Demotions

- a) Will be made throughout the year on the basis of standards laid down, and using the race results.
- b) Are not automatic, and need to be ratified by the S.R.C nominee before taking effect.
- c) Will be notified on the regatta results and should take effect at the next regatta.

5) Veterans

Paddlers born before 1961 may compete in the Veteran class unless Mens A or B

6. Check your Programme

Prior to the Team Leaders Meeting it is essential for each Team Leader to make a careful check of all his entries. It is best to keep a copy of your entry for this purpose. If there are any omissions or if you wish to make substitutions, mark your programme: the Team Leaders Meeting goes very quickly, and leaves no time for hesitation.

It is not uncommon for the regatta organisers to make a few mistakes with the entries, but it is your responsibility to check the programme. Once a race has been passed during a meeting it is not normal to go back.

The event organisers will do their best to arrange the programme so that all races in each class are well spaced out, giving a minimum rest period of 40 minutes between races. Any competitor racing outside his designated class in crew boats cannot depend on the programme accommodating this situation satisfactorily.

7. Team Leaders Meeting

It is intended to hold only one meeting per regatta, at 0800 hrs on the Saturday morning (unless otherwise stated) in the Lecture Room. If the meeting cannot be completed in a reasonable time it will be adjourned and the time of the reconvened meeting announced. Each club must nominate one representative to deal with alterations and late entries at the meeting. This nominated representative will be responsible for all the money owed for the entries he submits. This money must be paid by 12.00 Noon on Saturday. Failure to pay on time will incur a £5.00 surcharge which must be paid by the end of racing on Saturday. Failure to meet this deadline will result in all paddlers from that club being disqualified from Sunday's racing.

TEAM LEADERS HANDBOOK

Procedure

- a) Team Leader signs in on arrival.
- b) Meeting commences promptly at 8.00 a.m.
- c) Technical announcements.
- d) If there are any objections to the programmed order of events they must be raised at this stage.
- e) Late entry provision:-
 - i. Events will be dealt with in order.
 - ii. The Competition Organiser will call out in order each set of heats(or finals, if there are no heats). Team Leaders should scratch any competitors who do not intend to race, or make suitable substitutions. They should call out the lane number first then the competitors name(s).
 - iii. If there are any vacant lanes the Competition Organiser will then ask Team Leaders to raise one hand for each late entry they wish to make. If there are more late entries required than there are vacant lanes available, a draw will take place.
 - iv. It is not permitted to return to an event which has been concluded.

8. Entries after the Team Leaders Meeting

Entries after the meeting for laned races will only be accepted in exceptional circumstances, and at the discretion of the Competition Organiser.
Late entries will be accepted for long distance events (3k, 6k, 10k.), up to one hour before the race, on payment of the appropriate late entry fee. Entries can be made on the form as shown below.

9. Club Colours

Must be worn by all competitors in all events at the N.W.S.C. regattas.

- a) In K4 crews where more than one club is represented, paddlers must wear the colours for the club in whose name they are registered.
- b) Clubs racing for the first time at a N.W.S.C. regatta may request exemption from this rule by application to the Regatta Organiser; but the competitors should wear a plain white shirt with no markings. The club must then register its colours before taking part in subsequent events.

10. Numbers

- a) It is a requirement that clubs should provide their own lane numbers as prescribed in the Racing Rules for races up to 1000m in length.
- b) Sets of numbers 1-9, and suitable mounting brackets for kayaks and canoes, are available for sale from the Raft Marshall's office.
- c) For races over 1000m in length, the competition organisers will issue numbers. These will be of a type that fix into a slot on the deck of the boat, all competitors must ensure that their boats are fitted with these slots.
- d) Numbers for long distance racing can be obtained from the Raft Marshall, and may be collected by Team Leaders ONLY. A deposit of £10.00 must be left by every club collecting numbers, regardless of how many numbers are required. This money can be reclaimed at the end of the day when all numbers are returned; alternatively it can be left with the Raft Marshall to cover for numbers which will be required for Sundays racing, and would then be returned Sunday evening when all numbers were collected in.
- e) Lost Numbers, will be charged at £2.00 per number, and the amount deducted from the deposit before it is returned.
- f) A form will be available at the meeting on which the Team Leaders should order the numbers required for the day's long distance races in advance. This form should be handed in to the Raft Marshall's office. He will then make up your requirements for collection later in the morning, (after 11.00).

ALL CANOES AND KAYAKS MUST BE FITTED WITH NUMBER SLOTS

TEAM LEADERS HANDBOOK

11 K2/K4 Crew Names

Notification of crew names must be made at the Regatta Office at least 30 minutes before the race. Any crew which has not notified the full set of names will be allowed to start the race but will not appear in the results, nor will they go forward to the next round of the competition. Paddlers who take the place of other paddlers without the proper substitution will be allocated 2 penalty points and disqualified from the event.

Team Leaders may ask for multiple copies of the form below:-

CLUB	Time Received
RACE NO	Time
LANE NO	
CREW	
FEE RECEIVED £	Signed
Team Leader	

12 K4s

- They will be stored on racks outside the Raft Marshals Cabin
- Crews must not sit in the K4s *except when they are on the water*.
- Young paddlers must be supervised by a responsible adult when handling the K4s onto and off the water. The Raft Marshall reserves the right to refuse the boat to any youth crew which is not accompanied by an adult.
- Check your K4 before you use it. If it is not in order please report the fact to the Raft Marshall. The crew that previously used the boat will be held responsible.
- K4s can be booked for any race during the course of the day as soon as the Raft Marshals Office is open.
- Crews must supply their own wing-nuts and toggles when they report to collect the boat they have booked.
- Crews must use the boat allocated.

13 Protests & Disqualifications

- Notification of disqualification will always be made to the Team Leader or his nominated reserve. Except in National Championship Events, there will be no appeal against disqualification.
- In a National Championship event, a protest must be made by a paddlers Team Leader.
- Team Leaders should realise that it is impossible to adequately umpire all races in every regatta. Where infringements are observed by an umpire, these will be reported to The Chief Official, who if necessary will inform the offending paddlers Team Leader.
- Often however, infringements will not be observed by the umpires, and Team Leaders should realise that they have a responsibility to explain the situation to young paddlers who may easily become frustrated by what might seem to be an arbitrary system of justice.

14 Results

If a copy of the results is required, please send a S.A.E. marked RESULTS with your entry, or leave an addressed envelope and the appropriate postage at the Regatta Office.

TEAM LEADERS HANDBOOK

15 Car Parking

Team Leaders MUST take an active part to see that club members observe the car parking lines, and no vehicles on the course road rulings. Parked cars must not obstruct the launching access for K4s to the concrete pontoons in front of the boathouses. Particular attention should be paid to the access road in the vicinity of the Centre Buildings. Access for emergency vehicles must not be impeded.

The area on the boathouse side of the tower on the waterfront is a No Parking Area.

- ★ **Particular attention is drawn to safety requirements**, especially the need for adequate buoyancy in all boats.
- ★ **Sufficient fixed buoyancy must be securely fitted to all boats before they are allowed on the water.** Severe penalty points (and disqualification) will be incurred by all those ignoring this requirement. This is intended to ensure the safety of all those on the water.

NATIONAL WATER SPORTS CENTRE REGATTAS

Disciplinary Procedures

The Chief Official

The Chief Official will be solely responsible for all disciplinary matters of a minor nature, under the operation of a penalty points system. at his own discretion, he may issue up to three penalty points for a single offence.

Racing in incorrect or wrong colours	1 point
Racing with incorrect or no number	1 point
Failure to observe water zoning procedures	1-2 points
Unauthorised substitution for another paddler	2 points + Disqualification
Failure to report for Semi-Finals and/or Finals having qualified in the heats (National Championships)	2 points
Conduct during racing likely to cause injury or damage to equipment	3 points
Use of bad or offensive language	1-3 points
Underweight Boat	1-3 points+Disqualification
Underweight Boat(2nd offence at same regatta)	Disqualification from regatta ★
Failure to report for boat weighing immediately	2 points
Insufficient Buoyancy	2 points ♦
Insufficient Buoyancy(2nd offence at same regatta)	Disqualification from regatta ♦

★ Disqualification from the rest of the regatta if the offence is committed on Saturday. Should the offence occur on a Sunday, the offender will be banned from racing on the first day of the next regatta. Weights must be properly fixed to the boat or seat. Stones in bags or any other removable temporary system will not be accepted. A policy of random Boat Weighing will be continued through the year. Boats required for weighing will be notified at either Start or Finish.

♦ Random inspections will be made at launching points, and if buoyancy appears inadequate, 2 points will be awarded immediately, and the boat turned back. If the boat goes on to race, without fitting in the correct buoyancy the offender(s) will, if the offence is committed on the Saturday, be disqualified from the rest of the regatta. If the offence is committed on the Sunday, the paddler(s) will be banned from racing on the first day of the next regatta. Persistent offence by paddlers from any one club may eventually result in **ALL** paddlers from that club being banned from a regatta.

'A' Classes will be subject to maximum penalty, and more stringent inspections. An official will be checking both buoyancy and boat weights, and keeping records of his findings. Inspections may be carried out both prior to, and after, craft go afloat.

Totting Up

- When a paddler achieves a total of 4 points he/she will be automatically disqualified from the next full days racing. In two day regattas, if the incident occurs on the Saturday the disqualification becomes effective on the Sunday. If the incident occurs on the Sunday the disqualification will be for the Saturday of the next regatta. Penalty points awarded will be notified on the result sheet at the end of each regatta.
- A paddler who collects a further 3 points during any one season making a total of 7 in all, will be disqualified for the next two days racing.
- A paddler who achieves a total of 4 or 7 points during the last regatta of the season, will serve his suspension at the first regatta of the next season.
- All other paddlers will start the new season with a clean sheet.

