SYMONDS YAT DIVISION 3 SLALOM 29th/30th SEPTEMBER 1990 - RESULTS

Here are the results of Symonds Yat Division 3 Slalom held on the 29th and 30th September 1990. Thanks to everybody for attending and for putting up with the poor weather conditions, particularly the officials who spent some long periods in the wet and cold. Congratulations to those promoted, keep on trying those who just missed out.

A small complaint from the organiser - over 40% of the entries received before the event were postmarked after 14th September which, according to the year book should have been the cut off point. Please ensure that your entry is in on time. We appreciate that there will be the odd need for a late entry, but not this many - it makes our job a lot harder.

On a brighter note, the Antony Crisp Memorial raised £64 for the Meningitis Trust, and was won by Danny Daniels from Wydean - well done.
