PADDLESAFE – Safeguarding and protecting children

The BCU is committed to ensuring that all children and vulnerable adults enjoy paddlesport in a safe environment in which they are protected from any form of poor practice or abuse. We continue to work towards and maintain the standards set for sport and to implement the requirements set within government guidelines and legislation.

Everyone in Paddlesport has a responsibility to help to safeguard and protect children and vulnerable adults – whether it is an administrator, club official, coach, parent, friend or children themselves. This can be a daunting prospect – and to support everyone involved in our sport to apply these principles the BCU has developed a range of child protection policies and procedures. These child protection procedures stem from the following principles:

- the child's welfare is paramount
- anyone under the age of 18 is classed as a child
- All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse.
- Coaches, clubs and centres need to be provided with advice to raise awareness of best practice and guidance and support should they become involved in an abuse situation.

All our policies and documents to support those working with young people can be easily found on each home nation website. Alternatively, contact your Home Nation if you would like further information or are unable to access the internet. We know that if the procedures are to help to protect children, everyone involved in Paddlesport needs to see and discuss them. We are, therefore, asking club Secretaries/Welfare Officers to make sure that they are widely distributed and discussed at club executive and general meetings.

Child Protection Support Officer - While the welfare of young people is the BCU's first consideration, we recognize that coaches, volunteers and helpers may also require support if an allegation is made against them. In these cases individuals should contact the BCU Child Protection Support Officer whose role is to listen, support, help and provide advice. (Contact details below) They will not be involved in the case and will be completely independent of the investigation.

Event Management - In 2009 we updated our Safe Events guidance sheet. Event organisers should take note that there is a requirement to provide a Welfare Officer at all events where children are participating.

Good Practice Guidelines

By following these guidelines you will help to protect both the children/vulnerable adult in our sport and our coaches/helpers from wrongful allegations.

- Avoid situations where you are alone with one child/vulnerable adult. The BCU acknowledges that occasionally there may be no alternative, for example, where a child/vulnerable adult falls ill and has to be taken home. We would stress, however, that one to one contact must not be allowed to occur on a regular basis.
- If any form of physical support is required ask the paddler's permission, explain what you are doing and why to both the child/vulnerable adult and their parents/carers.
- Where possible ask parents/carers to be responsible for children/vulnerable adults in changing rooms. Always ensure that whoever supervises young people work in pairs.
- Where there are mixed teams/groups away from home, they should always be accompanied by an adult male and female coach/helper.

PADDLESAFE – Safeguarding and protecting children

- Don't allow physically rough or sexually provocative games, or inappropriate talking or touching.
- If it's necessary to do things of a personal nature for children/vulnerable adult, make sure you have another adult accompanying you. Get the consent of the parent/carer and if possible the child/vulnerable adult. Let them know what you are doing and why.
- Ensure that any claims of abuse by a child/vulnerable adult are taken seriously and that it is dealt with by people who know what to do.
- Ensure that the nature and intensity of training does not exceed the capacity of a child's/vulnerable adult immature growing body and ability.
- Follow the BCU guidelines for photography and video use (see reference sheet 'Guidelines for use of Photographic and Filming Equipment')

Ensure your club adheres to the BCU best practice guidelines and requirements with particular reference to:

- The BCU Code of Ethics.
- The BCU Child Protection Policy and Vulnerable Adults Policy
- Safe recruitment practices and the requirements for coaches /helpers to have undergone enhanced disclosure relevant to their home nation.
- Individuals undertake training when working with children and vulnerable adults.
- Club Welfare Officers attend specific training to support their role (Time to Listen workshop)
- Publicise your club Welfare/Child Protection Officer contact details
- Publicise the NSPCC Child Protection Helpline

LEPTOSPIROSIS AND CANOEING

Leptospirosis is a disease that can be passed from animals to humans. Leptospirosis is caused by bacteria of the genus *Leptospira*, (referred to as Leptospirae) which infect a variety of wild and domestic animals. The animals can then spread the Leptospirae in their urine. Common animal reservoirs (maintenance hosts) include rodents, cattle and pigs.

Human infection occurs through exposure to water or an environment contaminated by infected animal urine, and has been associated with a variety of occupations such as farming which can involve direct or indirect contact with infected urine or recreational pursuits. In the UK, such activities include canoeing, windsurfing, swimming in lakes and rivers, pot holing and fishing.

How do animals carry Leptospirosis?

Infected animals carry the bacteria in their kidneys. They can excrete Leptospirae in their urine for some time, and spread infection to other animals or humans coming into contact with the urine. Often the infected animal does not become ill. For example, both rats, which carry the type known as *Leptospira icterohaemorrhagiae*, and cattle, which carry another strain (*L. hardjo*), appear well.

How do humans become infected?

Humans are considered to be a dead-end or accidental host of Leptospirae. Infection may be acquired by direct or indirect contact with affected urine, tissues, or secretions. Leptospirae enter the body through cut or damaged skin, but may also pass across damaged or intact mucous membranes, and the eyes.

What are the symptoms?

Leptospirosis can be used to describe infections in both man and animals caused by any pathogenic strain of *Leptospira*. In humans it causes a wide range of symptoms, although some infected people appear healthy. All forms of Leptospirosis start in a similar way. Leptospirosis is an acute biphasic illness. Some cases may be asymptomatic or may present in the first phase with onset of a flu-like illness, with a severe headache, chills, muscle aches and vomiting. This is known as the bacteraemic phase, when the Leptospirae spread through the blood to many tissues, including the brain. This phase may resolve without treatment. In some cases, an immune phase may return with a return of fever, jaundice (yellow skin and eyes), red eyes, abdominal pain, diarrhoea, or a rash. In more severe cases there may be failure of some organs, e.g. the kidneys, or meningitis. Generally, cases will recover within two to six weeks but some may take up to three months. After infection, immunity develops against the infecting strain, but this may not fully protect against infection with unrelated strains.

Diagnosis.

As many of these symptoms are the same as for other diseases, diagnosis of Leptospirosis is based on clinical suspicion confirmed by laboratory testing of a blood sample. There is a specialist reference laboratory for Leptospirosis in the UK, which can be consulted by doctors.

How soon after the exposure do symptoms occur?

Typically, symptoms develop seven to fourteen days after infection, though rarely the incubation period can be as short as two to three days or as long as thirty days.

How is Leptospirosis treated?

Leptospirosis is treated with antibiotics such as penicillin or doxycycline, which should be given early in the course of the disease. Intravenous antibiotics may be needed for people with more severe symptoms.

Can Leptospirosis be prevented?

There is no human vaccine available in the UK that is effective against Leptospirosis. For people who may be at high risk for short periods, especially through their occupation, taking doxycycline (200mg weekly) may be effective.

Ways to avoid contracting Weil's disease are very simple:

- Avoid capsize drill or "rolling" in stagnant or slow moving water, particularly where rat infestation is obvious.
- Wash or shower after canoeing.
- Cover minor cuts and scratches with waterproof plasters before getting in your boat.
- Wear trainers or wetsuit boots to avoid cutting your feet.
- If you have flu-like symptoms after canoeing go to your GP and tell him you are a canoeist.

SPRINT RACING

It is upon us - **2012** The London Olympic Games, the only way to not know about this fantastic forthcoming event, is to have been hiding in a hole for the last few years.

May I break with tradition and Thank You all at the beginning of the year, for what you are doing and what you are about to do !!!!

We have as you know an amazing team of athletes who have dedicated themselves to becoming the best that they can be, regularly going head-to-head not only at International competitions but also against fellow GB paddlers to hone and improve their skills and to maintain their standing.

And behind our athletes we have a huge team of paid and volunteer supporters. Whether you are part of GB Canoeing in the peak performance team or as a volunteer running clubs, mini regattas and our National regattas your contribution is and will be most gratefully received.

In my first foreword to this essential publication I made reference to the new start gates in use at Nottingham; well we still have them, they are getting tired, but with a race being set off every 3 minutes that is to be expected. So Paul Owen our CEO is strongly pursuing the purchase of the Olympic start gates in order for us to have a legacy from the games.

2012 sees the continuance of momentum from our newly formed Para Canoe Squad. They have their world Championships in Poznan - unfortunately they will have to wait until 2016 for their Olympic slot. Following on from this there are Olympic qualifiers and the Olympics themselves.

As I have said before, please support our own home-grown domestic regattas, where we do need a number of people experienced and new to volunteer as an official, many hands will make for light work.

There are just so many people undertaking so many roles to list you all would fill this book.

So please have a wonderful 2012, give, but take all that you can from it, because at the end of this year the next phase starts on our road to Rio!

However, it also contains some additional regulations or changes to those rules as determined from time to time by the BCU Sprint Racing Committee.

The following words, acronyms and abbreviations are referred to in this document:

BCU British Canoe Union (the Governing Body for Canoeing in Great Britain)

BOA British Olympic Association (the National Olympic Committee for Great Britain)

ICF International Canoe Federation

IOC International Olympic Committee

NOC National Olympic Committee

SRS Sprint Racing Section of the BCU (responsible to the BCU for the control of Sprint Racing competitions in canoes and kayaks over distances up to and including 5000 metres)

Aims and Definition of Sprint Racing

16.2 The division of competitors into heats shall be determined by drawing lots.

16.3 Where the width of the course permits, eight or nine kayaks or canoes shall participate in the final if more than this number has been entered in the entire race, as follows:

3 to 9 entries	Direct final.
10 to 18 entries	Two heats, three from each to final A, 4/7 (+ 8th best time), rest out: to one semi-final and from the semi-final three first to Final A
19 to 27 entries	3 heats, 1 from each to final A, 2nd to 7th to the semi-finals, rest out Two semi-finals first three to final A. 4th to 7th (+ next best time to Final B
over 27 entries	Required number of heats and semi-finals. By three semi-finals first three from each of the semi-finals to Final A and 4th to 6th to Final B By four semi-finals first 2 (+ 3rd best time) to Final A and 3rd and 4th (- 3rd best time) + 2 next best times to Final B

16.3.1 A "B" final will only be held when there are more than 18 boats in that particular event and a C final when more than 36 boats in that particular event.

16.4 When making the draw, the difference between the number of competitors in the heats of the race shall not exceed one. If the number of competitors in the heats varies, the earlier heats shall have the largest numbers.

16.5 Any crew which has not taken part in a heat as instructed shall not be allowed to compete in the final.

16.6 The composition of a crew which has qualified for semi-finals or for the final must not be changed. Heats and the final shall be run on the same stretch of water.

16.7 For races of more than 1,000 metres, heats shall not be held, and all boats taking part shall start simultaneously.

16.8 Should the width of water not permit a simultaneous start, starts at regular intervals shall be permitted.

16.9 The procedure for selecting competitors to race in finals will be on the basis of one of two criteria: either times or positions obtained in heats. The criterion used for each event will be decided by the SRC and published in advance of the event.

17. Acceptance of Entries

17.1 Confirmation that the entry has been accepted, together with notification of the result of the draw and time of events, shall be sent to the entrant on written request by him and on production by the entrant to the Competition Organiser of a "stamped addressed" envelope.

17.2 The Organising Committee will accept the entries in conformity with the conditions/terms of participation. Therefore the Organising Committee can reject or delete the entry of the participants who fail to observe

BCU SPRINT RACING COMPETITION RULES

the conditions/terms of participation.

18. Team Leaders' Meeting

At least 2 hours before the first race of the competition (12 hours for an International Competition), the team leaders' meeting is to be held. At this meeting the names of team leaders should be advised. The organisers will describe the regatta course and all other arrangements, which should be adhered to for the duration of the competition. The Chief Official will describe the competition programme and ask for any changes to the entries.

19. Alterations to Entries and Withdrawals

- 19.1 Any competitor named in the final entry or at the Team Leaders Meeting may substitute for any other in the given type of racing (kayak men, kayak ladies, canoe men). Notification of alterations in the entries must be given in written form to the Chief Official at least one hour before the first race of the morning or afternoon session.
- 19.2 The withdrawal from a race is considered final and no renewed entry of the same crew is allowed.
- 19.3 Every competitor whose entry has been confirmed by his own club, at the time of the meeting of the team leaders, called for this purpose, is obliged to take part in the due event. The refunding of entry fees for entries withdrawn not less than 24 hours before the competition is at the discretion of the Competition Committee.

20. Alterations in the sequence of events

The sequence of races given in the programme and the intervals between races as given in the racing programme are binding on the organisers. Alterations cannot be made unless the respective Team Managers at the competition give their consent.

21. Courses

Marking Signs

- 21.1 For National Championships and where possible for other competitions the turning points shall be marked by at least six flags (or buoys) which shall be readily distinguishable and shall, if possible be diagonally divided with one half in red and the other half in yellow.
- 21.2 Both the start and the finishing lines shall be marked with red flags or buoys, at the points where these lines intersect the outer limits of the course.

Layout

- 21.3 Before the start of the races the racing course shall be measured and marked by means of clearly visible flags mounted on buoys.
 - a) The course at the start shall permit a clear width where possible, of at least 5 metres for each boat.
 - b) For National Championships the starting and finishing lines shall be at right angles to the course.
 - c) The finishing line shall be at least 45 metres long and be marked by two flags. The Finishing Line Judges must be placed as near to the finishing line as possible.
 - d) For National Championship races up to 1,000 metres, the course must be straight and in one direction.
- 21.4 For races exceeding 1,000 metres turning points are permitted. For National Championship races exceeding 1,000 metres the following conditions should be fulfilled, if possible:
 - a) The distance between the starting line and the first flag of the first turning point (1st leg) shall be straight and at least 1,859.25 metres.
 - b) The distance between the last flag of the first turning point and the first flag of the second turning point (2nd leg) shall be straight and maximum 1759.25 metres.
 - c) The distance between the last flag of the second turning point and the first flag of the third turning point (3rd leg) shall be a maximum of 500 metres.

BCU SPRINT RACING COMPETITION RULES

22. Canoe Numbers

All kayaks and canoes shall carry a vertical number plate made of non-transparent material marked with black numbers on white background (for Internationals) or yellow background indicating the lane. The numbers on the plate must measure 15 cm in height and 25 mm in thickness. The plates shall be placed on the centre line of the aft deck or bar. The approximate size of the number plate shall be 18 x 20 cm. The personal numbers provided by the organisers shall be placed on the back of the competitor only.

23. Instructions for Competitors

Written instructions shall be available for competitors 2 hours before the start of the competition, containing the following information:

- Detailed information on the courses and their markings
- Starting time
- Starting line
- Finishing line
- Competitors racing number
- Type of boat control

Part IV - RACING REGULATIONS

24. Means of Propulsion

- Kayaks shall be propelled solely by means of double-bladed paddles.
- Canadian Canoes shall be propelled solely by means of single-bladed paddles.
- The paddles may not be fixed on the boat in any way.