Team Leaders will be informed when a warning or disqualification is effected. The notification will also appear on the result sheet.

It is intended to keep the Class List & Promotions up to date despite the temporary amalgamation of classes. Juniors paddling in Senior Classes may have a promotion-worthy performance overlooked. We would appreciate if any such omission on our part were drawn to our attention as soon as possible.

THE MCGREGOR PADDLE COMPETITION

The McGregor Paddler Competition should reflect the success of a club in both recruitment of active members and excellence of performance. It has not been easy to develop a formula to judge this competition on these criteria, but the following system is currently used.

Scoring

Each category of the National Club Team Competition scores 0 points for 1st place, 9 for 2nd, etc., irrespective of the number of clubs competing. The McGregor Paddle winners would be the club which scored the most points on this basis over the 5 categories.

National Club Team Competition

This is run in the following classes :

- | | |
|------------------------|-----------------------------|
| 1. Senior Men Kayak | (MAK MBK MCK MDK MVAK MVBK) |
| 2. Senior Ladies Kayak | (WAK WBK) |
| 3. Junior Men Kayak | (BAK BBK BCK BDK) |
| 4. Junior Women Kayak | (GAK GBK GCK GDK) |
| 5. Open Canadian | (All Canadian Paddlers) |

Rules

1. Composite crews (with members from more than one club) do not score.
2. There must be three crews entered in a race before points are awarded.
3. At least 50% of a crew must be registered in the class in which the boat is entered. e.g. In MCK4 at least 2 paddlers must be registered as MCK, otherwise the boat does not score.
4. Every crew entered in a heat is awarded one point.
5. No points are awarded for semi-finals.
6. Points for finals are awarded as follows:-
1st - 10pts, 2nd - 8pts, 3rd - 7pts, 4th - 6pts, 5th - 5pts, 6th - 4pts, 7th - 3pts, 8th - 2pts, 9th - 1pt.
In finals where there are less than 9 boats the scoring will be reduced pro rata. e.g. in a race with only 4 competitors, the winner would score 4 points, 2nd - 3, 3rd - 2 etc.
In finals where there are non-scoring boats (composite crews etc.), although the score for first place may go to a non-scoring boat, it will not be added to his club total. This will not change the scores for the other placings, 2nd place will still score 8, 3rd place 7 etc.
7. For 3k, 6k and 10k events the points will be awarded exactly as above, but one point would be given to every finishing boat after 8th position.

Note

Competitors could compete in K1 and C1 events provided they used the correct boats and can perform to the required standard for the classes they enter. They must have proven ability to race at this standard and must therefore have raced C1 at least one other Nottingham Regatta.

PLACID WATER RACING AWARDS

The Placid Water Scheme was set up as a coaching scheme to develop marathon and sprint racing, and fast touring. The various *skill*, *racing*, and *coaching awards* are designed to offer a progressive coaching and paddling structure to support clubs based on placid water. Outlined below are the RACING awards currently available in the Placid Water Scheme(PWS).

PLACID WATER MARATHON & SPRINT RACING AWARDS

The Racing Tests are designed to encourage paddlers to improve performance and recognises their progress in racing kayak and canoe. They are also useful to indicate the class or division to which paddlers should enter in sprint and marathon racing. There are three types of award:

- 1) The 500m Awards
- 2) The Marathon and Half Marathon Awards
- 3) The Time Trial Awards

The awards can be examined by Placid Water Teacher, Instructor, Senior Instructor, Competition Race Trainer, Competition Coach, Club Official. They can be taken in any kayak or canoe.

1 The 500m Award Standards (Times in minutes - single canoe/kayak).

Kayak Men	Kayak Women	Canoe	Award
4.00	4.20	5.00	Green
3.30	3.45	4.00	Blue
3.05	3.20	3.20	Bronze
2.45	3.00	3.05	Silver
2.30	2.45	2.45	Gold

1.1 Marathon Entry Guidelines

To promote fair racing, and as a guideline for coaches, team leaders, and paddlers, the following standards are suggested as the entry levels into divisional marathon competition:

Award	Kayak Men	Kayak Women	Canoe
Green	Fun Race	Fun Race	Fun Race
Blue	Division 9	Division 9	Division 9
Bronze	Division 8	Division 9	Division 9
Silver	Division 7	Division 8	Division 8
Gold	Division 6	Division 7	Division 7

1.2 Sprint Entry Guidelines

The Sprint Entry Guidelines are for clubs wishing to enter paddlers in Sprint Regattas held at the National Water Sports Centre, Holme Pierrepont. A Coaching Scheme Certificate, or photocopy, must be sent to the Race Registration Officer when a paddler registers for Sprint Racing. The certificate should state the actual time taken to make sure that paddlers are entered into the correct class.

Kayak Men	Kayak Women	Canoe
Senior Men - Gold	Senior Women - Silver	All Classes - Silver
Junior Men - Bronze	Junior Women - Bronze	
Veteran Men - Bronze		

Note: To qualify for National Regattas, the standards must be achieved in a modern racing single canoe(in high kneeling position), or single kayak(with seat).

PLACID WATER RACING AWARDS

2 THE MARATHON AND HALF MARATHON AWARDS

These are a number of races in the National Calendar which provide a suitable venue for the testing of these awards. The standards may be adjusted to take account of courses slightly longer than the award distance, flow, and portages (allow 3 minutes per portage).

STANDARDS (Time in Hours and Minutes)						
Half Marathon (13 miles)				Marathon (26 miles)		
Boat	Bronze	Silver	Gold	Bronze	Silver	Gold
Single Canoe	Finish Course	3hrs 15min	2hrs 45min	Finish Course	6hrs 30min	5hrs 30min
Double Canoe	Ditto	2hrs 45min	2hrs 15min	Ditto	5hrs 30min	4hrs 30min

Double Kayak	Ditto	2hrs 15min	2 hrs	Ditto	4hrs 40min	4 hrs

3 TIME TRIAL AWARDS

The Time Trial Award can be tested over any distance from 2000 to 10,000 metres, and is awarded on the basis of speed (minutes per 1000 metres), and can be attempted in any type of canoe or kayak. The award is designed to be flexible, to suit whatever placid water is available. Testing can be organised as part of a fun race, a club handicap race, or a specially organised time trial.

Award	Single Kayak	Double Kayak	Single Canoe	Double Canoe
Blue	10	9	12	10
Bronze	9	8	11	9
Silver	8	7	10	8
Gold	7	6	9	7

REGISTRATION OF THE AWARDS

In 1995 there has been an important change in the administration of the RACING AWARDS. The **Placid Water Coaching Development Committee** is responsible for the administration and promotion of the PW Racing Awards on behalf of the BCU Coaching Service.

For the examiner to register Placid Water Racing Award with the BCU, they must fill in a BCU Coaching Scheme Counterfoil available from the address below, and return it completed together with the fee (£2.50/test, payable to BCU PW Coaching Development) to:

PW Coaching Administrator
c/o B.C.U. Office
Adbolton Lane
West Bridgford
Nottingham NG2 5AS

All monies raised by these awards will be retained by The Placid Water Competition Coaching Development Committee. It is, therefore, in the interest of racing clubs to make sure that the scheme is a success.

PLACID WATER COACHING AWARDS

Coaching is a most important factor in improving participation, performance, and excellence levels of the paddlers involved in Marathon and Sprint racing. The BCU Placid Water Scheme was designed specifically to support and develop the levels of coaching in racing clubs. The Placid Water Coaching Award Courses offer an opportunity to develop and recognise technical knowledge, safe practice, and coaching skills for both canoe and kayak racing.

The awards fall into two broad groups:

1 The Competition Coaching Awards

The Competition Awards are intended to support those people who are coaching individuals and groups of paddlers to greater success in competition on an ongoing basis. There are two award courses available. The *Competition Trainer* provides a good introduction to sports coaching for Marathon and Sprint racing, but does not involve or require any paddling ability. The *Competition Coach* builds on experience gained in practical coaching following Competition Trainer, and covers the coaching of clubs and individual paddlers within clubs in more detail. The *Senior Competition Coach* is an honorary award for National Level Coaches, and is awarded by the Director of Coaching after consultation with the Sprint and Marathon Committees.

2 The Instructional Coaching Awards

The Instructional Awards are intended for those introducing beginners, instructing and organising activities within a placid water club. There are three awards in the progression. The *Placid Water Teacher* is the introductory level coaching award, and it is recommended to all entering either competition or instructional Placid Water Coaching. The *Placid Water Instructor* covers the instruction of groups, and the *Placid Water Senior Instructor* includes introduction, instruction, and club leadership.

Anyone requiring further information on the Placid Water Coaching Awards should contact BCU headquarters for a leaflet giving a full explanation of the awards.

Regional Development of Placid Water Coaching

To support the renewed development of the Placid Water Scheme around the country, there is a series of Regional Representatives that make up the Placid Water Coaching Panel. They hold up to date information on Competition and Instructional Coaching Courses in their region. The regional representatives, whose full addresses are shown in the directory at the front of this book, are:

WEIL'S DISEASE

What is it ?

Weil's disease is a very rare illness to which water users may be exposed. Weil's Disease is a bacterial infection carried in rats' urine which contaminates water and wet river banks. The bacteria does not survive long in dry conditions. It can occur in any water, including swift streams and rivers. The likelihood of becoming infected is greater from stagnant or slow moving waterways, particularly in high water conditions.

How serious is it ?

It can be a serious illness requiring hospital treatment. One patient in 19 dies from it. Weil's disease is a notifiable illness.

How can I catch it ?

The bacteria are absorbed through the skin mucous membranes of the mouth and eyes. It gets into the blood stream more easily if you have a minor cut in the skin or feet, or if you capsize.

