ORTON MERE DIVISION 3/4 DOUBLE

SEPTEMBER 20/21 1997
RESULTS

An Administrator writes:

Well that is another slalom where I have managed to play with the entries, sit in the caravan chatting to judges and generally doing very little. While the rest of the officials ran around, and the organiser did the organising. Now I have to do my bit, and get the results out fairly quickly. So if you want confirmation of where you came, turn over now, but these thanks must be recorded:

Appologies

From inside the caravan Saturdays event was fairly smooth, but we must appologise for Sunday. First we had parts of the course cut down (many thanks to those who pitched in and re-erected it). Then TUTTI would not wake up. We got the clocks actually going at 9:59 for a 10 o'clock start. All went well then until in the middle of the C1s, the clocks just went blank. OK, I will admit a few choice words. The pattern then continued of TUTTI for a while, then all clocks going blank, choice words and a frantic 15 minutes trying everything to get the clocks back, while we timed you using hand held stop watches. Just after the start of the second runs, our 'clock box' arrived, and 30 seconds later TUTTI failed again, so the second runs were timed without TUTTI. Inevitably this resulted in us running late, and for some periods in you getting off the water before the results were up. In the first failure, I think some of you were changed first, sorry.

THANKS

As always with a slalom, there are many people to thank, this slalom was no exception, so profound thanks to:

Nene Park Trust: For allowing us to rent the field for camping/caravanning.

Peterborough Council: For rubbish disposal, toilets, and general upkeep.

Anglian Water: For the use of the water, and the weir structures.

Our hardworking Jury: Well they claim they were.

Desperate Measures: Our Main sponsor, and on-site provider of equipment to the discerning.

Those who turned up to assist as officials: Need any more be said, we could not have run the event without them.

Those of you who entered before the day: This practise is now (unfortunately) in the minority, but it makes planning and running the event much easier.

Congratulations to those of you who got promoted, we hope that you all had a good time despite the hiccoughs.

ADVERT

We look forward to seeing you at our next, 1 day, 'Winter' slalom on 30th November. Open to all divisions, enter on the day. Although this is the first of the Eastern Region series, it is open to all. The emphasis is on enjoyment, and the course is aimed at div5 paddlers, although the Prem kayaks who compete seem to enjoy the day as well. If you want to try something different, just contact us, we can lend you boats, and provide all the encouragement you need.

Are you coming to the Proteus Winter Slalom (30th November)? Or do we send our 'recruiters' over to encourage you?

The Slalom will be the first in the Eastern region winter series, but is open to all. Entry on the day, with a course aimed at those new to slalom, but (usually) enjoyed by the premier paddlers that come.

Prizes in all classes and must divisions/age groups. Run to normal slalom rules, but with an additional 'if you fall in, you have to accept a hot drink from our canteen' rule.

Seriously though, this is intended as a friendly, fun, slalom for all to enjoy. If you want to try Slalom, or try a different class, come along, we will lend you the boats, and offer advice. Why stop slalom at the end of the season, keep in training and have fun with a day out in Peterborough. The course will go up Saturday, Sunday competition starts at about 11.

Worried about the distance?, Ring us, we know of local camp/caravan sites, and have some floor space available.

For more details, call Colin or Mandy on (01733) 205621, or talk to any member of the Proteus Canoe Club.