25. Start

- Lots shall be drawn to determinate in the heats the lanes of boats at the start. Number one shall be on the left, then number two and so on. *When there is television coverage of an event, the lane numbering may be in the opposite direction – from right to left, so that the list of competitors and their lanes shown on the television screen match the appearance of the races to be televised.*
- In competitions where heats are required, lots must be drawn separately for each heat.
- Competitors shall be on the water at the starting area, not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line.
Two minutes before the defined starting time the competing boats have to take the lane determined in the programme.
- Competitors shall be at the starting area in time to allow satisfactory preparation for the start.
- The start shall be given without reference to absentees.
- If the competitor does not start, and has no valid reason approved by the Competition Committee, he shall be disqualified for the whole regatta. A competitor, who arrives too late at the start, shall be considered to have voluntarily withdrawn and shall be disqualified under this rule.
- When signalled by the Starter, the competitor will take the start position designated so that the bow of the boat is on the start line. In case of an automatic starting system the competitor will place himself/herself so that the bow of the boat is on the start line and thus in the start machine. When all boats are properly aligned, the aligner will then raise a white flag.
- If the Starter is not satisfied with the line-up he/she will call "STOP", and hand over to the Aligner for repositioning.
- The starting command will be "ready – Set – Go" ("Go" can be a shot or strong signal). At the "Ready" command the competitors begin their preparation to paddle. At the "Set" command the competitors place their paddle in the catch position. The competitor must not paddle forward or this action will be deemed to be a false Start. The boat must not move forward at this point in the starting procedure. The Starter when satisfied with the competitors positioning and attention will say "Go" (or shot or powerful sound). The competitors must only react to the start command/signal "Go" and are not permitted to anticipate it. The competitors can paddle only upon hearing the starting signal/command "Go".
- In the event of a false start, the Starter must immediately give a powerful sound signal. On hearing this signal all competitors must stop paddling and follow the Starter's instructions for a new start. Before the

BCU SPRINT RACING COMPETITION RULES

new start, the Starter must identify the offending crew/s making the false start and give them a warning. In the event of a second false start by the same crew the boat will be disqualified from the race and must leave the starting area and the course immediately.

- 25.10 The Starter may also recall competitors for a new start in the event of any unforeseen circumstance – a malfunction of the starting equipment for example. In such a case the same powerful sound signal must be given. If a malfunction of the starting equipment was caused through a boat making a false start, as in 25.9 the crew must be given a warning, as in 25.10, even though that boat may not have crossed the start line. If the malfunction was not the cause of any competitor making a false start, no penalty shall be imposed.
- 25.11 The Starter will start the race when he/she is satisfied that everything meets with his/her approval. He/she will make a written report on any false start and forward it to the Chief Official.
- 25.12 In the long distance races the starter shall declare "START WITHIN ONE MINUTE" when he is satisfied he will give the starting signal by a shot or a short powerful sound. The Starter will start the race when he/she is satisfied that everything meets with his/her approval. He/she will make a written report on any false start and forward it to the Chief Official.

26. Paddling on the Course

- 26.1 In races up to 1000 metres, competitors must keep the whole of their boat within the four-metre wide central area of their lane from the start to the finish of the course. Upon any deviation, the boat must go back immediately to this central area of the lane. No boat must come nearer than five metres in any direction to the boat of another competitor – that is, gunwale to gunwale or bow to stern.
- 26.2 If a boat leaves the centre of the lane and does not return to it, the boat may be disqualified from the event.
- 26.3 A boat which leaves its allocated lane must be disqualified from the event.
- 26.4 If a race is declared null and void, no change of the composition of a crew is permitted at the new start.
- 26.5 If there is a capsized the competitor or crew is eliminated from the race.
- 26.6 The Umpire has the right to interrupt a correctly started race if unforeseen hindrances arise. The course Umpires with a red flag and sound signal may effect such an interruption. Competitors must immediately stop paddling and await further instructions.
- 26.7 If a paddle is broken a competitor may not be provided with a new one by a supporter.

27. Pacing

- 27.1 Taking pace or receiving assistance from boats not in the race or by any other means is not permitted.
- 27.2 When a race is in progress crews not taking part in the race are strictly forbidden to proceed over whole or part of the course, even outside the marking buoys.

28. Long Distance Competitions

- 28.1 Races of more than 1,000 metres, competitors may deviate from their lane providing they do not impede other competitors.
- 28.2 When a race is run on a course with turning points these shall be passed to port (i.e. in an anti-clockwise direction).
- 28.3 A competitor will not be disqualified for touching a turning buoy, unless, in the opinion of the Turning Point Umpires, an advantage has been gained there from. In making a turn, the boat shall follow as closely as possible the course as marked by the buoys at the turning points.
- 28.4 If there is a capsized the competitor or crew is eliminated from the race if he/she or they are not able to get in the boat without outside help.
- 28.5 Any competitor who is responsible for a collision or who damages the canoe or kayak or paddle of another can be disqualified and can be required to pay damages.
- 28.6 When going around a turning point, the competitor on the outer course must leave room for the competitor on the inner course if that competitor has the bow of his boat at least level with the front edge of the cockpit of the boat on the outer course. With respect to K2 and K4, this refers to the fore-cockpit. With respect to C1, it refers to the level of the competitor's body, and for C2 it refers to the level of the body of the foremost member of the crew.
- 28.7 When a canoe or kayak is overtaking another canoe or kayak in a race, it is the duty of the overtaking craft to keep clear at all times of the boat being overtaken.
- 28.8 On the other hand, the craft being overtaken must not alter its course to make difficulties for the overtaking craft.

BCU SPRINT RACING COMPETITION RULES

29. Finish

- 29.1 The boat has finished the race when its bow crosses the finish line with all crew members in it. The Finish Line Judges will determine the result of the competition based on the order of the boats arriving according to the rules.
- 29.2 If two or more boats reach the finishing line at the same time they are awarded the same classification in the final. In the case of a dead heat finish for any position, which determines the advance to the next level of the competition the following rules will apply:
- a) Wherever there are sufficient number of lanes available in the next level of the competitions, drawing of lots will determine to which race each boat will advance. If possible it may use also lane number 10.
 - b) Wherever there are not enough lanes available there will be a re-race between the boats involved 30 minutes after the race (and for International Competitions after the last race of the day, or half day programme)
 - c) In the case of a dead heat in the re-race, drawing of lots will determine the outcome.

30. Tasks of Competitors after the Race

- 30.1 The competitor must leave the course after the finish of the race and cannot disturb the next race.
- 30.2 The crews selected by the Competition Committee for boat control must immediately contact the place allocated for the post race boat control.
- 30.3 If selected for doping control, the competitor must comply with the obligations stipulated by the BCU Anti-Doping policy.
- 30.4 Before the award ceremony the top three crews of the final must be present at the location and time indicated.
- 30.5 At National Championships the competitors must wear club, team or squad Racing Colours or Tracksuit at the award ceremony, whichever may be stipulated by the Organising Committee or SRC.

31. Disqualifications

- 31.1 Any competitor who attempts to win a race by any other than honourable means, who breaks the Racing Regulations, or who disregards the honourable nature of the Racing Regulations, shall be disqualified for the duration of the race concerned.
- 31.2 Should a competitor have completed a race in a kayak or canoe which is shown upon inspection not to conform with the classifications (see Rules 9-12), he/she shall be disqualified from the race in question.
- 31.3 It is prohibited to receive external assistance during a race.
- 31.4 No crew may be accompanied along and adjacent to the racecourse by other boats while the race is in progress.
- 31.5 No crew may receive assistance by using objects thrown into the course.
Any of the above infractions will result in the disqualification of the competitor(s) concerned.
- 31.6 All disqualifications by the Competition Committee have to be confirmed in writing immediately with the reasons. The Team Leader has to acknowledge the receipt on a copy with the exact time, which is the start of the protest time.
Failure to deliver the copy confirmation of the disqualification to the team leader does not invalidate the disqualification.
- 31.7 The Competition Committee may discipline any competitor or Official whose behaviour is detrimental to the good order and conduct of the competition. The Competition Committee may after repeated action by the offender disqualify him/her for that competition.

32. Protests

- 32.1 A protest against a crew to compete in a race shall be advised to a member of the Competition Committee not later than one hour before the start of the race. A protest made later - within 30 days from the date when the race in question was held is only permitted if the officials of the club of the competitor making the protest can prove that the facts on which the protest is based came to their knowledge later than one hour before the start of the race.
- 32.2 A late protest shall be referred to the SRC accompanied by the prescribed fee (see below).
A protest made during the competition must be handed to the Competition Committee not later than 20 minutes after publication of the results.

BCU SPRINT RACING COMPETITION RULES

- 32.3 A protest made during a competition must be addressed to the Competition Committee not later than 20 minutes after the Team Leader has been informed on the decision against his/her competitor or team and has signed the receipt.
- 32.4 All protests must be made in writing and be accompanied by a fee of £5.00 (International Competitions £20.00 or 25 Euros). The fee will be refunded if the protest is upheld. *If the protest is not upheld the fee may not be refunded, at the discretion of the Competition Committee or SRC hearing the protest.*
- 32.5 When a protest or a report is made against an athlete or a team, the team leader of the athlete/team in question shall be presented with the protest or report to read.

33 Appeals

Competitors have the right to appeal to the SRC through their club or team management against a decision of the Competition Committee, within 30 days from the date when the race was held. In the case of National Championship Competitions the appeal must be made to the Competition Jury in accordance with Rule 13.7. A fee of £20.00 shall accompany the appeal. The fee will be refunded if the appeal is upheld. The BCU SRC (or Jury in the case of a National Championship) shall pronounce the final decision.

Notes to the BCU Sprint Racing Competition Rules

Races Exceeding 1,000 Metres at the National Water Sports Centre Nottingham, Rules 21.4 and 21.5

Because of limitations at the National Water Sports Centre - mainly the start pontoon being fixed for the Start of two 5000 metre and one 2500 metre events - it is not possible to comply with the Rule and provide the three courses required. The 2nd leg under the Rule is 47.75 metres too long. The requirements given in the Rule are those of the ICF, which the BCU must shadow in its own Rules.

Long Distance Courses at the National Water Sports Centre, approved by the SRC

To provide flexibility there are four turning points with the start and finish of the turns as follows:

1. 10 metres beyond the finish line
2. 450 metres from the finish line
3. 1123 metres from the finish line
4. 1796 metres from the finish line.

International Rules Course - 1 long lap + 1 short lap

The Executive Committee and the Panel shall deal with such matters in accordance with the procedure set out below.
- 2.2 The Panel shall ensure that as soon as practicable and within 14 days of receiving the complaint from either the Investigations Officer or a Protest Committee, a copy of the complaint has been handed personally or by recorded delivery post to the Member. Notification of the date when the Panel will meet (via e-mail, personal or conference call communications, if deemed appropriate) to consider the complaint will be set as soon as practicable and within 30 days and an invitation to provide in writing, within 14 days (or such shorter time period as the Panel thinks fit) of the notice, any rebutting facts, mitigation, explanation or submission must be sent to the Member with the copy of the complaint. No member of the Panel may consider the matter in the event that he has a conflict of interest or could not be regarded as being impartial in the matter. In such circumstances, the Panel shall, in its sole discretion, replace that member with another member of the Executive Committee and if no such member can hear the matter then that member shall be replaced with another elected member of the Union for the only purpose of considering the complaint.
- 2.3 At the same time the Member shall be asked whether he wishes to be present at the meeting when the complaint is being considered, in which case that Member shall be informed that they may attend to make representations and that he may be asked questions. The Member shall also be informed that if no reply is received within the period of 14 days (or such shorter time period as the Panel thinks fit) the Panel will consider the complaint in his absence on the basis of the facts and statements in their possession. The Panel may invite the person making the complaint to comment on any reply provided by the Member, and shall supply a copy of any such comments to the Member before the meeting. The Panel may in its sole discretion invite the person making the complaint to attend the meeting.
- 2.4 At the meeting the Panel shall consider the complaint and any statement made in writing or orally by the Member. If that Member has asked to be present at the meeting he must have been given not less than seven days (or such shorter time period as the Panel thinks fit) notice of the meeting and he must have been invited to attend the meeting and offered the opportunity of being accompanied by an advisor. The Panel may question either party, if present, may call upon them to supply additional evidence or may adjourn the meeting to a later date. Once the Panel has completed its consideration of the complaint, it shall provide the Member with its written decision as soon as practicable and in any event within 14 days of the date of the original meeting or any adjourned meeting.
- 2.5 On completing its considerations of the complaint, the Panel shall draw up its findings of fact and may decide:
- (a) to reject the complaint; or,
 - (b) to warn or reprimand the Member; or,
 - (c) to suspend the Member from participating in specified events or training facilities held under the Sprint Racing Committees jurisdiction either:
 - (i) for a specified period, not exceeding three months; or,
 - (ii) for a specified number of such events or facilities, not exceeding five in number, consecutively, where that number, would not have taken place within the three-month period specified above; or,
 - (d) to recommend to the Board that the Member should be suspended from participating in Sprint Racing events or training facilities for a longer period or that the Member should be suspended or expelled from the Union, or that some other specified penalty (such as suspension of funding) should be imposed by the Board.
- 2.6 Where the Panel has found against the member, it shall as soon as practicable and in any event within the 14 days of the date of its original meeting or any adjourned meeting notify that Member by recorded delivery post of its findings of fact and of its decision and the grounds for that decision or recommendation, and shall inform him of his right of appeal under Regulations 2.8 and 2.9 below, and shall send a copy of the notification to the Board.

BCU SPRINT RACING COMPETITION RULES

- 2.7 Where the Panel has made recommendations to the Board under 2.5(d) above, the Board shall decide whether or not to adopt such recommendations a Board Meeting shall be convened (via e-mail, personal or conference call communications) as soon as practicable to decide on the sanction to be imposed.
- 2.8 If the Member or the person who made the original complaint disagrees with the decision of the Panel, he shall be entitled to make a new complaint pursuant to Rule 3.1 (b) of Part A of the Union's Dispute Resolution and Disciplinary Procedures for matters other than Doping and Child Protection Matters by way of a Notice. The Notice must set out in detail why the Member or the person who made the original complaint disagrees with the decision of the Panel. The Notice must be accompanied by a cheque for £100 made payable to the Union ("the Deposit"). This Deposit shall be held by the Union and re-paid to the Member or the person who made the original complaint in the event that his complaint against the Decision is upheld by an Arbitral Panel or Disciplinary Committee. Where the Member's or the person who made the original complaint is rejected by an Arbitral Panel or Disciplinary Committee or if the matter is resolved by mediation, the Deposit shall be retained by the Union.
- 2.9 The Investigations Officer shall consider the matter and decide if the Notice shows that there is on the face of it sufficient evidence for the case to be determined in accordance with Rule 6.1 of Part A of the Union's Dispute Resolution and Disciplinary Procedures for matters other than Doping and Child Protection Matters. If he does so decide, he shall refer the Dispute to be decided by the Disciplinary Committee or to resolve by arbitration or by mediation in accordance with Rule 6.2 of Part A of the Union's Dispute Resolution and Disciplinary Procedures for matters other than Doping and Child Protection Matters. A different person shall be appointed as the Investigation Officer to make this decision to the person who was appointed as the Investigations Officer to review the initial Complaint against the Member.

Clause 8.2 of the Terms of Reference of the Sprint Racing Committee

The Executive Committee shall have the power to appoint a panel of three persons to decide any matter referred to it pursuant to Rule 6.2(a)(ii) of the Union's Dispute Resolution and Disciplinary Procedures for matters other than Doping and Child Protection Matters in accordance with the Disciplinary Regulations approved by the Board and adopted by the Sprint Racing Committee from time to time.