What should I do about it ?

If you fall ill with the symptoms after water sports, particularly 3 - 19 days following, then you should see your doctor immediately.

The most common symptoms are :- temperature, and influenza-like illness, and joint and muscle pains (pains in the calf muscles are often particularly noticeable.)

Your Doctor

- During a routine visit to your Doctor advise him that you participate in water sports.
- Advise him of the existence of:
The Lepto Spirosis Reference Unit
Public Health Laboratory
County Hospital
Hereford HR1 2ER
- Ask him to make note on your personal file.

Things to do

- Wash or shower immediately after water sports.
- Cover minor scratches and cuts with water proof plaster.
- If you have flu-like symptoms go to your Doctor early, and advise him that you are a water sports participant, and insist in the full ELISA blood test, which can be carried out quickly in a local laboratory.

OLYMPIC RACING SQUAD

Policy

1. In formulating its Olympic preparation policy, the Racing Committee has reaffirmed its confidence in the concept of the Olympic Racing Squad, which it believes provides outstanding opportunities for training and competition that would not be available in any other training situation. Scarce and meagre resources may be maximised, for minimal financial expenditure, and the best available conditions are established for the creation of National Crews, the improvement of individual skills and fitness, the supervision and monitoring of performance, and the development of a national perspective.

Olympic Racing Squad

2. The Committee has agreed that a National Olympic Racing Squad be selected this year to provide for the coaching and training needs of potential competitors at both senior & junior World Championships.
The Squad will be composed of a maximum of 73 athletes, 12 coaches, one of whom shall be the Chief Coach.
3. Membership of the Squad is by invitation to those athletes who are of a sufficiently high standard, and who are prepared to undertake the sustained training and crewboat preparation that is required.
4. The Squad will function from 1st November to 30th September each year. Members will be selected by the O.R.S. coaches by reference to past conduct and performance during the previous season, and ratified by the B.C.U. Racing Committee.

Composition

5. The numbers of the various competition categories (i.e. Kayaks, Canoes, Men, Women, Boys, and Girls) will be subject to the circumstances at the time, and within the overall approved limitations :

Seniors - 41	Juniors - 32	Total - 73
--------------	--------------	------------
6. To ensure that the concept of a unified national preparation and training programme is maintained, the Olympic Racing Squad will be administered as one unit, with management and coaching personnel available to perform their duties, as from time to time required, for and on behalf of the Racing Squad.

Objectives

7. The primary objectives of the Olympic Racing Squad will be to develop and improve national standards of performance to a level sufficient to ensure that our competitors perform with distinction.

Activity

8. The emphasis of all Olympic Racing Squad activity will continue to be placed on crew and team training. Firm direction will be provided regarding the formation of National Crews. Improved arrangements for the provision of personal coaching in the local training environment will be provided by all O.R.S. coaches. Costs of their expenses are to be born by the club or individual requiring their services. (Sports Aid Grants do include the costs of coaching). Help will be given to those members of the Olympic Racing Squad who receive no coaching support by the O.R.S. Chief Coach.

OLYMPIC RACING SQUAD

9. The Racing Committee will, where possible, undertake to meet a proportion of the reasonable travelling expenses of the O.R.S. members from the funds to which it has access. Priority will be given to the O.R.S. training camps and crewboat training. Subject to the funds being available, the following will apply:

One person in a car	25% of the costs
Two people in a car	50% of the costs
Three people in a car	75% of the costs
Four people in a car	100% of the costs

Payments for training camps will be at the discretion of the Chief Coach or Team Manager.
Payments for crew boat training will be at the discretion of the Chief Coach.

Conditions of Membership

- 9a. All paddlers accepting the benefits of membership of the O.R.S. must undertake during their membership to:
1. Be a fully paid up member of the British Canoe Union.
 2. Attend all officially designated national Olympic Racing Squad training sessions, other than in unusual and permissible circumstances. Notification of non attendance must be given at the earliest opportunity, so that valuable resources are not wasted. Athletes failing to do this will be asked to pay the full costs of all services that have been booked on their behalf.
 3. Members of all ORS squads must be prepared to commit themselves to a sustained programme of preparation and training that will ensure the maximisation of their potential performance.
 4. Accept direction regarding crew composition in order to form their own, and to assist in forming other crews.

Junior Development Squads

In addition to the Junior ORS, the Junior Development Squad, which was established in 1993/4, will continue to operate on a regional basis.

JDS (North) Coach
JDS (South) Coach

Graham Campbell
David Howie

01386 870072
01276 475030

Aims

1. To encourage the development of junior racing.
2. To provide a formal link with the Junior ORS.
3. To provide early experience of international competition at an appropriate level.
4. To monitor the training of promising Junior paddlers through liaison with their club coaches.
5. To encourage the development of crew boats through inter club co-ordination.

Objectives

There will be regular training days during the winter on a national and regional basis at various venues. These will be open to all members of the JDS (i.e. all Junior Boys A, B, & C and Junior Girls A, B, & C and all Junior Canoe paddlers who are not in the Junior ORS).

Selected JDS crews which have been developed during the winter training will be sponsored for entries in 500m and 1000m events at the April, May, and June regattas at Holme Pierrepont. Selected members of the JDS will also have the opportunity to compete at up to two international regattas. Although all age groups will be represented on these international trips, the priority for selection will be given to Under 16, then Under 14, and finally Under 18 paddlers.

Further details are available from the JDS Coaches.

OLYMPIC RACING SQUAD

Selection Policy 1996

The Olympic Racing Squad as shown in the Year Book will form the basis of the teams which will represent Great Britain at the Senior and Junior World Championships. Up and coming paddlers outside the O.R.S. will still be eligible for international team selection provided that they are in serious training. Selection of major international teams will be made by the Competition Committee. Teams for the World Championships will be ratified by the Sprint Racing Committee.

Changes to the Squad may be made during the season, subject to ongoing assessment of both crew and individual performances. The selection of the World Championship Teams, and changes to the Squad, can only be made at a meeting of the Competition Committee. Selection of the Teams will be based on the coaches' judgement, and on performances throughout the year.

The following target times have been set by the O.R.S. coaches, and ratified by the Sprint Racing Committee. These times can be used as a guide to both paddlers and coaches. They do not represent the time(s) needed to gain selection, they can be used as goals for many paddlers.

To clarify this, the best International Times have been included in brackets. Some of the 1995 Junior International Times have been slow! These have been followed by a question mark.

TARGET TIMES
(Best International Times in brackets)

		200m	500 m	1000 m
Senior Men Kayak	K1*	.40(.37)	1.45 (1.40)	3.43 (3.37)
	K2	.37(.34)	1.35 (1.30)	3.24 (3.18)
	K4	.34(.31)	1.28 (1.23)	3.04 (2.56)
Senior Canoe	C1	.46(.42)	2.00 (1.52)	4.10 (4.02)
	C2	.42(.38)	1.50 (1.42)	3.52 (3.39)
	C4	.39(.35)	1.40 (1.34)	3.30 (3.22)
Senior Women Kayak	K1	.46(.43)	1.56 (1.48)	
	K2	.43(.39)	1.48 (1.42)	
	K4	.40(.36)	1.40 (1.36)	
Junior Men Kayak	K1		1.52 (1.48)?	3.54 (3.46)?
	K2		1.42 (1.43)?	3.38 (3.32)?
	K4		1.34 (1.31)?	3.18 (3.14)?
Junior Men Canoe	C1		2.10 (2.06)?	4.22 (4.16)?
	C2		2.06 (1.56)?	4.16 (4.00)
	C4		1.52 (1.40)?	3.50 (3.42)
Junior Women Kayak	K1		2.06 (2.00)?	
	K2		2.00 (1.50)?	
	K4		1.50 (1.44)	

It is the policy of the O.R.S. to support all paddlers and crews who achieve these targets on fair courses in fair conditions. If there are insufficient funds, the members will be asked to contribute to the overall cost of their trip.

Where no paddler or crew reaches the target time, consideration may be given to special cases as presented by the section coach or chief coach at the selection meeting.

SPORTS AID FOUNDATION GRANTS

The Sports Aid Foundation is a charity, run as an entirely independent organisation, devoted to raising funds in order to assist with costs which an athlete incurs on top of their normal living expenses. It is managed by a Board of Governors who volunteer their services, assisted by a committee of voluntary advisers. The Committee includes members nominated by the Sports Councils for Wales, Scotland, and Northern Ireland under the chairmanship and vice chairmanship of two independent members nominated by the Board of Governors.

Canoeists have received a good deal of support from the S.A.F. over the years, and we are most grateful for their generosity. This has hopefully been justified by the level and range of results which our paddlers have achieved.

International Grants

International grants are available to paddlers who are likely to perform with distinction at world championships, and other major events. Each year those names which are worth submitting for consideration are put forward by the discipline concerned.

Individuals should not apply to S.A.F. in London direct. If you have a query, please take it up initially with your National Coach.

Regional Grants

Each region is autonomous, and the available funds vary from area to area. The main criterion is that the individual concerned should be showing good potential to achieve national honours at either junior or senior level. Each Region in England, and each National Association, has a liaison officer, who can be requested to put a paddler's name forward for consideration. Alternatively, the S.A.F. in the region can be contacted direct, and they will refer back to the regional/national officer for confirmation. A standard form is available from the regional S.A.F., regional/national S.A.F. liaison officer, or the B.C.U. office.

Purpose of Grant

In both instances (international and regional) help is given, in accordance with personal needs, for the following items.

- a. *Additional* costs incurred by the individual in lodgings for training.
- b. *Additional* costs incurred by the individual for special food.
- c. *Additional* costs incurred by the individual for essential preparatory competition not grant aided.
- d. Transport or travel for training.
- e. Equipment - but only small items of personal equipment including confirmation that the items have been or will be purchased by the individual.
- f. Coaching fees necessarily incurred by the individual.

Paddlers who are fortunate enough to have a National Sports Aid Foundation Grant should be aware that part of their grant is awarded for coaching. In the past coaches used to get their own Sports Aid. This helped towards their own costs, which are often as high as the paddler's own. It would seem that none of the paddlers receiving Sports Aid contribute anything towards the cost of the coaching that they receive. This is clearly wrong, and the situation is under review by the Racing Committee.

REGATTA OFFICIALS TRAINING

The training of officials is a highly important area of our activities from both a National and Regional point of view. Anyone interested in assisting at National regattas at Nottingham is encouraged to come and sit alongside more experienced officials to learn what is involved. Each year in November, a course is held at the N.W.S.C. to introduce anyone who wishes to help with either National or Regional events.

Candidates can progress from this course, through officiating at our own National and International Regattas to a standard where they become eligible to take the International Canoe Federation examination, so then becoming qualified to officiate at World Championships.

THE BASIC COURSE: The basic course is aimed at complete beginners and no previous knowledge or experience is assumed. All aspects of the organisation are covered in a basic and practical way. Particular attention is given to the organisation of low key, local events of all kinds. This course would be followed by practical experience at regattas, working alongside a more practised official to gain knowledge and experience.

THE SYMPOSIUM: This consists of discussion groups of more experienced officials who meet to discuss any problems which have arisen during the season, and methods of solving them. Additional training can be given in specialised fields for those aiming to take the I.C.F. examination.

The composition of a crew which has qualified for intermediate heats or for the final must not be changed.
- 27.4 Heats and the final shall be run on the same stretch of water. Participation in the final must depend upon times attained in the heats. For races of more than 1,000 metres, heats shall not be held, and all canoes or kayaks taking part shall start simultaneously.
- 27.5 Should the width of the water not permit a simultaneous start, starts at regular intervals shall be permitted.

28. Start

Lots shall be drawn to determine the stations of boats at the start. Lane One shall be on the left (when facing the finish), then lane two and so on. In competitions where heats are required, lots must be drawn for each heat separately (opening, intermediate, and final).

- 28.1 Competitors shall be at the start at the time specified in the racing programme. The start shall be given without reference to absentees.

Part IV - RACING REGULATIONS(cont)

- 28.2 The position of the boats at the start shall be such that the bows of the competing boats are on the starting line.
- 28.3 The starter shall call the attention of the competitors at the start with the words "Attention Please" and if the line is satisfactory shall give the starting signal by a shot. The shot can be replaced by the word "GO". The interval between the word "please" and the starting signal shall be between one and five seconds. If the starter is not satisfied with the line he will call "STOP" and hand over to the aligner for repositioning.
- 28.4 When races start from a pontoon or a dock an assistant holds the stern of the boat and releases it on the word "GO" (shot).
- 28.5 If a boat moves beyond the starting line after the word "Please" and before the starting signal, the competitor(s) has/have made a false start. The starter must immediately warn the offending competitor/s and if two false starts are made by the same competitor/s the starter must exclude him (her) from the race. a repeated warning and subsequent disqualification by the starter applies only to the boat/competitor(s) who caused the false start. Any competitor who disregards the second warning of the starter to take up the correct position at the start, and who keeps ahead of the other competitors, shall be excluded from the race in question.
- 28.6 Should any competitor break his paddle within 25 metres of the start, the starter shall immediately call back all competitors, and a new start shall be made after the broken paddle has been replaced. The team managers of the competing teams are responsible for having reserve paddles available at the start for their respective teams. The recall shall be made by means of a second shot.

29. Interruptions

The Umpire has the right to interrupt a correctly started distance race if unforeseen hindrances arise. Such an interruption may be effected in the same way as is prescribed for recall in 28.6 above. The competitors must immediately stop paddling and await further instructions. If a race is declared null and void, no change of the composition of a crew is permitted at the new start. In the event of a capsize the competitor or crew is eliminated from the race if he or they are not able to get in again without outside help.

30. Taking Pace and Hanging

Taking pace or receiving assistance from boats not in the race or by any other means is not permitted. When a race is in progress crews not taking part in the race are strictly forbidden to proceed over whole or part of the course, even outside the marking buoys.

- 30.1 Races up to 1,000 metres. In races up to 1,000 metres competitors must keep to their lane from the start to the finish of the course. It is forbidden to hang, and no competitor must come nearer than five metres in any direction to another competitor.
- 30.2 Races of more than 1,000 metres. In races over distances of more than 1,000 metres competitors may deviate from their lane providing they do not impede other competitors.

31. Turns

When a race is run on a course with turning points these shall be passed to port (i.e. in an anti clockwise direction). When going around a turning point, the competitor on the outer course must leave room for the competitor on the inner course if that competitor has the bow of his boat at least level with the front edge of the cockpit of the boat on the outer course. With respect to K2 and K4, this refers to the fore-cockpit. With respect to C1, it refers to the level of the competitor's body, and for C2 it refers to the level of the body of the foremost member of the crew. a competitor will not be disqualified for touching a turning buoy, unless, in the opinion of the Turning Point Umpires, an advantage has been gained therefrom. In making a turn, the boat shall follow as closely as possible the course as marked by the buoys at the turning point.

RACING REGULATIONS(cont)

32. Overtaking

When a canoe or kayak is overtaking another canoe or kayak in a race, it is the duty of the overtaking craft to keep clear at all times of the boat being overtaken. On the other hand, the craft being overtaken must not alter its course to make difficulties for the overtaking craft.

33. Collision or Damage

Any competitor who collides with another, or who damages the craft or paddle of another can be disqualified.

34. Finish

The finishing line is reached when the bow of the canoe or kayak with the competitor/s in it passes the line between the red flags. If two or more boats reach the finishing line at the same time they get the same classification in the final. In the case of a dead heat finish for any position which determines the advance to the next level of the competition the following rules will apply:

34.1 Wherever there are sufficient number of lanes available in the next level of the competition, drawing of lots will determine to which race each boat will advance.

34.2 Wherever there are not enough lanes available there will be a re-race between the boats involved 30 minutes after the race (and for International Competitions one hour after the last race of the day, or half day programme)

34.3 In the case of a dead heat in the re-race, drawing of lots will determine the outcome.

35. Racing Colours

Every racing club must register their racing colours with the Racing Committee (and any changes thereto). All competitors from a club must wear the correct colours at all times.

DOPING CONTROL RULES

June 1995

Do you use a Ventolin Inhaler?

If you have been prescribed a Ventolin inhaler, and compete at a level which might make you subject to a doping test, you are invited to register the fact with the B.C.U.'s Medical Officer.

Ventolin inhalers involve a drug called Salbutomal which is a banned substance under the International Olympic Committee's rules. It has been agreed, however, that users of inhalers, who register the fact with their governing body, will not be subject to the normal disciplinary procedures which follow the identification of a banned substance, if the amount detected is consistent with the declared use of a Ventolin inhaler.

Please send to the B.C.U. office for a registration form for completion by your general practitioner. Upon its return to the B.C.U. office, receipt will be acknowledged and the team doctor of your discipline will be informed. Should you be subject to a doping test the fact that your use on an inhaler has been declared should be made known to the officials concerned.

Banned Substances

The list of permitted and prohibited drugs is constantly changing. Members of national squads should received a card giving some basic advice. On no account should a member of a national squad take a new medication without first checking that it is not on the banned list.

Some medications on the banned list will be allowed if the athlete has registered them with the B.C.U.'s Medical Officer. This particularly applies to Ventolin inhalers.

Athletes and coaches requiring further advice on medication should ring the Sports Council Advice Line.

TELL OTHER PADDLERS ABOUT CANOEING WITH THE BRITISH CANOE UNION !

- 1 Tell them what the BCU is doing for canoeing, especially concerning access to water.
- 2 Show them your copy of Canoe Focus.
- 3 Show them this Yearbook.
- 4 Tell them about the multi-activity programme of events which they can take part in more cheaply as members.
- 5 Tell them how much canoeing with the BCU has to offer in recreation, and competition from local to international participation. They can also pass on skills through becoming a qualified instructor.
- 6 Tell them about free canoeing on British Waterways Navigations, canals plus other waterways.
- 7 Tell them about third party, accident and boat insurance.
- 8 Tell them about Discounts on goods and services
- 9 Tell them about the Members Information service

BUT ABOVE ALL

Get them to join the BCU. Adult Basic membership is about 30p per week, or to look at it another way, all of the above benefits for a year, for the cost of a night in the pub !

£16.00 is not a large amount of money these days : support your sport....

**MORE MEMBERS MEANS
MORE PROGRESS AND
MORE PADDLING !**

Use or photocopy the application form on the last page of this yearbook.

ACTION TO INCREASE MEMBERSHIP

Your regional secretary carries supplies of "Try Canoeing" and "Come Canoeing with the BCU" leaflets, so please make good use of them.

Show your friends canoeing and get them to take part in low level and local BCU events. Non-members can take part (at a small extra fee) through the "Taster System". It is a chance for them to sample canoeing with the BCU before joining.

Instant Membership

Your regional treasurer carries supplies of "Instant Membership" forms for use by event and course organisers to enrol non-members on the spot.

We are most grateful to all the traders who have agreed to operate the "Instant Membership" system to expand their service to their customers and to support the BCU. Does your local canoe store display the BCU paddler sign ?

MARATHON SECTION

FORWARD

1995 saw the British Marathon Team regain its previous position of best Nation, winning the Grand Prix Series. After our success in the late 70's and 80's lately we have been running second or third to Denmark or Hungary. The hard work of all the squad paddlers, coaches, managers, drivers and organisers have all given this excellent result.