In addition to the Section's Disciplinary Regulations the BCU Sprint Racing Committee adopted regulations on 1 January 2001 as follows:

3. Code of Ethics

4. Regatta Officials

- 4.1 It is vital for the honourable nature of the Sport that Officials are not subjected to any act that may compromise their position.
- 4.2 Regatta Officials must not be threatened or subjected to harassment, intimidation or abuse. No attempt should be made to persuade Regatta Officials to take an action which is dishonest or contrary to the Official's code of ethics or honourable nature of the Sprint Racing Regulations. This applies at anytime, in or out of competition. It is incumbent on each Official to report all such acts.
- 4.3 The report should be in writing and sent without delay to the Sprint Racing Committee (through the Section Secretary) who will consider the matter in accordance with the Section's Disciplinary Regulations.
- 4.4 In the event of an action taken immediately prior to or during a BCU Regatta, the Official should hand their written report to the Chief Official. The Chief Official with the Regatta Committee must take action in accordance with the Section's Disciplinary Regulations.

Guidelines for entry into Sprint Racing

The Racing Standards chart on page D1 shows the suggested entry levels for National Sprint Regattas held at the National Watersports Centre.

All paddlers must be current members of the British Canoe Union and have registered with the Regatta Committee as sprint racing competitors.

Junior club members need not be a full member of the B.C.U. in order to race in the Mini Sprint Series or Junior D Classes. He or she must be a member of his or her club and the number used for his or her identification will be the club's affiliation number followed by own individual club number.

Should they be promoted, however, to 'C' or above, he or she must then become a full member of the B.C.U. in his or her own right. Club **Team Leaders** must inform the Registration Officer of this change of status and the new BCU number for the junior.

The Racing Registration Scheme

The Registration Number is the unique numerical identification for each paddler and is used when programming a regatta. Only Registered Paddlers will be allowed to compete in B.C.U. events at National Regattas. Entries submitted without a Registration Number will not be

NATIONAL CANOE SPRINT REGATTAS

accepted.

Initial Registration

This may be done in one of two ways:-

1. At any National Regatta, at the Secretary's desk.
2. By contacting the Registration Officer by email or post (with a S.A.E. please).

In all cases, the following information is required:

1. Full Name
2. Date of Birth.
3. Club.
4. Your ranking (if known).
5. A Coaching Scheme Certificate of Standard for 500m that states the actual time taken for your trial.
6. Proof of current B.C.U. Membership (a photocopy of your card is acceptable).

The Registration Officer, 17 Springfield Road, Guildford, Surrey GU1 4DW

The correct Club Colours must be worn by all competitors in all events.

All kayaks and canoes must have **adequate buoyancy**, be fitted with a **number slot** and comply with current regulations as to weight. Boat Control will be carried out during national regattas.

Paddlers must supply their own lane numbers (1-9).

Current Ranking Lists of Registered Paddlers are intended as 'working' lists and only include paddlers who are BCU members and have raced during the last two years or those who are fairly certain to race in the current season. Any current member of the B.C.U who has registered but does not appear on the lists is retained in the main registration database lists and can race at any time.

Race Entries

Entries must be submitted through your Club's Team Leader and conform with the conditions/terms of participation.

See Team Leaders' Responsibilities pages B8 – B13.

- a) Making entries.
- b) Making late entries.
- c) Communication from the organisers to his / her club paddlers - including disqualifications.
- d) Making protests.

TERMS/CONDITIONS OF PARTICIPATION

In the event of cold and / or windy conditions the organisers may at their discretion cancel or postpone a race, or insist on the wearing of buoyancy aids.

In the event of an electrical storm paddlers will be required to leave the course immediately. A tannoy announcement will be made and umpire boats will ring a bell. Racing will not recommence until deemed safe by the Competition Committee.

4. Entries

All entries must be made on the Official Entry Form, with all the information shown on the example Official Entry Form below. Do not break up the form; send the complete form, even if you are making only one entry. Please ensure that you use the correct form.

- f) Enter A. N. Other for the name and four zeros for unknown crew members.
- g) Do not use one page for more than 12 names. Photocopy or use the spare page at the back of the entry booklet.

- i) Telephone entries are not accepted
- j) The closing date for entries is normally the Wednesday 2½ weeks before the event. Any entries arriving after the closing date must be made by the Team Leader at the Team Leaders' Meeting.
- k) Entries made without the correct fee(s) will be charged as Late Entries.

- f) The chart 'Standards for Racing' on page D1 demonstrates the way in which the subdivisions are made according to speed.
- g) The status of a paddler in a kayak class has no bearing on his status in a canoe.
- h) Mixed Events, in which male and female competitors race together in the Men classes, are permitted provided the races are of parallel standard to that of their designated classes.
- i) Combined Events - In order to facilitate programming we reserve the right to combine classes in any instance at any regatta, with the exception of National Championship events, which will all start as the programme provided there are sufficient entries.
- j) Paddlers must race **ONLY in their designated class for singles events (K1 and C1)** at National Regattas. Competitors may race above their designated class in crew boats only. Exceptions may be made when national coaches wish to enter squad paddlers in a different class.
- k) A Junior paddler may race in crew boats in an adult class, equivalent or above the standard of their own junior standard. E.g. BAK= MBK (see chart).
- l) All paddlers will be graded into classes according to the standards set out in the 'Standards for Racing'. Coaches should use the Coaching Scheme 500m Racing Tests as preparation for paddler's entry into racing.

- Will be notified on the regatta results and should take effect at the next regatta.

o) Masters

Paddlers born before 1977 may compete in Masters' classes unless ranked Men's A or Women's A

6. Check your Programme

Prior to the Team Leaders' Meeting, it is essential for each Team Leader to check carefully all his entries. It is best to keep a copy of your entry for this purpose. If there are any omissions or if you wish to make substitutions, mark your programme: the Team Leaders' Meeting goes very quickly, and leaves no time for hesitation.

It is not uncommon for the regatta organisers to make a few mistakes with the entries, but it is your responsibility to check the programme. Once a race has been passed during a meeting it is not normal to go back.

The regatta organisers will do their best to arrange the programme so that all races in each class are well spaced out, giving a minimum rest period of 40 minutes between races. Any competitor racing outside his / her designated class in crew boats cannot expect the programme to accommodate this situation.

TERMS/CONDITIONS OF PARTICIPATION

7. Team Leaders' Meeting

It is intended to hold only one meeting per regatta, at 0800 hrs on the Saturday morning (unless otherwise stated) at the regatta course. If the meeting cannot be completed in a reasonable time it will be adjourned and the time of the reconvened meeting announced. Each club must nominate one representative to deal with alterations and late entries at the meeting. This nominated representative will be responsible for all the money owed for the entries he submits. **This money must be paid by 4.00 p.m. on Saturday.** Failure to pay on time will incur a **£20.00 surcharge** that must be paid by the end of racing on Saturday. Failure to meet this deadline will result in all paddlers from that club being disqualified from Sunday's racing.

Procedure

- a) Team Leader signs in on arrival.
- b) Meeting commences promptly at 8.00 a.m.
- c) Technical announcements.
- d) If there are any objections to the programmed order of events they must be raised at this stage.
- e) Late entry provision:-
 - i. Events will be dealt with in order.
 - ii. The Competition Organiser will call out in order each set of heats (or finals, if there are no heats). Team Leaders should scratch any competitors who do not intend to race, or make suitable substitutions. They should call out the lane number first then the competitors name(s).
 - iii. If there are any vacant lanes the Competition Organiser will then ask Team Leaders to raise one hand for each late entry they wish to make. If there are more late entries required than there are vacant lanes available, a draw will take place.
 - iv. It is not permitted to return to an event that has been concluded.

8. Entries after the Team Leaders' Meeting

Entries after the meeting for lanced races will only be accepted in exceptional circumstances and at the discretion of the Competition Committee. **Any such entries will be charged a double entry fee.** Late entries will be accepted for long distance events (5 km.), up to one hour before the race, on payment of the appropriate late entry fee. Entries can be made on the form available from the regatta secretary's desk.

9. Club Colours

- a) The registered Club Colours must be worn by all competitors in all events at National Regattas.
- b) In K4 crews where more than one club is represented, paddlers must wear the colours for the club in whose name they are registered.
- c) Clubs racing for the **first time at a National Regatta** may request exemption from this rule by application to the Regatta Organiser; but the competitors should wear a plain white shirt with no markings. The club must then register its colours **before taking part in subsequent regattas**.

10. Numbers

- a) It is a requirement that clubs should provide their own lane numbers as prescribed in the Sprint Racing Rules for races up to 1000m in length.
- b) Sets of numbers 1-9, and suitable mounting brackets for kayaks and canoes, are available for sale from the Regatta Secretary's desk.
- c) For races over 1000m in length, the competition organisers will issue numbers. These will be of a type that fix into a slot on the deck of the boat, all competitors must ensure that their boats are fitted with these slots.
- d) Numbers for long distance racing must be obtained from the regatta secretary's desk and may be collected by Team Leaders ONLY. A deposit of £10.00 must be left by every club collecting numbers, regardless of how many numbers are required. This money can be reclaimed at the end of the day when all numbers are returned; alternatively it can be left at the desk to cover for numbers which will be required for Sunday's racing and would then be returned Sunday evening when all numbers were collected in.
- e) Lost numbers will be charged at £5.00 per number, and the amount deducted from the deposit before it is returned.
- f) A form will be available at the meeting on which the Team Leaders should order the numbers required for the day's long distance races in advance. This form should be handed in to the regatta secretary's desk. Your requirements will then make up for collection later in the morning, (after 11.00).

ALL CANOES AND KAYAKS MUST BE FITTED WITH NUMBER SLOTS ON THE CENTRE LINE OF THE AFT DECK

TERMS/CONDITIONS OF PARTICIPATION

11 K2/K4 Crew Names

Notification of crew names must be made at the Regatta Secretary's desk at least 30 minutes before the race. Any crew which has not notified the full set of names will be allowed to start the race but will not appear in the results, nor will they go forward to the next round of the competition. Paddlers who take the place of other paddlers without the proper substitution will be allocated 1 penalty point and disqualified from the event.

12 K4 Hire

- K4s for hire will be stored on racks outside the boathouse.
- Crews must not sit in the K4s *except when they are on the water*.
- Young paddlers must be supervised by a responsible adult when handling the K4s onto and off the water. The K4 Official reserves the right to refuse the boat to any youth crew that is not accompanied by an adult.
- Check your K4 before you use it. If it is not in order please report the fact to the Official. The crew that previously used the boat will be held responsible.
- K4s can be booked for any race during the course of the day as soon as the boathouse is open and the K4 Official is present.
- Crews must supply their own wing-nuts and toggles when they report to collect the boat they have booked.
- Crews must use the boat allocated or risk disqualification from the race.
- The Plastex K4s will only be allocated to Senior or Junior A, or combined A/B, class races.

13 Protests & Disqualifications

- Notification of disqualification will always be made to the Team Leader or his nominated reserve.
- In a National Championship event, a protest can only be made by the paddler's Team Leader.
- Team Leaders should realise that it is impossible to adequately umpire all races in every regatta. Where infringements are observed by an umpire these will be reported to the Chief Official who will, if necessary, inform the offending paddler's Team Leader.
- Often, however, infringements will not be observed by the Umpires and Team Leaders should realise that they have a responsibility to explain the situation to young paddlers who may easily become frustrated by what might seem to be an arbitrary system of justice.

14 Results

If a copy of the results is required, please send an S.A.E. marked RESULTS with your entry, or leave an addressed envelope and the appropriate postage at the Regatta Secretary's desk. A fee of £3.50 is payable for each copy. Alternatively, results and other national regatta information can be downloaded from the BCU Sprint Racing website page <http://www.bcu.org.uk/our-sport/sprint-racing/2012-national-regatta-information/>

15 Car Parking

Team Leaders MUST take an active part to see that club members observe the car parking lines. Parked cars must not obstruct the launching access for K4s to the concrete pontoons in front of the boathouses. Particular attention should be paid to the access road in the vicinity of the Centre Buildings. Access for emergency vehicles must NOT be impeded. The waterside of the access road and pontoon on the seating side of the tower is a No Parking Area.

16 System for the membership for Juniors of a B.C.U. Affiliated Club

A junior club member need not be a full member of the B.C.U. in order to race in the Mini Sprint Series or Junior D Classes. He or she must be a member of his or her club, and the number used for his or her identification will be the club's affiliation number followed by his or her own individual club number.

When promoted to 'C' or above, he or she must then become a full member of the B.C.U. in his or her own right.

It is the responsibility of the Team Leader to advise the Registration Officer of the full B.C.U. Number.

TERMS/CONDITIONS OF PARTICIPATION

BCU Regatta "Liability" Statement

Canoeing and Kayaking are assumed-risk water-contact sports. Participation in these sports carries an inherent risk of injury to competitors and damage to property. Participants should be aware of the risks involved in these sports and are responsible for their own actions and their involvement in these sports.

In all cases competitors compete entirely at their own risk.

Each of the Regatta Organisation, the Sprint Racing Executive, the British Canoe Union exclude liability for any loss or damage that may occur to competitors or property during participation in canoeing and kayaking to the fullest extent permitted by law.

All competitors must be current comprehensive members of the British Canoe Union except for juniors ranked in 'Girls D' or 'Boys D' and 'Mini Sprint A' or 'Mini Sprint B' who are members of clubs with registered juniors sections.

Regatta Entries are accepted on the basis that each competitor and Parent / Guardian of a junior is aware of and has accepted the above conditions. Team Leaders are requested to ensure that all of their club competitors are aware of and accept the above statements.

Particular attention is drawn to safety requirements, especially the need for adequate buoyancy in all boats.

Sufficient fixed buoyancy must be securely fitted to all boats before they are allowed on the water. Severe penalty points (and disqualification) will be incurred by all those ignoring this requirement. This is intended to ensure the safety of all those on the water.

'Tiddly Winks' and Boards

Coloured counters (known affectionately as Tiddly Winks) are awarded for the first three places in all Finals 1 in junior classes. These can be collected by the paddler from the Secretary's desk. Also available, at a cost of approximately £4.50, is a small wooden board on which the self adhesive counters can be mounted for posterity!

NATIONAL CANOE SPRINT REGATTAS

An Inter-Club National Competition

The MacGregor Paddle Challenge

John MacGregor M.A., Trinity College, Cambridge; (1825-1892) Barrister-at-Law, Captain of the Royal Canoe Club, through his extremely popular books and magazine articles from 1865 to 1892, practically invented the sport of canoeing (or kayaking).

The beginning of recreational canoeing can be traced directly to an Englishman, called John MacGregor, in the middle of the nineteenth century. He was a man with a penchant for boat design and exploration, who developed his craft based on the Eskimo Kayak, which he named *Rob Roy*. He took the boat on long journeys along the rivers and across the lakes of Europe, lecturing and writing about his travels as he went. His tales attracted quite a following and soon there were many kayaks in Great Britain based on his kayak design that is still referred to as a *Rob Roy*.

Canoes are the larger category under which kayaks fall: while all kayaks are canoes, not all canoes are kayaks. Paddlers in kayaks sit with their legs stretched out in front of them and canoeists generally paddle from a kneeling position. Most canoes are open hulled; while kayaks have covered decks. Canoe paddles are typically single bladed, while kayak paddles are double ended.

Some might say these differences occur because of the type of water available, but a look at the evolution of British canoeing culture during the past one hundred and twenty years would suggest that the major changes are due to those who have written and taught, coupled with the availability of canoes or kayaks.