Congratulations to all medal winners. Whilst I should not single out a name I must mention Sonia Bapty whose expression of sheer joy after winning her bronze medal in Spain made everything seem worthwhile.

On the domestic front, Marathon continues slow but steady growth in numbers of individuals taking part and in the overall standard. Almost 100 clubs have 5 or more paddlers regularly competing. Thanks to all those team leaders who have obviously worked so effectively. Long may you prosper.

1996 beckons and your committee continues to work with enthusiasm. Please give them your help and all your bright ideas

Good Paddling

BCU MEMBERSHIP AND EVENT TICKETS

In the three categories of marathon races indicated BCU membership is mandatory for all competitors in Divisions 1-9 inclusive. Race Organisers MUST check BCU current membership either by photocopy of membership with entry or see the card on the day of the race.

If the card is unavailable or forgotten the paddler may purchase an "Event Ticker" as a "stop gap" but only once per season. A check on event ticket issue is carried out for all race results by the records officer and those paddlers abusing this system will be penalised.

Any paddler competing on a event ticket will not receive Hasler Points.

The system is as follows

1. The tickets are for use by non-members at the entry level only of National Competitions requiring membership ie Divisional Racing.
2. For use at a BCU event when the organiser believes a participant may be a member but the member cannot provide proof by way of a membership card.
3. Fees are set by event organisers, minimum £2.00, maximum £5.00. In every case £1.50 will be sent to the organisers regional treasurer and the rest kept by the organising committee
4. Event Ticket fees are not refundable
5. The overall consideration is to encourage, in the best possible way, membership of the Country's Governing Body for Canoesport.

MARATHON INTERNATIONALS

Review of 1995

The World Cups Event took place in Unquera, in Northern Spain. Despite some reservations as to the suitability of the course, it was 8Km laps on a tidal section of river, the event was very well organised and provided some exciting racing.

Ivan Lawler and Steve Harris provided another outstanding performance to take the Gold in Mens K2, and Steve and Andy Train crushed the reigning World Champions to win the C2.

Anna Hemmings was magnificent in the Womens K1, and took Silver, beaten on the line by Nicole Bulk from Holland. Sonia Bapty produced a performance above expectation to take the Bronze. Greg Slater never made the front group in the Mens K1, but battled hard to finish 6th, and Neal Coleman was a good 11th.

The Womens K2 saw Alison Thorogood and Helen Gilby forced to retire through illness, but Tricia Davey and Linda Dawe were delighted with their 4th place. Derek Hall raced determinedly to finish 12th in C1, Conor Holmes and Steve Baker were a good ninth in Mens K2.

In the Grand Prix events our best results were Ivan and Steve, and Andy and Steve winning the doubles in Crestuma, Portugal with Neal Coleman 5th in K1. In South Africa on the Breda River Dave Hallam was 6th in K1 with Neal Coleman and James Smyth 4th in K2, and in Hungary at Gyor on the Danube, Neal was 4th.

Programme for 1996

The 1996 World Championships will be held at Vaxholm, in the Stockholm Archipelago, on 24/25 August, with the three Grand Prix events in Spain, Australia, and Hungary. Participation in Brisbane will require a substantial contribution, £600 - £700, from the paddlers. We will not send a team to Hungary as the event clashes with our National Championships.

The main events for the year are therefore:

Grand Prix 1	Valladolid	June 1/2
Junior Grand Prix 1	Spain	
Grand Prix 2	Sunshine Coast	June
	Australia	(Trip 2-3 weeks)
World Championships	Vauxholm	August 24/25
Junior Grand Prix 2	Sweden	Seniors 40 Km
		Juniors 20 Km

MARATHON INTERNATIONALS

The Grand Prix Trophy is awarded for the 2 best results from four events. Each Country can enter 3 crews, (except at World Championships) with only the first finisher to count. In Junior Grand Prix there are only classes for Mens K1, K2, C1, and Womens K1.

In addition to the 3 main events, we plan to finance a small team to Eindhoven. We will also support other events where organisers provide totally the funds for travel and accomodation.

Those wishing to compete Internationally are encouraged to get out and race as much as possible, and to take part in at least the following pre-season events as part of their training programme.

January 7th	Frank Luzmore	Richmond K2
January 21st	Oulton Broad	Norwich K2
February 4th		Royal K1
February 18th	Thameside 2	K2

Marathon Squad

In order that potential team members can actively seek sponsorship for their International Racing, the Committee is continuing with its policy of nominating a National Squad. This does not, of course, preclude anybody else being formally added to the squad and finally selected to teams.

The Squad is:

Simon Dark
Mark Gibbons
Steve Harris
Brian Hemmings

Ivan Lawler

MARATHON INTERNATIONALS

International Selections

The composition of the team for each event will depend entirely on paddlers being and proving that they are of sufficiently high standard. All paddlers, seniors, juniors, women, and canoes should race in assessment classes unless otherwise instructed. Paddlers wishing to be considered for International Events must comply with the following conditions:

- 1 They must be comprehensive B.C.U. members throughout the year.
- 2 They should apply to the International Team Liaison Officer, Jim Rossiter, by completing the application form. This must be returned to him by:-

14 April(Tonbridge) for Eindhoven, Valladolid, Sunshine Coast, and any other races in Spain and Portugal
13 July(Nationals) for World Championships
- 3 They should be prepared to meet all expenses of the trip including £60 per person per event as a small contribution towards travel.
Note For Sunshine Coast(Brisbane) team members will be required to pay £600-£700 towards the costs.
- 4 They should be prepared to travel and be accommodated in the best interests of the team.
- 5 They must be prepared to accept the team coaches direction with regard to training and racing whilst abroad.
- 6 They must be prepared to dress and conduct themselves in a manner befitting a British Team representative, and to promote the good name of British Canoeing at home and abroad.
- 7 They should be prepared to give support to the Sports Council in promotion aspects, in return for Grant Aid
- 8 They should wear the GB tracksuit on all suitable occasions.
- 9 They should compete the appropriate assessment events, and make themselves available for at least one Grand Prix event, if they wish to be considered for the World Championships in Sweden.

Performances in Assessment events and International events will have a strong bearing on the team selections.

Its aims are as follows :-

- (a) To encourage Club, Regional, National and International Marathon Events.
 - (b) To draft rules and make recommendations for the conduct of National and Regional marathons.
 - (c) To give advice, guidance, and encouragement to sponsors of Marathon racing in Great Britain.
 - (d) To select, train and administer teams representing Great Britain in International events.
 - (e) To select, train and administer teams representing England in International events.
 - (f) To confirm and record cross channel canoe and kayak record attempts.
 - (g) To foster the development of suitable craft and equipment for Marathon Racing.
 - (h) To act as final authority in disputes and protests.
2. Annual General Meetings shall consist of a Chairman, Secretary, Treasurer, National Racing Coach and other such officials as the Annual General Meeting consider it necessary to elect, together with the representatives appointed by the clubs and organisations. Each canoe club affiliated to the BCU, and having five full members of the BCU, may appoint two representatives to attend the Marathon Racing Annual Meetings. Under current arrangements the Race Records Officer has a clerical function only and is not an elected member of the Executive Committee.
 3. Each club or organisation affiliated to the BCU and represented at an AGM will be entitled to one vote. The Chairman will not be entitled to vote, except in the case where a casting vote is required. A quorum shall consist of six represented clubs.
 4. The AGM or Executive Committee may co-opt additional members as they think fit in the interests of the sport, but co-opted members will not be entitled to vote. The AGM or Executive Committee may co-opt members or persons who are full time employees of the Union or who have a commercial interest in canoeing only with the permission of Council.

5. At least one meeting will be held during the year in addition to the AGM. Where clubs wish to raise alterations or additions to the 'Rules for Competition' at this half year meeting, the proposal must be forwarded to the secretary in writing and be correctly proposed and seconded by two individual members by 12th June. Proposals and matters for discussion shall be promulgated to clubs at least two weeks prior to the meeting. Any additions or alterations to the 'Rules for Competition' agreed by the meeting will come into force on 1st September following the meeting.
6. Where clubs wish to raise matters of policy or alteration of existing rules at the AGM, the proposal must be forwarded to the secretary in writing and be correctly proposed and seconded by two full individual BCU members by 12th October. Proposals and matters for discussion shall be promulgated to clubs at least two weeks prior to the meeting.
7. The AGM shall elect an Executive Committee, consisting of officers and other members up to a total of 12, for the purpose of day to day administration. The quorum of the Executive Committee shall be four voting members. The executive shall be responsible to the AGM.
8. The officers and members of the Executive Committee shall serve for two years and shall be eligible for re-election, half retiring one year and the other half the following year. Nominations for election shall be in writing supported by the signatures of two full BCU Members and must reach the Secretary before October 12th prior to the meeting at which the annual election takes place. If more than one nomination is received for a post, the AGM will elect by ballot.

If no nomination is received for a post the previous officer will be automatically re-elected provided they are willing to stand.
9. Marathon racing funds shall be administered by the Executive Committee.
10. The executive Committee shall approve the list of trophies which are the property of the committee and are awarded each year. The executive will also determine and publish the basis for competition for these trophies.
11. Each Year the Executive Committee shall organise or nominate a Championship Marathon event :-
 - a) The course must be typical of present courses.
 - b) The winners of the classes shall be considered the National Marathon Racing Champions in their respective classes.
 - c) Clubs wishing to stage the National Marathon Racing Championships should apply to the marathon Executive (by the end of May two years preceding the Championships). The venue for the following year shall be announced at the August half year meeting.

- d) The Marathon Executive shall appoint a Chief Official from outside the organising club to oversee the running of the National Championships. He/she will be the liaison between the marathon Executive and the organising club, and will be empowered to approve such things as courses, entry fees, distance and the difficulty of courses, start times etc.
 - e) The organising club will provide a set of accounts of the event to the Marathon Committee by the end of December.
 - f) Sponsorship deals for the event shall be approved by the Marathon Committee.
 - g) The event shall be called the British National Open Marathon Racing Individual and Team Championship.
12. The treasurer shall keep such books of account as the executive shall instruct and produce annual accounts for approval.

PART B - RULES FOR COMPETITION - COMMENCING 1/1/96

- 1. A marathon Race is a race over distances set out in Part B.7(g) of these rules.
- 2. Canoeing is a non-contact sport and competitors shall race in a fair manner.
- 3. **CLUB MEMBERSHIP** - When a competitor is a member of more than one club, he shall declare before the 1st September to the secretary and race records officer of the executive committee the name of the club in whose name he will race that year.

When a competitor changes his club in mid season, he is permitted to compete for his new club instead of his old, provided that prior consent of the old club be obtained. This consent shall not be withheld unreasonably in the case of a change of residence from one area to another. The agreed change shall be advised to the Race Records Officer, in writing, before points can be allocated to the new club in Hasler Competition.

- 4. **BOAT DESIGNS** - Any type of canoe or kayak can be used but only within the ICF regulations for length and breadth, as detailed below.

	max length	min beam
single kayak ...	520 cm	51 cm
double kayak ...	650 cm	55 cm
single canoe ...	520 cm	75 cm
double canoe ...	650 cm	75 cm
double touring canoe	550 cm	85 cm

Boats over 460 cm in length must not have concave sections unless classified as Wild Water racing boats and falling within the ICF regulations for such boats.

Kayaks shall be propelled solely by means of double bladed paddles.
Canoes shall be propelled solely by means of single bladed paddles.
The paddles may not be attached to the boat in any way, being supported only by the hands.

5. THE RACING STRUCTURE

The Marathon Racing system has been designed to encourage all levels of competitor from the raw beginner to top class international competitors.

THERE ARE FIVE CATEGORIES OF RACE :

GROUP A

- 5a) Divisional races (under rule B7) approved by the executive Committee. promotions between division will take place as shown in 7d. For these races a minimum of the required classes agreed with the Regional Hasler Advisor must be held.
- 5b) Races and time-trials approved by the executive Committee not in the Divisional system, such as stage marathons, descents, Royal K1, Richmond K2, Thameside etc.
- 5c) THE NATIONAL CHAMPIONSHIPS - see rule 12

(The race levy must be paid for events in 5a, 5b and 5c and BCU Comprehensive membership is required)

GROUP B

- 5d) Those races in the regions and clubs not appearing in the calendar. These will include handicap and fun marathons. No promotions will take place at these races.
- 5e) Races approved by the Executive Committee but organised by outside bodies such as the DW committee and the BWB.

6. RACE LEVY SCHEME

At all races in 5a, 5b, and 5c, published in the Racing Handbook the race organiser is to remit the race levy of 60p per head for each paddler booked in (irrespective of whether they start or finish the race) to the regional Hasler Advisor together with the race results. This levy is to be sent within 14 days of the race. Cheques to be made payable to the Marathon Racing Committee.

7. THE DIVISIONAL SYSTEM

- 7a) There are singles events in division 1-9, and a promotion scheme which provides a challenge for everyone.
- 7b) There are doubles events for division 1/2, 3/4, 5/6, 7/8 and 9.
- 7c) The events in 7a) and 7b) :
 - i Will be the official BCU race which determine a paddlers national ranking.
 - ii Will require Comprehensive BCU membership.
 - iii Must be held at all races counting towards the National Team league Championship - The Hasler Trophy, except where varied as agreed with the Regional Hasler Advisor.

7d) PROMOTIONS / DEMOTIONS

- i Promotions may take place on either singles or doubles performances.
- ii The executive Committee has discretion to promote and demote where this is found to be necessary.
- iii Status in Canoe will not affect status in Kayak and vice versa.
- iv Generally no lady or canoe paddler will be promoted higher than division 3 and no junior kayak higher than division 2.
- v Each year a divisional list will be published in the Racing Handbook for division 1-8. We recommend that entry into the Divisional system should be based on the standards detailed in the section 'standards for racing'.
- vi Promotions between the lower divisions throughout the season will be calculated as follows.

Divisions 8 & 9

All finishers whose time is equal to or faster than the fastest paddler not promoted in the next higher division + 3 minutes, are promoted to the higher division provided there are a minimum of 5 starters in that higher division.

Division 7

No promotions will take place unless there is a minimum of 5 starters in the race. Then the winner and all those finishing with in 1 minute of the winner will be promoted to division 6. If any paddler or team leader feels that this has resulted in an inappropriate promotion they should appeal directly to the ranking officer to correct the situation.

Divisions 5 & 6

All finishers whose time is equal to or faster than the fastest paddler not promoted in the next higher division + 4 minutes, are promoted to that higher division provided there are a minimum of 5 starters in that higher division.

Division 4

Promotions from division 4 to division 3 will be decided by the ranking officer for divisions 1-3 and can be made at any time.

Note 1

Promotions are not limited to one division. For example a Division 9 paddler with a time within 1 minute of the division 7 winner would be promoted straight to division 6. Similarly a division 6 paddler with an appropriate time could be promoted to division 4.

Note 2

The lower limit of 5 paddlers to render a race quorate for promotion purposes as described as above, is intended to ensure that the winners time is a realistic one for that division. However the regional Hasler Advisor may amend or dispense with this limit if persistent low numbers in a division are clearly preventing the promotion system from operating as intended.

Note 3

Since there are not usually any promotions from division 4 to division 3 on race day it is normally the winner of division 4 whose time is used for calculating promotions from division 5 to 4. These promotion calculations hold good even if subsequently the ranking officer does promote the winner of division 4 and others to division 3.

- vii Demotions between the lower divisions throughout the season will be calculated as follows:-

All those finishing with a time slower than the fastest paddler in the division not promoted, + 10% will be designated 'D'. With 3 'D' notices a paddler may apply to the ranking officer for immediate demotion to the next lower division.

Note 1

Demotions from any division will not normally be considered by the ranking officer immediately prior to the National Championships and the Hasler Final, ie during the months of August and September.

Note 2

A standard demotion application form is printed within this Handbook to be used or copied by those paddlers seeking demotion.

Note 3

All paddlers, both from within the region and from other regions are eligible for promotions and 'D' notices. The only exceptions are paddlers transferred from another division under rule 7(f).

- viii Promotions and demotions between divisions 1, 2, 3, & 4 will be determined by the ranking officer for divisions 1-3 in conjunction with the national and regional coaches. It will be based on performance in all races.
- ix Once promoted paddlers MUST race in their correct division, except under the provision of rule 7e). Any competitor found racing in a lower division, singles or doubles except under the provision of the above rule, may be disqualified from the event and be banned from Marathon competition for 12 months from the date of the event when the misdemeanour took place.
- x Each year the divisional lists are checked and any paddler not having competed for two successive seasons will be removed from the lists. Each autumn clubs are asked to submit a list of the paddlers who will not be active for the coming season and where appropriate, to amend a draft of the proposed divisional lists.

7e COMPETING IN A CREW BOAT

A paddler is normally ranked on singles performances. However when competing in doubles events the competition ranking shall be the average of the paddlers individual rankings (all halves rounded down).
eg. Paddler A - Div 3, Paddler B - Div 8

$$3 + 8 = \frac{11}{2} = 5 \frac{1}{2}$$

The entry would be division 5.

ALL PADDLERS COMPETING IN CREW BOATS must show their singles ranking in the entry form and these rankings MUST be shown on all results. Paddlers not declaring their singles rankings will not be eligible for Hasler Points (see note to Rule 12A).

7f) HANDICAP SYSTEM FOR LOW ENTRIES

If there are less than three entries in a division then the organiser may transfer those entries to another division. This will be the next lower division provided the race distance is the same. Otherwise it will be the next higher division. A handicap (if moved down) or an allowance (if moved up) will be used to calculate the results which will count for Hasler points. The handicap or allowance to be :-

- 3 minutes for the 12 mile course. Singles and Doubles.
- 2 minutes for the 8 mile course. Singles and Doubles.
- 1 minutes for the 4 mile course. Singles and Doubles

Note - transferred paddlers racing in a different division will count for prizes and Hasler points but will be ignored in calculating promotions and 'D' notices.

7g) TYPES OF COURSE

Whilst there will be some variations due to local conditions and types of course available, the normal distances will be :-

DIV 1, 2, & 3 Singles, 1/2 & 3/4 Doubles.

Full senior course of more than 12 miles (20Km) with any degree of severity.

DIV 4, 5, & 6 Singles, 5/6 Doubles.

Course of about 8 miles (13Km) which may include portages and/or weir shoots.

DIV 7, 8, & 9 Singles, 7/8 & 9 Doubles.

Course of about 4 miles (6.5 Km) with the minimum practical hazards.

7h) CLUB HANDICAP RACES

As an introduction to competing in the divisional system, clubs are encouraged to hold handicap races throughout the year. These should be over a 5 -10 Km course, with handicaps based on age, experience and type of boat.

7i) SPECIAL PRIZES

Race Organisers are encouraged to give prizes for special groups of paddlers. eg. First under 16, First C1, in particular they are strongly recommended to give a prize for the first lady in each division and for the highest placed TC2. This kind of encouragement is particularly important in the divisional system.

8. The organiser of a race must apply for that race to be registered. This must be done in the Autumn of the year preceding the event. The event must be organised and run under the Marathon Racing rules. Registered races may advertise through the Union and may appeal through the Executive Committee in cases of dispute or difficulty. (See also BCU Disciplinary Code - see index)

Registration shall be the minimum requirement for a race to be recognised. Registration fee will be by the levy which will apply to races defined in Rule B5 a), b), and c).