The first period from 1865 evolved from the founder of British canoeing, John MacGregor. His book, *A Thousand Miles in the Rob Roy Canoe*, fired the imagination of the Victorians. The '*Rob Roy*' was a stable kayak, went in a straight line and had a large cockpit. Made of wood, it was easy to handle and a boat in which any beginner would have felt safe. In this period, wooden canoes were imported and were used for family outings and touring, the limitation to the growth was the cost of the wooden craft.

The second period from the 1930s to the 1950s is identified with the wooden frame and canvas kayaks and the start of the BCU Coaching Scheme. Percy Blandford wrote books and produced a host of designs for the Scout movement, which brought canoeing to a much wider number of people. The low cost, make-it-yourself PBK (Percy Blandford Kayak) designs, were, like the '*Rob Roy*', stable, went in a straight line, and had large cockpits. The BCU Coaching Scheme was started in the 1950s by John Dudderidge. The original proficiency tests were designed around the use of the open cockpit straight-line kayak.

The third period, which had a massive impact on both the expansion and the change in direction of British canoeing culture started around the early 1960s, when in 1962, the BCU appointed its first Director of Coaching, Oliver Cock, giving added drive to what was to become a very powerful teaching scheme. For various reasons, the Coaching Scheme became more and more interested in rough water canoeing. At the same time, glass reinforced plastic became available. Moulds were produced for the home builder and the designs reflected the interest in rough water. Thousands of kayaks were produced with rockered hulls and small cockpits. By 1980, the Coaching Scheme had 3,000 members almost all teaching in the close fitting cockpit kayak. So powerful had that culture become that, if the word 'canoeing' is mentioned to almost anyone in Britain, their immediate image would be that of a young man or woman strapped into a kayak, wearing a crash helmet and wetsuit, performing turns and rolls on rapidly moving rivers. This was a great image for the adventurous teenager but daunting for many others who might wish to paddle. Indeed, a far, far cry from the canoeing of MacGregor.

MacGregor spent part of his youth in Halifax, Nova Scotia, where his father was stationed in the 1830s in a fort. He may have picked up some canoeing experience there.

Reading his books one notices he carried in his canoe a number of religious tracts (in a movement called "Muscular Christianity") written in the local language and was always ready to hand them out. He did not travel on Sundays, but did lecture on his travels and gave much of the profits to charities, especially to boys in the inner cities.

He published accounts of several other canoe cruises, including one to Scandinavia and another to Jordan and Egypt. The appendix to that book gives some construction details for his canoe designs.

His wooden split paddles were presented to Royal Canoe Club in 1959. Subsequently these were used as the trophy at the BCU National Inter-Club Sprint Racing Regatta, being first presented in 1977 to the winning club Fladbury and still fought over annually. A full list of winners can be found on page C8.

NATIONAL CANOE SPRINT REGATTAS

Scoring for the MacGregor Paddle Challenge Competition

Under the following system most clubs should have an equal opportunity to achieve a winning score:

1. Each BCU affiliated Club will automatically score 1 point for every Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddler competing in the Inter Club Regatta.
2. Each Club will score 1 point for each promotion accredited to their Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddlers during the previous four Regattas, i.e. September (previous year), April, May, & June, of the same year.
3. The scoring at the Inter Club Regatta will be on the following basis:
Each Club will score its best

12	K1/C1 results in all finals
6	K2/C2 results in all finals
3	K4 results in all finals

Scores will be awarded, provided there are at least three crews participating, on the following basis:
First 20 points, second 19 points, third 18 points and so on.

Penalty points accrued by every Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddler during the five scoring regattas will be deducted from their team's score, i.e. September (previous year), April, May, June & July.

4. Notes:
 - a) Composite crews, with members from more than one Club, do not score.
 - b) At least 50% of the crew must be registered in the class in which they are racing.
i.e. 2 paddlers in a K4 or 1 paddler in a K2. Crews may be made up with paddlers from a lower ability group with the following exceptions:
 - i) Men may not paddle in Women's races.
 - ii) Boys may not paddle in Girls' races.
 - iii) Seniors may not paddle in Junior races.
 - c) No one may enter any singles class other than their designated class as shown on the Registration File. Exceptions may be made when national coaches wish to enter squad paddlers in a different class.

NATIONAL CANOE SPRINT REGATTAS

Disciplinary Procedures

Offences Incurring Penalty Points

The Chief Official will be solely responsible for all disciplinary matters of a minor nature, under the operation of a penalty points system. At his / her discretion, he / she may issue one penalty point to each paddler involved in each of the following offences. These offences are considered to be detrimental to the efficient operation of regattas and / or potentially hazardous.

Code	Infringement
• C	Racing in incorrect colours
• N	Racing with incorrect or missing number
• Z	Failure to observe water zoning procedures
• S	Unauthorised substitution for another paddler
• F	Failure to report, having qualified, for semi-finals or finals
• D	Conduct during racing likely to cause injury or damage to equipment
• L	Use of offensive language
• U	Underweight boat (see note 1)
• R	Failure to report for boat weighing immediately (see note 2)
• B	Insufficient buoyancy (see note 3)

Notes

1. Weights must be properly fixed to the boat or seat. Stones in bags or any other temporary system will not be accepted.
2. Boats required for weighing will be notified shortly after the finish of the race.
3. Buoyancy will be checked by both systematic and random inspections at launching points. If a boat is found to have insufficient buoyancy, it will be turned back.

Accumulation of Penalty Points and Penalty Fines

1. When a paddler accumulates a total of 4 or more penalty points, he / she is liable for a fine of £10 per point in excess of 3 points.
2. Fines are to be paid at the Regatta Office.
3. A paddler liable for a fine cannot race until the fine has been paid.
4. Penalty points are accumulated over 4 consecutive regattas and are not restricted to a single year. Thus, for example, penalty points incurred in the last regatta of the year will remain active until the start of the 4th regatta of the following year.

Notification

Team leaders may be notified when a penalty point has been issued to a paddler from his / her team. A record of all the active penalty points is listed at the end of the results for each regatta.

Disciplinary Matters of a More Serious Nature.

In respect to all other disciplinary matters the Chief Official, Competition Committee and the Competition Jury must act as described in the Sprint Racing Rules which include penalties in accordance with B.C.U. Rules or the Sprint Racing Section Disciplinary Regulations.

N.B. A reported incidence of dissent / abuse towards a Regatta Official, another competitor or their equipment, or a spectator must be treated as conduct prejudicial to the interests of the sport and dealt with under the Section Disciplinary Regulations.

REGATTA OFFICIALS

The training of officials is a highly important area of our activities; from both a National and Regional point of view. Anyone interested in assisting at BCU National Regattas is encouraged to come to sit alongside more experienced officials to learn what is involved. Through officiating at our own National and International Regattas any official can progress to a standard where they become eligible to take the International Canoe Federation examination, thus becoming qualified to officiate at World Championships. Newcomers are welcome and, if there is sufficient interest, we are happy to run a basic course aimed at complete beginners – no previous knowledge or experience is assumed. All aspects of regatta organisation would be covered in a basic and practical way, including the organisation of low key, local events of all kinds. This course would be followed by practical experience at regattas, working with a more practised official to gain knowledge and experience. Additional training can be given in specialised fields for those aiming to take the ICF Examination. There may also be discussion groups of more experienced officials who meet to iron out any problems that have arisen during the season and find methods of solving them.

MINI SPRINT SERIES 2012

The Mini Sprint Series is run alongside the National Sprint Regattas held at Holme Pierrepont in Nottingham during May, June, July and September.

The Mini Sprint series has been specifically developed to suit the needs of young people who have chosen this discipline. It is part of the Paddlesport foundation which helps them progress into whichever discipline they may eventually choose. The programme has taken into account that full sized K1s, K2s and K4s are too large for young people. Together, the Canoe England's Paddlesport Participation Programme and the BCU Sprint Racing Committee have formed the Mini Sprint Series that has evolved from the Lightning series, originally a K1 event.

The aim of the series is:

- To introduce young paddlers to the venue.
- To develop experience of sprint competition at a national event.
- To develop teamwork.
- To have the opportunity to develop paddling skills/speed through organised activities.
- To become motivated to progress through the main classes.
- To meet and make friends with paddlers from other clubs.
- **To enjoy the sport, have fun and become confident sprint paddlers.**

The series has been developed over the years as a weekend event involving coaching activities and racing.

The paddlers will compete over 500 metres in Lightning K1, Mini K2 and Rocket K4 with heats and finals run and timed on the main regatta course.

Entries are done by a club's Team Leader and all changes must be made at the Team Leaders' meeting.

The cost is now per seat, exactly as other junior paddling categories.

Please ensure paddlers are entered in the correct category based on time, not age.

Coaching will be offered and differentiated so that all paddlers will be able to enjoy and benefit from the activities.

Only Lightning Kayaks are to be paddled in the K1 events.

Clubs who own Hody K2s should bring them to ensure everyone can paddle in the correct category

MINI SPRINT CUP

Points will be awarded for each event culminating in the final event where double points will be awarded.

MINI SPRINT RULES 2012

Points are accumulated at each nominated event leading to a final at the September Regatta.

Mini Sprint points do not count towards The MacGregor Inter Club competition during the July Regatta. At the July Regatta the Mini Sprints receive double points for their paddling and these go towards the Mini Sprint Cup competition that runs separately from the main Inter Club Competition.

PADDLE-ABILITY

Paddle-Ability is the term used by Canoe England to describe all disabled Paddlesport activity. The term focuses on a person's ability to take part in Paddlesport rather than their disability. Canoe England encourages and supports anyone with a disability to participate in competition in specific **Paddle-Ability** events and mainstream competition.

Specific **Paddle-Ability** events are held at National Regattas in Nottingham from April to September. Racing is based on ability (in time bands). Entries should be submitted with other club entries via the Club Team Leaders. If competitors are unable to attend their team leader must notify Viv Kendrick no later than 9 a.m. on the Saturday morning of the regatta. Race fees will be £5.25 per event for individual events and £10.50 per boat for K2 Events.

Entrants may have an escort boat to provide support to the starting posts, limited support is also permitted during races. Escort paddlers will be expected to wear yellow escort bibs; these can be obtained from the **Paddle-Ability** cabin. If you would like to become an escort paddler or require further information contact **Paddle-Ability@canoe-england.org.uk**.

The current **Paddle-Ability** events are available:

- K1: 200m, 500m
- K2: 200m, 500m
- V1: 200m, 500m

Time Bands and Rankings

Information on **Paddle-Ability** time bands and rankings can be found on the Canoe England Website

GB CANOEING

Introduction

We can look forward with optimism to the season ahead and the excitement of hosting the London Olympic Games. The Opening Ceremony of the Games is on 27 July 2012 when the eyes of the world will be upon our nation for what will be the greatest sporting event in the UK in our lifetime.

There is a great deal of excitement throughout the whole of the UK about the London Olympic Games. In canoeing, we see the London Olympic Games as a real opportunity to showcase our sport and for our athletes to compete at home on what will be the biggest sporting event in their careers. Everyone is looking forward to the Games and for our athletes their energy is being focused on delivering quality in every training session between now and July 2012.

Our team preparations are going to plan and our coaches and support staff are doing everything possible to support our athletes to maximise their performance improvement.

There are so many positives to look forward to during the Games and in the period after the Games, with the legacy that the Olympics will provide for canoeing throughout the UK. For me, doing everything that we can to support our athletes to deliver their best performances, in front of their home crowd, is the most important aspect of the London Olympic Games.

There are many people in canoeing working hard to ensure that London 2012 is a real success for our athletes and our sport. We are also starting to prepare our Performance Programme for the 4-year cycle after London and the Olympic Games in Rio de Janeiro in 2016. We have also set a clear vision for 2020 and beyond to support the development of the next generation of our talented young athletes.

Thank you to all the coaches, officials and parents who support our athletes - it is much appreciated. Good fortune and best wishes to all the athletes, coaches, support staff and supporters for the season ahead.

John Anderson
Performance Director

GB CANOEING BCU PERFORMANCE MATRIX

British Canoe Union World Class Olympic Podium Programme – Final Athlete Personal Award Recommendations & Eligibility Criteria for Consideration – 2012

A		Medallist Top 3	Canoe Slalom and Sprint Racing Olympic Games	Continuity of support guarantee 2 years
B		Top 8 Placing	Canoe Slalom and Sprint Racing Olympic Games	
C		Top 18 Placing	Canoe Slalom & Sprint Racing Senior European Championships	(Olympic Events only) inclusion will be determined by profiling with potential for Rio
		Medallist Top 3	Canoe Slalom and Sprint Racing Under 23 World & European Championships	(Olympic Events only) inclusion will be determined by profiling with potential for Rio

1. This 'Matrix' will be used to identify athletes that 'may be considered for inclusion' on the UK Sport Podium Programme.
2. To be considered for inclusion on the OPP athletes must as a minimum achieve the above performance criteria. However, although these criteria should be seen as a pre-requisite for inclusion in the OPP, it does not necessarily guarantee inclusion
3. Special circumstances may be considered in terms of athletes who had been included the previous year, based on results, but were unable to compete (e.g. injury).
4. The reason for inclusion of any athlete in the OPP is that the athlete is deemed to have a strong and realistic chance of winning medals at Olympic and/or World Championships over the next four years.
5. Athletes considered for inclusion on the OPP, using these criteria, will then be profiled using the BCU Performance ranking system and a final decision will be taken on their inclusion, at the discretion of the Performance Director, up to a quota agreed by UK Sport.
6. An athlete achieving a top 3 medal position at the Senior European Championships in Slalom or Sprint may be considered for Band B APA support.
7. It is expected that Athletes included on the Podium Programme will have achieved the Performance criteria to move up from Band C to band B within a 4 year period.
8. Athletes exiting the UK Sport Podium Programme will receive funding and an Athlete Personal Award through until 31 December 2012 (some exclusions may apply and will be notified otherwise).

SPRINT RACING SELECTION POLICY

International Panel

1. General Notes on Selection

Sprint Racing is an outdoor sport that can be affected by weather conditions and lane draws. The selection policy must recognise that a first past the post system will not always be fair or appropriate when selecting teams for international competitions. The BCU policy for all disciplines is to appoint an International Panel that will be responsible for:

- Proposing the selection policy on an annual basis,
- Selecting GBR Teams for Major internationals.
- After a period of open consultation this policy will be published in the Racing Handbook

The SRC will be responsible for making recommendations to the BCU Board for the appointment of suitably qualified members to work on the International Panel. They will be selected on the basis of experience and competency and will have firsthand experience of the sport at national and international level. The final authority for appointing international panels rests with the BCU Board.

2. International Panel (Selection Committee)

There will be 4 core members of the international Panel and for the 2012 season they are as follows:

- John Anderson: BCU Performance Director.
- Roland Lawler: SRC Committee Appointee
- Alan Williams: BCU Performance Manager (Chairman)
- Brendan Purcell: BCU National Head Coach

The panel will call on section coaches to assist with the selection of teams. They will be asked to table their recommendations for consideration by the International Panel but will have no voting rights. Once the panel has all of the information required coaches may be asked to leave the selection meeting while the Panel considers selections.

If the National Performance coach has any direct coaching responsibility for an athlete or crew he will not vote concerning these selections. The Chairman of SRC may join any panel meeting but does not have a formal vote.

3. Competition Programme

The Senior Management Team (World Class Programmes) will prepare training and competition programmes for the coming season. These programmes will be focused on preparing athletes for Olympic events. The SRC may add additional events including non Olympic events which can be funded from their resources.

4. Eligibility for Selection:

Any athlete wishing to be considered for selection must be a full member of the BCU.

They must sign the appropriate athletes' Agreements which are:

- The BOA's London 2012 Team Members agreement. (Olympic team Nominees)
- The BCU athletes Agreement. (All other BCU International Teams)

They must comply with BCU and ICF rules on Nationality.

Athletes who are not GBR passport holders must have been released from their own National Governing body.

An Athlete is not allowed to race for two Nations in the same year.

SPRINT RACING SELECTION POLICY

Athletes hoping to be considered for Olympic Qualifying competitions and the Olympic Games must hold a GB Passport and comply with current I.C.F and N.O.C rules. N.O.C bye-laws include a clause on Eligibility of Members of the Team GB who are found guilty of a Doping offence.

Additional criteria for Eligibility to Para Canoeing Team:

- Paracanoe athletes, who wish to be considered for selection, must fit the ICF disability assessment criteria and be willing to be assessed against the classifications below if this has not yet been completed.
 - ICF rules also allow for a competitor to paddle in the ability category above the one in which they are classified to compete in (e.g. a TA competitor may compete at LTA level).
 - Those wishing to be considered for selection must use boats, which fit the ICF criteria. ICF rules allow for some modification and adaption of boat to meet particular disability needs.
 - Athletes who wish to be considered for selection to the 2012 World Championships must in addition to points 4 & 5 meet the GB Canoeing eligibility criteria. (see appendix 3)
 - Have a National classification
 - Attend the Paracanoe assessment day
 - Race at a National selection event
 - Must have reached a performance standard (*see Paracanoe performance standards*)
 - Consideration will be given to 2011 International events and 2012 National selection events
5. **Teams for International Competitions.**
Teams for all major international events, World Cups, World and European Championships must comply with the rules of the I.C.F and E.C.A.
- Assessment will be based on individual or crew performance. Guidelines for minimum performance will be set for senior teams. The International Panel will give recognition for previous medal winning athletes at World Championships in the current Olympic cycle.
- The primary selection focus will be Olympic events. Athletes can also be considered for non Olympic events. These selections would be performance based and dependant on ability and available funding.
6. **Teams for Minor Internationals**
The International Panel may nominate a panel to select teams for minor internationals and development events. These teams will be selected by the nominated Panel and will be ratified by the Chairman of the International Panel.
7. **World Student Games/Championships**
Student competitions come under the auspices of the British Universities & College's Sport. Athletes wishing to be considered for these teams must seek approval from the National Governing body. In the first instance they should notify the BCU International Programme Manager (Andy Goodsell) that they would like to be considered. Entries will be at the discretion of the British University & College Sports. Athletes may make representation to their own College or University for funding.
8. **GB Paracanoe**
Selection to represent GB at International Paracanoe events will be based on the ICF disability classifications and classes.

SPRINT RACING SELECTION POLICY

The current classes raced internationally are 200metres K1 Men, V1 Men (LTA, TA, A) K1 Women, V1 Women (LTA, TA, A)

9. Athletes who competed and medalled at the 2011 World Championships who win the National selection event in April will be selected for the 2012 World Championships. If an athlete who medalled at the 2011 World Championships does not win at the National selection event in April there will be a race off one week later. The winner of this race off will be selected for the 2012 World Championships.

10. Entries to any I.C.F international are subject to National Governing body approval. Permission must be sought before any entries can be placed.

11. Funding

All GBR team selections are subject to available finance. This means that available funding will influence the size and the number of athletes selected for each international. Athletes may be asked to contribute an amount determined and agreed by the Senior Management Team, the Para Canoeing strategy group or Sprint Racing Committee.

12. Selection and De selection:

- The selection process for Olympic Games 2012 will be based on medal winning results at the 2011 World Championships and nominated assessment competitions in 2012
- The BCU reserves the right to deselect an athlete who has lost form or is suffering from illness or injury.
- In these circumstances the International Panel may call on the BCU medical officer or another appointee to conduct a fitness trial or test to determine fitness to participate.
- In the case of possible loss of form the head coach will arrange a water based test over race distance. The test will be appropriate to conditions and the Class.
- Following the fitness test the Head Coach will supply the International Panel with the results of the test. The International Panel will then determine whether the athlete will remain in the GBR Team. If the athlete is not fit to compete the Panel may ask the coaches to nominate another athlete as a replacement.
- For the Olympic Team this rule applies to athletes up to the Delegation Registration Meeting (8th July 2012)
- Any selection or de-selection after the DRM shall be strictly in accordance with the IOC's Late Athlete Replacement Policy and the Olympic Qualifying Standards agreement entered into between the BCU and the British Olympic Association.
- Athletes are not permitted to announce their selection or non selection prior to any formal announcement by the British Canoe union and the British Olympic Association
- The BCU also has the right to deselect any athlete who has been found guilty of any disciplinary offence under the BCU Rules.

13. 2011 Mitigating circumstances

Should an athlete or crew of a given standard, (criteria listed below), miss an assessment due to illness or injury or any other mitigating circumstances The International Panel reserve the right to provide an opportunity for such an athlete (or crew) to compete.

- Criteria for Mitigating Circumstances:
- Athletes must have results that place them on a 2012 programme.

Mitigating Circumstances: Could cover (but are not limited to) issues such as Short Term Illness or Injury, Broken Equipment or Unfair Race Conditions. In the event of illness or injury a medical note should be sent to the Chairman of selectors. Mitigating circumstance

SPRINT RACING SELECTION POLICY

should not be used as an excuse not to race and will only be taken into consideration in exceptional circumstances.

14. The aims of the Selection Policy are:

1. To select appropriate teams for international competitions.
2. To also give careful consideration to develop GBR athletes. This policy may restrict the number of events that individuals or crews can compete in if this is considered to be in the best interest of the overall GB Team
3. To employ an open and fair selection process that allows athletes to challenge for selection.
4. To ensure that the selection process does not unduly affect the preparation of established athletes preparing for major competitions.
5. To select developing athletes to represent GB and gain exposure to international events.
6. When forming crew boats the coaches will amongst other things give consideration to: Compatibility, Availability, Commitment and Individual Performance.
7. The international Panel will take account of improvement through the season. But this does not mean that the winner of the last competition is automatically selected

15. Appeals:

An athlete may appeal against non selection if the international panel do not adhere to the agreed format and timetable for selecting teams. Or do not advise an athlete of any changes to the competition programme made by other organisations.

Olympic Games:

The International Panel will meet to consider their recommendations for London 2012 Olympic team on the 12th June. The Chairman of the I.P will inform SRC and Programme athletes of the provisional team selections also on the 12th June. *(This team is provisional until approved and ratified by the BOA)*

Appeals against non selection must be made within 24hrs of notification and should be sent to the BCU Chief Executive who will determine whether there are reasonable grounds to appeal. If there are reasonable grounds to appeal the Chairman will convene an appeals panel to consider the appeal within 7 days.

The B.C.U Appeals Policy was approved by the B.C.U Board in 2007. Copies of this policy can be obtained from the B.C.U Performance Office.

There is no appeal process for athletes deselected under rule 12.

- 16.** BCU anti doping Policy can be viewed at:
www.gbcanoeing.org.uk/gbc/index.cfm/aboutanti.doping

Note:

The ICF Sprint Racing calendar is a working document that is subject to change. The International Panel will confirm any changes to the assessment programme as soon as practical.

SUPPLEMENTARY INFORMATION

Published as a guide to assist Athletes and Coaches:

World Class Programmes:

Nominations to the Podium programme are performance based and subject to approval by UK sport. Funding from these programmes can only be used to support athletes who have been nominated and accepted as part of the World Class Programmes. The criteria for recommending and approving athletes for World Class Programmes will be published in the Racing Handbook.

Ongoing assessment process:

The International Panel will use World and European times to compare GBR performance. Where times are abnormally fast or slow the most appropriate time or an average of the two times will be used and this will be shown in the table below. Times shown in *italics* are unusually slow or fast and have not been used. Where times have been averaged this is shown in the final column.

As a guide +4% is the average difference from 1st to last place in final of Olympic events.

As a guide + 7% is the average difference from 1st to 18th place.

The target times for senior teams have been rounded up to the nearest second (*half second for 200m events*) and are set at GMT plus 5%. These standards will be used as a base point when selecting teams for Olympic Games, World Championships and European Championships. The International Panel will consider race conditions when assessing performance times and take coaches' comments on race conditions into consideration.

STANDARDS FOR RACING

1. Introduction

The Racing Standards were set up to develop marathon racing, sprint racing and fast touring.

2. The Progression

Outlined below are the current **skill, racing and coaching awards** designed to support a progressive coaching & paddling scheme for clubs based on placid water using open cockpit canoes and kayaks.

2.1 Skill Development Awards for paddlers

The Star tests provide progressive levels of award for canoe and kayak. They can be used either as a basis to encourage skill development for paddlers or as an indicator of the appropriate level of skill for aspirant coaches in the instructional coaching awards.

Details of the syllabus are contained in free leaflets available from BCU Office.

2.2 Racing Awards for paddlers

The Racing Tests are designed to encourage paddlers to improve performance and recognise their progress in racing kayak and canoe. The Sprint Awards also provide a useful guide to indicate the class or division to which paddlers should enter into sprint and marathon racing.

The awards can be examined by any BCU Coach (Level 1-5) or Club Official and can be taken in any canoe or kayak

There are three types of Racing Award:

- **The Sprint (500m) Awards**

In each case the paddler must equal or beat the times below to achieve the standard.

Award	Kayak Men	Kayak Women	Canoe
Green	4.00	4.20	5.00
Blue	3.30	3.45	4.00
Bronze	3.05	3.20	3.20
Silver	2.45	3.00	3.05
Gold	2.30	2.45	2.45

Note: Time in minutes and seconds – in single canoe or kayak

Guidelines for entry into Sprint & Marathon Racing

To promote fair racing and as a guide for coaches, team leaders and paddlers, the following standards, based on the "Sprint (500m) Awards", are suggested as the entry levels into Divisional Marathons and regional, club or local Sprint Regattas.

Entry levels for National Sprint Racing Regattas held at the National Watersports Centre, Holme Pierrepont Nottingham, see the Racing Standards chart on Page D1.

Award	Marathon			Sprint
	Kayak men	Kayak Women	Canoe	
Green	Fun/Mini Sprint	Fun/Mini Sprint	Fun	Mini Sprint
Blue	Div 9	Div 9	Div 9	Mini Sprint
Bronze	Div 8	Div 9	Div 9	Junior M & F & Veterans
Silver	Div 7	Div 8	Div 8	Senior Women & Canoes
Gold	Div 6	Div 7	Div 7	Senior Men

STANDARDS FOR RACING

Note: To qualify for National Regattas, the standards must be achieved in a modern racing single canoe (in high kneeling position) or single kayak (with seat).
See Team Leaders' Section for more details.

- **The Marathon, Half Marathon**

Details of the standard times are available in a free leaflet "The Placid Water Racing Awards" (CT/012/00/1).

- **The Time Trial Awards**

Details of the standard times are available in a free leaflet "The Placid Water Racing Awards" (CT/012/00/1).

COACHING THE COMPETITION DISCIPLINES

Gaining qualifications and knowledge to Coach:

The Coaching Scheme has various pathways enabling both paddlers (boat based) and non-paddlers (bank based) to become Competition Coaches.

The entry level to the Coaching Scheme is at Level 1. This can be accessed by anyone with a minimum number of pre-requisites.

Level 1

A Level 1 Coach is classed as an 'Assistant Coach' whose role is to assist a higher level coach, or work a little more autonomously with some extra criteria in place. They are trained to deliver single sessions to individuals or groups in sheltered water conditions.

If you wish to enter the Coaching Scheme as a 'Boat Based Coach', then you will need the BCU 2 Star Paddlesport Award or the BCU Paddlepower Discover Award, together with completion of a BCU 'Boat-based' Foundation Safety and Rescue Training Course. The 2 Star is an award that has to be taken in Canoe and Kayak, however the choice of boat that is used for each of these is entirely the candidates. If you want to use your C1 or K1 for the canoe or kayak aspects of the course, you are entitled to do so.

If you wish to enter as a 'Bank-Based Coach' then you only need to complete a 'Bank-based' Foundation Safety and Rescue Training Course.

The Foundation Safety and Rescue Course may be included in a Level 1 training course by adding an extra day, or it could be attended prior to the Level 1 Training Course.

The Level 1 Course is conducted over 4 days. It may be spread over weekends, or evenings during the week over a longer period of time. This flexibility suits the Clubs where volunteer time is at a premium and they do not wish to give up their time with their paddlers.

Assessment is during the course, with a number of tasks being performed and continual feedback given by the course tutors. The course is generic in nature with opportunity to explore different methods of coaching in and to a variety of craft; canoes and kayaks; singles and crew boats. Again, you can use the craft you regularly paddle and coach from for the majority of the course.

Racing Module

Following a Level 1 Course, the Coach can then attend a one-day Racing Module course. This focuses on the basic aspects involved in coaching racing, particularly forward paddling technique in canoe and kayak. It is designed to give the level 1 or 2 coach an initial understanding of Sprint and Marathon Coaching.

APL

The BCU recognises that in some instances aspirant coaches have prior experience that may enable them to enter the Coaching Awards programme at a higher level.

If you feel you have experience that can be accredited as prior experience, then refer to the BCU Accredited Prior Learning (APL) Policy: <http://www.canoe-england.org.uk/coaching/apl/>

Supporting Modules

To help the coach with their personal development and to start the process of moving on to qualify for level 2, there are a number of Foundation Modules available as supporting units.

COACHING THE COMPETITION DISCIPLINES

Details of these can be found at <http://www.canoe-england.org.uk/tests-i-awards/coaching-support-modules/foundation-modules>

Level 2

The Level 2 Coach can work autonomously. They are trained to deliver a series of linked sessions to individuals or groups on sheltered water.

This level is also designed for both boat based and bank based coaches. The pre-requisites are a 3 Star Award along with the Foundation Safety and Rescue Training. The training and assessment days are separate at Level 2. Training is held over a 4 day period or an equivalent number of hours. Assessment is conducted after a number of coaching hours are logged and supporting module sessions attended. Assessment will be coaching both canoe and kayak disciplines.

Together with the Racing Module, this is the ideal award for a coach working at club level under direction of a more senior Club Coach.

A strength and conditioning module has now been developed and is available for clubs or groups of clubs to access. This course is aimed at the coach who wishes to commence Strength and Conditioning work at the club without having to rely on expensive equipment or hiring sports halls or gyms.

For those within the ranking system in Racing or Marathon can claim an 'equivalency' rather than have to complete a 3 Star course and/or assessment. The equivalents are as follows.

Racing

- 5 Star** Senior National Team; Adult 'A' Ranking
- 4 Star** Junior National Team; Adult 'B' Ranking
- 3 Star** Adult 'C' Ranking or Junior 'A' or 'B' Ranking

Marathon

- 5 Star** Senior National Team, Division 1 (Men); Division 3 (Women and C1); sub 18 hours DW Time (Men) Sub 20 hours DW Time (Women)
- 4 Star** Junior National Team; Divisions 2,3 (Men); Divisions 4 (Women and C1); sub 19 hours DW Time (Men); Sub 21 Hours DW Time (women)
- 3 Star** Divisions 4,5,6 (Men); Divisions 5,6 (Women)

Fuller details of these are on the Canoe England web site at:

<http://www.canoe-england.org.uk/media/pdf/Equivalents%20to%20Star%20Awards%20for%20Competition%20based%20Paddlers%20V1-0.pdf>

A Strength and Conditioning Programme for Coaches is currently being designed and this will be available for coaches at all levels to access in 2012 to assist them plan and deliver programmes to their paddlers.