9. The organisers of a Marathon Race may apply for it to be classified as a Group A Race. These races shall be run with a higher degree of organisation. They shall be properly advertised. Adequate pre-race instruction shall be made available in adequate time. Properly documented results shall be sent to the Executive Committee and to competitors who provide a stamped addressed envelope.

The status of a race shall be decided by the Executive Committee on the basis that a race has been run satisfactorily by the same organisation over essentially the same course.

10. Assessment races will be picked by the Executive Committee from the most suitable races for the events to which British Teams will be going, and advised to the organiser by March 1st each year, via the Racing Handbook. In these races, assessment classes may be separated from the race classes, and may be run over the same or different courses.

11. RULES RELATING TO RACES

11a) GROUP A RACES

The slot will be fitted with a locking pin.

The characters on the vertical plate will be the same standard as a car number plate. The dimensions of the plate will be 200mm long x 150mm high, with the top corners rounded to a 10mm radius. Paddlers in division 1-8 not displaying vertical numbers plates will not score Hasler Points.

11b) GROUP B RACES

Rules apply as above in 11a (i,iii,vi,vii,x,xi,xii,xiii,xiv,xv,xvi)

12. NATIONAL CHAMPIONSHIPS

There are two National Events.

12A THE HASLER TROPHY.

This is competed for throughout the season (1st September - 31st August) on a regional basis. The top four scoring clubs from each region (eight clubs from the combined Midlands Region), plus a team from the organising host club (where there are two organising clubs then both qualify, as of right), the Combined Services and the Isle of Wight, compete in the National Final at the end of the season.

Five other trophies are competed for at the Hasler Final.

- i) **The Rhodes White Trophy**, awarded to the Senior Regional Champion who gains the most points in Division 1 at the Hasler Final.
- ii) **The David Shankland Trophy**, awarded to the Lady Regional Champion who gains the most points in Division 3 at the Hasler Final.
- iii) **The Barber Trophy**, awarded to the Junior Regional Champion who gains the most points in Division 2 at the Hasler Final.

To be eligible to compete for these trophies, individual Regional champions will be identified from the Regional Hasler Competition. These will be the individuals scoring the highest number of points in the appropriate division for the final trophy award in their own Regional Hasler Races.

- iv) **The Adam Thomason Trophy**, awarded to the winner of Division 2 at the Hasler Final.
- v) **The Regional Trophy** is awarded to the Region with the highest aggregate score from their three highest scoring clubs.

The Hasler Trophy Rules are:

- a) Each region shall run its own league Championships throughout the year. The regions are defined as the Sports Council Regions for England plus Scotland East, Scotland West and Wales.
- b) The best four clubs from each region (eight clubs from the Combined Midlands Region), may compete in the final, together with teams from the host club (where there are two organising clubs, then both qualify as of right), the Combined services and the Isle of Wight.
- c) Each region will decide which races are to count. It is hoped that eventually there will be enough races in each region to have the best of 8 or 9 results. These races will be group A status.
- d) Each club will be allowed as many competitors as it wishes.
- e) At the Hasler Final where crew members in doubles events are ranked in separate divisions they must race in the classification of the highest ranked paddler. In the Regional Competitions rule 7(e) shall apply to crew boats.
- f) The points system throughout the year will be as follows:-
 - i. Divisions 1-9 singles and 1/2, 3/4, 5/6 and 9 doubles will count for points.

- ii. Points will be awarded per paddler in both singles and doubles - 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points for all paddlers who finish within 110% of the time of the fastest boat not promoted. One point only for paddlers who finish outside 110% of the fastest boat not promoted irrespective of their position. To apply to all divisions except division 9 which will receive 20 for first, 19 for 2nd, 18 for third and so on down to 2 points for all paddlers who finish.
- iii. In regional competition, all paddlers who are promoted will be awarded 10 additional points.
- iv. Clubs qualifying for the final will start the final competition with 1 point for each of their team's paddlers who were promoted in regional competitions up to a maximum of 12 points.
- v. Each club will count its six best scores in any division for singles.
- vi. Each club will count its three best scores in any division for doubles.
- vii. For each race the winning club will get 10 points, nine for second and so on.
- viii. The final will normally be in late September.

NOTE

- 1. In the regional races leading to the final, only those clubs within the region will score points. Paddlers from other regions will not be taken into account when calculating points except that their time will be used for the 110% calculations if they are the fastest boat not promoted.
- 2. Competitors must be COMPREHENSIVE BCU members for all divisions 1-9. BCU numbers must be quoted on entries and results, and a valid BCU membership card or photocopy MUST be produced at race check in. Competitors not proving membership, do not count for eligibility to compete in the final or score points in the regional competitions.
- 3. Those unable to prove membership will be required to pay an extra Event Fee of a minimum of £2.00 and a maximum of £5.00. This covers the organiser for insurance purposes. (Race organisers see guidance).
- 4. All competitors in doubles in both regional competitions and the final MUST show their singles ranking at race check-in. Competitors not doing so do not count for eligibility to compete in the final or score points in the regional competition or final.
- 5. Clubs who are included for points must be affiliated to the Union.

- 6a) A paddler must compete in 3 qualifying events at his or her current ranking, during the season (Sept 1st - Aug 31st) before being eligible for the final. The exceptions are Div 1 senior kayaks, Div 2 junior kayaks and Div 3 canoes and lady kayaks who must compete in 2 qualifying events.
- 6b) The qualification must be in the same type of boat (ie Canoe or Kayak)
- 6c) A paddler can only compete in one division in a qualifying event or final.
- 6d) Paddlers are only eligible to paddle in a singles race at the Hasler Final if they have competed in 3 qualifying events in singles. The exceptions are paddlers already ranked in their highest division (senior kayaks Div 1, Junior Kayaks Div 2, Ladies in Div 3 and Canoes in Div 3) although they must still comply with rule 6a).
- 7. The Regional Hasler Co-ordinator is to check the eligibility of paddlers from his region at the final.

13 NATIONAL MARATHON CHAMPIONSHIPS VENUE AND ORGANISATIONAL CRITERIA

The Marathon committee will look to the following ideal criteria when considering applications for the National Championships and the Hasler Final.

THE COURSE

- a) The course should be wide enough at the start to provide a fair start for all paddlers. It should also be wide enough throughout its length for competitors to easily overtake and pass each other in opposite directions.
- b) The course should be designed to be paddled in an understern rudder boat.
- c) Portages should allow enough space at each end for four k2s to portage simultaneously. They should not be of excessive number or length.
- d) Access to portages areas for spectators should be good with adequate parking, or pool transport should be provided.
- e) The course should be reasonably accessible for spectator viewing.
- f) There should not be too many other conflicting river users.

ORGANISATION

- g) The organising club(s) should have a proven track record in organising normal Divisional Marathon Events.
- h) There should be adequate parking at start and finish.
- i) There should be adequate covered checking in and refreshment areas at the start and finish, and a result display area.

- j) There should be adequate toilet facilities at start and finish.
- k) The venue should have good access by road and not be too far for the majority of paddlers to travel.
- l) There should be a computerised results facility capable of showing Divisional results and team scores immediately after the event.
- m) There should be good prizes.
- n) There should be an adequate PA system at the start, briefing and prize giving areas.
- o) There should be adequate First Aid cover in appropriate areas.

14 SAFETY

- a) Competitors must render their boats sufficiently buoyant to remain afloat and to support the crew in rough water in the event of capsizing.
 - b) Race organisers may require life jackets or buoyancy aids to be worn. Such equipment must be provided by the competitors.
 - c) On open water adequate spray covers must be worn.
 - d) Competitors must be able to swim adequately in the waters on which the race is being held.
 - e) The wearing of life jackets or buoyancy aids is compulsory for division 8 and 9.
 - f) Team Leaders should decide if paddlers under 16 in the higher divisions should wear life jackets or buoyancy aids.
 - g) Race organisers would have the FINAL say as to who should wear life jackets or buoyancy aids, except where this is covered by rules 14e and 14i, depending on weather and water conditions.
 - h) The life Jackets/buoyancy aids referred to on b,e,f,g, and i will conform to BCU/BCMA STANDARD BA 83.
 - i) At the National Championships ALL paddlers in the under 16 and under 14 classes WILL wear life jackets or buoyancy aids as in h).
- 15 In the event of circumstances which render it impossible or unsafe to run the race as planned, the organiser shall take all reasonable steps to inform the competitors and supporters at the earliest possible moment.

 'B' shall denote fresh water, river and canals.
 'P' shall denote portages.
- 17 In the event of a tie for any BCU trophy and extra race shall be taken into account, and this repeated as often as is required to settle the matter where this is appropriate. If the matter is still unresolved the trophy shall be held jointly, the order of the inscription being alphabetical and each party holding it for an equal fraction of the year.
- 18 **DISCIPLINE**
- Marathon racing is subject to the BCU Disciplinary code reproduced in full earlier in this book (see index).
- 19 **DRUGS**
- Marathon racing is subject to BCU Doping Control Rules as reproduced in an earlier section of this book (see index).

PART C RECOMMENDATIONS

These recommendations are intended to guide organisers and others in the interpretation of the Rules for Racing, and in the provision of acceptable races.