COACHING THE COMPETITION DISCIPLINES

Level 3

Level 3 Coaches are discipline specific. Level 3 Coaches are trained to deliver an annual programme to paddlers under their direction. It is the ideal qualification for those coaches who have a lead coaching role within a club.

Again, the Level 3 Coach can be boat based or bank based. They would need appropriate qualifications or experience required to fulfil the conditions to become a boat based coach. The Level 3 Course consists of a 3-day (or equivalent) generic core; this is followed by 2 days of applied coaching within the discipline environment. Various assessment tasks have to be fulfilled over a 12 month period; this is completed with 2 formal assessments, one in the training environment and one at a competition with the coach's own long term athletes.

At all levels there is support available. Reduced fee courses are currently being offered to Coaches from Competition Clubs along with bursaries in some circumstances.

Details of support for Coaches and of courses at subsidised rates are available from the SDOs

SDO North:	Gareth Field Tel. 07738185885 Email: gareth.field@canoe-england.org.uk

SDO South:	James Hinves Tel 07834 583369 Email: james.hinves@canoe-england.org.uk

CPD (Continuous Professional Development) for coaches is available to club coaches to further their existing knowledge, ideas and understanding. Evening and day sessions take place at clubs. One or two staff coaches from the coaching team of Canoe England, and/or GB Canoeing conduct these. A wide range of topics can be delivered either indoors during the winter or outdoors on the water if the conditions are right

MARATHON RACING

Chairman's Foreword

Brian Gandy stepped down as Chairman of the Marathon Racing Committee in August last. We must once again all thank Brian for the tremendous contribution he has made over the past 9 years. I have only been in place for a relatively short period, but during that time I have come to realise the level of commitment and dedication shown by the volunteers that make up your committee, it is second to none. Everyone wants to improve Marathon racing and increase participation and whilst we, as a committee, are not without challenges that we must overcome, there is no doubt of the overwhelming commitment to improve that exists.

None of us should forget that there is little, if any, financial reward in our discipline, so the majority of us a paddle, compete and volunteer for our love of our sport. From this background It is an enviable achievement that the MRC have been able to maintain and manage such a comprehensive international programme over the years, which has achieved some exceptional results and continues to do so. This has been done on a very restricted budget and with the minimal levels of central funding available. The programme of events has only been possible due to strict management and financial control which will have to continue if we are to finance a comprehensive international programme in the current harsh economic climate.

The 2011 season has once again shown us that Marathon racing is not only alive and well in this country but that our home grown paddlers are continuing to be a force to be recognised at international competition, at the highest levels. Exceptional results were achieved at World Cup 1 in Rome. More superb results followed and finally medals and top ten placing at the World Championships in Singapore rounded off an impressive season. Huge congratulations must go to all our paddlers, both Junior and Senior, for their performances during 2011.

The coming season will have its challenges as some of our established Juniors move into Senior competition. In addition we will see some of our younger paddlers having to make the transition into careers or university life which is bound to have an effect on their training programmes and availability for competition. The possible negative effects will however open up opportunities for others.

We are generally experiencing increasing numbers competing at regional races and our 2011 National Championships at Worcester was perhaps one of the most successful in recent years with entries increased in virtually all classes. The Hasler inter-club final at Bedford saw two clubs come together and arrange a superb event and a keenly fought competition. The southern regions continue to lead this paddler growth and there is still some hard work to be done in other regions. Communication has not perhaps been at its best in the past and that must be addressed. The momentum that we have seen in our sport in recent years must be built upon - this will need us all, every paddler and every club to work together. It is confusing and annoying when we witness seemingly unnecessary clashes of dates and events that hinder our Marathon paddlers interested in sprinting, and visa versa, this is something we need to try to rectify as a matter of urgency. Our paddlers at all levels should be able to show their talents and compete in both disciplines and this is something we must try and address for the benefit of both sides of our sport.

The Marathon Racing Regulations and Administration document can be downloaded from the Marathon website <http://www.marathon-canoeing.org.uk> or from the Secretary, contact details above.

PART A: RULES FOR COMPETITION

General Rules Applying to All Races

1) DEFINITION

A marathon race can be raced over any distance: usually between 3km and 200km.

2) BEHAVIOUR

- b) When a canoe or kayak is overtaking another canoe or kayak it is the duty of the overtaking craft to keep clear of other competitors at all times.
- c) When a canoe or kayak is racing in a group of competitors it is the duty of all the competitors in the group to keep clear of other competitors at all times. This rule applies to any manoeuvring within the group.
- d) All paddlers will wear appropriate clothing when racing. This is a minimum of singlet and shorts. These should preferably be in club racing colours.

3) THE RACING STRUCTURE

- a) The marathon racing system has been designed to encourage all levels of competitor from the raw beginner to top class internationals. There are five categories of race: -
- b) **GROUP A** - These races will appear in the Racing Handbook calendar and/or the calendar published on the MRC website. For these races the race levy must be paid and competitors must be BCU, Canoe England, WCA, SCA or CANI comprehensive members (see Rule 13).
 - i) Divisional races approved by the Marathon Committee. Promotions between divisions will take place based on the results of these races.
 - ii) Races and time trials approved by the Marathon Committee but not in the divisional system such as stage marathons, descents, Royal K1, Richmond K2, Thameside etc.
 - iii) The National Championships.
- c) **GROUP B**
 - i) Those races in the regions and at clubs that do not appear in the calendar. These will include handicap and fun marathons. No promotions will take place at these races. Clubs are encouraged to hold handicap races throughout the year as an introduction to competing in the divisional system. These should be over a 3-10km course with handicaps based on age, experience and type of boat.
- d) **GROUP C**
 - i) All Lightning and Junior K2 races forming part of the Geoff Sanders Trophy or held at Regional Hasler events, the National Marathon Championships or the Hasler Final approved by the Marathon Racing Committee – see rules 49-58. For these races:
 - (1) All competitors must be BCU, Canoe England, WCA, SCA or CANI comprehensive members.
 - (2) No race levy will be payable.

4) CLUB MEMBERSHIP

The racing year shall be from 1st September of any year to 31st August of the following year. When a competitor is a member of more than one club, he shall declare before 1st September to the Race Records Officer of the Marathon Committee the name of the club for whom he will race the following racing year. When a competitor changes his club in mid season, he is permitted to compete for his new club, instead of his old, provided that prior consent of the old club is obtained. This consent shall not be withheld unreasonably, particularly in the case of a change of residence from one area to another. The agreed change must be advised to the Race Records Officer in writing before points can be allocated to the new club in club competitions.

5) SAFETY

a) Competitor responsibility

- i) Competitors must render their boats sufficiently buoyant to remain afloat and to support the crew in rough water in the event of capsizing.
- ii) Competitors must be able to swim adequately in the waters on which the race is being held.
- iii) On open water adequate spray covers must be worn.
- iv) All paddlers are required to render assistance to other competitors in distress.

MARATHON RACING

- vi) Life jackets must comply with either the European Standard 'EN393 or 395 or the International Standard 'ISO 12402'.

b) Team Leader responsibility

- i) Team Leaders should decide if paddlers under 16 years of age in the higher divisions should wear life jackets or buoyancy aids.

c) Race Organiser responsibility

- i) Race organisers may require life jackets or buoyancy aids and spray covers to be worn and will have the FINAL say as to who should wear them (except where this is covered by rule 5a(v)) depending on weather and water conditions. Such equipment must be provided by the competitors.
- ii) The penalty for infringing any safety rule is disqualification from the race.

Canoeing and Kayaking in all its forms is an 'Assumed Risk – Water Contact' sport.

6) DISCIPLINE

Marathon racing is subject to the BCU Marathon Racing Committee Disciplinary Regulations and to the BCU Disciplinary Code. [See <http://www.canoe-england.org.uk/our-sport/marathon-racing/bcu-marathon-racing-committee/> and "Dispute Resolution Policy" <http://www.bcu.org.uk/resources-and-policies/policies/respectively/>]. These apply to all BCU Marathon races.

For the avoidance of doubt, any complaint that an individual member of the Union (competitor or non-competitor) has behaved in a manner described in clause 1.1 of the Disciplinary Regulations shall in the first instance, where possible, be lodged with the Race Protest Committee in the manner described in Marathon Racing Rule 18(g) (i) and (ii). The Protest Committee shall determine what action, if any, shall be taken. If the Protest Committee decides that the complaint should be referred to the Marathon Committee, the race organiser shall report the matter to the Secretary within three working days. The Marathon Committee will consider the matter in accordance with the Disciplinary Regulations.

Race Organisers should note the powers in clause 2.1 of the Procedures to apply immediate discipline where members or competitors have displayed violent or unreasonable behaviour.

 - b) a competitor in divisions 7, 8 and 9 is found to have bought more than one Event Ticket per season.
- c) Upon promotion to Division 6 there is a period of grace of 4 weeks during which a junior, racing with a registered junior section card, must become an individual comprehensive member of the BCU/Canoe England/WCA/SCA/CANI.

13) RACE LEVY SCHEME

At all GROUP A races, published in the Racing Handbook and/or the calendar published on the MRC website, there will be a race levy of £2.00 for each senior and veteran paddler by age, as recognized by their BCU, Canoe England, WCA, SCA or CANI membership, and £1.00 for each junior paddler by age, as recognized by their membership. The levy to be charged on all paddlers booked in irrespective of whether they start or finish the race. The race levy for all categories of races is to be remitted by the Race Organiser to the Treasurer **within 7 days of the race**. Cheques should be made payable to "BCU Marathon Racing Committee" and sent to David Enoch, 102 Bingham Road, Radcliffe-on-Trent, Nottingham NG12 2GT.

Those clubs wishing to pay the levy by electronic transfer should remit to
Barclays Bank Sort Code:20-63-25 Account No: 73066665
Account name BCU Marathon Racing Committee.

When making electronic transfers please also email David Enoch with the race name and amount of levy to david.enoch2@btopenworld.com

14) RACE REGISTRATION

The organiser of a GROUP A race must apply to the Calendar Organiser for that race to be registered. This must be done by the autumn of the year preceding the event. The event must be organised and run under the Marathon Racing Rules. Registered races may advertise through the Union and may appeal through the Marathon Committee in cases of dispute or difficulty. [Refer to BCU Disciplinary Code at <http://www.bcu.org.uk/resources-and-policies/policies/>]

The registration fee will be the race levy described in rule 13 and the organiser must comply with the requirements of rule 18.

15) BOAT NUMBERING

At all GROUP A races competitors shall number their boat for a race in the following manner. Paddlers racing in divisions 1-8 must display vertical number plates. The number plate must be yellow or white and displayed vertically in a slot placed on the middle of the back deck about 15cm behind the cockpit in the case of kayaks and on the front deck in the case of canoes. The slot will be fitted with a locking pin. The dimensions of the plate will be 200mm long x 150mm high with the top corners rounded to a 10mm radius. The characters on the vertical number plate will be the same standard as a car number plate and **MUST** be CLEARLY LEGIBLE from 25 metres. This applies to both sides of vertical number plates.

Paddlers ranked in Division 9, Lightning, club and fun race paddlers may alternatively use 225mm diameter white discs which should be displayed on fore and aft decks or as directed by the organiser.

Any paddler not displaying a number plate at the start of any race, or whose number is not clearly legible will not score club points.

16) FINISHES

MARATHON RACING

A competitor is deemed to have finished a race when the bow of the canoe or kayak has crossed the finishing line on the water with the competitor(s) in it.

17) ASSESSMENT RACES

The Marathon Committee will co-ordinate with race organisers to determine assessment race venues and the dates will be shown in the Racing Handbook. At these races, assessment classes may be separated from other race classes and may be run over the same or different courses.

18) ORGANISATION OF GROUP A RACES

- a) Clubs hosting races **must** be affiliated to the British Canoe Union.
- b) The race shall be open to canoeists who are members of an ICF affiliated federation.
- c) The race shall be properly advertised and the organisers shall issue adequate instructions on request, up to one month before the event, to prospective competitors or interested group leaders.
- d) In the event of circumstances which render it impossible or unsafe to run the race as planned, the Race Organiser shall take all reasonable steps to inform the competitors and supporters at the earliest possible moment.
- e) Race Organisers shall charge an entry fee for each competitor to include the levy cost. This fee may be reduced for juniors and augmented for late entries.
- f) Changes of class/division and late entries shall be permitted if the organiser so wishes. Information regarding late entries and class/division changes should be available to competitors at least 30 minutes before the start time of the class/division concerned.
- g) The Race Organiser shall provide a Protest Committee consisting of three officials or members of the organising body to hear and settle all protests by any competitor in that event. The following rules will be observed:-
 - i) The protests must be received within 30 minutes of completion of the relevant race and before the announcement of the final results. Failure to observe this will invalidate the protest.
 - ii) The protest must be in writing to the Race Organiser and must give full details of the alleged infringement of the rules.
 - iii) The Protest Committee must meet immediately to hear all the evidence and to consider the protest's validity in accordance with the BCU and Marathon Racing Rules.
- h) A protest against an organising body may only be dealt with by the Marathon Committee. Any such protest must be made within 3 working days in writing to the Secretary of the Marathon Committee and give full details of the alleged infringement of the rules. The person making the protest must also inform the secretary of the club or body concerned within 3 working days. Failure to comply with these conditions will invalidate the protest.
- i) Appeals against the decision of the Protest Committee are permitted and these will be heard by the Marathon Committee.
- j) Within 2 working days of the race the results are to be emailed to the Rankings Officer, the Race Records Officer, the Regional Marathon Advisor and to results@marathon-canoeing.org.uk, so that promotions can be ratified and the results uploaded onto the marathon website. See Useful Addresses page F3.
- k) **Within 7 days of the race** the Race Organiser must remit the race levy together with the race results in accordance with rule 13.

19) ORGANISATION OF GROUP B RACES

- a) For these races competitors do not have to be BCU, Canoe England, WCA, SCA or CANI members, there is no levy and no requirement to submit results to the race records officer. Race advertising, entry fees and classes are at the discretion of the organiser. The formal requirements to register club membership and for protest procedures are not necessary.
- b) Rules 1, 2, 5, 6, 7, 8, 9, 10, and 11 shall apply to all GROUP B races.

Rules Applying to Regional Divisional Hasler Races

20) Regional divisional Hasler races are GROUP A races and all of rules 1 -18 above shall apply.

21) REGIONS

The regions are determined by the Marathon Racing Committee for England plus Scotland East, Scotland West, and Wales. Each region will run its own league championships throughout the year and will decide how many results are to be counted by clubs. It is hoped that eventually there will be enough races in each region for clubs to count their best 8 or 9 results from the total number of races.

MARATHON RACING

22) THE DIVISIONAL SYSTEM

- a) Entry into the divisional system should be based on the standards detailed in the "Standards for Racing" (page D1).
- b) Club coaches are responsible for ensuring the ranking status of their paddlers and where necessary to ensure they are re-ranked appropriately.
- c) The divisional system is arranged into nine separate singles divisions and nine separate doubles divisions numbered divisions 1 -9. Race Organisers must offer the following races at all events except where varied as agreed with the Regional Hasler Adviser.
 - i) Singles races for divisions 1 and 2
 - ii) Either a division 3 singles race OR a division 3 doubles race.
 - iii) Singles races AND doubles races for each of divisions 4 to 9.
- d) If a K1 competitor or a K2 crew ranked in division 1, 2 or 3 attends an event where there is no race scheduled for his or their division, the Race Organiser shall permit the competitor(s) to race in an alternative division
- e) Each year a divisional list will be published in the Racing Handbook for singles divisions 1-8. These lists are checked and any paddler not having competed for two successive seasons is removed from the lists. Each autumn clubs are asked to submit a list of the paddlers who will not be active for the coming season and where appropriate, to amend a draft of the proposed divisional lists.

23) THE HASLER TROPHY

The Hasler Trophy is the National Team League Championships and is competed for throughout the season on a regional basis. The Hasler season is defined by the races designated 'H' in the Racing Calendar of this Handbook. Races relating to the following season are designated 'H2013'.

24) TYPES OF COURSE

Whilst there will be some variations due to local conditions and types of course available, the normal distances will be:-

Div.1, 2 & 3 Singles and Doubles

Full senior course of about 20km with any degree of severity.

Div.4, 5 & 6 Singles and Doubles

Course of about 13km which may include portages and/or weir shoots.

Div.7, 8 & 9 Singles and Doubles

Course of about 6.5km with the minimum practical hazards.

25) COMPETITORS

- a) Each club will be allowed as many competitors as it wishes.
- b) A paddler can only compete in one race in a qualifying event.

26) SEPARATE STARTS

Each quorate race of six or more starters must be started separately. Two or more quorate races of less than six starters (i.e. with 3 or 4 or 5 starters) may be started together but for all other purposes are treated as separate races.

27) SYSTEM FOR AMALGAMATION DUE TO LOW ENTRIES

If there are less than three entries in a division then the organiser must transfer those entries to another division to make a quorate race of three or more paddlers. Where possible they should be transferred to a race of the same distance so that paddlers race their normal course. Where there is a choice, transfer to a lower division is preferable to transfer to a higher division.

There is no handicap or allowance on transfer to another division.

28) COMPETING IN A CREW BOAT

When competing in doubles events the competition ranking shall normally be an average of the individual paddlers' rankings (all halves rounded down).

Paddlers ranked in division 1, 2 or 3 must enter the division 3K2 race with a partner which makes them eligible for this race. Paddlers ranked in division 4, 5 or 6 must enter a 13.5km K2 race with a partner which makes them eligible for the race entered. E.g.

(a) div 2 paddler + div 6 paddler: average ranking = 4, but entry must be in div 3K2

(b) div 4 paddler + div 7 paddler: average ranking = 5½: entry would be div 5K2

(c) div 5 paddler + div 9 paddler: average ranking = 7, but entry must be in div 6K2

All paddlers competing in crew boats must show their singles ranking on the entry form and these rankings must be shown on the results.

MARATHON RACING

29) SPECIAL PRIZES

Race organisers are encouraged to give prizes for special groups of paddlers e.g. first under 16, first C1. In particular they are strongly recommended to give a prize for the first woman in each division and for the highest placed TC2. This kind of encouragement is particularly important in the divisional system.

30) POINTS

- a) In regional races only those clubs within the region will score points. Paddlers from other regions will not be taken into account when calculating points except that their time will be used for the 110% calculations if they are the fastest boats not promoted.
- b) To be included for points, clubs must be affiliated to the British Canoe Union.
- c) All competitors in both singles and doubles **must** show their singles ranking at race check-in. Competitors not doing so will not score points in the regional competition and may not count the race as eligibility to compete in the final.
- d) Only competitors racing in their club colours will score points.
- e) The points system will be as follows.
 - i) Divisions 1-9 singles and 1-9 doubles will count for points.
 - ii) Points will be awarded to each paddler in both singles and doubles - 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points to all paddlers who finish within 110% of the time of the fastest boat not promoted in a singles race and within 110% of the winners' time in a doubles race. One point only will be awarded for paddlers who finish outside the 110% limit irrespective of their position. This to apply to all races except division 9 singles and doubles which will receive 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points for all paddlers who finish.
 - iii) Transferred paddlers racing in a different division under the provisions of rule 27 will count for Hasler points but their times will not be used for the 110% calculations.
 - iv) Paddlers in a separate assessment race at a Regional Hasler event will not score Hasler points.
 - v) Each club will count its twelve best scoring paddlers from any divisions in any combination of K1/C1/K2 or C2. Doubles boats can be counted even if some of these boats contain just one paddler who is eligible for Hasler points for a particular club.
 - vi) At each event the club with the highest score will get 10 regional points in the regional competition, 9 for 2nd and so on.

31) RACE RESULTS

Race Organisers must report their results using the HRM computer programme. Race Organisers are encouraged to use the HRM programme at the race to complete entries and calculate results at the meeting. If this is not practicable, results must be recorded later onto the HRM for reporting to the MRC in compliance with rules 18 j) and k).

32) PROMOTIONS

- a) Promotions between the divisions throughout the season will be based on the table "Standards for Racing" ("the Table") [See page D1 of 2010 Racing Handbook]. Column HC of the Table assumes a World Champion takes 60 seconds to paddle a given course and ranks paddlers in singles divisions from 1 to 9 based on the number of additional seconds it would take for competitors to cover that same course. P/D Factor expresses these same times as factors. For example, a top ranking paddler in division 7 would be expected to take 90 seconds giving a P/D Factor of 1.5.

- b) Promotions will be calculated on the following principles on the basis of singles results subject to the other provisions of this rule 32:

Divs. 1, 2

There are no automatic promotions to divisions 1 and 2. Promotions will be made by the Rankings Officer in consultation with the Regional Marathon Adviser.

Divs 3, 4 and 5

Promotions to divisions 3, 4 and 5 will be calculated by taking the times at each race of the mid-placed paddler in divisions 4, 5 and 6 divided by the Mean Factor for each of these three divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 3, 4, and 5 to give the times for promotion to divisions 5 and above.

Divs 6, 7 and 8

Promotions to divisions 6, 7, and 8 will be calculated by taking the times of the mid-placed paddler in divisions 7 and 8 divided by the Mean Factor for each of these two divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 6, 7 and 8 to give the times for promotion to divisions 8 and above.

[The above is an outline description of the promotion process. The detailed bases for calculations are available by post or email from the Secretary, Marathon Racing Committee]

MARATHON RACING

- c) Promotions may take place on either singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and promotions made under Rule 32(j) where considered appropriate.
- d) Status in canoe will not affect status in kayak and vice versa.
- e) No automatic promotions will be made under Rule 32 (b) where there are fewer than 5 starters in any race. However, the Ranking Officer in consultation with the Regional Hasler Adviser may amend or dispense with this limit if persistently low numbers in a division are clearly preventing the promotion system from operating as intended.
- f) Promotions are not limited to one division. For example, a division 9 paddler with a time faster than that required for promotion to division 7, would be promoted straight to division 7.
- g) Where the HRM computer results system is used at a race, automatic promotions will be shown on the race results and take immediate effect. All promotions (automatic and others) will be confirmed on the race results posted on the marathon website. It is the responsibility of paddlers and coaches to check these and ensure they are implemented with immediate effect.
- h) Once promoted, paddlers **must** race in their correct division, or higher division, except under the provisions of rules 27 and 28. Any competitor found racing in a lower division, singles or doubles, except under the provisions of rules 27 and 28, may be disqualified from the event and be banned from the next three Hasler races in the competitor's region. The exception is for promotions awarded at races held at the beginning of a new racing season and before the Hasler Final held in that year. These promotions will not apply at the Hasler Final of the current season but will apply to all other races. (E.g. A div. 6 paddler promoted to div. 5 in September 2012 at a race designated as H2013 can still race in div. 6 at the 2012 Hasler Final but must race in div. 5 at all other races.)
- i) All paddlers, both from within the region and from other regions are eligible for promotions. The only exceptions are paddlers transferred from another division under rule 27 (system for amalgamation due to low entries).
- j) The Marathon Committee has discretion to promote or to withhold promotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

33) DEMOTIONS

- a) Divs. 1, 2 and 3 Demotions from Divisions 1, 2 and 3 will be made by the Rankings Officer in consultation with the Regional Hasler Adviser.
- b) Divs. 4 to 9 Application for demotion from Divisions 4 to 8 may be made to the Regional Marathon Adviser by the club coach. The Regional Marathon Adviser shall confirm his decision in writing to the club coach and to the Race Records Officer after agreeing this with the Rankings Officer.
- c) Demotions will be limited to one division.
- d) Demotions may be based on singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and demotions made under Rule 33h) where considered appropriate.
- e) Status in canoe will not affect status in kayak and vice versa.
- f) Once demoted paddlers may nonetheless choose to race in any higher division, except under the provisions of rules 27 or 28. Paddlers competing in the Hasler Final shall race in the division according to their ranking status at the close of the prior season (normally 31 August). Thus demotions awarded in the new racing season immediately prior to the Hasler Final will not apply at that Hasler Final.
- g) All paddlers, both from within the region and from other regions are eligible for demotions. The only exceptions are paddlers transferred from another division under rule 27 (system for amalgamation due to low entries).
- h) The Marathon Committee has discretion to demote or to withhold demotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

Rules Applying to the Hasler Final

35) CLUB ELIGIBILITY

- a) The top 4 scoring clubs from each region (8 clubs from the combined Midlands region) as determined by the regional Hasler competitions, plus a team from the Combined Services, may compete in the Hasler Final at the end of the season. Additionally a team from the host club (or from each host club if there are two organising clubs) may compete if they have not qualified from the regional competition.
- b) Each eligible club will be allowed as many competitors in the final as it wishes.

MARATHON RACING

36) PADDLER ELIGIBILITY

There are exceptions for Div.1 senior men's kayak, Div.2 and above junior men's kayak, Div.3 and above women kayak, Div.4 and above junior women kayak and Div.3 and above canoe, who must compete in 2 qualifying events.
- b) Qualifying events are regional Hasler races and all assessment races for that season. This does not include races designated for the following Hasler season. Also a paddler may count competing in the National Championships on one or both days as one qualifying race. The previous Hasler Final does not count as a qualifying race.
- c) The qualification must be in the same type of boat (i.e. canoe or kayak).
- d) Paddlers are only eligible to paddle in a singles race at the Hasler Final if they have competed in 3 qualifying events in singles. The exceptions in rule 36(a) apply equally in this rule.
- e) A paddler can only compete in one race at the final.
- f) The Regional Marathon Adviser will check the eligibility of paddlers from his region for the final. The Race Records Officer will be able to produce listings on request to help clubs and Marathon Advisers carry out this task.

57) RACING IN THE HASLER COMPETITION

- a) The Geoff Sanders Series aims to introduce young paddlers into marathon racing but it is important that they do not remain too long in the class. Coaches and parents are best placed to decide when a junior is ready to race in the Hasler Series and the decision is for them to take.

Rules applying to the 5K Series

59) THE SERIES

The Series was introduced in 2010 and the main objectives are:

- a) Mass starts to teach paddlers to get off the line quickly and get into an appropriate group as soon as possible, in a bumpy water environment.
b) Larger groups to teach paddlers to race effectively in groups.
c) Minimum administration.
d) Minimum number of classes.

60) RACES

The Committee aims to have at least two races in each region and to hold a national Final in the summer. Details of races will be publicised in the marathon calendar and on the website.

61) RULES

- a) 5K racing will be governed by the rules of the BCU Marathon Committee as set out in the Flatwater Racing Handbook.
b) These races fall under rule 3)b)ii) 'Races and time trials approved by the Marathon Committee but not in the divisional system'.

62) RACE LEVY/BCU MEMBERSHIP

- a) The race levy must be paid. The levy will apply to the event, not the number of races a paddler competes in on that day.
b) Entrants must be comprehensive members of the BCU or junior members of a club with a registered youth section.
c) Membership must be confirmed with entry or at time of booking in.

63) THE COURSE

- a) The course will be as close as possible to 5 kilometres. A GPS should be used to measure the length of the course, to enable time comparisons to be made throughout the country.
b) There will be a minimum of one and a maximum of two turning points that will be in an anti-clockwise direction. There should be three buoys marking the turn in an even arc. It is acceptable for one of the turning points to be used twice.
c) The course can be on any kind of water, but bear in mind the basic objective of teaching paddlers to race in large groups. Therefore, wherever possible, there should be as large an expanse of water as possible.
d) The recommended race day is Saturday, although this is not compulsory.

64) CATEGORIES

- a) There will be the following categories: senior men, senior women, junior men, junior women, veteran men and veteran women.
b) All categories will be able to compete in the following craft: K1, K2, C1 and C2.

d) To achieve mass starts four starts are recommended:
In the first set of starts -
1. Junior, senior and veteran men K1;
2. Junior, senior and veteran women K1 plus C1;
In the second set of starts -
3. Junior, senior and veteran men K2;

MARATHON RACING

4. Junior, senior and veteran women K2 plus C2.

The Race Organiser has discretion either to split starts into smaller groups or to combine starts where it is considered the numbers of competitors or the nature of the course make this appropriate.

65) RANKINGS

- Results including times will be sent to Sue Hawthorn to enable her to compile a rankings list on a time-elapsed basis, initially for K1.
- The ranking list will be updated and published on the marathon website as soon as possible after an event.
- The top ranking paddler in each category will receive a trophy provided by the MRC at the end of each season. The season will be the same as the Hasler season.

PART B: THE STARTING OF ASSESSMENT RACES, NATIONAL CHAMPIONSHIPS RACES AND HASLER FINALS RACES

There is a necessity to maintain the standard of starting at assessment races and major championships. The following will apply to all assessment races, to all races at the National Championships and to all races at the Hasler Finals.

1. REQUIREMENTS

- The start line should be clearly defined on both banks.
- A clearly defined marshalling line must be established behind the start line.
- The race must be started by a person drawn from the approved starters list, who will have an experienced assistant.
- The marshalling line should be controlled by at least two experienced officials.
- The above should all be equipped with PA equipment or loud hailers that it is the responsibility of the race organiser to provide.

2 STARTING PROCEDURE

- An audible warning will be given 5 minutes before the first start. From that time on, no paddler is to pass in front of the marshalling line. All paddlers who are already in front of the marshalling line have 3 minutes to get behind it.
- A second audible warning will be given 2 minutes before the first start. Any paddler in front of the marshalling line will be penalised. No paddler is to go in front of the marshalling line until instructed by the marshal.
- Once released by the marshal, the paddlers will be under the starter's control. Any paddler going in front of the start line before the 'GO' will be penalised.
- For each contravention of the above rules, a 2 minute penalty will be imposed.
- Note that the Marathon Team selectors have been instructed by the Executive Committee that they should use the results INCLUDING any penalty, as the basis for selection.

3. APPROVED STARTERS LIST

Brian Chapman	Roland Lawler	Andy Rawson	Sarah Swallow
Margaret Chapman	Alan Laws	Jim Rossiter	Stuart West
David Enoch	Dyson Pendle	Melvin Swallow	Alan Williams
Ollie Harding	Paul Ralph		

PART C: RECOMMENDATIONS

These recommendations are to help clubs run well-organised races. You should not attempt to run a race without having attended others first.

1) ADVANCE INFORMATION

Advance information should at least contain the following details.