A ADVANCE INFORMATION

- 1 Do not attempt to run a race without visiting a few to find out how things work.
- 2 Advance information sent out to competitors and clubs should at least set out the following details as shown in the specimen.
 - a) Name date and status of the race.
 - b) Name of the organising body.
 - c) Closing date for entries and whether or not late entries will be accepted.
 - d) Address to which entries and enquires should be sent, and if possible a corresponding telephone number.
 - e) Entry fees, and to whom they these should be payable.
 - f) Locations of start and finish, and directions for getting to these places.
 - g) Time of start and closure of checking in.
 - h) Brief description of the course, sufficient to give a newcomer a general picture of the type of course and a warning of any details of the course that he should inspect in advance.
 - i) Any special regulations that a competitor should be aware of before he arrives.
 - j) Any major changes since last year.
 - k) An entry form asking for full details of competitors. (A specimen race details follow these recommendations).

B PRE RACE INFORMATION

Every boat should be inspected at check-in to ensure that it is numbered clearly, correctly and durably. Check that water-soluble ink has not been used. Although it is the competitors responsibility to number his boat, it is your responsibility to ensure that he has done it. One way or doing this is to demand that he presents a clean number plate and then number it yourself, not revealing the number in advance. It is human nature that some competitors will fail in this responsibility. Have with you the wherewithall to number boats and use it when the occasion demands.

It is customary to deliver a briefing shortly before a race. This is the time to explain the starting procedure and order, to describe any special features of the race course and to emphasise any special regulations.

There may be a wide range of ambitions present at the race, some people go for a pleasant paddle, some with Olympic hopes, try not to let them stumble over each other. Both parties are aggravated when a fast crew is confronted by a slow crew blocking a critical portage. Let the fast classes start first. Local conditions, variations in the course for different classes etc should be taken into consideration when arranging the start order.

Ensure that the course is clearly marked at all points where there could be doubt. Marshals should be positioned at turning points, and should tick off numbers on a check list. It is desirable to position marshals at portages and shoots. The marshal should keep the passage clear for competitors, keep spectators and competitors off forbidden land and report any misdemeanours to central control. A marshals directions should override any prior instructions. A marshal should be clearly identifiable.

C STARTING

A clean start is important and difficult to achieve. Most people can start the lower ranks of competitors in order but a strong personality is needed to keep those in higher divisions in good order.

The starter must never loose control of the start, either through physical inability to make himself heard, or through weakness of will. Preferably get an experienced racer to start your race and supply them with a megaphone. Massed starts are good value for bullfighting addicts, but can be bad for competitors. Do not start classes together if it means overcrowding the start line. In Group A races, each class of three or more competitors must start separately.

Do not let yourself be bullied by the competitors. They often try out the strength of the starter while waiting on the line. In the very last resort you can disqualify on the spot. On the other hand do not keep competitors hanging around unnecessarily. They are often nervous before a race, they may be getting cold or just plain bored. In fast water or wind it is often difficult for them to hold their positions. If you have got them into a fair line than start them without further delay. Say 'READY GO'.

Record the time of the start of each Division.

Do not use a system which relies on a set start time. You cannot guarantee starting on the exact second.

D FINISHING AND RESULTS

Signify a crossing of the line audibly, by bell, whistle or some such device. Mark the finishing line clearly. It is not always obvious to the paddler exactly where the finishing line is, particularly since he may be exhausted.

Have a reliable clock which is readable, and have a backup in case of malfunctions. Make a record of the finishing order of every boat as it passes the finishing line. Have one person making an independent list of boat numbers, another should make a list of boat numbers and finishing times: this person should have a pad of paper with each sheet numbered in advance so that you will know later if any sheet has been mislaid. On each sheet mark say ten lines. When a boat finishes record its number and finishing time alongside.

Never mind computation at this stage, you will have your hands full enough just recording the finishing order correctly. When a page is full pass it on to someone else to analyse. It is also useful to have a portable cassette recorder running constantly at the finish line. You can record everything that happens at the finish, and the tape can be used to double check your finish order and timing if for any reason the finishing team becomes overwhelmed by mass finishes. Give the recorder to one of the finishers and tell him to 'talk' every boat over the line, giving number and time. One C60 tape should last for most marathon races.

Have somewhere out of the wind and rain, and away from possible distractions from paddlers, to analyse your finishing results. Arrange a system for displaying the results as soon as you know them. If there are any errors the paddlers will usually spot them, and they can be queried before prize giving. Have a results display system that is not dependant on good weather. The thing that competitors want to see quickly is a list of finishing order with overall times. Other details such as start and finish times are essentially irrelevant and only clutter the display.

Have the prize giving as soon as possible and announce any divisional promotions at this stage.

E SAFETY

Safety measures are largely at the discretion of the organiser, since adequate measures vary considerably with course and conditions. Unnecessary precautions are wasteful and irksome, but inadequate precautions can lead to disaster. A senior paddler on inland waters seldom needs a life jacket, but for a division 8 or 9 paddler it is a stipulation. On open sea it is probably wise to insist on buoyancy aids for all. On open water rescue boats are very important. It does not take long to paddle half a mile out to sea, but it takes a long time to swim back, especially in cold water. A weir may be trivial to a fresh paddler but a different story to one who has just raced 15 miles. It is sometimes a good idea to position frogmen below a weir to pull people and equipment out as they drift past, but make sure that the rescuers are competent. An incompetent rescuer can be more of a hindrance than a help.

An important precaution is to make sure that no-one is stranded or lost halfway round the course. On open sea races it is important to account for everyone: on calm waters it is usually sufficient to have a back marker paddler over the course at the tail of the race.

F RESULTS

After the event is over, buckle to and get the final result sheet sorted out. If you put it off, your memory will dim, pieces of paper will get lost, your enthusiasm will wane and competitors will get very cross.

Result sheets should be arranged by divisions in finishing order. They should include position, name, division ranking, club, BCU number, points and promotions to higher divisions. (Three flow charts follow this section to aid the calculation of promotions, demotions and Hasler points). Totals of points scored by clubs should also be included. (These however will be verified by the Hasler Advisers). A specimen result sheet extract follows. (see Index).

The race organiser will record at the top of the result sheet, the number of paddlers who have entered the race. Five copies of the results, will be sent to the regional Hasler Advisor within the 14 days stipulated (Rule 11a iv) together with the Race Levies. The advisor will then check/correct promotions and Hasler Points before sending on the results to the Records officer and the two Divisions Advisers.

THE STARTING OF ASSESSMENT RACES

There is a necessity to maintain the standard of starting for selection races. The following will apply to all assessment races.

REQUIREMENTS

- 1 The startline should be clearly defined on both banks.
- 2 A clearly defined marshalling line must be established about 50 metres behind the start line.
- 3 The race must be started by a person drawn from the approved starters list below, who will have an experienced assistant.
- 4 The marshalling line should be controlled by at least two experienced officials.
- 5 The above should all be equipped with PA Equipment or loud hailers.
- 6 Where river conditions require it, Division 1 starts will be seeded into 2 or more lines. The starter will liaise with the race organiser prior to the briefing to establish the starting ranks.

THE FOLLOWING RULES WILL APPLY TO ALL DIVISIONS AT AN
ASSESSMENT EVENT

- 1 An audible warning will be given 5 minutes before the first start. From that time on, no paddler is to pass in front of the marshalling line. All paddlers who are already in front of the marshalling line have three minutes to get behind it.
- 2 A second audible warning will be given 2 minutes before the first start. Any paddler in front of the marshalling line will be penalised. No paddler to go in front of the marshalling line until so instructed by the marshal.
- 3 Once released by the marshal, the paddlers will be under the starters control. Any paddler going in front of the start line before the 'GO' will be penalised.
- 4 For each contravention of the above rules, a two minute penalty will be imposed.

NOTE .. The Marathon Team Selectors have been instructed by the Executive Committee that they will use the results INCLUDING any penalty, as the basis for selection.

THE MARATHON RANKING SYSTEM

The purpose of the promotional system within the divisional system is to have every paddler competing in the correct division for his/her personal ability and thereby gaining maximum advantage from their racing.

The administration of the system has seen continued improvement during the 1995 season and with continued co-operation of the regional and national advisers, race organisers and club team leaders this should continue in 1996. One area which does need improvement is the prompt return of the race results and levies to the Hasler advisors, the quicker these are received the quicker they can be processed through the system and confirmation of promotions made before paddlers race again.

The divisional lists have been updated after each set of results have been received by the records officer during 1995. However not all club listings were returned by the club team leaders by the closing date for inclusion in this year book so inevitably there will be some errors. If you feel that the promotion/demotion system will not serve to correct these errors quickly enough please contact the divisions advisor concerned for that division (address listed elsewhere in this handbook) stating the nature of the problem.

KIRTON
INTERNATIONAL

**Only Kirton offer a full range of
sprint and marathon classes
plus development kayaks for youngsters
and more mature enthusiasts**

Speed-Stability -Success!

SPEED, STABILITY, DISPLACEMENT

At Kirton we offer a range to suit just about every reasonable variation and advice to help you choose the most suitable craft.

First, SPEED

This is affected by length and resistance due to surface area. The International Rules control the length, therefore surface area is where the designer must work for his improvement in performance. Low friction shapes tend to be unstable.

Second, STABILITY

Some paddlers are naturally more stable than others and best performance will only be achieved if the paddler can "work" the boat. For this reason Kirton offer their own stability guide with grade 1 the most "tippy" but potentially the fastest and grade 10 the most stable but suitable for the novice.

Third, DISPLACEMENT

In order that you may choose the correct displacement volume for your weight we offer this wide range of designs.

GRADED DEVELOPMENT FOR THE BEGINNER

Since 1992 Kirton have offered a complete range of development kayaks starting at the **Tarka** for the youngster's first boat, and the **Tercel** for dad's first introduction to a racing kayak. The next progression is to the already well established **Talisman** and then to the **Trainer** before tackling one of the thoroughbred racing machines in our range. All these development kayaks are available at budget prices on our Kirton Portugal Label.

New for 1995, the **K1 Talon** has been added to this label.