- Name, date and status of the race.
- Name of the organising body.
- Closing date for entries and whether or not late entries will be accepted.
- Person to whom entries and enquiries should be sent, with address, phone number and email.
- Entry fees and to whom these should be payable.
- An entry form asking for full details of competitors, though entries using the HRM system should be encouraged.

MARATHON RACING

- g) Locations of start and finish, and directions for getting to these places.
- h) Check-in, briefing and start times.
- i) Brief description of the course.
- j) Any special regulations that competitors should be aware of before they arrive.
- k) Any major changes since last year.

2) SAFETY

Safety measures are largely at the discretion of the organiser, since courses and conditions vary considerably. All paddlers ranked in Divisions 7, 8 and 9 or competing in Lightning and fun races must wear a buoyancy aid [Rules 5 (a)(v) and 56 (a)]. Make sure you have adequate safety cover for all Lightning races. On the open sea it is wise to insist on buoyancy aids for all. On open water, rescue boats are very important. Ensure that no-one is stranded or lost halfway round the course; it is important to account for all competitors. On calm water it is usually sufficient to have a back marker paddling the course. **All Race organisers should prepare a Risk Assessment well ahead of their event and put in hand appropriate safety measures.**

3) BRIEFING AND CONTROL

- a) Deliver a briefing shortly before the race. Explain the starting procedure; starting order; describe any special features and hazards of the race course and emphasise any special regulations.
- b) Check that all boats are numbered clearly. It is the competitor's responsibility to number his boat, but it does make the finishers' job easier if number plates are legible. Provide large permanent marker pens at check-in.
- c) Use the starting order listed in Section 4.
- d) Make sure the course is clearly marked at all points where there could be doubt. Position marshals at turning points to check against a start list. Have clearly identifiable marshals at portages and shoots. The marshals should keep the passage clear for competitors, keep spectators and competitors off forbidden land and report any misdemeanours to race control. A marshal's directions should override any prior instructions.

4) STARTING ORDER

- a) The start order of the various classes or divisions can have a significant effect on the race results. The general principle is to start the fastest classes first and the slowest classes last. This minimises the chance of fast boats paddling through slower classes, picking up stragglers on the wash and dragging them back to the class leaders.
- b) The following is the recommended start order. Not all these classes will necessarily run at any one race.

Division 1 K2	Division 3 K1	Division 6 K1
Division 2 K2	Division 5 K2	Division 8 K2
Division 1 K1	Division 4 K1	Division 7 K1
Division 3 K2	Division 6 K2	Division 9 K2
Division 2 K1	Division 5 K1	Division 8 K1
Division 4 K2	Division 7 K2	Division 9 K1

5) STARTING

- a) A clean start is important but difficult to achieve. The starter must be clearly heard (use a megaphone if necessary) and must be firm but fair. Use a pre-start line to ensure that all paddlers in a given class are together. The class can then be called slowly onto the start, make them stop paddling before the line is reached. When you have them in a fair line start without delay, say "READY GO".
- b) In Regional Divisional Hasler races each class of six or more boats must start separately (Rule 26). Do not attempt to overcrowd the start line. If necessary have two starts for a large division or class.
- c) Record the start time of each class. Allow at least 2 minutes between starts. Do not use a system which relies on a set start time – it is more important for the start to be fair.
- d) Note that there is a panel of approved starters [Section C (3)] who can be approached for help.

6) TURNS

- a) Clearly mark all turns. Use a buoy or buoys at each turn. Make sure these are clearly distinguishable. A clear description and location of the turn buoys must be given at the briefing.
- b) All turns should be properly marshalled. Each turn marshal should have a list of the race numbers which started and is responsible for checking that each boat properly completes the turn. A list of boats which did not complete the turn and a written report of the incidents at the turn must be provided promptly to the race control.

MARATHON RACING

7) FINISHING & RESULTS

- a) Have a clearly marked finishing line. Signify a crossing of the line audibly by bell, whistle or hooter.
 - b) Have a reliable, readable clock and a back-up in case of malfunction.
 - c) Have a shelter in case it rains.
 - d) **Recording the finishing times and positions is the most important job you will do.**
 - e) **Prepare in advance with numbered sheets. Have spare pens/pencils.**
 - f) Record the number and order of every boat as it passes the finishing line. Two tried and tested methods are:
 - (i) Have lined sheets, marked into two columns with one person writing the boat numbers and another the finish time. If possible have a third person calling out the finishing times. Number all finish pages to avoid confusion, OR
 - (ii) Have a team of three. Two work together, one calling boat numbers whilst the other records the number and time. The third person works independently recording the numbers in finishing order.
- We do not recommend having the times written on one set of sheets and the numbers separately written on another set and then trying to match these together.**
- g) A further fail-safe is to have a tape recorder at the finish line. Give the recorder to one of the finish team and tell them to 'talk' every boat over the line, giving number and time.
 - h) At all Hasler events you must use the Hasler Race Management computer programme (HRM) to produce your results. If possible use the HRM at the race. This will automatically calculate the elapsed time and finishing order of all boats, all singles promotions and the Hasler points. The results will be produced in the format required by the Race Records Officer. The HRM is designed for Hasler races and can be downloaded from the Marathon Canoeing website. If you want any help with the HRM please contact your Regional Adviser.
 - i) Whether using the HRM or a manual system, have someone indoors to produce the results. Arrange a system for displaying the results as soon as you know them. Errors can be queried before prize giving. Hold the prize giving as soon as possible.

8) AFTER THE EVENT

- a) After the event is over the final result sheet needs to be produced. Keep all manual start and finish sheets as back-up.
- b) If you have run a Hasler event you must return your results using the HRM. This automatically produces the results in the correct format.
- c) Send results by email to the Rankings Officer, the Regional Marathon Advisor, the Race Records Officer and to results@marathon-canoeing.org.uk within 2 working days so that promotions can be ratified and the results can be uploaded onto the marathon website. For all addresses, see page F3.
- d) The race levy should be sent to the Marathon Racing Committee treasurer. See rule 13. Levy to be remitted within 7 days.
- e) Send Event Ticket money to the BCU HQ, Bingham together with the name, post code etc. of those who have paid for an event ticket, on the form provided by the BCU.

PART D: VENUE AND ORGANISATIONAL CRITERIA FOR THE NATIONAL CHAMPIONSHIPS AND THE HASLER FINALS

The Marathon Committee will look to the following ideal criteria when considering applications for the hosting of the National Championships and the Hasler Finals. Any club wishing to host the National Championships or the Hasler Finals will be expected to make a short presentation to the Annual Consultative Meeting or to the Marathon Committee outlining their proposals for the course and organisation to meet these criteria.

1) THE COURSE

- a) The course should be wide enough at the start to provide a fair start for all paddlers. It should also be wide enough throughout its length for competitors to overtake and pass each other in opposite directions.
- b) The course should be capable of being paddled in an understern rudder boat.
- c) Portages should allow a minimum of 12 metres at the 'get out' and 'get in' points. Portages should not be of excessive number or length.
- d) Access to portage areas for spectators should be good with adequate parking, or pool transport should be provided.
- e) The course should be reasonably accessible for spectator viewing.
- f) There should not be too many other conflicting water users.

MARATHON RACING

2) ORGANISATION

- a) The organising club(s) should have a proven track record in organising normal Divisional marathons.
- b) The venue should have good access by road and not be too far for the majority of paddlers to travel.
- c) There should be adequate camping facilities nearby, particularly for the two day National Championships.
- d) There should be adequate parking at the start and finish.
- e) There should be adequate covered checking-in and refreshment areas at the start and finish and a results display area.
- f) There should be adequate toilet facilities at the start and finish areas.
- g) There should be an adequate PA system at the start, briefing and prize giving areas.
- h) There should be adequate First Aid cover in appropriate areas.
- i) The starting of all races is to be as the procedure set out in PART C.
- j) There should be a computerised results facility capable of showing class results and team scores immediately after the races.
- k) Prizes at the National Championships will be the official BCU National Marathon Championship medals and Divisional medals.
- l) Prizes at the Hasler Finals will be the official BCU Hasler Finals medals.

PART E: BCU MEMBERSHIP AND EVENT TICKETS

All seniors and veterans must be full members of the BCU if they wish to race in a Marathon event that has been advertised in the Calendar. Juniors who are ranked in division 6 or above must also hold individual comprehensive BCU youth membership.

A junior club member need not be a full member of the BCU in order to race in the lower divisions (7,8 & 9) of the Marathon racing system or in the other 2 categories of marathon races. He / she must, however, be a member of a club with a registered junior section and the number used for his or her identification will be the club's affiliation number followed by the paddler's own individual club number. However, the club abbreviation followed by the paddler's club number is easier and preferred by the Records Officer, both for identification and ease of recording. i.e. LIN/005, CHE/017. Note that event tickets are also required for Lightning paddlers who are neither BCU members nor a member of a club with a registered junior section but the Event Ticket is issued to Lightning paddlers without charge.

Any junior promoted into a higher division (6 & upwards) must then become a full member of the BCU.

Race Organisers MUST still check that a competitor's membership is current either by photocopy of the membership card with the entry or by seeing the card on the day of the race.

If the card is unavailable or forgotten the paddler must purchase an "Event Ticket" as a "stop gap" but only once per season. The records officer carries out a check on event ticket issue for all race results and those paddlers abusing this system will be penalised.

The system is as follows:

1. The tickets are for use by non-members at the entry level only of National Competitions requiring membership e.g. Divisional Racing.
2. For use at a BCU event when the organiser believes a participant may be a member but the member cannot provide proof by way of a membership card.
3. Event organisers charge the current rate set by the BCU, which will be sent to the BCU HQ, Nottingham within 7 working days of the event.
4. Event Ticket fees are not refundable.
5. The overall consideration is to encourage, in the best possible way, membership of the Country's Governing Body for Canoesport.

MARATHON RACING – THE HASLER TROPHY

The story behind the Hasler Trophy

One of the most daring raids of World War Two took place on the night of 11th December 1942 in the enemy-occupied port of Bordeaux in France. Operation Frankton involved 12 men in six canoes being taken by submarine to a position 10 miles south of the Gironde estuary on 7th December. One of the canoes was ripped passing through the hatch of the submarine, but the other five then had an 85 mile paddle ahead of them. Two boats were lost in the tidal race and the remaining three carried on for three days, paddling in darkness and lying up during the day. One more boat hit a submerged rock and sank and the final two boats went on to Bordeaux harbour, where they attached their limpet mines and, assisted by the ebb tide, paddled silently back down the river. The mines detonated and severely damaged four vessels and sunk one. The four remaining men beached before reaching the sea, scuttled their canoes and travelled overland to try to reach safety. Two were captured, but Major 'Blondie' Hasler and Marine Bill Sparks made their way to Spain – the only two of the original ten who survived. Hasler was awarded the DSO and Sparks the DSM.

After the war, Hasler went on to found the Single Handed Transatlantic Yacht race after a bet with his friend Francis Chichester. The Hasler Trophy was presented by Lloyds Underwriters to commemorate the raid of the so-called 'Cockleshell Heroes' and has been competed for since 1957. Major Hasler died in 1987 and Bill Sparks died on 30th November 2002, only ten days short of the sixtieth anniversary of the raid. In 2003 the Marathon Committee decided to inaugurate a new trophy named in honour of Bill Sparks, which goes to the highest placed veteran K2 in the highest division at the Hasler Final.

INTERNATIONAL MARATHON MEDALS

Prior to 1982 major international competition comprised the Grand Prix series of two or three races per year. In 1982 World Cups were introduced every year as the premier international event in addition to one or two Grand Prix.

From 1988 World Championships were introduced in alternate (even) years with World Cups remaining in alternate (odd) years. One or two Grand Prix races continued every year.

From 1995 European Championships were introduced in alternate (odd) years.

From 1998 World Championships were held every year, the old World Cups (in alternate odd years) ceased and the Grand Prix races were renamed as World Cups.

In 2001 Junior World Championships were introduced every year.

INTERNATIONAL MARATHONS

SELECTION POLICY FOR GREAT BRITAIN REPRESENTATIVE TEAMS

Objectives

- 1 To win medals at World, European Championships and World Cup events.
- 2 To maintain a position as a top nation in international competition.
- 3 To ensure the long-term athlete development required for international success.

This policy may be amended or supplemented by the BCU Marathon Racing Committee at its discretion in order to achieve the above objectives to cover exceptional circumstances. Every effort will be made to ensure as much notice as possible is given to all persons affected by any change.

Process of Selection

- 1) Each year, the ICF publish an International Calendar from which a programme of International Events to be attended is selected. Due regard is given to the Objectives and to budgets. Some events may be designated "Development". The programme is specified in the Racing Handbook.
- 2) The basic team composition for each event will be detailed in the Racing Handbook. Changes may be necessary to suit all the factors affecting team size and budgets.
- 3) The selection of teams for **all** internationals will be made on a **continuous assessment, open-to-all basis**. The composition of the team for each event will depend entirely on paddlers being and proving that they are of sufficiently high standard.

(The system of **continuous assessment** as opposed to one of 'first past the post' at a nominated selection event has been in operation for several years and has operated very well. It allows the selectors to consider an athlete who has under performed in any one race. This could be due to illness or equipment failure. It also means that consideration can be given to improving athletes who may not be winning but show potential for the future.)

Teams will be selected from the results of assessment races and current season internationals, as detailed in the Racing Handbook, on the basis of their ability to fulfil the Objectives above.

In exceptional circumstances, the Selection Committee may consider international results from previous seasons even where the athlete has no assessment race or international results from the current season.

- 4) All athletes seeking selection should race in the Assessment class corresponding to the category for which they are seeking international selection unless otherwise instructed by the Selection Committee. The Selection Committee reserve the right to disregard results gained by athletes racing in the wrong class.
- 5) Athletes wishing to be considered for International Events must comply with the following conditions.

INTERNATIONAL MARATHONS

- a) They must be Comprehensive BCU members throughout the year.
 - b) Having due regard to their availability for selection and their preferred programme, they should apply by completing the Availability Form and returning it by the dates specified in the Racing Handbook.
 - c) They should be prepared to meet all assembly costs and pay a contribution towards food, as detailed in the Racing Handbook.

2012 INTERNATIONAL PROGRAMME

The Committee will provide as full a programme as possible in 2012, but this is subject to the funding we receive. The intended programme for the year is set out below, but it must be understood that the events supported and the sizes of the teams may change depending upon funding.

The main events for the year, for both Seniors and Juniors, are therefore: -

World Cup	Copenhagen, Denmark	June 23/24
World Championships	Rome, Italy	Sept. 21/23

Each country can enter 3 crews (2 at World and European Championships) in each class, with only the first finisher to count towards the World Cup Trophy.

In addition to the 3 main events, we plan to send a small team to the Sanabria K4

INTERNATIONAL MARATHONS

Series depending on the assistance we receive from the Organisers, and Junior Development teams to the Gent Marathon and to a late season event in France. This will probably be the French National Championships in October.

We will also support other events, where the Organisers provide total finance.

Marathon Committee Support

The Marathon Committee will assist all potential team members in seeking personal sponsorship.

Private Entries Competing Abroad

Any competitor wishing to compete abroad outside the British team must apply to do so via the Governing Body, the BCU (ICF ruling). For practical purposes these applications must reach the MRC four weeks before the event. They should be sent to David Enoch except entries for the Sella Descent, which should be sent to Andy Goodsell at the BCU Offices in Bingham, Notts by 1 July latest.
